FROM THE PRESIDENT

Welcome to Kendall College of Art and Design of Ferris State University, or, as we like to call it, KCAD. This is a truly special place: a close-knit community of artists, designers, educators, makers, and problem solvers who understand and appreciate the power of creativity to transform ourselves and the world around us.

At KCAD, we understand where you’re coming from, and we know what it takes to get to where you want to be, because we’ve been empowering artists and designers to reach their full potential since 1931. In each of our 17 undergraduate programs, immersive learning experiences transcend the walls of the classroom, leading you to a broader and deeper understanding of your discipline and how it connects to society. Small class sizes enable our expert faculty to connect with each student on a personal level, providing a comprehensive network of support that nurtures your individual development.

This catalog will serve as your reference guide as you pursue your educational goals at KCAD. Within its pages you will find important information about KCAD’s campus; admissions procedures; academic policies; student services, support, and business affairs; as well as program guides. After reviewing this catalog if you have any questions please do not hesitate to ask.

I look forward to celebrating your achievements and successes with you!

Sincerely,

Leslie Bellavance
President
Kendall College of Art and Design
of Ferris State University

INTRODUCTION

HISTORY
Kendall College of Art and Design (KCAD) was founded in 1928 through a generous endowment provided by Helen M. Kendall as a memorial to her husband, David Wolcott Kendall, known as the Dean of American Furniture Designers. Helen Kendall envisioned a school whose graduates would be leaders in the world of art and design, and throughout its history, KCAD has prepared generations of students for careers as professional artists and designers. KCAD also provides children and adults with the opportunity to pursue courses in art and design through its dynamic continuing studies program.

In 1996, the Board of Trustees of KCAD approved a merger with Ferris State University, a process that was completed in December 2000. Founded in 1884 as Ferris Industrial School, Ferris State University is dedicated to providing an education that prepares its students for professional careers. Ferris State also seeks, through its educational programs, applied research and expertise, to support and strengthen the economy of Michigan and the nation.

In combining these two distinctive institutions, the Boards of both KCAD and Ferris forged a union that offers students the educational opportunities and strengths of each institution. At the heart of both institutions is the commitment that graduates are prepared to pursue professional careers. Each institution shares a dedication to educational excellence and innovation coupled with practical application. As partners, the two institutions will build upon and expand the unique educational opportunities they offer in world-class programs in art, design, and technology.

In the fall of 2013, KCAD finalized a merger with Urban Institute for Contemporary Arts (UICA) that enables both organizations to reach a wider audience through enhanced opportunities for joint exhibitions and additional programming.

FERRIS MISSION
Ferris State University prepares students for successful careers, responsible citizenship, and lifelong learning. Through its many partnerships and its career-oriented, broad-based education, Ferris serves our rapidly changing global economy and society.

KCAD MISSION
As a college within Ferris State University, Kendall College of Art and Design prepares students for leadership in the visual arts, design, art history, and art education; provides innovative, collaborative education that fosters intellectual growth and individual creativity; and promotes the ethical and civic responsibilities of artists and designers, locally and globally.

KCAD VISION
As an innovator in art and design education, KCAD will cultivate a student-centered learning community that fuels the regional economy with creative leaders and critical thinkers with global perspectives.

EQUAL OPPORTUNITY POLICY
KCAD is committed to the principle of equal opportunity in education and employment. It is the policy of the university to prohibit unlawful discrimination in connection with any aspect of educational programs or opportunities, services to the public, or employment, on the basis of race, color, religion or creed, national origin, sex, age, marital status, veteran or military status, height, weight, protected disability, or any other characteristic prohibited by applicable State or federal laws or regulations. In addition, although not mandated by law, it is the policy of the university to prohibit discrimination in education and employment on the basis of sexual orientation.

NON-DISCRIMINATION POLICY
This Policy on Non-Discrimination is designed to express the university’s intent and commitment to comply with the requirements of State and federal non-discrimination laws. This Policy and all other policies and procedures of the university shall be interpreted and applied co-extensively with such laws. This Policy shall not be interpreted as creating any legally enforceable rights, contractual or otherwise, that are greater than those existing under applicable non-discrimination laws. The prohibition against discrimination on the basis of sexual orientation does not apply to the university’s relationships with outside organizations, including the federal government, the military, ROTC, and private employers. Nothing contained in this Policy shall be construed as prohibiting the university from applying bona fide occupational qualifications.

The university reaffirms its policy of administering all of its educational programs, and related support services and benefits, in a manner that does not discriminate with respect to a student or prospective student in any way that violates the university’s Policy on Non-Discrimination. The university is committed to providing education relevant to a changing society to all students who have the motivation to succeed and the ability to benefit from the opportunity and have been admitted to the university. A practice of affirmative recruitment and retention of members of under-represented or disadvantaged populations supports this policy of opportunity and accessibility. This policy applies to each and every phase of educational programs, services and benefits, including recruitment, applications, admissions, enrollment, counseling and guidance, financial assistance, degree requirements, athletics, student life and other activities.
INTRODUCTION

The university reaffirms its policy of providing social, cultural and other services, consistent with its mission, in a manner that does not discriminate with respect to members of the public in any way that violates the university’s Policy on Non-Discrimination. This policy applies to each and every phase of all services to the public conducted by the University, or by University-sanctioned organizations, or at facilities under the control of the university.

*Dates subject to change
Kendall College of Art and Design (KCAD) of Ferris State University offers many educational opportunities for students to develop professional careers as artists and designers. The college’s programs are challenging and rewarding for students who are motivated to succeed in the visual arts, design, art history, and art education.

KCAD students come from varied backgrounds, including students who enter directly from high school, transfer from other colleges, and those who have had professional careers and choose to continue with their studies. Some individuals entering KCAD have extensive art or design training, while others are just beginning.

**CAMPUS VISITS**
The choice of a college is an important decision. A personal visit to a college can be a valuable step in that process. KCAD encourages all potential students, their families, friends, and other interested parties to visit the campus. The energy on campus and the quality of the facilities are difficult to communicate through the website (kcad.edu) and publications alone. Please contact the Admissions Office to schedule a tour. The Admissions Office is open 8:00am-5:00pm Monday through Friday.

**CONNECT TO KCAD**
Held several times during the school year, Connect to KCAD is designed to give a prospective student the experience of being a KCAD student. Contact the Admissions Office or visit the KCAD website kcad.edu/admissions/connect-to-kcad for the schedule and to make your reservation.

**NATIONAL PORTFOLIO DAYS**
KCAD hosts a National Portfolio Day on its campus every three years. KCAD is currently set to host its next National Portfolio Day on October 29, 2017. In addition to hosting National Portfolio Day events KCAD representatives also participate in numerous portfolio events throughout the United States and Canada each year. For more information, please visit kcad.edu/admissions/apply-undergrad/submit-your-portfolio/national-portfolio-days.

**ORIENTATION**
Before the start of fall and spring semesters new students attend orientation. These events provide an opportunity for students to meet KCAD faculty and staff, receive important information about transitioning to KCAD, and have questions answered. If you have questions regarding future orientation dates, times or any other information, contact the office of Student Engagement.

**MENTOR PROGRAM**
KCAD’s Mentor Program was established to support first-year students in their efforts to achieve academic success. Students who actively participate in this mentor program are generally more prepared academically and socially for challenges they face during their first-year of college. This peer Mentor Program teams sophomore, junior, and senior students, who serve as positive role models, with first-year students.

The Mentor Program provides weekly opportunities for students to meet throughout the semester. Together the mentors and mentees talk through topics that have been developed by the Student Success Division. There are also group events (social and educational) that bring all students in the program together. The educational events focus on important topics that are presented by faculty and staff.

Any in-coming new student can participate as a mentee and be matched with a mentor. KCAD does require students who are accepted on academic probation to participate in this program.

This program serves as an integral part of the college to promote the improvement of academic success, persistence, and successful graduation of student participants. For more information please contact the Activities and Resource Center.
GENERAL ADMISSIONS POLICY

KCAD requires applicants to provide information about their prior criminal conviction record, pending criminal charges, and disciplinary records from other universities or secondary schools. Admission may be denied or revoked based upon a review of prior criminal or disciplinary actions of the applicant. Failure to accurately and completely provide this information may result in denial of admission, revocation of admission, or discipline, up to and including permanent dismissal from the college. A committee of appropriate university officials shall develop and implement a procedure for making admissions decisions regarding applicants who provide information regarding prior criminal records, pending criminal charges, juvenile determinations, and relevant disciplinary actions.

FIRST-YEAR STUDENTS

Applicants who have not attended any college or university or who have successfully completed fewer than 30 semester or 45 quarter hours of college-level work are seeking admission as a first-year student. Applications may be submitted only after completion of the junior year of high school.

Such applicants are admitted to KCAD and considered in good standing if they have either an American College Test (ACT) composite score of 17, Scholastic Aptitude Test (SAT) combined score of 820, or an earned high school grade point average (GPA) of 2.50 or better on a 4.0 scale, as determined by the college. A first-year Medical Illustration student applicant must possess a GPA of 3.20 or better, and have an ACT composite score of 22 or a SAT critical reading score of 530 and math score of 510. An applicant who does not meet the minimum requirements for admission may be considered for probationary admission.

An applicant is required to submit the results of the ACT Student Profile Report or the SAT. The results should be sent from ACT or SAT directly to KCAD. Faxed scores are not accepted as official. Applicants who have taken the ACT or SAT may have the results documented on their high school transcript. Applicants who have not taken the ACT or SAT should include the Ferris/Kendall college code (1983 for the ACT or 1376 for the SAT).

The ACT or SAT requirement shall not apply to international students and non-traditional students aged 23 and older.

If an applicant has been out of high school for more than three years and is considered a first-time college student, the applicants ACT/SAT scores are not required.

FORMER STUDENTS

A student formerly enrolled at KCAD must file a readmit application if an interruption in enrollment has occurred. An interruption in enrollment occurs whenever a student withdraws from the university or fails to enroll for a succeeding semester, not including summer semester. Admission consideration of a re-entering student’s academic standing is based on all courses attempted at KCAD and at other colleges and universities attended. An applicant must meet the same academic requirements expected of new applicants or obtain special admission permission. Depending on individual circumstances, certain other conditions may apply to the readmit process.

1. If a student seeking readmission has attended another college or university since leaving KCAD, an official transcript from that institution must be submitted as part of the readmit application.
2. If during a previous enrollment the student was suspended or dismissed from KCAD, or if disciplinary proceedings are pending, the student is subject to the criteria and standards of the program where admission is sought.
3. If the student returns to KCAD after an interrupted enrollment (not including summer semester), the requirements of the curriculum which are in force at the time of the return must be met, not the requirements which were in effect when the student was originally admitted.
4. A readmit application is required.

TRANSFER STUDENTS

Course and Transcript Evaluation

Students transferring to KCAD from other institutions of higher education may be granted transfer credit. Transfer credit is subject to the following criteria:

1. Transfer credits are considered for transfer upon representation of official evidence of completion (e.g., official transcripts, DD214, etc.)
2. Credits from transferred course work are recorded on the university transcript, but do not count toward the cumulative GPA or academic honors computation.
3. Transfer equivalency credit is approved by the KCAD Registrar and becomes a part of the student’s official transcript.

4. Course evaluations allow equivalency determination where courses are at least 75% the same content. Course equivalency is not denied simply on the basis of differences in course numbering. For instance, a community college course at the 200-level is not denied equivalency for a 300-level KCAD course if the two courses are substantially the same in content.

5. In those cases where specific course equivalencies are not transferred, prerequisite course requirements may be waived and the course equivalency granted when the transfer student completes the next course in a sequence with a grade of “C” or better, demonstrating prior preparation equivalent to preceding courses in the sequence. Failure to achieve a grade of “C” or better in the latter course indicates that the student needs to take the appropriate KCAD prerequisite course.

6. Only grades of “C” or higher are accepted (“C-” is not accepted).

7. Art History and General Education credits may be granted for equivalent course work.

8. Studio credit may be granted for equivalent course work through a portfolio presentation.

9. A 30-semester credit hour residency is required of all B.F.A. and B.S. candidates, normally the last 30 credits.

10. All students must earn at least half of their major core credits at KCAD.

Michigan Transfer Agreement (MTA)

1. Students who transfer to KCAD from a Michigan community college with a Michigan Transfer Agreement (MTA)-stamped associate of arts (A.A.) degree or an associate of science (A.S.) degree, and with a cumulative GPA of 2.0 or better based on a 4.0 scale are considered to have fulfilled the lower-division general education requirements. To graduate with a KCAD bachelor’s degree, these students are required to fulfill additional upper-level general education requirements and any program specific general education requirements. The required Art History courses are in addition to the General Education requirements.

2. Students who transfer to KCAD from a Michigan community college with a MTA-stamped associate of applied arts (A.A.A.) degree or an associate in applied science (A.A.S. degree, and with a cumulative GPA of 2.0 or better based on a 4.0 scale are considered to have fulfilled the lower-division general education requirements. To graduate with a KCAD bachelor’s degree, these students are required to fulfill additional upper-level general education requirements and any program specific general education requirements. The required Art History courses are in addition to the General Education requirements.

3. Students who transfer to KCAD from a Michigan community college with a MTA-stamped transcript who do not possess an associate degree are considered to have fulfilled the lower-division general education requirements. To graduate with a KCAD bachelor’s degree, these students are required to fulfill additional upper-level general education requirements and any program specific general education requirements. The required Art History courses are in addition to the General Education requirements.

4. KCAD participates in the MTA, but it is the responsibility of the student to understand how the courses they have completed fit into their program of study.

VETERANS

Veteran applicants are required to complete the admissions requirements as stated previously for one of these admissions types: first-time, former, and transfer students.

When applying for admission and at the beginning of each semester, students who are eligible for veteran’s benefits should complete a Request for VA Certification from the department of Veterans Affairs at Ferris State University (Big Rapids campus). The veteran is required to notify the universities department of Veterans Affairs if their are any changes in enrollment, including drop/adds, and withdrawals (official or unofficial).

If the veteran is receiving veterans’ benefits, a 2.00 cumulative grade point average (GPA) must be maintained. Failure to maintain a 2.00 GPA will result in the veteran being placed on academic probation. If at the end of the next semester, the GPA is not raised to 2.00 or above, the veteran will no longer be certified for veterans’ benefits from the U.S. Department of Veterans Affairs and may be academically dismissed. The U.S. Department of Veterans Affairs will be notified of the veteran’s failure to have academic probation removed and of any academic dismissal.

Any Veteran receiving a failing grade (F) for a course must report to the KCAD’s Registrar’s Office, in writing, the last date of attendance in that course for which the failing grade was issued.
within ten calendar days from the end of that course. Failure to report the last date of attendance in writing will result in the university informing the U.S. Department of Veterans Affairs that the last date of attendance was the first class meeting for the course for which the failing grade was issued. This could result in an overpayment situation for the veteran on veterans’ benefits.

The educational records of students receiving veterans’ benefits may be provided to authorized state and federal personnel with a legitimate educational interest, without prior consent of the students concerned. For additional information concerning veterans’ benefits, please contact the university’s Department of Veterans Affairs or your regional Veterans Affairs office.

KCAD will make reasonable accommodations for students who are absent from the university when called to temporary active military service. It is the responsibility of the student to notify the faculty in writing as soon as the temporary assignment has been received. Upon formal notification, the faculty will excuse the student from the class for the temporary active military service (not to exceed 12 consecutive calendar days of classes) and allow the student to make up all class work including missed exam, and presentations; however, the student is responsible for completion of all missed work within a reasonable time as determined by the faculty. If the class requires class participation during the time missed, the student’s participation grade will be averaged only for the class periods excluding the temporary active military service.

If a student disagrees with the faculty member’s determination, the student may make a written appeal to the Dean of Academic Affairs. The decision of the Dean of Academic Affairs is final.

Students that need to miss more than 12 consecutive calendar days of classes may need to consider a military withdrawal.

A 100% refund of tuition and fees will be processed for all students called to active duty in the various branches of the United States military or State National Guard. A refund will only be processed for registered courses in which credit has not been received.

OTHER ADMISSION GROUPS

Dual Enrollment
KCAD offers admission to high school sophomores, juniors, and seniors who demonstrate exceptional ability in studio art and academic areas. Students who wish to participate in the program must follow the steps for dual enrollment admission. In addition, written permission from high school officials and parents is required. Please contact the Admission’s Office or visit the KCAD website at kcad.edu/admissions/dual-enrollment for further information. Dual Enrollment students who wish to matriculate to a KCAD program must apply as a first-year applicant.

Special Students
A student may attend KCAD as a special, non-degree-seeking student. Provided the course prerequisites and/or department consent has been met, a student may take any class, up to a maximum of nine credits. Special students are required to complete an online application form and provide a copy of their most recent academic record. Special students cannot receive financial assistance. Once the nine-credit limit has been reached, an application would be submitted as a degree-seeking student, pending meeting all admissions policies.

Guest Students
Students attending other accredited institutions of higher education in Michigan may be eligible to attend KCAD for a semester as a guest student. Interested persons need to contact their home institution and KCAD’s Admissions Office.

APPLICATION PROCESS
The academic year at KCAD consists of Fall, Spring, and Summer semesters. A student who would like to enroll at KCAD should apply online by visiting the KCAD website at kcad.edu/admissions.

Students should apply for admission at least 30-days prior to the beginning of the semester in which enrollment is planned.

A student from another country should apply at least four months in advance of planned enrollment. International students who are accepted must submit a $150 tuition deposit to guarantee enrollment. This deposit is applied directly to tuition and is non-refundable.
FIRST-TIME STUDENTS
The following materials constitute a completed application to KCAD for applicants who are considered first-time students at the time of application. Application decisions will not be made until all of these materials have been received.

1. A fully completed application for admissions – apply online at kcad.edu/admissions.
2. Official high school transcripts (or GED) and transcripts from all colleges attended (if any). Transcripts should be sent directly to the Admissions Office from each issuing institution to the following address:

   Admissions Office
   Kendall College of Art and Design of Ferris State University
   17 Fountain St. NW
   Grand Rapids, MI 49503

   Applicants should request these transcripts at the time of application or as far in advance as possible to assure their prompt arrival.

   Since all official transcripts submitted become the property of KCAD (transcripts cannot be copied or returned). Unofficial copies of transcripts for advising or personal purposes should be obtained directly from the institutions attended.

   A student who is currently enrolled in another university, but has not completed at least one semester must have the transcript sent at the completion of the semester.

   If altered transcripts, falsified, or incomplete applications are knowingly submitted, admission status and registration could be canceled.

3. A portfolio review is required for applicants seeking admission for the following programs: Art Education, Drawing, Fashion Studies, Digital Art and Design, Graphic Design, Illustration, Industrial Design, Medical Illustration, Metals and Jewelry Design, Painting, Photography, Printmaking, and Sculpture and Functional Art. Applicants seeking admission for the Collaborative Design or Interior Design programs are required to complete an observational exercise in lieu of the portfolio review. Please visit the KCAD website at kcad.edu/admissions/apply-undergrad/observation-exercise for complete details or see the Portfolio Requirements section.

5. ACT or SAT test scores for students making application within three years of high school graduation or who have earned fifteen or less college credits. (See section Testing: ACT or SAT Student Profile Report).

TRANSFER STUDENTS
For applicants who are considered transfer students at the time of application the following materials constitute a completed application to KCAD. Application decisions will not be made until all of these materials have been received.

1. A fully completed application for admissions – apply online at kcad.edu/admissions.
2. Transcripts should be sent directly to the Admissions Office from each issuing institution to the following address:

   Admissions Office
   Kendall College of Art and Design of Ferris State University
   17 Fountain St. NW
   Grand Rapids, MI 49503

   Applicants should request these transcripts at the time of application or as far in advance as possible to assure their prompt arrival.

   Transfer applicants should follow the following guidelines when submitting transcripts:

   Applicants with an associates or higher level degree from a regionally accredited college must submit the following documents:
   - Official college transcript from each post-secondary institution attended.

   Applicants with 48 or more college semester credit hours completed must submit the following documents:
   - Official college transcript for each post-secondary institution attended.
   - Official high school transcript (or GED)
Applicants with between 12 and 47 college semester hours completed must submit the following documents:

- Official college transcripts from each post-secondary institution attended.
- Official high school transcript (or GED)

Applicants with less than 12 college semester hours completed must submit the following documents:

- Official high school transcript (or GED).
- Official college transcripts from each post-secondary institution attended.

Since all official transcripts submitted become the property of KCAD (transcripts cannot be copied or returned). Unofficial copies of transcripts for advising or personal purposes should be obtained directly from the institutions attended. If altered transcripts, falsified, or incomplete applications are knowingly submitted, admission status and registration could be canceled.

3. A portfolio review is required for applicants seeking admission for the following programs: Art Education, Drawing, Fashion Studies, Digital Art and Design, Graphic Design, Illustration, Industrial Design, Medical Illustration, Metals and Jewelry Design, Painting, Photography, Printmaking, and Sculpture and Functional Art. Applicants seeking admission for the Collaborative Design or Interior Design programs are required to complete an observational exercise in lieu of the portfolio review. For complete details see the Portfolio Requirements section or visit the following page of KCAD’s website: kcad.edu/admissions/apply-undergrad/submit-your-portfolio

5. Transfer applicants should follow the following guidelines when submitting ACT or SAT scores:

Applicants with 48 or more college semester credit hours completed must submit the following documents:

- ACT/SAT scores will also be required if you have not completed college-level English and algebra or 60 semester credit hours (90 quarter credit hours).

Applicants with between 12 and 47 college semester hours completed must submit the following documents:

- ACT/SAT scores will also be required if you have not completed college-level English and algebra.

PORTFOLIO REQUIREMENTS

1. With the exception of Art History, Furniture Design, Collaborative Design and Interior Design, all majors require a portfolio review. Applicants may do their portfolio review at any time; however, a applicants file will not be considered complete by Admissions until the review is completed. Please call Admissions or visit kcad.edu/admissions/apply-undergrad/submit-your-portfolio for more information.

2. Applicants should include: 10-15 pieces of their strongest, most recent art work, in original form. These finished pieces must include 5-7 observational drawings (still life, portrait, landscape, figure) not from photos or other printed images. The other 5-8 pieces should include all types of creative work of an individual or assigned nature. Subject matter and medium is the choice of the applicant, but applicants should feel free to include paintings, prints, photos, graphics, ceramics, furniture, models, jewelry, etc.

3. It is preferred to see an applicants portfolio of work in person as this allows the college Admissions staff to have insight into an applicants personal skills and abilities. However, it is large or difficult to transport, digital images are acceptable. Please call the Admissions Office to discuss format and software to use to be compatible with systems available.

4. KCAD is looking for applicants with strong art making skills and individual expression in their work. Which can be demonstrated in a number of ways, some of which include the following: design qualities, color usage, craftsmanship, composition, concept development, draftsmanship, creativity, motivation, dedication, and enthusiasm. It is best not to bring in work that is framed, as it is heavy and cumbersome. Matting and mounting or leaving work loose with cover sheets between the art pieces is acceptable.
INTERNATIONAL STUDENTS
International students should apply for admission at least four months in advance of their planned start date. In addition to the previously stated general applications process, an international student has these additional admission application requirements:

1. All international students must establish English language proficiency to enter an academic program. Applicants can request that an official score report be delivered directly from the testing organization to KCAD. The list of accepted tests and scores for KCAD’s English proficiency requirements can be found below:
   - TOEFL Score of 61 or better on Internet based test (70 for Graduate level)
   - IELTS score of 5.5 or better (6.5 for Graduate level)
   - SAT (verbal section) score of 450 or better
   - ACT (reading section) score of 18 or better
   - ELS completion of level 112 with C or better (for undergraduate admissions)

2. The applicant must provide proof of adequate financial resources. A letter of intent from a private sponsor indicating the amount of funds and the length of availability of those funds (or a similar letter from a government sponsor) plus a letter from a bank guaranteeing the sponsor’s ability to pay are required. All documentation should be on official letterhead. The sponsor should also provide official copies of related bank statements that verify sufficient evidence of financial resources.

GRADUATE STUDENTS
All application materials for graduate programs should be mailed to the following address:

Admissions Office
Kendall College of Art and Design of Ferris State University
17 Fountain St. NW
Grand Rapids, MI 49503

Master of Fine Arts

7. Three letters of recommendation from professionals in the applicant’s field of study should be provided to KCAD by the recommending party (if applying to either the MFA or MArch and the MA program concurrently, the same letters may be utilized for both folders).

MBA-Certificate in Design and Innovation Management
1. A fully completed application for admissions – apply online at kcad.edu/admissions.
2. Official transcripts from all institutions of higher education.

TESTING

ACT OR SAT STUDENT PROFILE REPORT
KCAD requires new students to submit an ACT or SAT Student Profile Report as part of their admissions application process. When taking the ACT or SAT, the applicant should list the KCAD Code Number 1983 (ACT) or 1376 (SAT) as a test score recipient.

If the test has been taken, but KCAD was not listed as a recipient of the profile report, the applicant should contact the ACT, Iowa City, Iowa 52240, or College Board, SAT Program, PO Box 620, Princeton NJ 08541-6200 and request that the profile be sent to Kendall College of Art and Design of Ferris State University. All new students must submit the ACT or SAT unless excused from testing.

To be excused from testing, a student must have been enrolled in college and one of the following conditions must be met.

A student must:
- have successfully completed both a college English and algebra or higher mathematics class.
- have completed 60 semester hours or 90 quarter hours of college work.
- have an associate or higher degree from a regionally accredited college or university.
ADVANCED PLACEMENT PROGRAM
KCAD participates in the Advanced Placement Program sponsored by the College Board. The Advanced Placement Program is an organized instructional program offered in high school in cooperation with the College Board. Credits are granted for course areas in which a student has completed advanced placement course examinations with scores of five, four, or three. Official test score reports should be sent from College Board to KCAD (KCAD’s code is 1376). The amount of advanced credit shall be determined by the KCAD Registrar in which the subject area is offered. Credit granted on the basis of an advanced placement test is entered on a student’s record without a grade and is not included in the computation of the KCAD GPA or graduation honors.

COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)
KCAD participates in the College Level Examination Program (CLEP) offered by the College Board (KCAD’s code is 1376). The basic purpose of CLEP is to enable those who have attained college equivalent experiences to assess the level of their knowledge and to use the test results in establishing college credit for advanced standing. Credit granted on the basis of CLEP examinations is entered on a student’s record without a grade and is not included in the computation of the KCAD GPA or graduation honors. Any person who enrolls at the university following a period of employment or other informal learning experiences may establish credit applicable toward subject areas considered as “general” requirements or general electives for the student’s program in the areas listed below, subject to performance at the 50th percentile score as published by the College Board:

- General area examinations: english composition, humanities, mathematics, natural science, social sciences/history.
- Subject examinations: any student who has previously taken one or more of the examinations listed above should have the scores reported to KCAD.
ACADEMIC ADVISING SERVICES
Each KCAD student is assigned an advisor who is a faculty member within their program of study. This is someone students will get to know very early on at KCAD. Students can find out who their advisor is in MyFSU under the Academics and Services tab.

The proper selection of courses is important and students are encouraged to meet with their academic advisor prior to registration each term. Advising days are set aside for each major around the 9th week of classes during the spring and fall semesters. However, students do not have to wait until advising days to meet with their advisor. Students can contact their advisor at any time to discuss their classes, program of study, or any questions regarding their career and professional development.

ACADEMIC PROBATION
A student will be placed on academic probation whenever any one of the following conditions happens:

- The student’s cumulative GPA falls below a 2.0 based on a 4.0 scale
- The student’s semester GPA for two consecutive semesters is less than 2.0 based on a 4.0 scale
- The student is on semester trial as a new student

Any student who is on academic probation cannot enroll for more than 14 credit hours without receiving permission from his or her advisor. The temporary grade of “I” will not prevent a student from being placed on probation. Grades of “I” are not figured into the GPA.

ACADEMIC WARNING
A student will receive an academic warning if his or her current semester GPA falls below a 2.0. Any student who receives an academic warning cannot enroll for more than 14 credit hours without receiving permission from his or her advisor.

ACADEMIC DISMISSAL
A student may be academically dismissed whenever any one of the following conditions is met:

- The student fails in 50% or more of the student’s credit hours in any semester
- The Dean of Academic Affairs determines at the end of a probationary semester that academic performance does not warrant continuation

Appeals from Academic Dismissal
A student who is dismissed from KCAD for academic reasons, but who believes there are extenuating circumstances that warrant consideration, may appeal the dismissal in writing to the KCAD Registrar. Final appeal rests with the Dean of Academic Affairs.

Readmission after Dismissal for Academic Reasons
A student who has been dismissed for academic reasons may apply for readmission to the college. In order to receive re-admittance consideration, a student must reapply via the online application process. In addition, the student must submit an appeal letter to the Registrar’s Office indicating why the college should consider re-admittance including a statement addressing what measures a student has taken to ensure academic progress. A student will have to sit out one semester, excluding summer semester, prior to reapplying.

ALTERNATIVE MEANS OF EARNING CREDIT

INTERNSHIPS
KCAD’s Internship Program provides an opportunity for current students to receive credit for a work experience related to their program of study. To be eligible the student must carry a 3.00 GPA, be in junior or senior standing and have an open elective credit. Students may receive up to 9 credits depending on the number of hours worked, faculty approval, and upon completion of internship requirements. Students seeking internship opportunities must work with their respective Program Chairperson, to start the application process.

INDEPENDENT STUDY
An independent study opportunity to pursue special topics or projects beyond the classroom setting, or a special problem in a classroom setting, may be available under the direction of a professor, with the approval of the Program Chairperson, and the Dean of Academic Affairs. A minimum 3.00 GPA and junior or senior standing are required. The forms for requesting approval are available through the Registrar’s Office.

STUDY AWAY
Each summer, KCAD faculty lead study away programs that range in length from one to four weeks before and during the summer sessions. The study away programs have led KCAD groups to both domestic and international destinations. Typically, the programs offer two or three courses of intense study. KCAD study away
programs may be eligible for Financial Aid, students must meet with the Financial Aid Specialist to discuss their budget for a study away program. Past faculty led study away locations include England, France, Germany, Greece, Ireland, Italy, Nicaragua, Scotland, Spain and Sweden to name a few. Students can also consider full semester or full academic year study away options. If you are interested in study away, see the Director of Student Engagement in the Activities and Resource Center. Students must be in good standing in order to participate in a study away program.

A student that is required to leave a study away program early, due to a violation of the Code of Student Community Standards, will be responsible for the costs and may be in jeopardy of not receiving credit for the course(s) associated with the study away program.

STUDY AT ANOTHER INSTITUTION
To guarantee that course work taken at another institution will be transferred and applied to KCAD B.F.A. or B.S. requirements, a student must have prior written permission from the Registrar’s Office. For the work to apply to the program of study, prior written approval of the program Chairperson is required.

Studio classes are transferred only after a portfolio presentation and approval. In addition, the Transfer Credit policy is also in effect for current KCAD students.

All Michigan institutions of higher education honor attendance from students in good standing who are currently enrolled at other Michigan colleges and universities. If a student attends as a “guest” student, after having completed the appropriate form at the home Registrar’s Office, the normal application process for that institution (including application form and fee) will be bypassed. Official transcripts are required for all course work that the student wishes to have evaluated for transfer.

ACADEMIC RECOGNITION

President’s List
Full-time students who achieve a semester GPA of 3.75-4.00 are placed on the President’s List.

Dean’s List
Full-time students who achieve a semester GPA of 3.50-3.74 are placed on the Dean’s List.

CLASS STANDING
The class standing for all undergraduate students at KCAD is based on the following criteria:

<table>
<thead>
<tr>
<th>Class standing</th>
<th>Credit hours earned</th>
</tr>
</thead>
<tbody>
<tr>
<td>Freshman</td>
<td>0 to under 26</td>
</tr>
<tr>
<td>Sophomore</td>
<td>26 to under 56</td>
</tr>
<tr>
<td>Junior</td>
<td>56 to under 86</td>
</tr>
<tr>
<td>Senior</td>
<td>86 or more credit hours passed</td>
</tr>
</tbody>
</table>

COURSE REQUIREMENTS
Each professor determines the requirements for the successful completion of a given course. The professor will inform the student in writing of these requirements, and the grading policies, within the first week of class.

ATTENDANCE
At the beginning of each semester, professors inform students about their expectations regarding class attendance.

Absences for Temporary Active Military Service
KCAD will make reasonable accommodations for students who are absent from the college when called to temporary active military service. It is the responsibility of the student to notify the faculty in writing as soon as the temporary assignment has been received. Upon formal notification, the faculty will excuse the student from the class for the temporary active military service (not to exceed 12 consecutive calendar days of classes) and allow the student to make up all class work including missed exams and presentations; however, the student is responsible for completion of all missed work within a reasonable time as determined by the faculty. If the class requires class participation during the time missed, the student’s participation grade will be averaged only for the class periods excluding the temporary active military service. If a student disagrees with the faculty member’s determination, the student may make a written appeal to the Dean of Academic Affairs. The decision of the Dean is final.

Students that need to miss more than 12 consecutive calendar days of classes may need to consider a military withdrawal.
Upon discharge or termination of such period of active duty with the Armed Forces of the United States, re-enrollment rights will be granted to all such persons electing to continue their academic studies at KCAD.

GRADING SYSTEM
All credits offered in degree programs are expressed in semester hours. One semester hour of credit is granted for the successful completion of one hour per week of lecture, or two or more hours per week of studio work, for a period of fifteen weeks. At the end of each term, faculty members are required to submit final course grades. Students may access their grades by using MyFSU.

The following grading system and grade point values are used for all courses at KCAD:

- Letter grade: A (4.0), A- (3.7), B+ (3.3), B (3), B- (2.7), C+ (2.3), C (2), C- (1.7), D+ (1.3), D (1.0), D- (0.7), and F (0.0).
- Other grade types not considered in computation of GPA: Grades of CR (Credit), NC (No Credit), AU (Audit), I (Incomplete), IP (In Progress), W (Withdrawal), and AW (Administrative Withdrawal).
- Grades of WF (Withdrawal Failing) or AWF (Administrative Withdrawal Failing) are computed as a grade point value of 0.0.

Mid-Term Grades
At mid-term (fall and spring terms only), faculty assign mid-term grades to all students. Mid-term grades are available through MyFSU the ninth week of fall or spring term.

Grade Grievances
The assignment of grades is a faculty responsibility and only in exceptional circumstances is an original grade subject to change. If a student disagrees with an assigned grade, the student has recourse to seek resolution of that disagreement. The student has the burden of demonstrating the erroneousness of the original grade. An appeal for a grade change must be initiated by no later than two weeks following the issuance of the grade.

1. To begin the process, the student must seek to resolve the dispute by discussing the grade with the instructor. This discussion must take place within two weeks of the issuance of the grade. In those circumstances in which the student can provide reasons that preclude such a discussion taking place, the grade appeal process begins with Step 2.
2. If the disagreement cannot be resolved through Step 1, the student shall provide the Registrar with a written statement setting forth the justification for the requested change in grade, together with a copy of the course syllabus and work completed by the student in the course. This written statement must be submitted by no later than one week following the meeting with the instructor.
3. The Registrar will provide the instructor with a copy of the student’s written statement and ask that the instructor respond in writing within two weeks.
4. The Registrar will recommend to the Dean of Academic Affairs that a Faculty Grievance Committee be convened. The Dean of Academic Affairs will name a committee of three faculty members. This committee shall function as an impartial body to gather information and to clarify issues.
5. Facilitated by the Registrar, this committee will review the student’s work and the written statements of both the student and the instructor. At the committee’s discretion, the members may seek a meeting with the student and the instructor.
6. After carefully and confidentially weighing the issues, the committee will submit its recommendation to the Registrar, who will forward the recommendation to the Dean of Academic Affairs who, in turn, will inform the student and the faculty member of the committee’s decision.

Incomplete Grades
Receiving a grade of incomplete (I) in a course indicates that a student has successfully completed a major portion of the course requirements, and should not re-register for the course. The grade of “I” is a temporary designation that is assigned for illness, injury, birth of a child, death of a family member, jury duty, or other necessary absences, generally beyond the control of the student, which prevents the student from completing the course requirements. Completion of at least 75% of course work at passing levels is required before an (I) grade is assigned.

The instructor must file the Incomplete Grade Form with the KCAD Registrar’s Office authorizing a grade of incomplete along with the requirements for completing the course. The student must make arrangements with the professor to complete all required work by the close of the following term, excluding summer. Instructors may require students to sign an agreement stipulating assignments and deadlines that must be met. Once the student completes the course
requirements the professor must submit a grade change through MyFSU for approval and processing.

Incomplete grades that are not made up within the following term, excluding summer term, are changed to the grade of “F”, unless written authorization for a time extension from the instructor is received by the Registrar’s Office. No time extensions will be given beyond one year after the close of the semester in which the “I” was received.

**REPEAT A COURSE**
A student may repeat a course previously taken up to three times. For exceptions to this limitation a student may appeal to the Chairperson of the program offering the course. Credit is given for a course only once, even though it can be repeated up to three times.

The grade received the last time the course is taken, excluding I, W, CR or NC, is the only grade used in computing the cumulative GPA.

Repeated courses may count towards enrollment status and Title IV funds may be awarded to a student who is repeating a previously passed course in a term-based program (for the first time only, i.e. one repetition per class).

**DOCUMENTED DISABILITIES**
Nondiscrimination Policy of the university in conformance with the provisions of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990, the Michigan Persons with Disabilities Civil Rights Act and other applicable laws and regulations, the university will not unlawfully discriminate against any student or any applicant for admission to the university because of a protected disability. The university will provide reasonable accommodations to students with disabilities who are otherwise qualified to perform college-level work and are able to fulfill the requirements of their chosen programs with reasonable accommodations.

Opportunity for self-identification as a person with a documented disability is available beginning with the initial application, during the enrollment period or at any time while attending KCAD. Each person must contact the Counseling and Disability Services Office to discuss eligibility and documentation requirements needed in order to arrange for reasonable accommodations.

**Requests for Reasonable Accommodations**
Students must register with the Counseling and Disability Services Office in order to make an accommodation request. Students need to provide current, comprehensive documentation, and make an accommodation request each semester while attending KCAD. Accommodations are approved by the Director of Counseling and Disability Services. Students have the option to appeal an accommodation decision by putting a request in writing to the Dean of Student Success.

**REPORTING DISCRIMINATION AGAINST PERSONS WITH DISABILITIES**
KCAD of Ferris State University is an Equal Opportunity/Affirmative Action employer. Under applicable laws, including Title IX, the Education Amendments of 1972 and the Rehabilitation Act of 1973, the university does not discriminate on the basis of sex, race, physical or mental handicap or other prohibited matters in employment, educational programs or admissions.

If you believe that a violation or potential violation of these state or federal non-discrimination laws has occurred, is occurring, or will occur, please notify the following:

Equal Opportunity Office within the Office of the General Counsel
McKessy House, Ferris State University
120 East Cedar Street
Big Rapids MI 49307-2202
(231) 591-2152

**ENROLLMENT STATUS**
An undergraduate student enrolled in twelve or more hours of credit per semester is considered to be a full-time student at KCAD. An undergraduate student enrolled in less than twelve hours of credit per semester is considered to be a part-time student at KCAD.

Full-time status for a student in a master’s degree program requires a minimum of nine hours of credit per semester.

**COURSE LOAD**
A student who wishes to enroll in 18 credit hours in a semester must have the approval of their program Chairperson and the Registrar.
FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)
The Family Educational Rights and Privacy Act (FERPA) of 1974, as Amended, protects the privacy of student education records. It gives students the right to inspect and review the student’s education records; the right to request amendment(s) to records they believe to be inaccurate, misleading or in violation of the student’s privacy rights under FERPA; the right to provide written consent before the University discloses of personally identifiable information from the student’s education records; and the right to file a complaint with the U.S. Department of Education concerning alleged failures by Ferris State University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-5901.

Institutions may not disclose information about students nor permit inspection of their records without their permission unless such action is covered by certain exceptions as stipulated in the Act. In order to release academic or financial information to a parent, guardian, spouse, etc. you will need to fill out an “Authorization to Disclose Information” form. Students can access this form through the Registrar’s Office or visit: www.kcad.edu/current-students/student-services/registrar/.

FREEDOM OF INFORMATION ACT (FOIA)
In accordance with the Michigan Freedom of Information Act, as amended (“FOIA”), the university takes appropriate action to implement the provisions of the FOIA to the extent that the FOIA is applicable to this university.

CERTAIN PROVISIONS OF THE FOIA
The FOIA provides that a public body may make reasonable rules necessary to protect its public records and to prevent excessive and unreasonable interference with the discharge of its functions, and that a public body establish and publish procedures for calculation of the cost for providing copies of public records under the FOIA.

RESPONSIBILITY OF THE UNIVERSITY
The President, or their designee, shall have the following responsibilities with respect to the FOIA:

1. The President is hereby vested with authority to make reasonable rules necessary to protect the public records of the University and to prevent excessive and unreasonable interference with the discharge of the functions of the University in the administration of the FOIA.

2. The President is vested with authority to establish and publish procedures for calculation of the costs of providing copies of public records under the FOIA, and to do all other things that may be necessary or appropriate to implement the FOIA to the extent that the FOIA is applicable to the University.

3. The President, or his/her designee, is given responsibility for denials under the Act.

4. The President, or his/her designee, is given responsibility for receiving and acting upon appeals from a final determination to deny all or a portion of a request under the FOIA. The President is vested with authority to establish and publish procedures, as needed, governing the receipt and acting upon such appeals. In a case where the final determination to deny all or a portion of a request under the FOIA was made by a designee of the President, an appeal from that determination shall be acted upon either by the President or by a designee other than the designee who made the determination which is the subject of the appeal.

MINOR
A minor is an option available to students. Within KCAD, a minor generally consists of courses totaling 15 semester credit hours in a single discipline. One course from the student’s major may be used in the minor. The specific courses for each major are listed after each major program plan in this catalog, or are available in the Registrar’s Office. A student must declare the minor with the Registrar’s Office in writing. An academic minor may only be awarded upon completion of a baccalaureate degree.

PROGRAM CHANGE
KCAD students may elect to change from one academic program to another within KCAD by contacting the Registrar’s Office. Students wishing to change to a program offered at Ferris State University must meet with the Dean’s Office at Ferris State University that offers the new program in order to determine
whether or not the student is eligible to make the change and the semester the change goes into effect. Eligibility for admission to a new academic program is based primarily on the following criteria: academic credit earned; cumulative GPA; and the availability of space (quota) in the program.

If the student meets the requirements for acceptance into the new program at KCAD, a change of academic program form must be completed and processed by the Registrar’s Office. Once admitted to the new program, the student must meet all course requirements needed in order to graduate from the program.

REGISTRAR’S OFFICE
The Registrar’s Office is responsible for information regarding registration, academic records, transfer credit, transcripts, academic forms, commencement, and the college catalog.

REGISTRATION
Students register for KCAD courses directly with KCAD. Schedules are online and information regarding registration is available at the Student Services desk. A student must be properly registered in order to receive credit for a course. Registration is complete only when the student has made payment arrangements for all required tuition and fees. The college reserves the right to cancel the registration of any student who has not made proper payment arrangements.

The Right to Changes
The university reserves the right to cancel courses without sufficient registration, to close enrollment in courses that are filled, and to modify course offerings, programs, and/or degree requirements when necessary. Every effort will be made to announce such changes promptly.

Auditing a Course (No Credit)
Students are permitted to register for courses, space permitting, on an audit (no credit) basis during the first four days of the semester. Where course capacity is limited, students taking the course for credit will have registration priority over audit students.

Condition of Enrollment
As a condition of enrollment, students and/or parents of minor students consent to the following usage rights, for purposes which may include, but are not limited to: display, educational assessment, accreditation, archiving, and publicity/promotions for the College. The college reserves the right to edit materials as needed for best use in context without specific written permission.

1. Use of any works produced by students while attending KCAD.
2. Use of photographs, video, audio or other recordings of any artworks, designs or other coursework produced while a student at KCAD.
3. Use of photographic, video, audio, written or other recordings/documentation in college or KCAD sponsored/affiliated classes or activities, on or off campus, while a student at KCAD. Usage may be in any medium.

Materials may be used without further notification, compensation or credit, though whenever possible, credit will be included for students enrolled in a KCAD degree program. Materials produced by or for KCAD are the sole property of KCAD.

All other copy and reproduction rights to original artwork, designs or coursework remain the sole property of the student. KCAD students may request that their name and other public information be kept confidential by submitting a completed Directory Non-Disclosure form (www.kcad.edu/uploads/docs/directory_nondisclosure.pdf) to the Registrar’s Office.

WITHDRAWAL FROM A COURSE
Once the semester begins, a student may withdraw from a course and receive a grade of “W” through the ninth week of the fall and spring semesters, as indicated in the Schedule of Classes, or the equivalent time period if the class meets on a different schedule (i.e., a double-paced summer semester course). After that date, a grade of “W” may be given for a justifiable reason. Late withdrawal from a class without justifiable reason results in a “WF” grade. “WF” has a grade point value of 0.0 and is used when computing the GPA. Neglecting to drop a class through KCAD Registrar’s Office results in an “F” grade.

Medical Withdrawal
When a student is unable to continue attending a class due to illness, injury, or mental health reasons, and needs to medically withdraw from a course after the withdrawal deadline, the student should seek a medical withdrawal through the Director of Counseling and Disability Services located in the Activities and Resource Center. If the withdrawal deadline has not passed,
please follow the process outlined under the Withdrawal Form section. The student must provide a written letter explaining the circumstances surrounding the need for a medical withdrawal and submit documentation from an appropriate medical professional supporting the circumstances of the need for a Medical Withdrawal. Once this information has been received, the information will be submitted to the Dean of Academic Affairs. Based on the recommendation of the Dean of Academic Affairs, the Registrar may process a class withdrawal, which assigns a grade of “W” in the class. A letter will be mailed to the student with approval or denial of the Medical Withdrawal request. Medical Withdrawal requests must be submitted within 30 calendar days of the last day of the semester.

Withdrawal Due to Active Duty
Students called to active duty must complete a withdrawal form and submit to the Registrar’s Office with a copy of the military orders. Once this information has been received, the information will be submitted to the Dean of Academic Affairs. Based on the recommendation of the Dean of Academic Affairs, the Registrar may process a class withdrawal, which assigns a grade of “W” in the class. A letter will be mailed to the student with approval or denial of the Medical Withdrawal request. Active Duty Withdrawal requests must be submitted within 30 calendar days of the last day of the semester.

WITHDRAWING FROM THE UNIVERSITY
Beginning the first day of the term, if a student decides to process a total withdrawal from the university (stop attending all classes), they must complete an Academic Withdrawal Form, located at the KCAD Student Services Office. If you stop attending classes, but do not officially withdraw from the university, grades of “F” will be recorded in all courses. Students receiving disciplinary suspension or dismissal from the university will receive a grade of “AW” (Administrative Withdrawal) that equates to a “W” grade prior to the last day to process a partial withdrawal from the university or an “AWF” grade that equates to a “F” grade after such date.

A student formerly enrolled at KCAD must file a readmit application if an interruption in enrollment has occurred. An interruption in enrollment occurs whenever a student withdraws from the university or fails to enroll for a succeeding term, not including summer term. Admission consideration of a re-entering student’s academic standing is based on all courses attempted at KCAD and at other colleges and universities attended. An applicant must meet the same academic requirements expected of new applicants.

A reduction in course load (a class withdrawal) after the fourth day of classes is not a basis for a refund. After the fourth day of the term a student may withdraw from a course and receive a “W” grade within the established time period. After that time period, without justifiable reasons or neglecting to withdraw from the class through the Registrar’s Office, results in a “F” grade.

Medical Withdrawal
Medical withdrawals from the university are initiated by contacting the Registrar’s Office located in Student Services. A medical withdrawal is a total withdrawal from all classes for the semester, not a partial reduction in a student’s schedule. Medical withdrawals will result in the grade of “W” assigned to all courses after the fourth calendar day, or the approved last ‘drop day’ of the semester for the course(s).

The student must provide a written letter to the Registrar’s Office explaining the circumstances surrounding the need for a medical withdrawal and submit documentation from an appropriate medical professional substantiating the circumstances of the need for a medical withdrawal. Once this information has been received, the information will be submitted to the Dean of Academic Affairs. Upon approval or denial of the request, a decision letter will be mailed to the student.

Within the semester, the medical withdrawal is effective upon the date the student is/was no longer able to attend classes due to documented medical reasons. If a letter written by the student or medical documentation is not available at the time the medical withdrawal is initiated, the student will be advised to process an academic withdrawal through the Registrar’s Office. The student must submit the required letter and medical documentation to the Registrar’s Office within 14 calendar days of his or her academic withdrawal from the university to amend his or her withdrawal status to medical. Upon receipt of the required documentation, the Registrar’s Office will submit the documentation to the Dean of Academic Affairs. Upon approval of the medical withdrawal, the KCAD Registrar will submit a medical withdrawal to the Registrar’s Office at Ferris State University. Failure of compliance by the student will result in the academic withdrawal remaining in effect. Refer to the academic withdrawal section for more information.
After the end of the semester, medical withdrawal requests must include medical documentation and be submitted to the Registrar’s Office within 30 days of the last day of classes for the given semester.

Students who receive a medical withdrawal effective fall or spring semester, and wish to return to the university, must reapply for admission and financial aid. Summer semester medical withdrawals will not affect a student’s fall class schedule or financial aid; the student is not required to reapply for admission. The Director of Counseling and Disability Services, Registrar, or Dean of Academic Affairs may place a “medical hold” on the student’s record, preventing the student from registering for future semesters, until the hold is cleared by the Director of Counseling and Disability Services, Registrar, or Dean of Academic Affairs.

The withdrawal process is the responsibility of the Registrar’s Office. The Dean of Academic Affairs will review exceptions to all withdrawal policies. To remain in compliance with federal regulations, the university may change withdrawal policies without prior notification.

**Academic Withdrawal from the University In Compliance with Federal Title IV Regulations**

All students who wish to leave the university during a semester must formally withdraw. A formal withdrawal is when students provide official notification to the Registrar’s Office of their intent to withdraw. Simply not paying for classes or not attending does not constitute a formal withdrawal.

**Withdrawal During the Semester**

**Student Initiates Academic Withdrawal**

An academic withdrawal will be initiated when a student makes notice of the intent to withdraw to the Registrar’s Office. The contact date of student notification will be the academic withdrawal date; however, the Registrar’s Office may choose to use the last documented date of attendance at an academically related activity if it more accurately reflects the student’s withdrawal. Students who officially withdraw on or after the first day of the semester, up to and including the fourth calendar day, or the approved last drop day of the semester for the course(s), will have no transcript record for that semester. After these time frames, the statement “Withdrawn (Student Action)” will appear on the transcript and will result in a grade(s) of “W” or “WF.” The grade of “W” is issued when a student contacts the Registrar’s Office prior to the last day to process a partial withdrawal from the university. The grade of “WF” is issued when student contact occurs after the last day to process a partial withdrawal from the university. A “W” grade is not computed in a student’s cumulative GPA; however, a “WF” grade has a grade point value of 0.00 and is used when computing the GPA. Tuition and financial aid will be adjusted according to current university policies.

**Student Fails To Provide Withdrawal Notice**

Prior to the end of a semester, if any office within the university becomes aware that a student is not attending a scheduled class on a repetitive basis, they must notify the Registrar’s Office. If, by due process, determination is made by the Registrar’s Office that a student has ceased attendance in all classes during the semester and failed to provide notice of his or her intent to withdraw, the Registrar’s Office will initiate an academic withdrawal. The Registrar’s Office may choose to use the last documented date of attendance at an academically related activity if it more accurately reflects the student’s withdrawal. Students who are officially withdrawn on or after the first day of the semester, up to and including the fourth calendar day, or the approved last ‘drop day’ of the semester for the course(s), will have no transcript record for that semester. After these time frames, the statement “Academic Withdrawal (University Action)” will appear on the transcript and will result in a grade(s) of “W” or “WF”. The grade a student will receive will be dependent upon the academic withdrawal date. A “W” grade is not computed in a student’s cumulative GPA; however, a “WF” grade has a grade point value of 0.00 and is used when computing the GPA. Tuition and financial aid will be adjusted according to current university policies.

Students have the option to appeal, in writing, their assigned academic withdrawal grade. It is the student’s responsibility to provide official documentation verifying the lack of their attendance. As an enclosure, attendance documentation must be included with the written appeal statement and submitted to the Registrar’s Office within 30 days of the last day of classes for the given semester. Appeals failing to meet the prescribed timelines will be reviewed by the Dean of Academic Affairs on a case-by-case basis.
Unofficial Withdrawal

Student Fails to Initiate Academic Withdrawal Due to Circumstances Beyond Their Control

If the Registrar’s Office determines that a student did not begin the formal withdrawal process due to illness, accident, grievous personal loss, or other circumstances beyond the student’s control, the withdrawal date will be determined by the Registrar’s Office based on the documented circumstances. The student’s academic record will be treated the same as if they officially withdrew.

Student Fails to Earn a Passing Grade In Any of Their Classes

At the end of each semester, the Registrar’s Office will identify students receiving Federal Title IV aid (i.e., Pell Grant, Supplemental Education Opportunity Grant, Perkins Loan, Direct Loans) who have not received any passing grades for the semester, but did not officially withdraw. Within 30 days from the end of the semester, an unofficial withdrawal will be processed and the unofficial withdrawal date will be the date at which 50% of the semester is completed. Students will be notified in writing of the unofficial withdrawal and will be allowed to appeal the determination within the indicated deadline. Future class schedules may be canceled. The student will have “WF” grades for any classes from which they were not previously dropped or withdrawn. A “WF” grade has a grade point value of 0.00 and is used when computing the GPA.

Canceling an Academic Withdrawal

Within one week from the original withdrawal notification, the student must submit to the Registrar’s Office written correspondence of his or her intent to remain enrolled. If the student subsequently withdraws after canceling the withdrawal notification, the academic withdrawal date is the date the student first provided to the university; however, the Registrar’s Office may choose to document a last date of attendance based on an academically related activity.

Notice to Students

Students who completely withdraw from all classes in a semester and then wish to return to the university may need to reapply for admission after a break in enrollment, not including summer. When reapplying, a student may need to contact the Financial Aid Office to request reinstatement of his or her financial aid. Summer withdrawals will not affect a student’s fall class schedule and the student is not required to reapply for admission.

To remain in compliance with Federal Title IV regulations, the university may change withdrawal policies without prior notification.

ACADEMIC POLICIES AND PROCEDURES

Second Bachelor’s Degree
Candidates for a second baccalaureate degree, whether the first degree was earned at KCAD or another accredited institution, must complete a minimum of 30 semester credit hours in residence at KCAD. All course requirements for the B.F.A. or B.S. degree must be fulfilled.

IMPORTANT GRADUATION INFORMATION

Diploma and Degree-granting Dates
Degrees are granted and diplomas are issued to KCAD degree candidates in May, August, and December. The annual commencement ceremony is held in May. Students completing their coursework at the end of summer semester may participate in the commencement exercises just prior to or following that summer semester. Students are provided with a graduation booklet detailing all of the necessary information and requirements for participating in commencement. This booklet is distributed in early March.

Please see the academic calendar for graduation application deadlines.

Annual Student Exhibition
The exhibition is held during the week preceding the May commencement ceremony. The KCAD campus is transformed into exhibition spaces, displaying graduate, and undergraduate work from all programs of study. The event is open to the public.

Graduation with Honors
The KCAD B.F.A. or B.S. degree is awarded “with Honors” when a student has earned a cumulative GPA of 3.50 or higher once grades for their final semester are calculated. Actual GPA and honors are determined once the degree is completed and final grades are computed. Transfer students must have earned at least 30 semester credit hours in residency prior to their final semester for honors consideration. The honors recognition is indicated on the diploma and official transcript.

Excellence Awards
One student from each of KCAD’s undergraduate degree programs are recognized for superior achievement by college and their program faculty. Excellence Award winners are recognized during graduation and participate in a special exhibition in The FED Galleries @ KCAD.

Highest Honor
One student is chosen from each year’s graduating class to receive the highest academic honor, represented by the receipt of a Bachelor’s Hood. Selection is based on academic achievement, on earning the majority or all 120 credits at KCAD, on the recommendation of the student’s major faculty, on community service to the college, and on leadership qualities.

TRANSCRIPTS

Official Transcript
A transcript of credit is a complete and faithful copy of a student’s college academic record. In accordance with the Family Educational Rights and Privacy Act of 1974, as amended, transcripts are issued only upon the written request of the student. Requests for official transcripts must be made in writing to the Registrar’s Office. Only original, signed, written requests by the student will be accepted. Allow for a minimum of two working days for processing plus time for mail delivery. There is a fee for each official transcript, payable at the time of request. Official transcripts bear the signature and seal of the Registrar and are sent only to other colleges, universities, prospective employers, etc. Students may request an unofficial copy for their own use. The university will not issue transcripts for anyone with outstanding account balances or obligations. Note, for transcripts from previous educational institutions attended, the student should contact each institution directly.

Unofficial Transcript
Unofficial copies of a student’s academic record or academic information contained therein may be issued to those faculty and administrative officers of the university who have a legitimate interest in the material and a need to know.

ENROLLMENT CERTIFICATION
The university can certify a student’s enrollment status for only the current term or for past enrollment semesters. Student enrollment status is based upon the number of semester credit hours for which a student is currently registered. Full-time enrollment comprises 12 or more semester credit hours. Requests for current semester enrollment verification will be processed once the second week for that semester has ended. Requests
ACADEMIC POLICIES AND PROCEDURES

for enrollment certification should be submitted in writing to the Registrar’s Office by the student. Any required forms should be completely filled out and signed by the student. A minimum of one week should be allowed for processing, plus time for mail delivery.

STUDENT ADDRESS
Students are required to report in writing to the Registrar’s Office their off-campus, local address, and telephone number as well as any changes to their local, permanent, and billing addresses and telephone numbers.

STUDENT CONDUCT
The Code of Student Community Standards is comprised of principles and policies on Student Rights, Student Dignity, Non-Academic and Academic Misconduct, Victims’ Rights, Alcohol and Other Drug Policies, Disciplinary Procedures, and other principles and procedures.

As a member of the KCAD Community, students are expected to respect and value the rights of others, support the academic environment and encourage the proper use of all campus facilities. Students are expected to observe national, state and local laws as well as university rules, regulations and policies. However, in developing The Code of Student Community Standards, the university wishes to reaffirm its traditional support of freedom of speech, freedom of inquiry, and freedom to dissent.

KCAD works collaboratively with Ferris State University to provide a safe, educational and ethical community where respect, responsibility, accountability, dignity, diversity and fundamental fairness are valued. The KCAD Code of Student Community Standards is not meant to replace the university’s Code of Student Community Standards; rather, the KCAD Code of Student Community Standards describes how the Code is defined and implemented at the KCAD campus. Please visit www.kcad.edu/current-students/student-conduct/ to access The Code of Student Community Standards.

THIRD PARTY AND ANONYMOUS REPORTING
The university expects that community members who have information related to conduct that may violate university policies administered under this procedure, will report that information in a timely and thorough manner, regardless of their involvement or source of knowledge related to circumstances alleged. Complaints received by the third-parties who have no involvement in the alleged discriminatory conduct shall be investigated as outlined in these procedures.

Anonymity may be requested by individuals filing complaints or otherwise notifying the university of concern for conduct in violation of university policy. In some cases, the anonymity of the Complainant or other individual(s) who notify the university of conduct alleged to violate university policy may be maintained to ensure the safety, non-retaliation, and well-being of those involved or others in the university community. Due process may however require notice to the Respondent of the source(s) of allegations made. While the university maintains sole discretion to determine when proceeding with an anonymous or confidential complaint is in the best interest of the university community, survivors of sexual misconduct should know that every effort will be made to honor requests for confidentiality and ensure privacy except in instances where there is an imminent threat of further harm or danger to the University community for which they have a duty to warn University administration and/or law enforcement authorities.

IV: APPENDICES
The purpose of the following is to clarify the basic differences between the KCAD student disciplinary system and the court system. Like all College disciplinary systems, the University uses a different “standard of evidence” than is required by the criminal court systems. Additionally, the purposes of the systems are very different. For example: In the criminal court systems the standard of evidence is generally “beyond a reasonable doubt”. In the College disciplinary systems, the standard of evidence is “preponderance of the evidence”. In other words, is it “more likely than not” that a student violated the student code of conduct? Both systems must ensure that proper “due process” is followed. The two systems run independently of each other. The student disciplinary system cannot put students in jail and has no relation to the criminal court system. Colleges do have the legal right and responsibility to determine if their students are responsible for violating their student code of conduct, regardless of what the court system does or does not do. The student disciplinary system is intended to be an educational and remedial process,
while the criminal court systems are often punitive.

TITLE IX
Title IX (of the United States Education amendments of 1972) is a comprehensive federal law that prohibits discrimination on the basis of sex in any federally funded education program or activity. Title IX is a landmark federal civil right that prohibits sex discrimination in education. It addresses sexual harassment, gender-based discrimination, and sexual violence. Sexual violence includes attempted or completed rape or sexual assault, as well as sexual harassment, stalking, voyeurism, exhibitionism, verbal or physical sexuality-based threats or abuse, and intimate partner violence. It also addresses discrimination against pregnant and parenting students and women in STEM (science, technology, engineering, and math) programs.

KCAD COMPLIANCE WITH TITLE IX
Kendall College of Art and Design of Ferris State University does not tolerate sexual violence in any form, including what is often labeled “acquaintance rape” or “date rape.” Student and Employee Dignity Policies demand all university community members to act with dignity and treat each other with respect. Sexual violence is a violation of the dignity and respect policies, as well as other policies and criminal law. The university will take complaints of discriminatory conduct seriously and is committed to prompt, thorough and appropriate review of allegations made or known to the administration.

Individuals who believe that they have been the victim of conduct prohibited by the university’s policy on non-discrimination and/or its employee and student dignity policy or who believe that they have witnessed or otherwise have information about conduct in violation of those University policies should promptly report complaints to the university.

- Complaints are filed with the Dean of Student Success (Title IX Deputy Coordinator at KCAD), 17 Fountain NW, Grand Rapids, MI 49503, 616.451.2787, x1113 or the Title IX Coordinator at FSU Big Rapids, University Center 129A, 805 Campus Dr., Big Rapids, MI 49307 (231) 591-2088.
- For confidential reporting and additional support, students have the option of connecting with KCAD’s Personal Counseling Center.
- Many Ferris State University employees are considered Responsible Employees. Under Title IX, these individuals are obligated to report to the Title IX Coordinator if they know or, in the application of reasonable care, should know of an instance of sexual
Financial Aid counselors are available on a walk in basis between 8:30 a.m. and 4:30 p.m. – appointments are recommended. Visit www.kcad.edu/admissions/funding-your-education/ for more information.

FINANCIAL AID POLICIES AND PROCEDURES

APPLYING FOR FINANCIAL AID
In order to be considered for financial aid, students must first complete the Free Application for Federal Student Aid (FAFSA). Students can file the FAFSA online at fafsa.gov. Filing online will take 7-10 days for processing versus 4-6 weeks with the paper submission. Students should make sure they use the federal school code number of 002260 (for Ferris State University). A student should file the FAFSA as soon after October 1 of each year when a student is considering attending college for the following academic year.

The FSA ID
The federal student aid ID (FSA ID) has replaced the Federal Student Aid PIN and must be used to log in to certain U.S. Department of Education websites including the FAFSA. A student’s FSA ID confirms their identity when they access their financial aid information and electronically sign the FAFSA. Students can create a FSA ID when logging in to www.fafsa.gov or www.studentloans.gov.

Verification
Approximately 30% of all FAFSA’s that are submitted to the federal processor are randomly selected for a process called verification. Students will be notified and instructed by Ferris State University on what they need to supply for documentation. Generally, this consists of a verification worksheet and the use of IRS Data Retrieval system or submission of IRS tax return transcripts.

FINANCIAL AID AWARD NOTICE
Once the Financial Aid Office has received a student’s processed FAFSA information and the student has completed the verification process (if selected), an award notice will be made. The electronic award notice will state the amount and type of financial aid the student is eligible to receive for the designated semesters. Students must accept/decline their awards electronically through MyFSU. Financial aid awards are based upon full-time enrollment. If students enroll less than full-time, certain grant, loan, and scholarship funds may be reduced on the fourth class day of each semester.

PAYMENT OF FINANCIAL AID
After students have completed all paperwork required by the Financial Aid Office, their financial aid will be credited to their student account after the drop/add period has expired for each semester.

Work-study awards do not automatically credit to student’s accounts. Students will receive a paycheck bi-weekly for actual hours worked.

Students are responsible for paying what financial aid does not cover. If a student’s financial aid exceeds the amount they owe the university, a refund will be available to the student after classes have begun. Dates of refunds are posted on KCAD’s website, kcad.edu.

DIRECT LOAN PROGRAM
KCAD participates in the Direct Lending Program, which means that the college works directly with the United States Department of Education for lending students federal loans. The Award Notice students receive from the Financial Aid Office will indicate the maximum amount of federal loans the student is eligible to receive. Students will need to accept, decline, or reduce the loan amount offered. Students are strongly encouraged to borrow only what is necessary to cover educational costs in order to minimize loan indebtedness.

A student who is a first-time Direct Loan borrower, must complete and sign a Master Promissory Note and complete Entrance Counseling at www.studentloans.gov before any loan funds can be credited to their account.
SATISFACTORY ACADEMIC PROGRESS
To remain eligible to receive Financial Aid at KCAD, a student must make satisfactory academic progress in the following areas:

- Cumulative GPA – each undergrad student must maintain a minimum GPA of 2.00 and each graduate student a minimum GPA of 3.00 to be eligible for further funding.
- Students must complete at least 67% of their cumulative total attempted hours.
- A bachelors degree must be earned within 180 attempted credit hours. A graduate degree must be earned within 60 attempted credit hours.

Students will be monitored once a year at the end of the spring semester.

SCHOLARSHIP OPPORTUNITIES
Students can help to fund their education through a variety of scholarships available to KCAD students. Please note scholarship deadlines and criteria do vary.

SCHOLARSHIPS OF MERIT
Scholarships of Merit are awarded annually to current graduate and undergraduate students. Please visit [http://www.kcad.edu/admissions/funding-your-education/](http://www.kcad.edu/admissions/funding-your-education/) and then click on Scholarships and Grants and then click on Kendall Scholarship of Merit. Application opens in early December annually.

ENDOWED SCHOLARSHIPS
Thanks to the generosity of KCAD alumni and friends the college is able to offer financial support for its students through several endowed scholarship opportunities. Students should visit [http://www.kcad.edu/admissions/funding-your-education/](http://www.kcad.edu/admissions/funding-your-education/) and then click on Scholarships and Grants and then click on Endowed Scholarships to review available scholarship and their criteria for application. Application opens in early December annually.

MYSCHOLARSHIPS
Since KCAD is part of Ferris State University its students are able to search and apply for several university scholarship opportunities in addition to KCAD specific opportunities.

Students should login to MyFSU, click the MyScholarships link and create a profile to begin to review scholarship opportunities. Application opens in mid-December annually.

PRIVATE SCHOLARSHIPS

General
KCAD has developed a resource that includes a listing of several outside private scholarship opportunities that are available to students regardless of their program of study. Students should visit [http://www.kcad.edu/admissions/funding-your-education/](http://www.kcad.edu/admissions/funding-your-education/) and then click on Scholarships and Grants and then click on General Scholarships to review available scholarship and their criteria for application. Application deadlines vary.

Program Specific
KCAD has developed a resource that includes a listing of several outside private scholarship opportunities that are program specific. Students should visit [http://www.kcad.edu/admissions/funding-your-education/](http://www.kcad.edu/admissions/funding-your-education/) and then click on Scholarships and Grants and then click on Program Scholarships to review available scholarship and their criteria for application.

- IT Lost/Damaged Hardware Fine [varies by circumstance]
- Library Lost or Delinquent Fine
- Lost Student ID Fine

REFUND POLICIES

The college follows two policies when determining refunds:
1) Total Withdrawal Tuition Refund Policy
2) Federal Financial Aid Refund Policy mandated by Federal Title IV Regulations

The first policy deals with crediting charges to a student’s accounts depending on the point that the student withdrew in a semester. The latter policy deals with the returning of federal financial aid to the Title IV Programs. Both policies are explained below, in addition to procedures for returning funds to non-federal financial aid programs.

TOTAL WITHDRAWAL TUITION REFUND POLICY

Refunds, or credits to a student’s account, are made in cases of total withdrawal from the university. A reduction in course load, for example withdrawal from one class, after the 4th day of classes is not a basis for a refund. All tuition charges and financial aid credits are used in calculating student refunds. The number of class days used to determine the percentage point of the semester will vary with each semester. Students who are judicially suspended or dismissed will not receive refunds for tuition and fees.

Percentage of Refund for Total Withdrawal Within a Semester

- On or before the first day of the semester 100%
- First day through fourth day of the semester 100%
- Fifth day through 25% of the semester 50%
- 26% through 50% of the semester 25%
- 51% of the semester and after 0%

Example: Days in the semester: 76, Date of withdrawal: 15th class day, 15/76 = 20% of semester. Student is eligible for 50% reduction in tuition charges

Refund Due Withdrawal from Extenuating Circumstances

In the event that a student withdraws from one or more classes because of a serious illness or other extenuating circumstances, the student may request a financial refund. The student must submit a letter in writing explaining the extenuating circumstances along with documentation which substantiates the circumstance to Registrar’s Office. The letter and documentation will be submitted to the Dean of Academic Affairs for a determination [see Withdrawing from the University section under Academic Policies and Procedures].
If a refund is granted, it will be prorated based on the percent of the semester completed. Only one appeal per student will be accepted during academic attendance at the college. Requests must be received within 30 calendar days after a course withdrawal or total withdrawal is submitted.

Refund Due to Withdrawal from Active Military Duty
The term “active military duty” means active duty in the various branches of the United States military or State National Guard. A refund will be processed for only those registered courses in which credit has not been received (see Withdrawing from the University section under Academic Policies and Procedures).

Upon receiving approval of withdrawal due to active military duty, the college will process a refund based on the criteria in this policy. All charges, such as emergency loans, library, etc. will be deducted in calculating the refund amount.

Refund will be made payable to the student in the same proportion as payments were received to liquidate the charges. Amounts that have been provided by financial aid awards for tuition and fees are not refundable. However, such amounts will be returned to the respective financial aid account.

This policy is not applicable to students who voluntarily enlist in the various branches of the military or the State National Guard. The Dean of Academic Affairs along with the Dean of Student Success or his/her designee must approve exceptions to this policy.

FEDERAL FINANCIAL AID REFUND POLICY
Federal financial aid funds will be reduced according to Federal Title IV Regulations. The reduction will be in direct proportion, beginning with federal loans, to the length of time a student remains enrolled, up to 60% of the enrollment period. Federal Financial Aid (Title IV) consists of the following: Pell Grant, SEOG, Perkins Loan, William D. Ford Direct Subsidized and Unsubsidized Loans, William D. Ford Direct Parent Loan for Undergraduate Students (PLUS), and Iraq/Afghanistan Service Grants. Federal Work Study is not included when figuring withdrawal refunds. The number of calendar days used to determine the percentage of unearned federal aid will vary with each semester.

For example a student withdraws on the 63rd calendar day. One semester is equal to 110 calendar days.

The students total cost to attend was: $2,000
The students total financial aid was: -$1,000
The student made a personal contribution of: -$1,000
The balance due is: 0

This student has earned 57% of their federal aid (63/110). Therefore, this student has not earned 43% of their federal aid and it must be returned to the Title IV Programs.

The amount returned is $430 ($1,000 X 43% = $430).

KCAD will return this amount to the Federal Aid Title IV Program and as a result the student will have a balance of $430.00 on their student account that must be paid.

REFUND PROCESS

FEDERAL AND NON-FEDERAL FINANCIAL AID
Students who have federal financial aid funds and other types of financial aid will receive a credit according to the KCAD’s Tuition Refund Policy. Federal financial aid funds will be paid back first according to the aforementioned Federal Financial Aid Refund Policy. If there is still a credit on a student’s account, the amount of the credit will then be used to return funds to the remaining financial aid programs until the credit has been reduced to zero.

NON-FEDERAL FINANCIAL AID
Students who have financial aid other than federal financial aid funds will receive a credit according to the KCAD’s Tuition Refund Policy. The amount of the credit on the student’s account will be refunded back to the financial aid programs. After the financial aid programs have been repaid and if there were personal payments by the student, any credit remaining will be refunded to the student.

NON-FINANCIAL AID
For the non-financial aid student, the student’s account will be credited according to the KCAD’s Tuition Refund Policy and the credit on the account will be refunded directly to the student.

The refund schedule may change without notice to comply with Federal Regulations.
STUDENT SERVICES AND SUPPORT

Student success is important to KCAD. Below are just some of the ways that the college helps to support students in their efforts to meet their educational goals.

ACTIVITIES AND RESOURCE CENTER
KCAD’s Activities and Resource Center is the place to get involved with clubs and organizations, as well as to take advantage of academic, career, counseling, disability, and health care resources. Below are just a few of the offerings available to students through this center.

BREAK ROOM
This is multiple use private space can be utilized for, but is not limited to the following: studying, meditation, yoga, low-stimulus environment, reflection, nursing, and test-taking.

CAREER AND PROFESSIONAL DEVELOPMENT CAREER EVENTS
Students, faculty, and staff are invited to KCAD’s Career Symposium during the month of November 2017. The Career Symposium is a college-wide, cross-disciplinary event. This event includes speakers who present a diverse range of topics. Visit www.kcad.edu/symposium/ for more information. Additional opportunities will be shared with students via their Ferris email account throughout the year.

CAREER LIBRARY
Located in the Activities and Resource Center. This library has resources covering career topics such as negotiating salary, resumes, pricing work, legal issues, business of art, and special topics for fine artists such as directories of art and design associations and studio practices.

CAREERLINK
Log into your KCAD CareerLink account for 24/7 access to job openings: search local and national jobs, internships, and part-time jobs for students. By registering you will receive job blasts, targeted emails regarding events relevant to your major and a full library of resources to help you with everything from resumes to the job search. Store your employment documents for an easy online application process and research employers. Students should visit https://kcad-csm.symplicity.com to register.

INTERNSHIPS
Statistics prove that students who participate in an internship during their college career will have a definite advantage in the competitive job market. Students who would like to receive course credit for their work experience, should meet with the program Chairperson and stop by the Activities and Resource Center to pick up an Internship Packet for more information.

DISABILITY SERVICES
Disability Services guides and advocates for students with disabilities, empowering them for self-reliance and independence while promoting equal access to educational opportunities and programs. Information, reasonable accommodation, advocacy, assistive technology, and counseling are offered to students.

KCAD will provide reasonable accommodations to qualified individuals with disabilities. It is the responsibility of the student to register and make their disability status and need for an accommodation known to the Disability Office. Students need to provide documentation of the disability by an appropriate licensed professional. Requests for accommodations need to be made each semester. Students should contact the Disability Services Office to set-up services.

For individuals who may have difficulty evacuating the building independently during an emergency, please contact the Disability Services Office so a plan for emergency evacuation can be discussed and shared with KCAD’s Emergency Response Team.

FOOD BANK
The Re:Source Room is available for any KCAD student in need of food pantry items. Examples of items available are pasta, soup, cereal, canned fruit and vegetables, and peanut butter and jelly. There is no income limit and students can access the space as needed. If students are not able to visit the Re:Source Room during normal hours, they should email kcaders@ferris.edu to schedule an appointment.
ID CARDS
An identification card is required to utilized KCAD Library resources and gain free admittance to the UICA. Students ID cards are available Monday through Friday between 8:00am - 5:00pm. There is a $25 fee to replace a lost ID card. The fee is waived for stolen ID cards if a copy of a police report is submitted.

LEARNING CENTERS AND TUTORING SERVICES
Student can receive additional learning support through appointment based tutoring or through the use of KCAD’s Learning Centers.

Individual tutoring is considered on a case by case basis for General Education courses. Students need to make a tutoring request for general education courses by completing an application in the Activities and Resource Center or by visiting the tutoring website to access the form at www.kcad.edu/current-students/activities-resource-center/tutoring/. If a tutor request is approved, the student can receive up to 2 hours of tutoring per week.

Students are also able to access the KCAD’s Learning Centers during open hours. No appointment is necessary. Upon arrival a consultant will be available to assist students with their questions. KCAD’s Learning Centers are available for the following subjects and locations:

- The Writing Center, located in the Activities and Resources Center
- Digital Learning Center, located on the 7th floor outside the Digital Media classrooms, 17 Fountain St. NW Building
- Design Drawing Learning Center, located on the 5th floor in the Design Drawing classroom of the 17 Fountain St. NW Building
- Art History Learning Center, located in the Activities and Resource Center

Please visit www.kcad.edu/current-students/activities-resource-center/ for the most up-to-date Learning Center hours.

For studio classes, students are asked to consult with their professor(s) about office hours and assistance that might be given directly from the instructor of the class. Individual tutoring for studio courses is not offered.

PERSONAL COUNSELING
Mental health counseling services are available to currently enrolled KCAD students. KCAD is committed to enhancing its student’s academic, social, cognitive, and personal development.

Counseling can help students understand and manage mental health symptoms. Students visit the Personal Counseling Center for a variety of reasons such as anxiety, stress, time management, conflict with others, depression, abuse, trauma, or substance abuse.

As a result of the negotiated rule making process which followed the 1998 amendments to 20 U.C.S. Section 1092(f), clarification was given to those considered to be campus security authorities. Professional Counselors, when acting as such, are not considered to be a campus security authority and are not required to report crimes for inclusion into the annual disclosure of crime statistics. As a matter of policy, the Professional Counselor encourages, if and when the counselor deems it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics.

The rule making committee defines Professional Counselors as an employee of an institution who’s official responsibilities include psychological counseling for members of the institution’s community and who is functioning within the scope of his or her license or certification.

All counseling services are provided under the direction of a licensed, credentialed and experienced mental health professional who is guided by the ethical standards of their profession and who is dedicated to excellence in service and the highest of quality outcomes.

Personal counselors are available to listen and provide guidance. The counseling provided is solution focused and short-term in nature. When problems presented are not within the staff’s scope of practice, appropriate referral sources are identified. If a student requires more intensive or long-term counseling, referrals to outside agencies or private practitioners will be made.
STUDENT SERVICES AND SUPPORT

STUDENT ORGANIZATIONS
KCAD students have the opportunity to connect through various student organizations. A complete list of current organizations is included below. To learn more about these organizations or how to get involved please visit kcad.edu and search for “student organizations directory”.

KCAD BOOKSTORE

ORDERING BOOKS
Ordering books online and early offers priority toward receiving used books. To order books online students must sign-in to MyFSU, select “Student Tab”, select “My Registration”, select “Detailed Schedule”, choose correct semester and click the Order Now tab then Add to Cart. A view of the cart will show all required and recommended books for each course. Students should also remember, KCAD’s Bookstore will price match and that financial aid and campus charges are available the week before classes begin and during the first week of class. KCAD’s Bookstore is operated by Barnes and Noble Education.

BUILDING AND GALLERY HOURS OF OPERATION
Please visit http://www.kcad.edu/current-students/building-hours/ for KCAD’s current hours of operation. Labs and shop hours are posted on campus. The Fed Galleries @ KCAD hours of operation are located at www.kcad.edu/galleries/. UICA hours of operation are located at http://www.uica.org/about/.

CAMPUSS FOOD OPTIONS
GRCC Dining Services
KCAD is collaborating with Grand Rapids Community College (GRCC) to provide KCAD students with the opportunity to have a GRCC Raider Card, which can be used for dining services at GRCC. The Raider Card functions like a cash debit card and can be used at all dining service locations on the campus of GRCC, which is adjacent to KCAD’s main campus buildings. Funds can be added to Raider Cards at cash machines located on GRCC’s campus, or via the GRCC web-based interface. Family members of students can also add funds to the cards via this interface.

Students interested in taking advantage of this option need to complete an application to participate. Applications are available at KCAD’s Student Services desk. Once completed KCAD will submit student applications directly to GRCC, who will then set up the students account. Once students are set up in the system they will then need to visit GRCC’s Office of Student Life to be issued the card. Please note, the Raider Card will only be activated for use at GRCC dining service locations – the Raider Card will not have printing or parking privileges on GRCC’s campus. For more information, please visit KCAD’s Student Services desk.

VENDING AND MICROWAVES
Vending machines and microwaves are located off of the Student Commons in the 17 Fountain ST. NW Building, as well as in the student lounge located on the garden level of the Woodbridge N. Ferris Building.

KCAD BOOKSTORE
KCAD’s Bookstore hosts a variety of healthy food and snack options for students along with coffee, tea, and bottled beverages.

COMMUNICATION
The college will communicate with students regularly through each student’s email account provided by the college. Every current student is provided with an account. It is important for all students to check their email account daily.

Each morning, Monday through Friday, students will receive the KCAD Daily. This email contains important information for students about upcoming deadlines, opportunities, and events.

KCAD GALLERIES
KCAD hosts a variety of gallery spaces on campus providing students with the opportunity to not only exhibit their work, but to also experience a wide array of work by visiting artists.

ALLUVIUM
Located in 89 Ionia adjacent to KCAD, Alluvium is a gallery space curated and run by KCAD’s graduate students.
THE FED GALLERIES @ KCAD
The Fed Galleries @ KCAD occupies over 3,500 sq. ft. of the Woodbridge N. Ferris Building on the first floor. This gallery focuses on exhibiting work by visiting artists from around the world, with occasional exhibitions by KCAD faculty. At the close of each school year, the gallery hosts the college’s annual Masters Thesis Exhibition and Excellence Awards Exhibition.

2017-2018 Exhibitions
- Society of Spectacle, KCAD + ArtPrize 9 - August 29 – October 14, 2017
- Resort, Work by Andrew Ellis Johnson and Susanne Slavick – November 7, 2017 – January 31, 2018
- Knockoffs: Originality, Theft, and Everything in Between – November 7, 2017 – January 31, 2018
- Scholastic Awards Exhibition - February – March, 2018
- Focus on Faculty, Sabbaticals and Focus on KCAD, Collections – February 20 – April 7, 2018

SPARKLAB
Bright ideas begin here. This is an uncurated, unjuried space is located within The FED Galleries @ KCAD. Students can propose an exhibition of their work, create an installation, host a workshop, hold an open critique or use it as a performance space. This is just the beginning – the spark begins with each student participant. Interested students should contact the Curator of Exhibitions at 616.451.2787, x1169.

HELEN MILLER KENDALL GALLERY (HMK GALLERY)
The Helen Miller Kendall Gallery is located on the west side of the 17 Fountain St. NW Building on the first floor with street side windows facing Ionia. This gallery established in 1982, is named in honor of Helen Miller Kendall who founded the college. This gallery focuses on work by students in KCAD’s graduate programs and also features special community-related programming.

GALLERY 104
Gallery 104 is located on the west side of the 17 Fountain St. NW Building on the first floor. This gallery features undergraduate exhibitions, this space is run by students in KCAD’s Gallery Internship program. Student’s interested in applying for an exhibition should contact the Director of Exhibitions at 616.451.2787, x1138.

URBAN INSTITUTE FOR CONTEMPORARY ARTS (UICA)
KCAD students enjoy a complimentary membership to the UICA which features gallery exhibitions of work from regional, national, and international artists throughout the year. UICA also hosts a range of dynamic events including concerts, performance art, artist receptions, gallery talks, an annual Holiday Artists’ Market, and other programs that nurture our creative community. UICA’s 195-seat film theater shows independent cinema, international films, and documentaries six days a week.

Member Benefits include; free gallery admission, access to member-only events, $4 movie tickets, and a 10% discount at The UICA Shop.

Just a few blocks away from KCAD’s main campus, UICA is the perfect space to work on homework, get inspired, or relax between classes.

UICA also offers students the opportunity to get involved as a volunteer, docent, and/or intern. Students are also able to apply for forthcoming exhibitions and sell handmade works in The UICA Shop. For more information visit uica.org.

HOUSING
KCAD provides housing guidance but does not maintain residence halls for students. Many students rent apartments, rooms or houses in the nearby Heritage Hill historic district. Most of these rentals are within walking distance of the College. For more information, please visit www.kcad.edu/life/housing.

LIBRARY
KCAD’s Library collections provide a diverse body of materials for students pursuing degrees in art education, art history, fine art and design. While the collection’s strength is in art and design materials, major liberal arts subjects are also represented. There are professional academic librarians on-site to provide reference services, including research and library instruction. KCAD students, faculty and staff have off-campus access to resources available through KCAD’s Library Online. Visit www.libkcad.ferris.edu and www.kcad.edu/library for more information.
LOCKERS
Lockers are available for students to rent in KCAD’s 17 Fountain St. NW Building on the third floor and lower level. Each locker is four feet deep and large enough to hold a portfolio. The cost is $45.00 per academic year. Students who wish to rent a locker should visit the Student Services desk.

RECREATION

GRCC SPORTS FACILITIES
The pool, track, exercise and sports facilities at the Grand Rapids Community College Ford Fieldhouse are available to KCAD students at a minimal annual fee.

YMCA
YMCA offers memberships to students for $160/4 month enrollment period. $360 for student and family/4 month enrollment period. See the Activities and Resource Center (ARC) to arrange for membership.

RESTROOMS
Restrooms are located on each floor of the 17 Fountain St. NW Building and Woodbridge N. Ferris Building. There are single stall restrooms located in the Activities and Resource Center and on the 7th floor of the 17 Fountain St. NW Building in the corridor just outside of the Student Services and Administrative Offices.

A CULTURE OF SUSTAINABILITY
KCAD strives to be a carbon-neutral campus with the support of its students, faculty, and staff through the following efforts.

RECYCLEMANIA
KCAD participates in RecycleMania, a yearly event that focuses on raising recycling awareness through education and competition between colleges and universities across the U.S. (www.recylemania.com).

LEED GOLD CERTIFICATIONS
KCAD’s Woodbridge N. Ferris Building and Urban Institute for Contemporary Arts both hold LEED Gold Certification by the U.S. Green Building Council (USBC).

RESPONSIBLE WASTE DISPOSAL
Students are encouraged to practice responsible waste management practices on and off campus. Bins located throughout campus help the college to sort compost, recyclables, returnables, and landfill trash. Compost includes soiled paper, pizza boxes, jimmy johns wrappers, coffee grounds, wood, sawdust, and food including meat and bones. KCAD recycles plastics #1-7 [not #0, which is compostable], and clean paper. KCAD also provides recycling for other objects such as: eye glasses and cell phones (first floor front desk), X-acto blades and batteries (first floor Facilities Office of the 17 Fountain St. NW Building), and metals and wood (basement of the 17 Fountain St. NW Building). KCAD does not currently have recycling available for glass or chip bags. Please bring glass home to properly recycle or choose to use recyclable containers. The college also encourages its community to use www.comprenew.org to properly dispose of all electronic waste. Please do your part!

TRANSPORTATION AND PARKING OPTIONS
The Rapid is a clean, safe, and convenient means of public transportation operated through the City of Grand Rapids. KCAD offers students a free bus pass that can be used on all Rapid bus routes. Students can pick up their bus pass in the Activities and Resource Center.

There are a variety of parking options available to students and guests around KCAD’s campus. Parking availability will vary depending on the day of the week and time of day. Options include City of Grand Rapids parking facilities, St. Marks Episcopal Church, First Park Congregational Church, and metered parking.

BIKE RACKS
Bike racks are located in front of the 17 Fountain Street NW and Woodbridge N. Ferris buildings, and on the first floor of the Pearl/Ionia parking ramp across the street to the west of the Fountain St. Building.

Visit www.kcad.edu/life/visiting/parking/ for more information on available transportation and parking options.
SAFETY AND SECURITY

CLERY ACT COMPLIANCE POLICY
KCAD is committed to campus security and safety and recognizes this as an important issue in postsecondary education. The U.S. Department of Education adopted the Crime Awareness and Campus Security Act of 1990, commonly referred to as the Clery Act, to provide students nationwide with a safe environment in which to learn and keeping students, parents and employees well informed about campus security.

In compliance with the Clery Act, KCAD’s Campus Crime Awareness – Safety Fire Report is published on a yearly basis. This report includes statistics for the previous three years concerning reported crimes that occurred on-campus; in certain off-campus buildings or properties owned or controlled by KCAD; and on the public property within, or immediately adjacent to and accessible from the KCAD campus. This report also includes Hate Crime reporting and Fire Statistics reporting. Visit www.kcad.edu/safety-and-security/policies/ to view a copy of this report.

EMERGENCY MANAGEMENT LEADERSHIP TEAM (EMLT)
The EMLT is composed of leadership from across KCAD, with representation from staff and faculty. During emergency situations, EMLT is the central team responsible for information sharing with the KCAD, FSU and UICA community, as well as for determining and implementing a coordinated response strategy. KCAD EMLT members meet regularly throughout the year to develop and practice the implementation of emergency plans, including disaster response and evacuation through annually scheduled drills that test emergency procedural operations.

SECURITY
The college utilizes the services of DK Security, a company with extensive experience serving higher education institutions in Michigan. All uniformed security officers carry radios, have CPR and AED training, and have been trained in the emergency response protocol.

SECURITY OFFICER PHONE NUMBERS:
- KCAD 17 Fountain St. NW and 89 Ionia Studio Security: 616-430-1794
- KCAD Woodbridge N. Ferris Building Security: 616-350-3820
- UICA and KCAD Master of Architecture Studio Security: 616-350-7273

EMERGENCIES
In the event of a life-threatening emergency, call 911. If you are unsure, call 911. It is best to let the first responders evaluate the situation. If you or someone is available to notify the Security Officer in the building where the event is located, please call the number listed above.

If there is a non-life threatening emergency but you need help, call the Security Officer in the building where the event is located for assistance. The Security Officer will dispatch the Emergency Management Leadership Team and will assess the situation and provide an appropriate response.

EMERGENCY PREPARATION
Take time to familiarize yourself with the emergency procedures at KCAD. Evacuation routes, location of AED and fire extinguishers, security officer phone numbers and protocol for emergencies are posted in each classroom. For individuals who may have difficulty evacuating the building independently during an emergency you are encouraged to contact the Disability Services Office at the start of each semester so an emergency evacuation plan can be discussed and shared with emergency responders.

EMERGENCY TEXT ALERT
KCAD faculty, staff and students are invited to sign up to receive official emergency text alerts so they are the first to know about time-sensitive campus safety issues and closings due to weather or other disruptions. To sign up, visit MyFSU and click on the link in the “Sign up for Text Alerts” channel.

Those who enroll should take note of the following:
- Enrollment is voluntary
- Restricted use for immediate notification to students, faculty and staff
Short Message Service (SMS) text messaging must be enabled on your cell phone account to receive text messages. You are responsible for any text message charges that may be incurred from enrolling in this service. Information provided is kept confidential and won't be used for any other purpose.

WEATHER RELATED CLOSURE
Weather related closures will be communicated with students via the following channels:
- www.kcad.edu
- ferris.edu email
- Emergency Text Alert (students must sign up)

FIRE
If you are the first to notice a fire, pull the closest fire alarm, call 911 and exit the building. When you are able, contact the Security Officer of the building where the event is located to provide them with information about the incident. When you hear an alarm, evacuate the building immediately. Follow instructions from the Emergency Management Leadership Team.

TORNADO
In the event of tornado warning students, faculty and staff should follow the following procedures when on campus:
- Quickly and safely move to the lowest level of the building.
- Make sure to avoid areas with glass walls or windows. Follow instructions from the Emergency Management Leadership Team.
- Wait for an all clear before leaving the building or returning to another area of the building.

The city sirens are tested on the first Friday of each month at noon during tornado season.

FIRST AID KITS AND AUTOMATED EXTERNAL DEFIBRILLATORS
First Aid Kits are located throughout the 17 Fountain St. NW Building, UICA and the Woodbridge N. Ferris Building. See the emergency evacuation route on the back of each classroom door to locate the nearest First Aid Kit or Automated External Defibrillators (AED). AEDs are located at the 17 Fountain St. NW Building Atrium, the 4th floor west elevator, and the 7th floor west elevator. In the Woodbridge N. Ferris Building, AEDs are located on the 1st floor and the 3rd floor. The UICA has AEDs on the 1st and 4th floor.

Please visit www.kcad.edu/safety-and-security/ for more information.

ASSUMPTION OF RISK, CONSENT, AND RELEASE
All students acknowledge opportunities throughout the school year to participate in a variety of extracurricular activities and events not required as part of the student academic curriculum, including, but not limited to: educational, recreational, and social activities and programs that occur on or off campus property; consumption and/or participating in the distribution or selling of food and beverages by students, student organizations, and/or non-university individuals; and travel to and from and participation in events conferences, and other activities on and off campus.

As a student, you recognize that your participation in such extracurricular activities may involve physical exertion and/or actions or omissions which could cause or result in injuries and/or health problems; contact with a variety of individuals, including non-university persons; risk of loss or damage to property; inconvenience and discomfort; exposure to circumstances and presence in locations with no supervision or protection; and other risks inherent in the particular activity or event in which you may be participating.

In consideration of being permitted to utilize these facilities and equipment, and to participate in the activities and events available to our students, you understand the above risks may occur; you assume all risks inherent in and which from your participation in travel, activity, and connected activities and other consequences or events that occur in conjunction with such extracurricular activities or events.

To the fullest extent permitted on behalf of you and your heirs, assigns and all other, by law, you knowingly and intentionally release and waive any and all claims of whatsoever kind of nature against Kendall College of Art and Design of Ferris State University, its Board of Trustees, President, officers, and employees, advisors, agents, and representatives.
which may arise out of your participation in those activities and events, including but not limited to acts, omissions, or negligence of other students, advisors, and other individuals or organizations except for the University’s gross negligence or willful and wanton misconduct. You further agree to be responsible for your own safety, well-being, and conduct, and that neither Kendall College of Art and Design of Ferris State University, its Board, President, officers, employees, agents, or representatives will be liable or responsible if you suffer bodily injury, property damage, personal injury, death, and/or other damages or losses, except if caused by their gross negligence or willful misconduct.

You also understand and agree you are solely responsible and assume all risk for damage or loss or theft of personal belongings (equipment, cameras, keys, jewelry, clothes, etc.) brought with you when participating in and traveling to and from such activities or events. Kendall College of Art and Design of Ferris State University is not responsible for these personal items and they are not covered by Kendall College of Art and Design of Ferris State University’s insurance coverage.

You also authorize being taken to a medical facility for treatment in the event of an emergency, and consent to emergency medical treatment being administered to you in the event you are unable (or your parent or guardian, if applicable, cannot be reached) to authorize treatment.

You recognize that you may appear in photographs, video tapes, recordings, motion pictures, and other records of the extracurricular activities or events in which you participate, and you consent to Kendall College of Art and Design of Ferris State University using, at its discretion, such photographs, video tapes, motion pictures, recordings, and other recordings in which you may appear, unless you inform the photographer that you do not wish to be filmed. You also understand that Kendall College of Art and Design of Ferris State University cannot control filming between students.
KCAD offers two programs for majors in art history, a traditional academic-based curriculum and a studio-based program, which allows students to build upon design and fine art experiences as an enhancement to their scholarly expertise in art history. This approach to the study of art history and criticism is unique among institutions of higher learning in the United States. The advantages to art historians of having a studio background are significant especially in the fields of criticism and museum curatorship. Foundation year courses help students in acquiring visual sensitivity, improved verbal skills and an understanding of art styles and methods. The art history major is thus ready upon graduation to continue his or her education in art history or related fields, or to enter into employment in museum, publication, or similar work. An important component of the art history program is the opportunity provided for travel and curatorial internships through museums and galleries, locally and nationally.

## ART HISTORY – MINOR

Any five art history courses in addition to KCAH 111 and KCAH 112.
ART HISTORY
Art History is important to every artist's education. Cultural, political, religious, and social events have always inspired and influenced the artist. Studies in the history of art help reconfirm both the artist's relationship with the past and his or her responsibility to the present. These courses will help students develop a critical eye and a deeper understanding of aesthetics. Upper-level courses, beyond the required first year survey, encourage the student to explore specific areas of interest, history of photography, fashion, modernism, Native American or Eastern art. Seminars on specific topics, from feminist criticism to postmodernism, can further expand the student's knowledge of the world of art.

GENERAL EDUCATION
Pathways is the name of KCAD's model for general education courses. It's based on the understanding that the most successful artists, designers, art historians, and art educators are those who stay broadly and endlessly interested in the world around them. That's why KCAD's Pathways model gives you the freedom to pursue an education that sparks your curiosity and stimulates your creativity. Wherever your exploration leads, you'll emerge as a critical and analytical thinker who can both adapt to change and chart new, creative paths forward.

K–12 ART EDUCATION CERTIFICATION

A student who has a bachelor degree must complete all of the Art Major/Minor (63) and Professional Education (38-42) requirements to receive the K–12 Art Education Certification. The General Education requirements will be automatically completed by the student’s previous bachelor degree. The student will not receive a second bachelor degree unless 30 additional credit hours are completed in the Art Major/Minor requirements.

No minor available in this major.

COLLABORATIVE DESIGN

The mission of the Collaborative Design BFA at Kendall College of Art and Design is to develop “Specialized Generalists,” with an understanding of the range and purpose of the several design disciplines, strong communication skills, issues of sustainability and economic impact of design thinking. The students will strengthen core collaborative skills with design elements and principles gained from supportive studio courses and applied to collaborative design experiences. The program requires the student to minor in one of the offered design disciplines: Industrial, Interior, Graphic, Furniture or Digital Media. The application of studio knowledge and skill is expected across the Collaborative Design curriculum. Students will be able to advocate, facilitate and coordinate design application in both public and private organizations. The primary focus is on the process of design. Students will demonstrate the understanding of the design process through physical and fabricated project outcomes. Additionally, students will develop the knowledge and skills for both generating and communicating good ideas collaboratively, to recognize and meet today and tomorrow’s economic needs, and to function both independently and as part of a team.

BACHELOR OF FINE ARTS

COLLABORATIVE DESIGN – MINOR

Minors are defined by a combination of five (5) of the major studio courses. The specific courses to be determined on an individual basis with the program chair.

DIGITAL ART AND DESIGN – ENTERTAINMENT ARTS FOCUS

Digital Art and Design graduates will be innovative artists and designers, well prepared to create rich media experiences that combine imaging, animation, sound and interactivity. With substantial flexibility in the degree of specialization/generalization built into the curriculum, students will be able to develop portfolios in one or more of these professional media markets: Digital Imaging, 2D Animation, 3D Animation, Motion Graphics, Interactive Design.

The Digital Art and Design program is designed to provide opportunities that are cross-platform and user-experience driven. They blend self-directed learning with hands-on instruction by experienced professionals. Projects and studio work may be centered around public service content, while allowing the freedom of creative expression that is necessary for every artist and designer to find their own voice.

## DIGITAL ART AND DESIGN – MINOR

Minors are defined by a combination of five (5) of the major studio courses. The specific courses to be determined on an individual basis with the program chair.
DRAWING

Drawing initially emphasizes an exploration of traditional drawing techniques, materials, and processes, with a later emphasis to alternative and mixed-media drawing processes as potential elements in the advanced investigation of drawing as a vehicle for personal expression. Drawing, as a significant foundation of visual communication, is investigated as both an independent discipline and as a vital resource for the investigation of other disciplines. The dynamic union of technical, formal, and conceptual components is emphasized at the thesis level toward the development of a BFA thesis exhibition.

The senior year is a time to focus on the creation of a cohesive body of work for the BFA thesis exhibition, a requirement of graduation. A BFA candidate review occurs at the end of Thesis I and must be accompanied by a written artist’s statement. The purpose of this review is to advise students on the strengths and weaknesses of their work, with the intention of assisting the student in consolidating their aesthetic direction in preparation for the BFA thesis exhibition.

The BFA thesis exhibition is the culmination of each student’s art experience at KCAD, and is accompanied by an oral presentation and a written artist’s statement. Work for the exhibition must receive the approval of three faculty members who comprise the BFA critique committee, which is responsible for conducting the final critique of the BFA thesis exhibition. This final critique is open to all interested students and faculty. The BFA thesis exhibition functions as both a competitive portfolio of work for the student and a showcase of talent for the college.

FASHION STUDIES

Kendall College of Art and Design’s Pamella Roland DeVos School of Fashion prepares students to pursue careers in the fashion industry through its BFA in Fashion Studies. This degree is designed to engage the student in the study of the fashion industry and practices while fulfilling supportive studies in art and design foundation courses and general education courses for a comprehensive well-rounded education.

Students learn to conduct relevant research, source trends and fabrics and apply design elements and principles to create work with a unique point of view. This course of study will aid the student in understanding the delicate balance between aesthetics and functionality and will allow each student to create their own design statement. Students learn to express their ideas on paper through the use of engineered flats and fashion illustrations. Using their design communication skills, students transform two-dimensional ideas into three-dimensional wearable garments utilizing a synthesis of construction, fitting, pattern-making and draping skills.

Specialized courses allow students to study functional design, retail buying, sustainability, experimental methods and fashion show production. Internships are encouraged and students are able to work on team projects with visiting industry professionals.

A senior capstone course helps each student form their own collection for public exhibition. The senior course in professional practice requires the student to analyze their strengths and research companies that align with those identified strengths to develop a strategic plan for employment. These students are creative, adaptable, and have the ability to communicate and think critically.

Fashion Study Graduates will have a comprehensive knowledge of the fashion industry and be able to consider positions as fashion designers, textile designers, stylists, buyers, technical designers, trend researchers, product developers, creative directors and many other employment opportunities including fashion publications and media.

FURNITURE DESIGN

The focus of the furniture program is the design of furniture products that can be produced by manufacturing technology. The furniture major is solidly based upon the broad curriculum of the foundation program, intensive and rigorous design studies, with the general education, including the importance of art history, and its traditions for the contemporary designer.

The course requirements of the major include the studies or ornamentation, sketching, and product presentation, detailing and wood furniture construction, computer applications and capstone. In addition, up to five elective courses and an internship program can be taken to enhance and bring professional experiences for the student’s career.

The mission of the Graphic Design program is to graduate problem-solving, critical-thinking design innovators and creative communicators skilled in the latest technology and highly aware of and involved in contemporary culture. KCAD’s graphic design students will be industry savvy and learn to work collaboratively in a studio environment so that they can make a seamless transition into their field upon graduation. They will be empowered to become leaders in their program and their field by finding/using their own resources to think and create strategically and develop their own style.

As designers, students will understand their role in shaping culture both nationally and globally, and will learn to be socially and environmentally responsible in that role. Intellectually, they will learn to be not only excellent thinkers, but also to be effective communicators, visually, verbally and in written form.

KCAD’s graphic design program encourages passion for the arts and for design through exploration of their combined histories, their leaders and innovators, their trends and classics, and the issues and impact they have created throughout the years.

### GRAPHIC DESIGN – MINOR

A minor consists of five chosen courses within the Graphic Design program. In order to determine the appropriate courses for each student and to assist in navigating through prerequisites, the courses need to be determined with and approved by the program’s designated Minor Advisor.
ILLUSTRATION

Initiated in the early 1960’s, the Illustration program continues to provide its students with a resilient experience in formulating visual information, understanding its traditions, while exploring a wide variety of media and processes. Courses in general education are also studied to broaden the perspective of the contemporary illustrator.

A major in the Illustration program follows a specific core curriculum that introduces the student to the conceptual development of artwork, the media processes, and procedures toward the completion of finished illustrations. This program of study is complemented by courses in drawing, computer aided imagery, art history, and studio electives. The student has the opportunity to develop a professional and marketable portfolio in preparation for a career.

INDUSTRIAL DESIGN

The Industrial Design curriculum balances aspects of problem solving, aesthetics, and business principles in the development of commercial and consumer products. Students experience the design process while developing skills in two- and three-dimensional representation. Studio courses include research, concept ideation, and presentation exercises in response to realistic design briefs, and builds on an understanding of materials and processes, business methods, and legal and ethical issues. Related study in art history and general education contributes to a greater understanding of the cultural context of products in society.

INTERIOR DESIGN

The Interior Design program is one of the oldest established majors at KCAD, with a continual high professional placement record among its alumni. The Interior Design program has been accredited by The Council for Interior Design Accreditation (CIDA) since the early 70s. CIDA is the only accrediting body for interior design programs in the United States and Canada.

Students focus on creative problem solving to enhance the function and aesthetic quality of interior environments and study universal and sustainable design principles in residential and commercial projects. Their work is comprehensive, incorporating design, drawing, art history, general education, technical skills, and interior design knowledge.

The Interior Design faculty members are practitioners as well as educators and believe that the broad cultural aspects of education and the specialized content unique to interior design are essential to a well-educated student and professional.

Kendall College of Art and Design is located in the heart of the contract and home furnishings industry. In addition to course work, students gain knowledge of the profession through field trips, internships, and other educational experiences in furniture companies, interior design firms, and architecture firms.

INTERIOR DESIGN – MINOR

Minors are defined by a combination of five (5) of the major studio courses. The specific courses to be determined on an individual basis with the program chair.

MEDICAL ILLUSTRATION

The program prepares our students to enter into the medical illustration field by providing them an aggressive and challenging three-year course study. Our students are provided with a wide variety of courses that include, but not limited to drawing, medical illustration methods, traditional media illustration courses, computer animation, rendering, medical language, and computer-aided 3D design. Courses in general education are also studied to broaden conceptual boundaries that afford the students a well-rounded educational experience. The medical illustration student is a visual problem solver. As an integral part of the creative processes our students do background research including reading scientific papers, meet with scientific experts and take part in many laboratory procedures.

A medical illustrator is a professional artist with advanced education in both the life sciences and visual communication. Collaborating with scientists, physicians, and other specialists, medical illustrators transform complex information into visual images that have the potential to communicate to broad audiences. The work of medical illustrators promotes education, research, patient care, public relations and marketing efforts.

METALS AND JEWELRY DESIGN

The Allesee Metals and Jewelry Design program prepares students for a variety of careers within the jewelry field. Students are also exposed to a variety of traditional and contemporary materials and practices that they can employ in the service of design for manufacturing or in the production of custom or independent studio work. We also prepare students who have strong design and production skills. Our alumni have found success in fields of fine and costume jewelry design; working for established brands and marketing lines under their own name. Many of our students intern for jewelry and fashion brands in NYC before their senior year or immediately after graduating.

PAINTING

The BFA in painting allows the student to focus on the discipline of painting in a way not possible in a traditional area of emphasis. With a total of thirty credits dedicated solely to painting, the student will graduate with a highly competitive portfolio of work preparing them for success in a variety of area including graduate school, galleries and grant writing. Due to the more intensive nature of the painting major, students are exposed to all the major forms and genres including still life, landscape, figure, abstract, and mixed media painting.

The painting program at KCAD follows a pattern of progressive complexity. Introductory courses focus on the development and reinforcement of basic technical skills. The student is introduced to traditional painting processes, builds a vocabulary of painting terminology, and acquires a sense of the history of the medium. Intermediate level classes move from representational painting to more complex issues such as abstraction and concept development. Fine art seminars are taken in concert with advanced painting classes so that studio work is augmented by critical reflection and research into aesthetics.

In the painting major, the student has fifteen elective credits and may choose from a variety of fine art studio courses. Electives allow the student to broaden their understanding of the visual arts or obtain a minor.

In the final year, the student is allowed to establish their own artistic direction in the thesis level courses. At this point the student is working independently, choosing their own ideas and stylistic approaches. During the BFA critique/exhibition, the student is required to give an oral presentation, produce an artist statement and display a body of cohesive artwork.

PHOTOGRAPHY

A flexible program that offers courses leading to a wide variety of careers in photography including fine art, advertising, commercial, and documentary work. In the program, traditional and digital photography are treated as equal and relevant tools. The emphasis is on the image, not the technique by which it is obtained. After Introduction to Photography and Intermediate Photography, either digital or traditional cameras may be used except for specified assignments.

PHOTOGRAPHY – MINOR

Any five (5) photography courses.
PRINTMAKING

The Printmaking course of study nurtures both conceptual and technical growth in student work and fosters a more complex and intense experience as students matriculate through the program. The introductory level course focuses on the fundamentals of printmaking, and successive courses build on those skills both conceptually and technically. Craft and understanding of aesthetics unique to printmaking are emphasized as students’ progress through the curriculum. Students learn studio, research, and intellectual skills necessary to create conceptually rich and technically appropriate and proficient works of art.

Students gain a working knowledge of the history of printmaking to contemporary trends. Work culminates in a senior thesis exhibition that demonstrates a conceptually cohesive and technically appropriate body of work, and students are able to verbally demonstrate an understanding of the social, historical, and cultural contexts in which they create and exhibit.

The BFA thesis exhibition is the culmination of each student’s art experience at KCAD, and is accompanied by an oral presentation and a written artist’s statement. Work for the exhibition must receive the approval of three faculty members who comprise the BFA critique committee, which is responsible for conducting the final critique of the BFA thesis exhibition. This final critique is open to all interested students and faculty. The BFA thesis exhibition functions as both a competitive portfolio of work for the student and a showcase of talent for the college.

GRADUATE PROGRAMS OF STUDY

MASTER OF ARCHITECTURE

The KCAD MArch is a first professional degree in architecture. As such, its curriculum is designed to not only provide a well-grounded and unique graduate architecture education but also meet the requirements for accreditation by the National Architectural Accrediting Board (NAAB). As a new program, the curriculum design is a flexible framework, upon which each individual student’s personal practice of architecture will build. The KCAD MArch is designed to balance research, theory and practice. It places a strong focus on design thinking and design leadership, place making and engagement with community.

First Semester (3-Year MArch)
KGAR 511 I-1 Seeing Architecture 6
KGAR 512 S-1 Principles and Processes: Objects 6
KGAR 513 Design Communication I 3

Second Semester
KGAR 521 I-2 How Things Work 6
KGAR 522 S-2 Making and Meaning: Systems 6
KGAR 523 Design Communication II 3

MASTER OF ART EDUCATION

The MAE offers certified teachers a contemporary Master of Art Education program designed to equip educators with research based, practical curriculum design while providing an opportunity to explore an in-depth study of their personal artistic abilities. The Kendall MAE is based on the artist-teacher model, structured as a studio intensive program where students may choose one of four areas of specialty: drawing, painting, photography or printmaking. Students learn the most contemporary ideas in art education pedagogy; visual culture, meaning making, brain-based research and technology. The program culminates in a student-directed studio/research project.

MASTER OF ARTS IN DESIGN

The Masters of Arts in Design program fosters creativity, innovation, responsibility, and intellectual growth by preparing its graduates to meet the challenges pursuant to a successful career within the professional design world. Through collaborative experiences and theory-driven coursework, students broaden their understanding of the impact of design on culture and community, thereby promoting responsible leadership, and emphasizing ethical engagement and social implications of design practice. The Masters of Arts in Design program at KCAD is a residency program that builds a studio culture that engages students in experiential, collaborative learning and invites students to develop a broader understanding of design and its impact on culture and community.

MASTER OF ARTS IN VISUAL AND CRITICAL STUDIES

It is widely recognized that the developing field of visual and critical studies functions as one of the most challenging and sophisticated sites for suturing complex cross-disciplinary experimentation and scholarly research. The key objective of this program will be to enable students to critically unpack visual information and meaningfully situate research within a broader epistemological horizon. Students will engage in a theory-driven, integrative, experimental course of study exploring the strategic points at which cultural context, material conditions, critical theory and the visual intersect. Students of Visual and Critical Studies will learn to write about visual culture in a scholarly manner suitable for publishing in peer-reviewed journals, synthesize and apply multiple qualitative research methods and concepts to the study of visual culture, and gain mastery in critical theory and analysis.

This program is appropriate for those students who may be interested in pursuing a PhD in visual studies, critical studies, museum studies, or as a dual degree option earned concurrently or consecutively with the MFA. The program also provides students with an opportunity to gain mastery in an additional focus area. It is widely accepted that we currently must negotiate an increasingly complex world of visual information. Students from the fields of fine art, design, library or information science, anthropology, sociology, political science, cultural studies, etc. may find the addition of a certificate or MA in Visual and Critical Studies advantageous to advancing the development of their research, practice and career.

* The Graduate Certificate Degree requires completion of 18 credits of Visual and Critical Studies Seminars.
GRADUATE PROGRAMS OF STUDY

MASTER OF FINE ARTS

DRAWING

The M.F.A. in Drawing is committed to both the conceptual and technical education of the professional artist, providing a balance between intensive studio experience and critical, theoretical, and historical inquiry. Students are encouraged to explore and experiment, ultimately taking primary responsibility for the direction and focus of their work. Studio work in the graduate drawing program may cover a broad spectrum of subjects and techniques, ranging from work that is traditional in its approach to work that challenges and expands the very definition of drawing, including mixed media, installation, new media and other interdisciplinary approaches. In addition to the studio experience, course work in art history and critical theory provides students with a stimulating environment in which to examine the relationship between art and culture and to cultivate intellectual and aesthetic development. While critiques and studio discussions in drawing include concern for technical and formal issues, the primary critical emphasis is on content and conceptual strength, including the aesthetic dimension of the work, the cultural and historical context of the work, and awareness of relevant philosophical and theoretical issues.

PAINTING

The mission of the Graduate Painting program at Kendall College of Art and Design is to produce students who are able to demonstrate technical, material, and conceptual mastery in the execution of their work, while also providing opportunities for experimentation. The painting program fosters creativity, innovation, responsibility, and intellectual growth in preparing students to meet the challenges pursuant to a successful career within higher education or the broader art community. A diverse painting faculty is available to students for formal, technical and critical insight. Students are introduced within the program to the growing repository of art related theory through challenging fine art and art history seminars, addressing such issues as the “ethics of visual representation”, “politics and art” and “Post Structural” theory. Additionally, students have access to courses regarding the more practical aspects of being an artist including a seminar on teaching techniques and methodology, and a course dealing with the professional practices of the art world at large.

PHOTOGRAPHY

The M.F.A. in Photography guides students in the development of their work through skill enhancement, informed dialogue about art theory, and the study of the history of art and media. Graduate studio and thesis courses focus on the production of a sophisticated body of lens-based artwork with the guidance of faculty and peers in the program. Graduate seminars examine the relationship between art and culture and support the intellectual and conceptual development of the student’s studio practice. Art history seminars are small group discussion-centered studies focused on a changing variety of topics. The student’s graduate experience is enhanced by their choice of studio elective classes that support and enhance the student’s art making. The capstone experience of the program is the M.F.A. Thesis Exhibition—a conceptually sophisticated and unified body of work that is supported by an extensive thesis paper. Successful completion of the program enables the student to seek careers in education, museum or gallery work, or as a professional artist.

PRINTMAKING

The M.F.A. in Printmaking encourages students to translate their philosophical and personal concepts into visual form. The program balances intense studio experience with theoretical dialogue and the in-depth study of art history. Classes serve as a forum where ideas and technical aspects of student work are developed and critiqued. The printmaking studio courses link traditional methods with new technologies. Contemporary non-toxic processes, as well as digitally and photographically derived imagery, can be used with woodcut, linocut, lithography, silkscreen, and intaglio printmaking. Mixed media prints, as well as monoprints, collographs, and artists’ books, can result in installation or three-dimensional objects. Concept development is addressed throughout the course of study, culminating in a cohesive body of work that is conceptually and aesthetically strong.

CERTIFICATE IN DESIGN AND INNOVATION MANAGEMENT

The certificate in Design and Innovation Management concentration within Ferris State University’s Master of Business Administration program in collaboration with Kendall College of Art and Design prepares its graduates for leadership positions in design-centered businesses. The program provides students a comprehensive understanding of the ways in which the method, measure, and language of design drive the practice of business and the process of innovation and teaches them how to cultivate and build a culture of innovation within their organization.

All of the courses are taught by an interdisciplinary faculty of working professionals and experts in the industry. Collaboration is embraced throughout the program as a means of producing the most relevant kinds of innovation and as a means of moving design thinking to the center of the business process. It emphasizes the ways in which collaborative design thinking and strategies can partner with the business process to establish strategic decisions that will result in improved organizational effectiveness.

The Design and Innovation Management certificate program prepares its graduates to build cross-disciplinary design teams that, empowered by user-centered research and development, will have the ability to manage the convergence of design, market, and business to produce strategic solutions. Students will build positive relationships with a diversity of disciplines, develop a common working language, and explore shared tools and skill sets in both the design and the business industries.

KCDC 311  User-Centered Design  3 Credits  
From a combination of perceptual psychology and ethnographic research, the student will explore the underlying elements of how we perceive, react and relate to the designed world. The student will consider the physiological and learned behaviors that shape our interactions with the built environment with an emphasis on experiential and emotional design.  
Prerequisites: KCDC 120

KCDC 321  Visual Literacy: Seeing  3 Credits  
Explore the ways we perceive, react, understand and judge our physical and emotional environments. Students will gain an increased awareness and understanding of visual acuity. Inspire students to consider ‘seeing’ as a method for understanding, gaining new perspectives and problem solving.  
Prerequisites: None, KCHU 340 encouraged or concurrent

KCDC 399  Independent Study in Collaborative Design  3 Credits  
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. Forms for requesting approval are available through the Registrar’s Office.  
Prerequisites: Cumulative GPA of 3.0 or better, Junior/Senior standing

KCDC 400  Special Problems in Collaborative Design  3 Credits  
An opportunity to pursue a collaborative design course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available through the Student Services Office.  
Prerequisites: 3.0 G.P.A., junior/senior standing

KCDC 402  Internship in Collaborative Design  1 to 9 Credits  
KCAD offers students the opportunity to receive elective credit for supervised, professional work experience related to the student’s major and approved by the program chair. Internships are graded on a pass/fail basis only; a maximum of nine credit hours of internship credit may count toward the degree. Interested students should contact the Career Services Office.  
Prerequisites: 3.0 G.P.A., junior/senior standing

KCDC 403  Seminar in Collaborative Design  3 Credits  
Seminar dealing with special interests in collaborative design.  
Prerequisites: Upper-level students

KCDC 430  Design Thinking: Strategies and Tactics  3 Credits  
Explores the design process and application common to all disciplines as related to business, organizational, and built environments. Using textbooks and case studies this course looks at right and left brain thinking, heuristic thinking, and how we approach different problems. The course will use organizational techniques for gaining systemic insights into complex situations and problems.  
Prerequisites: KCHU 121, KCDC 120, KCDC 311

KCDC 431  Service Design  3 Credits  
Investigates the differences in design needs for a range of environments, products, and communications that provide services; health care, food service, financial, insurances, governmental, and more. Looks at understanding the unique set of constraints and opportunities related to the service industries.  
Prerequisites: KCDC 120, KCDC 311

KCDC 440  Organizational Structures  3 Credits  
An overview of the different forms of business and organizational structures; profit and non-profit, services, manufacturing, governmental, private, and public partnerships. An exploration of the differences and similarities, their operational methodologies and relationships to design. Discussion of how design innovation impacts business and economic development strategies.  
Prerequisites: KCDS 405
### COURSE DESCRIPTIONS

**KCDC 460  Collaborative Design Capstone  3 Credits**
Capstone project, determined in conference with the faculty advisor is to apply the concepts and competencies learned in the Collaborative Design Program. The student will engage in an immersive experience/study of a specific area related to culture and societal needs, and present the work in both presentation and thesis formats. Portfolio presentation, (or predetermined equivalent) development, and documentation of the quality and scope of the student’s work. Effective oral, visual, and written communications is expected.

Prerequisites: KCDC 430, KCDC 440, approval of advisor

**DESIGN STUDIES**

**KCDS 110  Digital Foundation  3 Credits**
An introduction to the computer as a design tool using the industry standards in page layout, digital illustration, and photo manipulation software, the Adobe Creative Suite. File transport (PDF) and font management software will also be introduced.

Prerequisites: None

**KCDS 142  Design Drawing I  3 Credits**
Freehand drawing using basic perspective principles and quick sketch techniques.

Prerequisites: None

**KCDS 143  Design Drawing II  3 Credits**
Advanced freehand drawing and sketching with the addition of color media.

Prerequisites: KCDS 142

**KCDS 203  Special Topics in Design Studies  1 to 3 Credits**
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

**KCDS 303  Special Topics in Design Studies  1 to 3 Credits**
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

**KCDS 315  Collaborative Projects  3 Credits**
An interdisciplinary experience providing an applied learning opportunity. Through an engagement with organizations, students will be introduced to all aspects of the project design process, with a focus to ‘whole systems design thinking’.

Prerequisites: KCDC 120 or equivalent, KCDC 216 preferred

**KCDS 399  Independent Study in Design Studies  3 Credits**
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. Forms for requesting approval are available through the Student Services Office.

Prerequisites: Cumulative GPA of 3.0 or better, Junior/Senior standing

**KCDS 400  Special Problems in Design Studies  3 Credits**
An opportunity to pursue a design studies course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available through the Student Services Office.

Prerequisites: 3.0 G.P.A., junior/senior standing

**KCDS 403  Seminar in Design Studies  1 to 3 Credits**
Explores the design process—including ideas, products, and facilities—from concept to implementation by introducing students to the contract furniture market and other showrooms and sites and by introducing students to award-winning designers in an environment in which students share “hands-on” experience of how designers develop ideas and products which are prototyped and brought to market.

Prerequisites: Sophomore status
KCDM 203  Special Topics in Digital Media  1 to 3 Credits
A topical course that allows the program to respond to students' interest in a particular area, or other expressed need, or capacity to offer a particular topic.
Prerequisites: None

KCDM 231  Sound Design  3 Credits
Students will learn to create audio for multimedia design and entertainment arts.
Prerequisites: None

KCDM 232  Introduction to Digital 3D  3 Credits
Students will learn to create three-dimensional objects and environments for a variety of media and entertainment applications.
Prerequisites: None

KCDM 235  Interactive Multimedia Design I  3 Credits
Students will learn to create functional interactive multimedia works.
Prerequisites: Sophomore standing

KCDM 241  Digital Imaging I  3 Credits
Students will be introduced to digital drawing, coloring, compositing and image manipulation techniques for both print and digital delivery systems.
Prerequisites: None

KCDM 243  Digital Imaging II  3 Credits
Students will apply advanced techniques for digital drawing, coloring, compositing, and image manipulation for print and digital delivery systems.
Prerequisites: KCDM 241

KCDM 250  Digital Character Drawing  3 Credits
Students will learn digital drawing techniques and apply them to both human and animal character stylizations, using methods and techniques that are relevant to visual development for entertainment media.
Prerequisites: KCDT 131 or KCDT 142

KCDM 294  Animation Processes  3 Credits
Students will learn the animation pipeline for both character animation and motion design.
Prerequisites: Sophomore standing

KCDM 303  Special Topics in Digital Media  1 to 3 Credits
A topical course that allows the program to respond to students' interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCDM 312  Comic Media Design  3 Credits
Students will create comics for print or digital delivery, using traditional and digital imaging techniques.
Prerequisites: KCDM 241 or KCDT 112

KCDM 317  Web Design I  3 Credits
Students will create and test functional interactive works for delivery via the web.
Prerequisites: KCDM 243 or KCDT 220 or Junior Standing

KCDM 319  Web Design II  3 Credits
Students will create and test functional interactive works that include multimedia, for delivery via the Web.
Prerequisites: KCDM 317
KCDM 321  Concept Art  3 Credits
Students will apply visual development processes to character, prop, and background art for the entertainment industry.
Prerequisites: KCDM 241

KCDM 323  2D Character Design  3 Credits
Students will learn both the technical and stylistic methods of character design for a variety of media and entertainment applications.
Prerequisites: KCDM 241

KCDM 331  Applied Music and Sound  3 Credits
Students will design music and sound for integration into multimedia design and entertainment arts.
Prerequisites: Junior Standing

KCDM 332  Concept and Production Design  3 Credits
Students will apply digital character and environment design to develop concepts for films, games, animations or physical products.
Prerequisites: KCDM 241

KCDM 333  3D Character Design  3 Credits
Students will learn digital 3D character design, sculpting, and organic modeling for entertainment art.
Prerequisites: KCDM 232

KCDM 334  Storyboard Art  3 Credits
In this course students apply storyboard and film language to create storyboards for a variety of industries, using visual development techniques.
Prerequisites: Sophomore Standing

KCDM 337  2D Character Animation  3 Credits
Students will learn traditional animation movement fundamentals and apply them utilizing digital processes to create 2D, character-based animation involving full motion with synchronized voice.
Prerequisites: KCDM 243

KCDM 345  Video  3 Credits
Students will learn the design and technical process of shooting video and digital editing and apply these techniques to their major area of study.
Prerequisites: KCDS 142 or KCDR 131

KCDM 355  3D Game Art I  3 Credits
Students will create 3D objects and environments for a variety of entertainment art.
Prerequisites: KCDM 232

KCDM 356  3D Game Art II  3 Credits
Students will apply advanced techniques to create 3D game art assets for digital and/or physical games.
Prerequisites: KCDM 355

KCDM 365  Motion Design  3 Credits
Students will create animated graphic design related to their major area of study.
Prerequisites: KCDM 294 or KCGD 220

KCDM 380  3D Motion Design  3 Credits
Students will integrate digital 2D and 3D techniques to create motion graphics related to their major area of study. Students will create 3D assets, animation and compositing for digital multimedia.
Prerequisites: KCDM 365

KCDM 399  Independent Study to Digital Media  1 to 3 credits
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available through the Student Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCDM 400  Special Problems in Digital Media  3 Credits
An opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available through the Student Services Office.
Prerequisites: 3.0 GPA, junior/senior standing
KCDM 402 Internship in Digital Media 1 to 9 Credits
KCAD offers students the opportunity to receive elective credit for supervised, professional work experience related to the student’s major and approved by the program chair. Internships are graded on a pass/fail basis only; a maximum of nine credit hours of internship credit may count toward the degree. Interested students should contact the Career Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCDM 403 Seminar in Digital Media 3 Credits
Seminar dealing with special interests in Digital Media.
Prerequisites: Upper-level students

KCDM 405 Interaction Design 3 Credits
This cross-disciplinary course will invite students from a variety of the college’s programs to collaborate on a user-experience design problem in the realm where digital and physical meet.
Prerequisites: None

KCDM 420 Professional Studio I 3 Credits
Students will conceptualize and produce, in a team environment, an innovative multimedia project.
Prerequisites: Junior Standing

KCDM 421 Professional Studio II 3 Credits
A continuation of Professional Studio I; students will conceptualize and produce, in a team environment, an innovative multimedia project.
Prerequisites: Junior Standing

KCDM 466 Digital Art and Design Thesis I 3 Credits
Students will create a self-designed imaging, animation, video or interactive project that demonstrates their aesthetic voice as well as their technical skills.
Prerequisites: Senior Standing

KCDM 467 Digital Art and Design Thesis II 3 Credits
Students will create a self-designed project that demonstrates their aesthetic voice as well as their technical skills.
Prerequisites: Senior Standing

KCDM 468 Professional Practices 3 Credits
Students will create a self-promotional digital campaign that targets job seeking and freelancing opportunities.
Prerequisites: KCDM 466

DRAWING

KCDR 131 Drawing I 3 Credits
The process of drawing as observation and conceptualization through eye-hand coordination. Emphasizes linear construction with concern for accurate proportion and simple positive-negative/figure-ground relationships. Includes an in-depth study of linear perspective. (Students who have earned credit for VISC 112, Drawing I, may not use credit earned in KCDR 131 to meet graduation requirements.)
Prerequisites: None

KCDR 132 Drawing II 3 Credits
Emphasis on development of convincing illusion of three-dimensional objects, through the combined use of line, value, proportion, and composition. This course focuses on the further refinement of the concepts, processes, and techniques introduced in Drawing I. Expanded exploration of perspective, composition, color investigation, media exploration, and idea development within traditional subject matter will be emphasized.
Prerequisites: KCDR 131

KCDR 203 Special Topics in Drawing 1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCDR 221 Figure Drawing I 3 Credits
This course focuses on gesture drawing, rapid visualization skills, movement and expressive content, composition, structure, skeletal anatomy, and engaging in critiques.
Prerequisites: KCPA 110, KCDR 131 or KCDS 142
Co-requisites: KCDR 132 or KCDS 143 or KCDM 241

</tbody>
</table>
KCDR 421  Figure Drawing V  3 Credits
Emphasizes individually motivated studio activity with the human figure as primary subject matter. Students initiate, develop, and refine work with the human figure as a vehicle of personal expression. A cohesive body of work will be produced.
Prerequisites: KCDR 324 or KCIL 324 completed with minimum grade of 3.0

KCDR 430  Drawing Thesis I  3 Credits
Focuses on the creation of a unified body of work in drawing in preparation for the BFA Thesis Exhibition. Emphasizes cohesiveness of technical, formal, and conceptual concerns. Includes both individual and group critiques.
Prerequisites: KCDR 420, Senior standing or program consent

KCDR 460  Drawing Thesis II  3 Credits
Emphasizes continued responsibility for the creation of a unified body of work in drawing in preparation for the BFA Thesis Exhibition. Emphasizes technical, formal, and conceptual continuity. Includes both individual and group critiques. The student is required to install a thesis exhibition and present an artist’s statement to complete the BFA in Drawing.
Prerequisites: KCFA 310, KCDR 430

FASHION STUDIES

KCFS 120  Introduction to Fashion Studies  3 Credits
This is an introduction to the language, materials, trends and processes of the fashion industry from an integrated perspective. This course includes research techniques, concept development, flats/illustration component, studio production and presentation.
Prerequisites: KCDR 131 or KCDS 142

KCFS 210  Fashion Design/Construction I  3 Credits
This course provides a solid foundation in fashion concept, design, and garment construction. The course includes development of basic pattern blocks, introduction to draping and patternmaking techniques, and finishing methods.
Prerequisite: KCFS 120

KCFS 211  Fashion Illustration I  3 Credits
Students will study the illustration of contemporary fashions, designs and accessories as well as research the work of fashion illustrators. Course work will include practical techniques, flat development and fashion illustration along with experimentation with various media.
Prerequisite: KCFS 120

KCFS 220  Fashion Design/Construction II  3 Credits
Continues development of fashion concept, design and garment construction. It reinforces core competency in pattern-making, draping and construction techniques.
Prerequisite: KCFS 210

KCFS 310  Fashion Design/Construction III  3 Credits
Integrates design and construction skills to thematic fashion design problems. Emphasis will be placed on students developing and articulating their personal design aesthetic and voice.
Prerequisite: KCFS 220
### KCFS 312  Fashion Illustration II  3 Credits
Students will advance their illustration skills and use software to recreate the illustration process using digital components.
Prerequisite: KCFS 211

### KCFS 320  Fashion Design/Construction IV  3 Credits
An advanced course in fashion design, construction and presentation culminating in the creation and presentation of a fashion collection and portfolio.
Prerequisite: KCFS 310

### KCFS 321  Textiles & Materials for Fashion Studies  3 Credits
This course is designed to take an intensive look at all textile and material applications for apparel and accessories. It will focus on the visual, tactile manufacturing and performance aspects of each textile for consideration in product end use.
Prerequisite: KCFS 120

### KCFS 322  Garments for Action & Function  3 Credits
This course integrates design and construction skills placing a special focus on functional design problems. Emphasis will be placed on the application of fabric and construction for garments used in action or with specific performance needs.
Prerequisite: KCFS 310

### KCFS 323  Sustainable Fashion  3 Credits
This course integrates design and construction skills placing a special focus on sustainability in garment production. Emphasis will be placed on the application of fabric and construction for garments utilizing reduce, reuse, and recycle principles in creating a sustainable apparel line.
Prerequisite: KCFS 320

### KCFS 324  Innovative Techniques in Apparel Design  3 Credits
This course integrates design and construction skills placing a special focus on innovative techniques in apparel design. Emphasis will be placed on specialized fabric applications and construction for garments utilizing technology.
Prerequisite: KCFS 320

### KCFS 330  Fashion Illustration III  3 Credits
Students will continue development of their fashion illustration skills. Course work will include development of a unique set of figures and continue exploration with various media to create comprehensive and cohesive collections.
Prerequisite: KCFS 211, 312

### KCFS 320  Fashion Design/Construction IV  3 Credits
An advanced course in fashion design, construction and presentation culminating in the creation and presentation of a fashion collection and portfolio.
Prerequisite: KCFS 310

### KCFS 321  Textiles & Materials for Fashion Studies  3 Credits
This course is designed to take an intensive look at all textile and material applications for apparel and accessories. It will focus on the visual, tactile manufacturing and performance aspects of each textile for consideration in product end use.
Prerequisite: KCFS 120

### KCFS 420  Fashion Collection/Capstone  3 Credits
This course integrates design and construction skills to thematic fashion design problems. Emphasis will be placed on student developing and articulating their personal design aesthetic and voice.
Prerequisite: KCFS 320

### KCFS 421  Retail Buying  3 Credits
This course is an introduction to retail buying and its opportunities for the purposes of career planning and preparation. It includes an understanding of the retail industry structure, decision making for retail and the development and implementation of promotional strategies and sales forecasting.
Prerequisite: KCFS 220

### KCFS 422  Fashion Show Production  3 Credits
Students will use skills learned in this class to produce a professional fashion show.
Prerequisite: KCFS 220

### KCFS 426  Professional Practice in Fashion Studies  3 Credits
This is a capstone course that explores the responsibilities, ethics, and evaluation of a professional in fashion studies. It includes resource identification, information retrieval, development of professional representation and communication with established industry professionals to create a resource network.
Prerequisite: KCFS 320
COURSE DESCRIPTIONS

FINE ARTS

KCFA 310  Professional Practices  
This course is designed to guide students through the career-oriented aspects of working as a fine artist. Course work will include information on applying for grants and exhibitions, documenting artwork, compiling a resume and applying for graduate school.
Prerequisites: Junior standing

KCFA 405  Seminar in Fine Arts  
Seminar dealing with special interests in Fine Arts.
Prerequisites: Junior/senior standing

KCFA 406  Introduction to Post Structuralism  
Focuses on an in-depth examination of those strategic points at which social practice, theory, and the practice of art intersect. Students will read from key Postmodernist/Poststructuralist theoretical texts.
Prerequisites: Junior/Senior Standing

KCFA 410  Student Gallery: Internship  
Focuses on the practical and curatorial management issues associated with gallery and museum work. Utilizing the student managed exhibition space, students will be responsible for exhibition planning, program assessment, promotional materials, and maintenance.
Prerequisites: Junior/senior standing

FURNITURE DESIGN

KCFD 120  Introduction to Furniture Design  
Introduces students to the visual skills and communication methods used in the furniture design profession.
Prerequisites: None

KCFD 203  Special Topics in Furniture Design  
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCFD 234  Ornaments  
Analysis and study of historical furniture ornamentation, including: veneers and bench work, profile turnings, profile moldings, carving and embossing, and decorative hardware. Materials and manufacture of these elements are studied, researched, and detailed. The utilization of these elements and the recognition of typical style applications and their appropriate representations are emphasized.
Prerequisites: KCFD 120, KCDS 142

KCFD 241  Detailing I  
Introduction to the fundamental tools, techniques and language of drafting and furniture detailing. Emphasis will be placed on accuracy and application of drafting techniques expressed in full-size detail layout, notation, lettering and dimensioning as tools of communication.
Prerequisites: KCFD 120

KCFD 242  Chair Detailing  
An in-depth study of the principles of detailing hard-seating goods. Includes the examination of differing forms, structures, materials, and manufacturing capabilities.
Prerequisites: KCFD 342
COURSE DESCRIPTIONS

KCFD 260  Furniture Rendering  3 Credits
This course will introduce students to rendering methods currently practiced within the furniture design profession including, quick sketching, hand and digital rendering techniques.
Prerequisites: KCFD 120, KCDS 142

KCFD 303  Special Topics in Furniture Design  1 to 3 Credits
A topical course that allows the program to respond to students' interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCFD 311  Furniture Design I  3 Credits
The study of furniture design through researching proportion, scale, and typical style elements. Students will prepare furniture designs for residential products including tables, casegoods, and seating. Development of product presentation abilities.
Prerequisites: KCAH 212, KCFD 234, KCFD 260

KCFD 312  Furniture Design II  3 Credits
The study of furniture product design with an emphasis on the development of product groups and collections. Includes extensive research into styling, element utilization, and product adaptation as well as product presentation.
Prerequisites: KCFD 311, KCAH 211

KCFD 315  Soft-Seating Design  3 Credits
An in-depth exposure to the design and detailing of upholstered seating goods.
Prerequisites: KCFD 241, KCFD 311, KCFD 342

KCFD 342  Detailing II  3 Credits
This course introduces students to practical problem-solving methods for furniture design and construction using the furniture detail. The details are drawn from assigned archetypes and using computer aided software.
Prerequisites: KCFD 241

KCFD 365  Design Development I  3 Credits
This course introduces students to the designing and detailing of furniture product with an emphasis on current styling and functional trends, and using computer aided design software to execute the details of the product as applied to current manufacturing capabilities.
Prerequisites: KCFD 312, KCFD 342

KCFD 399  Independent Study in Furniture Design  1 to 3 Credits
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available through the Student Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCFD 400  Special Problems in Furniture Design  3 Credits
An opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available through the Student Services Office.
Prerequisites: 3.0 G.P.A., junior/senior standing

KCFD 402  Internship in Furniture Design  1 to 9 Credits
KCAD offers students the opportunity to receive elective credit for supervised, professional work experience related to the student’s major and approved by the program chair. Internships are graded on a pass/fail basis only; a maximum of nine credit hours of internship credit may count toward the degree. Interested students should contact the Career Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCFD 403  Seminar in Furniture Design  1 to 3 Credits
Seminar dealing with special interests in furniture design.
Prerequisites: Upper-level students
COURSE DESCRIPTIONS

KCFD 406  Industry Trends and Practices  3 Credits
Investigation and study of current trends in business practices and business models to evaluate their impact on the profession of Furniture Design.
Prerequisites: KCHU 320, KCFD 311

KCFD 413  Original Design  3 Credits
Design of original furniture products through the effective use of functional considerations, and production methods. Students will demonstrate product development through both 2-D and 3-D and/or CAD techniques. Product presentation, both verbal and visual, will approach professional standards.
Course may be repeated.
Prerequisites: KCFD 312, KCFD 365

KCFD 444  Design Development II  3 Credits
This course introduces students to advanced detailing at the professional level utilizing traditional tools and CAD. Students will present critical analysis of their details as related to commercial requirements, line comprehension, knowledge of materials and hardware, continuity of view, and applicability to specific manufacturing methods.
Prerequisites: KCFD 365

KCFD 460  Furniture Design Capstone  3 Credits
Capstone project, determined in conference with the faculty advisor is to utilize all of the skills learned in the Furniture Design major. The student is expected to define a design problem and resolve it through the use of sketches, detail drawings, and models or prototypes (optional).
Prerequisites: KCFD 365, KCFD 413

GENERAL EDUCATION

HUMANITIES

KCHU 120  Writing  3 Credits
This course focuses on using writing to develop ideas, hone critical thinking skills, and express ideas clearly and appropriately according to audience and purpose. Students write in a variety of modes and spend a portion of the semester engaging in scholarly research. Students also develop their public speaking skills.
Prerequisites: None

KCHU 121  Oral Rhetoric  3 Credits
Presents concepts and develops oral and rhetorical skills appropriate for formal presentations, with emphasis on prepared, extemporaneous, and impromptu speaking. (Students who have earned credit for COMM 121, Fundamentals of Public Speaking, may not use credit earned in KCHU 121 to meet graduation requirements.)
Prerequisites: None

KCHU 203  Special Topics in Humanities  1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCHU 227  Introduction to World Religions  3 Credits
Focuses on the world’s major religious traditions through a critical examination of their origins, spiritual teachers, religious beliefs, rituals, and practices. (Students who have earned credit for RELG 326 Western Religions may not use credit earned in KCHU 227 to meet graduation requirements.)
Prerequisites: KCHU 120
KCHU 228  Introduction to Philosophy  3 Credits
This course is an inquiry into the nature and power of philosophy to transform the way we experience the world around us and understand our place within it. Through a selection of readings representing various philosophical traditions and perspectives, critical discussion, and writing, students will examine some of the great questions that have intrigued philosophers from antiquity to present.
Prerequisites: KCHU 120

KCHU 255  Introduction to Narrative Studies  3 Credits
This course provides a core understanding of effective storytelling. It examines the ways in which storytellers—both past and present—craft, organize, and convey ideas to successfully impact audiences, doing so through both inquiry into established narratives, as well as students' own experiments with narrative forms.
Prerequisites: KCHU 120

KCHU 303  Special Topics in Humanities  1 to 3 Credits
A topical course that allows the program to respond to students' interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCHU 310  World Literature  3 Credits
Closely examines selected literature from various world cultures, with an emphasis on non-Western authors and works.
Prerequisites: KCHU 120

KCHU 322  Creative Writing  3 Credits
Emphasizes the basic elements of craft in short fiction while introducing students to the writing workshop. (Students who have earned credit in ENGL 322, Creative Writing, may not use credit earned in KCHU 322 to meet graduation requirements.)
Prerequisites: KCHU 120

KCHU 323  Aesthetics  3 Credits
An exploration of the philosophical nature of beauty, art, and taste.
Prerequisites: KCHU 120, KCAH 112, or program consent
Introduction to Philosophy highly recommended

KCHU 324  Mythology  3 Credits
Examines world myths from ancient civilization to the present, including their individual and comparative values, their impact on knowledge and culture, and a reassessment of them in our contemporary world.
Prerequisites: KCHU 120

KCHU 325  Bible as Literature  3 Credits
Focuses on a thematic study of the Bible, its literary genres and styles, and its influence on the culture of Western civilization, and its inspiration for other works of art.
Prerequisites: KCHU 120

KCHU 328  Film as Literature  3 Credits
Teaches the student how to view a film as a work of art. Introduces the student to cinematic techniques and important American and international directors.
Prerequisites: KCHU 120

KCHU 330  Genre Studies  3 to 9 Credits
Considers the development of a particular genre (to be specified from short fiction, non-fiction prose, drama, and poetry) and its specific terminology.
Prerequisites: KCHU 120

KCHU 340  Visual Rhetoric  3 Credits
Focuses on the analysis of numerous forms of visual discourse, including their rhetorical effectiveness, impact on audiences, and social/cultural influences.
Prerequisites: KCHU 120, KCHU 121

KCHU 399  Independent Study in Humanities  1 to 3 Credits
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available through the Student Services Office.
Prerequisites: 3.0 GPA, junior/senior standing
KCHU 400  Special Problems in Humanities  3 Credits
An opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available through the Student Services Office.
Prerequisites: 3.0 G.P.A., junior/senior standing

KCHU 403  Seminar in Humanities  3 Credits
Seminar dealing with topics of special interest in the humanities and especially intended for upper-division students.
Prerequisites: KCAH 112, KCHU 120

KCHU 410  Major Authors  3 Credits
Examines a single author’s works, biography, criticism, and cultural legacy.
Prerequisites: KCHU 120

KCHU 411  Literary Periods  3 Credits
Considers the historical context, the literary characteristics, popular themes, and any specific terminology from one literary period.
Prerequisites: KCHU 120

KCHU 422  Fiction Workshop  3 Credits
Upper-level fiction writing course that builds on the concepts and techniques of the introductory-level creative writing course, with a greater emphasis on stylistics and the close readings of colleagues’ works.
Prerequisites: KCHU 120, KCHU 322

KCHU 460  Capstone in Narrative Studies  3 Credits
This course synthesizes learning from students’ general education coursework-particularly from the Narrative Pathway courses-and, as appropriate, from their disciplinary studies. Students apply this learning to a written project of significant scope. In addition, self-reflection, self- and peer-assessment, critical analysis, and sharing of ideas are key components of the capstone experience.
Prerequisites: 3 Pathways courses in Narrative Studies

KCHU 461  Capstone in Philosophical Studies  3 Credits
This course synthesizes learning from students’ general education coursework-particularly from the Philosophy Pathway courses-and, as appropriate, from their disciplinary studies. Students apply this learning to a written project of significant scope. In addition, self-reflection, self- and peer-assessment, critical analysis, and sharing of ideas are key components of the capstone experience.
Prerequisites: 3 Pathways courses in Philosophical Studies

SCIENCE AND MATH

KCSC 203  Special Topics in Science  1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCSC 230  Natural Science  3 Credits
An overview of the earth sciences including topics from geology, oceanography, meteorology, paleontology, biology, chemistry, and astronomy. Examines the development of scientific thinking, the scientific method, the relationships among the various earth sciences, and their role in interpreting the natural world.
Prerequisites: None

KCSC 231  Math in Art and Design  3 Credits
A study of the relationships between mathematics and the arts. Includes algebra, geometry, trigonometry, statistics, rhythmic progressions, proportion, and composition.
Prerequisites: None

KCSC 234  Conceptual Physics  3 Credits
An introductory survey of the major concepts and methodologies of physics.
Prerequisites: None
KCSC 240  Perspectives on Science  3 Credits
This course examines the nature of science and some of the major scientific ideas and issues affecting our culture. Students gain the knowledge and skills to analyze those issues in government, business, and economics that are argued using scientific ideas or analysis. In addition, students hone their writing, research, and public speaking skills.
Prerequisites:  KCHU 120

KCSC 261  The Aesthetics of Geometry  3 Credits
Includes topics from plane and solid Euclidean geometry, mathematical properties of geometric shapes, theoretical geometry, basic trigonometry, arithmetic, and basic algebra (as needed to manipulate formulae related to geometry).
Prerequisites:  None

KCSC 270  Basic Materials  3 Credits
Through a review of material families, material processing, including material sustainability and innovation strategies, this course will place an emphasis on investigation, research and critical scientific thinking relative to the design brief and problem-solving strategies relative to materials. It will introduce testing methodologies and an introduction to the design brief and problem-solving strategies relative to material choices.
Prerequisites:  None

KCSC 303  Special Topics in Science  1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCSC 399  Independent Study in Science  1 to 3 Credits
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available through the Student Services Office.
Prerequisites:  3.0 GPA, junior/senior standing

KCSC 400  Special Problems in Science  3 Credits
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available through the Student Services Office.
Prerequisites:  3.0 GPA, junior/senior standing

KCSC 403  Seminar in Science  1 to 3 Credits
Topics of special interest in the sciences, especially intended for upper-division students.
Prerequisites:  None

SOCIAL SCIENCE

KCSS 203  Special Topics in Social Science  1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCSS 220  Introduction to Historic Preservation  3 Credits
An introduction to the field and practice of Historic Preservation, emphasizing professional approaches to surveying, documenting, and protecting historic properties and cultural artifacts. [Students who have earned credit for KCHP 220 or KCSS 445, may not use credit earned in KCSS 220 to meet graduation requirements.]
Prerequisites:  KCAH 112, KCHU 120, or instructor approval

KCSS 229  Introduction to Cultural Studies  3 Credits
This course examines what it means to be a member of a particular society and how individuals both form and are formed by society. It will provide students with a better understanding of the social and cultural worlds they inhabit.
Prerequisites:  KCHU 120
COURSE DESCRIPTIONS

KCSS 241  Introduction to Psychology  3 Credits
Examines the field of psychology, including its basic principles, theories, issues, and practices. [Students who have earned FSU credit in PSYC 150, Introduction to Psychology, may not use credit earned in KCSS 241 to meet graduation requirements.]
Prerequisites: KCHU 120

KCSS 242  Introduction to Sociology  3 Credits
Considers topics such as culture, society, social class, institutions, and social change. [Students who have earned FSU credit in SOCY 121, Introduction to Sociology, may not use credit earned in KCSS 242 to meet graduation requirements.]
Prerequisites: KCHU 120

KCSS 243  Anthropology  3 Credits
A survey of physical anthropology, archaeology, linguistics, and cultural anthropology. [Students who have earned FSU credit in ANTH 121, Introduction to Physical Anthropology, may not use credit earned in KCSS 243 to meet graduation requirements.]
Prerequisites: KCHU 120

KCSS 245  Comparative Government  3 Credits
Focuses on principles, theories, issues, and practices of various models of government. [Students who have earned FSU credit in PLSC 331, Comparative World Governments, may not use credit earned in KCSS 245 to meet graduation requirements.]
Prerequisites: KCHU 120

KCSS 246  Ethnic and Interracial Dynamics  3 Credits
Examines race relations in the United States and the history of racism, analyzing how they affect social institutions and individuals. Explores literature that discusses racism and the roots of prejudice. [Students who have earned FSU credit in HIST 301, Racism in the Modern World, may not use credit earned in KCSS 246 to meet graduation requirements.]
Prerequisites: KCHU 120

KCSS 247  Political Science  3 Credits
Examines political history, theory, current issues, and political structures.
Prerequisites: KCHU 120

KCSS 303  Special Topics in Social Science  1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCSS 341  America in the 20th Century  3 Credits
Examines twentieth-century American society and culture, including such topics as race relations, religion, women’s changing roles, social welfare, and war.
Prerequisites: KCHU 120

KCSS 342  Human Sexuality  3 Credits
Examines the broad field of human sexuality, integrating five major dimensions of the subject: biological, psychosocial, cultural, behavioral and clinical. [Students who have earned FSU credit for SSCI 114, Human Sexuality, may not use credit earned in KCSS 342 to meet graduation requirements.]
Prerequisites: KCHU 120

KCSS 343  America in the 20th Century  3 Credits
Examines twentieth-century American society and culture, including such topics as race relations, religion, women’s changing roles, social welfare, and war.
Prerequisites: KCHU 120

KCSS 399  Independent Study in Social Science  1 to 3 Credits
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available through the Student Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCSS 400  Special Problems in Social Science  3 Credits
An opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor with the signed approval of the professor. The forms for requesting approval are available through the Student Services Office.

KCSS 403  Seminar in Social Science  3 Credits
Topics of special interest in the social sciences; intended for upper-level students.
Prerequisites: KCHU 120
COURSE DESCRIPTIONS

KCSS 460  Capstone in Cultural Studies  3 Credits
This course synthesizes learning from students’ general education coursework—particularly from the Cultural and Social Studies Pathway courses—and, as appropriate, from their disciplinary studies. Students apply this learning to a written project of significant scope. In addition, self-reflection, self- and peer-assessment, critical analysis, and sharing of ideas are key components of the capstone experience.
Prerequisites: 3 Pathways courses in Cultural Studies

GRAPHIC DESIGN

KCGD 112  Graphics Studio I  3 Credits
An introduction to the computer as a design tool using the industry standards in page layout and digital illustration software. File transport (PDF) and font management software will also be introduced.
Prerequisites: None

KCGD 113  Design and Color  3 Credits
An introduction to the visual and verbal vocabularies of design and color theory as they relate to graphic design.
Prerequisites: None

KCGD 120  Introduction to Graphic Design Communications  3 Credits
Focuses on the principles, elements, and working procedures of the design and visual presentation of communication pieces.
Prerequisites: None

KCGD 122  Graphics Studio II  3 Credits
Introduces the basics of photography using the digital camera and how to use photo manipulation software as a “digital darkroom” for color correction and digital manipulation.
Prerequisites: KCGD 112

KCGD 203  Special Topics in Graphic Design  1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCGD 214  Typography I  3 Credits
An introduction to the fundamental aspects of typography. History, structure, form and appropriate application of type will be emphasized.
Prerequisites: KCGD 112

KCGD 220  Typography II  3 Credits
Addresses complex communication problems that incorporate the use of type and typographic systems as visual and expressive devices.
Prerequisites: KCGD 214

KCGD 222  Graphics Studio III: Posters/Covers  3 Credits
An advanced computer course focusing on the combined use of digital illustration and photo manipulation software in the creation of aesthetic and artistic graphic imagery for posters and covers.
Prerequisites: KCGD 122, KCDS 143

KCGD 250  New Media Design  3 Credits
This introductory course will present the use of image, text, animation, audio, and video in digital media objects such as CD-ROMs and websites. Underlying the introduction to media and media types, the class will focus on the use of the computer as a media development system.
Prerequisites: KCGD 120, KCGD 310

KCGD 303  Special Topics in Graphic Design  1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCGD 310  Concept Development  3 Credits
Focuses on making connections between idea and visualization using type, imagery, and color to solve communication problems. The initial stages of the design process—problem identification, brainstorming, research, creative briefs, and various forms of conceptualizing and thumbnailing—will be emphasized throughout the course.
Prerequisites: KCGD 214, KCGD 122, KCDS 142
COURSE DESCRIPTIONS

KCGD 311  Branding I: Identity and Promotion  3 Credits
A study of the ways in which layout, type, image, color, and messaging are used to design an identity for, brand, and promote a product, service, cause or idea.
Prerequisites: KCGD 220, KCGD 310

KCGD 312  Advertising Design  3 Credits
The application of design principles and strategies to media through the use of advertising, branding, and marketing tactics. Problem solving, critical thinking, and innovative execution will be used to create relevant and appropriate solutions for a defined audience to meet specific client needs.
Prerequisites: KCGD 222, KCGD 310, 311

KCGD 313  Package Design  3 Credits
The study of graphic design principles and elements as they are applied to three-dimensional package design problems.
Prerequisites: KCGD 220

KCGD 315  Publication Design  3 Credits
The conceptual development and design processes used in creating various types of multi-page, copy-intensive publications.
Prerequisites: KCGD 220, KCGD 222, KCGD 310

KCGD 324  Typography III  3 Credits
An advanced course in typography emphasizing complex information design issues and the socio-cultural role of typography.
Prerequisites: KCGD 220

KCGD 399  Independent Study in Graphic Design  1 to 3 Credits
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available through the Student Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCGD 400  Special Problems in Graphic Design  3 Credits
An opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available through the Student Services Office.
Prerequisites: 3.0 G.P.A., junior/senior standing

KCGD 402  Internship in Graphic Design  1 to 9 Credits
KCAD offers students the opportunity to receive elective credit for supervised, professional work experience related to the student’s major and approved by the program chair. Internships are graded on a pass/fail basis only; a maximum of nine credit hours of internship credit may count toward the degree. Interested students should contact the Career Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCGD 403  Seminar in Graphic Design  1 to 3 Credits
Seminar dealing with special interests in graphic design.
Prerequisites: Upper-level students

KCGD 411  Branding II: Integrated Campaigns  3 Credits
An advanced study of the branding process as part of a global, integrated marketing system, including the use of in-depth research; competitive, consumer, and media analysis; multi-disciplinary collaboration; and strategic communication in the planning, design, and presentation of an integrated branding campaign.
Prerequisites: KCGD 311, KCGD 312, KCGD 313

KCGD 412  Advanced Advertising  3 Credits
An advanced course in advertising design and branding in which students are expected to reach a mature level of thinking, problem solving, strategy, and execution, creating innovative solutions that solve specific client needs using a variety of media formats. Collaboration and copywriting technique will also be emphasized.
Prerequisites: KCGD 312

COURSE DESCRIPTIONS

KCIL 303 | Special Topics in Illustration | 1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCIL 305 | Illustration Professional Practices | 3 Credits
Students will study current illustration markets, learn essential business practices and create the printed collateral necessary for doing business as an illustrator.
Prerequisites: KCIL 120, KCDM 241

KCIL 308 | Alla Prima Painting | 3 Credits
An advanced illustration oil painting course which emphasizes the alla prima method of paint application as it applies to illustration.
Prerequisites: KCIL 291

KCIL 310 | Fantasy and Science Fiction Painting | 3 Credits
The students will be given demonstrations in painting techniques. There will be in-class assignments, homework assignments including reading and writing storylines. The students will produce a one semester long project that extends from concept through completion of a contemporary illustration. This includes conception, reference building, thumbnails, roughs, and the completed piece. The student will learn the process of making and completing a contemporary fantasy illustration painted in oils.
Prerequisites: KCIL 291, KCIL 242

KCIL 323 | Illustration Life Drawing III | 3 Credits
Advanced study of the human figure, especially in relation to the needs of the illustrator, with emphasis on construction, composition, movement, and interpretation of the clothed and costumed figure in various media.
Prerequisites: KCDR 222

KCIL 324 | Illustration Life Drawing IV | 3 Credits
Personal expression as a means of figurative illustration. Color, form, and light will be explored through various media and methods.
Prerequisites: KCIL 323

KCIL 326 | Contemporary Fashion Illustration | 3 Credits
Students will study the illustration of contemporary fashions, designs and accessories as well as research the work of current fashion illustrators. Course work will include practical techniques of fashion illustration along with experimentation with various media.
Prerequisites: KCDS 143, junior standing

KCIL 330 | Children’s Book Design and Illustration | 3 Credits
Professional practices and techniques of children’s book and magazine illustrators, from concepting to the execution of comprehensives, and final artwork. Strategies on portfolio set-up, locating the market, interviews with publishers, copyright laws, and the legal rights of the artist and author will be discussed.
Prerequisites: KCDS 143, junior standing

KCIL 335 | Illustration III | 3 Credits
Concept development and creative problem solving using relevant illustration media and techniques.
Prerequisites: KCIL 234, KCIL 323

KCIL 399 | Independent Study in Illustration | 1 to 3 Credits
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available through the Student Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCIL 400 | Special Problems in Illustration | 3 Credits
An opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available through the Student Services Office.
Prerequisites: 3.0 G.P.A., junior/senior standing
KCIL 402  Internship in Illustration  1 to 9 Credits
KCAD offers students the opportunity to receive elective credit for supervised, professional work experience related to the student’s major and approved by the program chair. Internships are graded on a pass/fail basis only; a maximum of nine credit hours of internship credit may count toward the degree. Interested students should contact the Career Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCIL 403  Seminar in Illustration  3 Credits
Seminar dealing with special interests in illustration.
Prerequisites: Upper-level students

KCIL 442  Graphic Design for the Illustrator  3 Credits
Students will learn graphic design and production processes for print media, using a combination of traditional and digital techniques.
Prerequisites: KCIL 305

KCIL 443  Digital Illustration Painting II  3 Credits
An intermediate to advanced digital illustration painting experience using Adobe Photoshop. Applying cutting-edge Photoshop concepts and principles to the development of digitally based illustrations. The work created in this course should be portfolio quality.
Prerequisites: KCIL 243

KCIL 460  Illustration Portfolio  3 Credits
Preparation of a professional quality illustration portfolio based on individual style and market research.
Prerequisites: KCIL 335

INDUSTRIAL DESIGN

KCIN 130  Industrial Design Graphics  3 Credits
This course addresses the application and role of graphic principles, tools and techniques in the industrial design process.
Prerequisites: KCDC 120, KCDS 110

KCIN 203  Special Topics in Industrial Design  1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCIN 213  Industrial Design I  3 Credits
An introduction to the application of the design process and problem-solving methodology through the design of simple products.
Prerequisites: KCDC 120

KCIN 214  Industrial Design II  3 Credits
An intermediate study of the design process and problem-solving methodology through the design of products.
Prerequisites: KCIN 213, KCIN 231, KCIN 360

KCIN 231  Visual Presentation I  3 Credits
An introduction to product sketching and presentation techniques used in the industrial design profession.
Prerequisites: None

KCIN 303  Special Topics in Industrial Design  1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCIN 315  Industrial Design III  3 Credits
An advanced study of the application of the design process and problem-solving methodology through the design of products.
Prerequisites: KCIN 214, KCIN 332
KCIN 316  Industrial Design IV  3 Credits
A comprehensive study of the application of the design process and problem-solving methodology through the design of complex products and systems.
Prerequisites: KCIN 332, KCIN 315

KCIN 332  Visual Presentation II  3 Credits
An intermediate study of product sketching, rendering and presentation techniques used for visually communicating ideas and product forms within the design process. The course will emphasize professional presentation formats and mediums.
Prerequisites: KCIN 231

KCIN 333  Visual Presentation III  3 Credits
An advanced study of product sketching, rendering and presentation techniques used for visually communicating ideas and product forms within the design process. The course will emphasize the development of the highest quality renderings using computer-based, manual rendering software with a tablet.
Prerequisites: KCIN 332

KCIN 340  Materials and Processes  3 Credits
An introduction to the materials and manufacturing processes typically explored in the design process. The course emphasizes the practice of choosing a material and process specification strategy based on product application criteria.
Prerequisites: KCDC 120

KCIN 350  Model Making I  3 Credits
An introduction to materials, tools, and techniques used to fabricate physical representations of product concepts in the industrial design profession.
Prerequisites: KCSF 111

KCIN 351  Model Making II  3 Credits
An advanced instruction on the application of materials, tools, and techniques used to fabricate physical representations of product concepts in the industrial design profession. The course will emphasize the use of prototyping to solve problems and evaluate design concepts in the design process.
Prerequisites: KCIN 350, KCIN 360

KCIN 355  Research Methods  3 Credits
This course will expose students to the various forms of research, analysis, sampling, focus groups, analytics with an emphasis on ethnographic research and the implications on the design process. This course will expose students to several methods of gathering and analyzing research information for the purposes of application in the design process. Research methodologies will include secondary internet research, primary observational research and user testing. A research plan will be developed and implemented for the purposes of creating and validating a strategy for a new product, service, brand or space.
Prerequisites: KCDC 120, KCDS 110

KCIN 360  Digital Modeling I  3 Credits
The creation, manipulation, and employment of three-dimensional, digital models in the industrial design process.
Prerequisites: None

KCIN 362  Digital Modeling II  3 Credits
Students will use advanced 3D tools to develop the details of a product design.
Prerequisites: KCIN 360

KCIN 365  Footwear Design I  3 Credits
Students will apply the design process and tools specific to the footwear industry to develop product concepts.
Prerequisites: KCIN 214, KCIN 332
KCIN 399  Independent Study in Industrial Design  1 to 3 Credits
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available through the Student Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCIN 400  Special Problems in Industrial Design  3 Credits
An opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available through the Student Services Office.
Prerequisites: 3.0 G.P.A., junior/senior standing

KCIN 402  Internship in Industrial Design  1 to 9 Credits
KCAD offers students the opportunity to receive elective credit for supervised, professional work experience related to the student’s major and approved by the program chair. Internships are graded on a pass/fail basis only; a maximum of nine credit hours of internship credit may count toward the degree. Interested students should contact the Career Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCIN 403  Seminar in Industrial Design  3 Credits
Seminar dealing with special interests in industrial design.
Prerequisites: Upper-level students

KCIN 440  Global Design  3 Credits
Students will apply the design process to develop a product concept for a global or specific geographical market outside of the United States.
Prerequisites: KCDC 311

KCIN 450  Entrepreneurial Design  3 Credits
Students will apply a user-centered design process in the identification, strategic planning, and validation of a new business model.
Prerequisites: KCIN 315, KCIN 365, KCDC 311

KCIN 460  Industrial Design Thesis I  3 Credits
An advanced application of the design process in a comprehensive product development project. Students will select and complete an instructor-approved project of choice over the course of two semesters. The first semester emphasizes the development of a project plan, product research, strategy building and concept development.
Prerequisites: Senior Status, KCIN 316

KCIN 461  Industrial Design Thesis II  3 Credits
An advanced application of the design process in a comprehensive product development project. Students complete the second semester of a two-semester project. The second semester emphasizes the development of the concept proposal into a feasible product design including mock-up fabrication, human factors evaluation, aesthetic development, 3D development (CAD), 3D visualization and prototyping.
Prerequisites: KCIN 460

KCIN 462  Industrial Design Portfolio  3 Credits
Individual preparation and presentation of a professional quality portfolio of work and resume; familiarization with the operating aspects of professional practice.
Prerequisites: Senior Status

MEDICAL ILLUSTRATION

KCMI 205  Medical Illustration Methods I  3 Credits
Develops pen and ink skills and integrates traditional and digital media within the scope of monochromatic production. The goal will be to convey an aesthetically powerful illustration, which effectively provides a solution for a specific visual communication problem.
Prerequisites: KCIL 120

KCMI 210  Head, Hands and Feet  3 Credits
Drawing the surface and structure of the head, hands and feet in a variety of different mediums, perspectives from direct observation.
Prerequisites: KCDS 143

KCMI 305  Medical Illustration Methods II  3 Credits
The student will focus on in-depth human and anatomical based concepts and subject matter, dealing specifically with body systems investigation and narrative concepts associated with body processes. The execution processes in this course will utilize both traditional and digital media.
Prerequisites: KCMI 205

KCMI 340  Medical Illustration Digital Methods  3 Credits
Prerequisites: KCIL 243

KCMI 430  Medical Illustration Animation I  3 Credits
Covers concepts as an introductory course to digital 3D organic and inorganic model construction, whereby the virtual models designed are rendered and composited for 2D illustration purposes to solve specific conceptual problems.
Prerequisites: KCDS 143

KCMI 435  Medical Illustration Animation II  3 Credits
This advanced course serves as a platform to investigate and discover human and natural science 3D animation to educate and instruct the viewer.
Prerequisites: KCMI 430

KCMI 440  Medical Illustration Digital Portfolio  4 Credits
A capstone course focused on the creation of a professional, industry specific digital portfolio.
Prerequisites: KCMI 435

KCMI 450  Medical Illustration Methods III  3 Credits
Advanced studio in medical illustration with emphasis on accuracy and realistic development of representations of directed anatomical content utilizing traditional and digital media to express visual solutions.
Prerequisites: KCMI 205

KCMI 460  Advanced Problems in Biomedical Art  4 Credits
Advanced concepts and subject matter dealing specifically with medical, natural science subjects/topics, to serve as a basis for the development of a cohesive body of work. Exploration, research, and execution of thematic based work based on observation and visualization skills through diverse digital media in 2D and 3D. This course serves as a capstone to the Medical Illustration Program, the equivalent of 2 credits will be devoted to research/theme development and 3 credits will be devoted to development of the body of work.
Prerequisites: KCMI 450
METALS AND JEWELRY DESIGN

KCMJ 120  Introduction to Metals/Jewelry Production  3 Credits
Students will be introduced to the basic materials and processes used in the production of hand made jewelry. Through objective samples and individual experimentation with forming and fabricating metals, students will translate the elements and principles of 3D design into original objects of adornment.
Prerequisites: None

KCMJ 121  Model Making and Casting for Jewelry  3 Credits
Students will learn to carve wax; resulting in models which can be burned out and cast using the lost wax method. Emphasis is placed on the ability to carve and model to specified dimensions. Original work will concentrate on the technical and aesthetic possibilities of casting for jewelry and other small metal objects.
Prerequisites: None

KCMJ 130  Hollow and Utilitarian Ware  3 Credits
Concentrates on the study of metal vessel ware and other traditionally utilitarian objects, both as a method of artistic expression, and as a basis for design. Sheet metal will be hammered, hydraulically pressed, and fabricated to form original hollow objects in sterling silver and base metals. Surface treatments and decoration (such as chasing and engraving) will be used to further enrich these hollow forms. Objects will also be formed by cold forging metal rod, and by reducing metal plate and bar using lathes and milling machines.
Prerequisites: None

KCMJ 203  Special Topics in Metals/Jewelry  3 Credits
A topical course on the introduction of a niche technique, the advanced study of a traditional or modern technique, and/or the exploration of a design category or theme. This course allows the Metals/Jewelry Design program to respond to student interest in a particular area, industry-driven demand, or other expressed need or capacity to offer a particular topic.
Prerequisites: KCMJ 120

KCMJ 211  Metals/Jewelry Design I  3 Credits
Metals/Jewelry Design I, II and III courses combine cultural, individual, technical and aesthetic research to arrive at original and effective jewelry design solutions for commercial or custom problems. Students will be required to design one or more jewels each semester in response to a project brief that varies each semester. Design I reinforces basic design skills, introduces jewelry-specific design criteria, and allows students to effectively integrate process knowledge to generate convincing prototypes and production plans.
Prerequisites: KCMJ 120

KCMJ 230  Bench Topics in Commercial Metalwork  3 Credits
Introduces Metals/Jewelry Design majors with a hands-on survey of the jewelry industry through the work of the trade jeweler. A selection of bench techniques that build on basic skills will be introduced including repair, sizing, and precise fabrication. Concepts and processes introduced in other courses will be augmented to reflect professional production standards.
Prerequisites: KCMJ 120

KCMJ 231  Intermediate Metals/Jewelry Production  3 Credits
Intermediate instruction in the production of jewelry by hand. Projects will extend the fabrication foundation established in the introductory course, and proceed through a number of intermediate forming and fabrication processes such as chasing, repousse, forging, raising, welding, and stone setting.
Prerequisites: KCMJ 120

KCMJ 303  Special Topics in Metals/Jewelry  3 Credits
A topical course on the introduction of a niche technique, the advanced study of a traditional or modern technique, and/or the exploration of a design category or theme. This course allows the Metals/Jewelry Design program to respond to student interest in a particular area, industry-driven demand, or other expressed need or capacity to offer a particular topic.
Prerequisites: KCMJ 120
KCMJ 312  Metals/Jewelry Design II  3 Credits
The Metals/Jewelry Design I, II and III courses combine cultural, individual, technical and aesthetic research to arrive at original and effective jewelry design solutions for commercial or custom problems. Students are required to design one or more jewels each semester in response to a project brief that varies each semester. Design II reinforces jewelry design skills, introducing projects of increased technical sophistication with greater emphasis on market appropriate solutions.
Prerequisites: KCMJ 211

KCMJ 321  Advanced Metals/Jewelry Production  3 Credits
Advanced instruction in the production of jewelry by hand. Projects include basic repair, commercially quality samples as well as original composition and construction with an emphasis on precision craftspersonship.
Prerequisites: KCMJ 231

KCMJ 330  Stonersetting  3 Credits
Students will approach stones and their settings from the point of view of appropriate design, durability, and quality of craftspersonship. Students may bezel, bead, flushset, channel, and/or prong set stones of various sizes and types. Layout preparation, layout technique, and finishing will be covered.
Prerequisites: KCMJ 321

KCMJ 399  Independent Study in Metals/Jewelry Design  1 to 3 Credits
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available through the Student Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCMJ 400  Special Problems in Metals/Jewelry Design  3 Credits
A topical course on the introduction of a niche technique, the advanced study of a traditional or modern technique, and/or the exploration of a design category or theme. This course allows the metals/jewelry design program to respond to student interest in a particular area, industry-driven demand, or other expressed need or capacity to offer a particular topic.
Prerequisites: KCMJ 120

KCMJ 402  Internship in Metals/Jewelry Design  1 to 9 Credits
Applies learned skills and principles in a work environment, while learning how a particular firm or industry operates.
Prerequisites: 3.0 G.P.A, Junior/Senior standing

KCMJ 403  Seminar in Metals/Jewelry Design  1 to 3 Credits
Seminar dealing with special interests in metals/jewelry design.
Prerequisites: Upper-level students

KCMJ 420  Advanced CAD/CAM for Metals/Jewelry Design  3 Credits
Advanced techniques and applications for use of the computer as a creative studio for jewelry design and production. Modeling skills will enhanced to allow for more systematic approaches to design projects such as multiple stone settings, suites of related designs, and organic form generation. Photorealism rendering techniques will be reinforced. Output technology selection and use will be reinforced by researching standard and emerging printing and machining systems.
Prerequisites: KCIN 360
**COURSE DESCRIPTIONS**

**KCMJ 441 Portfolio** 3 Credits  
Students will identify the major professional markets and issues that students will encounter in the field. Previous work will be utilized, enhanced, and augmented with targeted projects intended to showcase ideal skill sets. Portfolios will be developed for professional opportunities, including resumes, statements, and professional photographic quality documentation. These assets will be put into forms appropriate for various types of applications.  
Prerequisites: KCMJ 312, Senior standing

**KCMJ 461 Metals/Jewelry Thesis** 3 Credits  
Thesis leads students through the research, design, and execution of a unified body of work. After selecting a thesis topic, students will research related subjects, identify problems and opportunities, propose original solutions, refine design ideas and technical approaches, and produce work to show during KCAD’s Annual Student Exhibition.  
Prerequisites: None

**PAINTING**

**KCPA 110 2-D Design** 3 Credits  
A problem-solving course covering the principles of composition and modular design systems. Uses predominantly abstract shapes, and black, white, and achromatic gray ranges. [Students who have earned credit for VISC 110, Design I, may not use credit earned in KCPA 110 to meet graduation requirements.]
Prerequisites: None

**KCPA 112 Color** 3 Credits  
A problem-solving course that studies the properties and interactions of color and its resulting perceptual effects in pictorial space.  
Prerequisites: None

**KCPA 120 Introduction to Painting** 3 Credits  
The first course that deals exclusively with the medium of oil painting. Observation of nature and the depiction of solid three-dimensional form in illusionistic space are the central concerns. Emphasis is primarily on still life painting; some figure/portrait painting may be introduced. Also surveys Western painting and the traditional techniques pertaining to that history.  
Prerequisites: KCPA 110, KCPA 112, KCDR 131

**KCPA 203 Special Topics in Painting** 3 Credits  
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

**KCPA 210 Beginning Figure Painting** 3 Credits  
The course will act as an introduction to figure painting with special emphasis on anatomy, structure, proportion and measuring. Tonal and restrictive palettes will be used in conjunction with basic painting techniques.  
Prerequisites: KCDR 221

**KCPA 220 Landscape Painting** 3 Credits  
Emphasizes the light and color of the landscape in various weather conditions using oil and water based paints.  
Prerequisites: KCDR 132, KCPA 120
**KCPA 235 Abstract Painting 3 Credits**
Explores varying degrees of painterly abstraction. Non-objective/formalist painting issues will be investigated in conjunction with experimentation with mixed-media painting techniques. The course will start out with a structured series of projects but will eventually focus on the student’s individual artistic direction.
Prerequisites: KCPA 120

**KCPA 236 Encaustic Painting 3 Credits**
The course will examine the techniques and processes of the encaustic medium including brushwork, intarsia, carving, drawing and photo transfer, and wax collage. A brief history of the medium will be presented along with instruction in making pigmented wax, wax glaze and wax brush cleaner.
Prerequisites: KCPA 120

**KCPA 250 Concept Development 3 Credits**
Emphasizes the development of concepts within the context of traditional and non-traditional medium. Students will be encouraged to explore a range of strategies such as visual analogy, irony, appropriation, deconstruction, and narrative and allegorical approaches. The course will also introduce mixed media painting techniques as it relates to concept.
Prerequisites: KCPA 120 or department approval

**KCPA 303 Special Topics in Painting 3 Credits**
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

**KCPA 310 Intermediate Figure Painting 3 Credits**
Reinforces the techniques learned in Beginner Figure Painting. Reviews life-drawing issues within the context of paint handling, its chemistry, rules of permanence, and color mixing with particular emphasis on the complexities of mixing flesh tones. In addition, familiarizes students with the history of figure painting in Western art.
Prerequisites: KCDR 221, KCPA 120, KCPA 210

**KCPA 350 Advanced Painting 3 Credits**
Focuses on independent studio work on the part of the student. Emphasis will be placed on student’s ability to develop ideas, themes, and motifs of personal significance and the formal, technical skills to successfully execute their work. The course will also examine important theoretical and aesthetic issues related to art and will review major figures in contemporary painting.
Prerequisites: KCPA 235

**KCPA 399 Independent Study in Painting 1 to 3 Credits**
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available through the Student Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

**KCPA 400 Special Problems in Painting 3 Credits**
An opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available through the Student Services Office.
Prerequisites: 3.0 G.P.A., junior/senior standing

**KCPA 335 Watercolor I 3 Credits**
An introductory course emphasizing the passage of the brush, the technical applications of color, and the particularities of the watercolor medium in working towards effective visual statements.
Prerequisites: KCPA 110, KCPA 112, KCDR 132 or departmental consent

**KCPA 336 Watercolor II 3 Credits**
An advanced watercolor class emphasizing individual direction and conceptual development.
Prerequisites: KCPA 335
KCPA 402  Internship in Painting  1 to 9 Credits
KCAD offers students the opportunity to receive elective credit for supervised, professional work experience related to the student’s major and approved by the program chair. Internships are graded on a pass/fail basis only; a maximum of nine credit hours of internship credit may count toward the degree. Interested students should contact the Career Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCPA 403  Seminar in Painting  3 Credits
Seminar dealing with special interests in digital media.
Prerequisites: Upper-level students

KCPA 410  Advanced Figure Painting  3 Credits
Examines issues related to painting the figure in an environment, the multi-figure composition, the figure in an architectural setting, the figure in the landscape, and other related problems. Begins with a classical emphasis; later, explores painterly and abstract approaches to the figure and the figure as a vehicle for creative expression.
Prerequisites: KCPA 310

KCPA 412  Content in Figure Painting  3 Credits
The course will provide an opportunity to use the figure as a vehicle for content and expression. The figure in an environment and the multi-figure composition will be examined in conjunction with ideas, themes, and motifs.
Prerequisites: KCPA 410

KCPA 430  Painting Thesis I  3 Credits
Focuses on the production of a unified body of work emphasizing conceptual development and creative decision-making. Includes individual and group critiques.
Prerequisites: Senior standing or departmental consent

KCPA 460  Painting Thesis II  3 Credits
Emphasizes responsibility for the creation of a cohesive body of work that displays conceptual continuity and technical integrity. Includes individual and group critiques. The student is required to install a thesis exhibition to complete the BFA in fine arts.
Prerequisites: KCFA 310 and KCPA 430

PHOTOGRAPHY

KCPH 110  Introduction to Photography for Non-Majors  3 Credits
An introduction to the fundamentals of photography using manually adjustable digital cameras (DSLR). This course includes digital camera use and basic image manipulation controls using Photoshop. Introductory lighting and reproduction skills are taught. The aesthetics of photography will be discussed in terms of its history, and artistic and technical advancements. Students must own or have use of a digital camera (prosumer grade or above; camera phones are not acceptable.) Students considering a minor in photography should take KCPH 120.

KCPH 120  Introduction to Photography  3 Credits
An introduction to the fundamentals of photography and 35mm adjustable camera operation. This course includes beginning black and white film development and darkroom printing, as well as an introduction to digital capture and basic image manipulation controls. The aesthetics of photography will be discussed in terms of its history, and artistic and technical advancements. (Students who have earned credit for VISC 212, Photography, may not use credit earned in KCPH 120 to meet graduation requirements.)

KCPH 203  Special Topics in Photography  1 to 3 Credits
Rotating topics in photography utilizing the specific skills and interests of the faculty, community professionals, and visiting artists. Topics may be subject oriented (such as landscape, portrait, documentary, or photojournalism), technique oriented (manipulated image, directorial mode, or alternative process), or issue oriented (visual semiotics, new topographies, etc.).
Prerequisites: KCPH 230
KCPH 220 Intermediate Photography  3 Credits
The refinement of black and white film exposure and darkroom techniques using the zone system. An introduction to studio and artificial lighting techniques as well as extensive work with manipulation of the photographic image. Subject matter and imagery will be emphasized, along with a continuation of the study of photographic history and aesthetics.
Prerequisites: KCPH 120

KCPH 225 Digital Image Processing  3 Credits
This course is an overview of advanced digital capture and image workflow with emphasis placed on editing camera RAW and DNG files, color management (including monitor calibration and the creation of custom paper profiles) and inkjet printing. Film scanning ranging from 35 mm to large format, DSLR camera control, and the use of streamlined applications such as Aperture and Adobe Lightroom will be discussed.
Prerequisite: KCDS 110 and KCPH 120

KCPH 230 Color Photography  3 Credits
An extensive exploration of color photography with an emphasis placed on color negative printing. A study of color theory as it applies to light and film and the contemporary use of color by photographers. Content issues, as well as history, theory, and aesthetic approaches will be emphasized.
Prerequisites: KCPH 220

KCPH 240 Lighting for Photography  3 Credits
An introduction to the fundamentals of using and modifying both ambient and studio lighting. This course includes the use of both hot and cold studio lighting for digital and analog photography, including color balancing the light source to specific films. Lighting theory and the history of studio photography will also be discussed.
Prerequisites: KCPH 230

KCPH 303 Special Topics in Photography  3 Credits
Rotating topics in photography utilizing the specific skills and interest of the faculty, community professionals, and visiting artists. Topics may be subject oriented (such as landscape, portrait, documentary, or photojournalism), technique oriented (manipulated image, directorial mode, or alternative process), or issue oriented (visual semiotics, new topographies, etc.)
Prerequisites: KCPH 230

KCPH 310 Photo Seminar  3 Credits
Reading, lecture, and discussion of classic and contemporary essays that outline the important areas of critical discourse in photography including philosophical and psychological theory.
Prerequisites: Junior standing

KCPH 320 Large Format Techniques  3 Credits
This course is an introduction to the techniques and aesthetics of medium and large format image making. View camera movements for perspective and image control, incident light metering techniques including the Zone System, sheet film processing, large format film scanning and traditional/digital output including advanced printing techniques will be emphasized. Medium format capture devices (including alternative equipment such as the Holga and pinhole cameras) will be covered.
Prerequisites: KCPH 230

KCPH 340 Studio Photography  3 Credits
Using medium and large format cameras in the photo studio, especially for perspective control. Exposure control using the zone system. Lighting, posing and staging techniques that are used in classic studio photography including still life, models, food, and fashion. An examination of these classic techniques as applied to fine art photography.
Prerequisites: KCPH 240
KCPH 399  Independent Study in Photography  1 to 3 Credits
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available through the Student Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCPH 400  Special Problems in Photography  3 Credits
An opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available through the Student Services Office.
Prerequisites: 3.0 G.P.A., junior/senior standing

KCPH 402  Internship in Photography  1 to 9 Credits
KCAD offers students the opportunity to receive elective credit for supervised, professional work experience related to the student’s major and approved by the program chair. Internships are graded on a pass/fail basis only; a maximum of nine credit hours of internship credit may count toward the degree. Interested students should contact the Career Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCPH 403  Seminar in Photography  3 Credits
Seminar dealing with special interests in photography.
Prerequisites: Upper-level students

KCPH 410  Professional Photographic Practices  3 Credits
A range of practical, legal and ethical issues for the professional photographer including writing an artist’s statement, resumes, business promotional materials, marketing, small business practices, financial practices, and portfolio presentation. Emphasis will be placed on applying to juried shows and the production of a gallery exhibition.
Prerequisites: Senior standing

KCPH 430  Photography Thesis I  3 Credits
Emphasizes the production of a unified body of work emphasizing conceptual development and creative decision-making. Includes individual and group critiques.
Prerequisites: Senior standing or department approval

KCPH 460  Photography Thesis II  3 Credits
Emphasizes responsibility for the creation of a cohesive body of work that displays conceptual continuity and technical integrity. Includes individual and group critiques. The student is required to install a thesis exhibition to complete the B.F.A. degree in photography.
Prerequisites: KCPH 430

PRINTMAKING

KCPR 203  Special Topics in Printmaking  3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCPR 205  Papermaking and Artists’ Books  3 Credits
The methods of simple hand papermaking utilizes printmaking processes (e.g., relief, intaglio, lithography) as a major source of visual imagery. Includes a brief history of papermaking and the art of books. An introduction for artists/designers who wish to explore the aesthetic possibilities and intimacy of the book format.
Prerequisites:  KCPA 110, KCPA 112, KCDR 132

KCPR 208  Monotypes  3 Credits
Exploring the variety of methods of pulling single prints from a prepared plate by using pressure to transfer an image drawn or painted.
Prerequisites: None

KCPR 212  Screenprinting  3 Credits
An introductory level course that will explore printing with a screen to produce fine art prints known as serigraphs. Emphasizes technical skills and conceptual development.
Prerequisites: KCPA 110, KCPA 112, KCDR 131 or program consent
**KCPR 213  Digital Printmaking  3 Credits**  
Integrates computer output with traditional printmaking techniques.  
Prerequisites: KCPA 110, KCPA 112, KCDR 131 or program consent

**KCPR 231  Introduction to Printmaking  3 Credits**  
An introductory course which explores some of the following media: monotype, relief, intaglio, or lithography. Students gain proficiency in printing, proofing, and editing.  
Prerequisites: KCPA 110, KCPA 112, or program consent

**KCPR 232  Printmaking II  3 Credits**  
Focuses on choice of the following either uniquely or in combination: monotype, relief, intaglio or lithography in monochromatic and color printing with introduction to limited digital processes. Emphasizes refining technical skills and conceptual development.  
Prerequisites: KCPR 231

**KCPR 235  Intaglio  3 Credits**  
A course that explores the following intaglio printmaking processes: dry point, line etching, aquatint, softground, mezzotint, multiple plate etching. Students gain proficiency in intaglio printing, proofing, and editioning.  
Prerequisites: KCPR 231 or program consent

**KCPR 236  Relief Printing  3 Credits**  
A course that fully explores the following relief printing processes: linocut, black and white woodcut, multi-block woodcut, color reduction woodcut, wood engraving. Students gain proficiency in relief printing, proofing, and editing.  
Prerequisites: KCPR 231 or program consent

**KCPR 237  Lithography  3 Credits**  
Explores lithography processes. Students gain proficiency in lithography printing, proofing, and editioning.  
Prerequisites: KCPR 231 or program consent

**KCPR 303  Special Topics in Printmaking  3 Credits**  
A topical course that allows the program to respond to students' interest in a particular area, or other expressed need, or capacity to offer a particular topic.

**KCPR 333  Printmaking III  3 Credits**  
Students focus on the following, either uniquely or in combination: relief, intaglio or digital processes. Emphasizes refining technical skills to develop personal approach to medium and conceptual development towards a cohesive body of work.  
Prerequisites: KCPR 232

**KCPR 335  Advanced Printmaking  3 Credits**  
Students focus on the following, either uniquely or in combination: relief, intaglio, digital processes, or lithography. Focuses on the continuation of the development of a cohesive body of work with additional emphasis on quality printing, experimental printing, and content.  
Prerequisites: KCPR 333

**KCPR 399  Independent Study in Printmaking  1 to 3 Credits**  
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available through the Student Services Office.  
Prerequisites: 3.0 GPA, junior/senior standing

**KCPR 400  Special Problems in Printmaking  3 Credits**  
An opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available through the Student Services Office.  
Prerequisites: 3.0 GPA, junior/senior standing
KCPR 402  Internship in Printmaking  1 to 9 Credits
KCAD offers students the opportunity to receive elective credit for supervised, professional work experience related to the student’s major and approved by the program chair. Internships are graded on a pass/fail basis only; a maximum of nine credit hours of internship credit may count toward the degree. Interested students should contact the Career Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCPR 403  Seminar in Printmaking  3 Credits
Seminar dealing with special interests in printmaking.
Prerequisites: Upper-level students

KCPR 430  Printmaking Thesis I  3 Credits
Focuses on creation of a cohesive body of accomplished work that displays conceptual continuity, creative decision making, and technical integrity. Includes individual and group critiques. Preparation for thesis exhibition is emphasized.
Prerequisites: KCPR 335, Senior standing or program consent

KCPR 460  Printmaking Thesis II  3 Credits
Emphasizes responsibility for the creation of a cohesive body of accomplished work that displays conceptual continuity and technical integrity. Includes individual and group critiques. The student is required to install a thesis exhibition to complete the BFA in fine art.
Prerequisites: Senior standing or program consent

SCULPTURE AND FUNCTIONAL ART

KCSF 111  3-D Design  3 Credits
To explore the elements, principles and aesthetic concepts integral to three-dimensional design and to consider relationships between concept, process, materials, tools and technical skills. [Students who have earned credit for ARTS 120, 3-D Design, may not use credit earned in KCSF 111 to meet graduation requirements.]
Prerequisites: None

KCSF 203  Special Topics in Sculpture-Functional Art  1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic

KCSF 220  Ceramics I  3 Credits
Prerequisites: KCSF 111

KCSF 222  Ceramics II  3 Credits
A comprehensive investigation of the clay medium. Projects will explore the utilization of ceramic material to create works that are historically informed and relevant contemporarily within the ceramic field.
Prerequisites: KCSF 220

KCSF 241  Sculpture I  3 Credits
Introduction of media and techniques in the sculptural processes, including but not limited to: welding (gas, MIG, TIG), subtractive carving, additive/constructive and molding and casting. Builds upon concepts and vocabulary from 3-D Design.
Prerequisites: KCPA 110, KCSF 111, KCDR 131
**KCSF 242  Sculpture II  3 Credits**
A further exploration of three-dimensional form-making. Enables the student to develop artistic expression and a greater understanding of contemporary sculpture. Emphasis may include permanent/nonpermanent materials: clay, plaster, metal, wax, fabric, wood, stone, or found objects. Both additive and subtractive methods will be employed.
Prerequisites: KCSF 241, KCDR 221

**KCSF 271  Functional Art I  3 Credits**
Design and construction opportunities and challenges presented by the addition of function to fine art are addressed through intensive study of studio woodworking techniques. An emphasis will be placed upon artistic expression that coincides with archival construction methods.
Prerequisites: KCSF 111 or program consent

**KCSF 272  Functional Art II  3 Credits**
The basic design and construction skills acquired in Functional Art I are expanded upon as more complex processes and concepts are explored. Other materials and processes and their visual and physical interaction with woodworking are introduced.
Prerequisites: KCSF 271 or program consent

**KCSF 303  Special Topics in Sculpture-Functional Art  1 to 3 Credits**
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

**KCSF 343  Sculpture III  3 Credits**
Individual work in various sculptural media to develop personal expression and refinement of technique. Students may select from various concepts, materials, and techniques explored in Sculpture I and II in order to begin a series of more personal, expressive sculptures. Additional media such as bronze casting or aluminum TIG welding as well as mixed-media or multi-media may be explored as time and facilities permit.
Prerequisites: KCSF 242

**KCSF 344  Sculpture IV  3 Credits**
Emphasizes the development of each student’s individual voice and vision. Students will be expected to work independently but with some supervision to gain control of their chosen sculptural media and to develop a personal aesthetic path that will lead them into their thesis year.
Prerequisites: KCSF 343, KCDR 221

**KCSF 373  Functional Art III  3 Credits**
A further extrapolation of Functional Art I and II in the form of a concentrated investigation of personal expression and function, culminating in unique objects. The course addresses the fine points of design with regard to a materials/skills foundation. Serial construction methods are encouraged to allow for an individual’s extrapolation of a singular investigation. Interdisciplinary and collaborative approaches are explored to broaden design sensibilities.
Prerequisites: KCSF 272 or program consent

**KCSF 374  Functional Art IV  3 Credits**
Individual advanced-level design and construction problems are addressed through group discussions and demonstrations, giving students exposure to a broad range of processes, techniques, and materials. Coursework places no emphasis on any singular material, but requires an understanding of the inherent physical and conceptual characteristics of various media.
Prerequisites: KCSF 373 or program consent
KCSF 399  Independent Study in Sculpture and Functional Art  1 to 3 Credits
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available through the Student Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCSF 400  Special Problems in Sculpture and Functional Art  3 Credits
An opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available through the Student Services Office.
Prerequisites: 3.0 G.P.A., junior/senior standing

KCSF 402  Internship in Sculpture and Functional Art  1 to 9 Credits
KCAD offers students the opportunity to receive elective credit for supervised, professional work experience related to the student’s major and approved by the program chair. Internships are graded on a pass/fail basis only; a maximum of nine credit hours of internship credit may count toward the degree. Interested students should contact the Career Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCSF 403  Seminar in Sculpture and Functional Art  3 Credits
Seminar dealing with special interests in sculpture and functional art.
Prerequisites: Upper-level students

KCSF 410  Professional Practices for Sculpture and Functional Art  3 Credits
Exposes students to the lives and practices of working professional artists in the fields of sculpture, functional art and studio furniture. Lectures and demonstrations will include topics such as insurance/legalities, physical studio management, resume/CV writing, Photo and digital portfolio documentation, artist statements, client relationships/commissions, marketing opportunities, safe studio practices and health issues, retail opportunities, exhibition opportunities, graduate programs, and teaching opportunities.
Prerequisites: Junior standing

KCSF 430  Sculpture and Functional Art Thesis I  3 Credits
Emphasizes the production of a unified body of work emphasizing conceptual development and creative decision-making. Includes individual and group critiques.
Prerequisites: Senior standing or department consent

KCSF 460  Sculpture and Functional Art Thesis II  3 Credits
Emphasizes responsibility for the creation of a cohesive body of work that displays conceptual continuity and technical integrity. Includes individual and group critiques. The student is required to install a thesis exhibition of complete the BFA in fine arts.
Prerequisites: KCSF 410, KCSF 430
COURSE DESCRIPTIONS

MASTER OF ARCHITECTURE

KGAR 503 Special Topics in Architecture 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic. Prerequisites: Second-year standing in program (first year for MArch students), or permission of program

KGAR 511 Immersion I: Seeing Architecture 6 Credits
Through direct observation, students learn to see at different scales (material, structure, infrastructure, cityscape), engage architectural communication, product and practice, and draw relationships to precedents. Prerequisites: Admission to the MArch Program or permission of the program

KGAR 512 Studio I: Principles and Processes: Objects 6 Credits
Working from Immersion I’s lessons and observations, students design, draw and make at full scale to solve a small but open-ended body/space problem.

KGAR 513 Seminar I: Design Communication I 3 Credits
Students investigate architectural communication conventions, and develop the habit of manifesting ideas in 2D and 3D form for testing, developing and communicating.

KGAR 521 Immersion II: How Things Work 6 Credits
Students develop conceptual understanding of how things work: materials/methods, structures/systems, societies/cultures, forces of nature and our historical responses. Prerequisites: Completion of the first semester of the first year program or its equivalent

KGAR 522 Studio II: Making and Meaning: Systems 6 Credits
Working from Immersion II’s lessons, students apply design thinking and critical thinking to a structure/building/site problem that encompasses context and human social experience. Prerequisites: KGAR 521 and KGAR 512 or equivalent

KGAR 523 Seminar II: Design Communication II 3 Credits
Focusing on emerging techniques, students become more familiar with new approaches to drawing and fabricating as they continue to practice the conventions of architectural communication. Prerequisites: KGAR 512 or equivalent

KGAR 531 Immersion III: Critique of Architecture 6 Credits
Students engage in diachronic, cross-contextual and critical histories of architecture and urbanism, and the rebuttal/response of 21st century architectural issues/technologies, resources, cultures, aesthetics, ethics, and leadership. Prerequisites: Second-year standing in program (first year for 2-year MArch students)

KGAR 532 Studio III: Site: Tectonics: Sustainability 6 Credits
Students engage in a tectonic, place-making exploration of design principles and processes, creating sustainable solutions that are responsive to site, ecology and program.

KGAR 541 Immersion IV: Building Systems Integration 6 Credits
Students explore the theory and practice of accessibility, life-safety, environmental, structural, and service systems, with emphasis on how they interact and collectively inform building design.

KGAR 542 Studio IV: Systems Thinking for Sustainable Architecture 6 Credits
Students focus on integrated development and documentation of building design. A comprehensive, sustainable architectural project emerges, incorporating place, process, principles, technology, materials and systems. Prerequisites: KGAR 541

KGAR 551 Summer Studio: Design and Building Science 3 to 6 Credits
Students explore through hands-on projects how materials work and go together, why buildings stand up, and how structural and environmental systems work together. Prerequisites: Completion of first-year program or equivalent, plus evaluation of individual prior course work
COURSE DESCRIPTIONS

KGAR 611  Immersion V: Critical Travel  6 Credits
Students engage place-making by studying off-campus, using design research to understand the interactions of social context, cultural diversity, and human behavior with the built environment.
Prerequisites: KGAR 542 or permission of the instructor

KGAR 612  Studio V: Urban Collective  6 Credits
Grounded in the research developed in KGAR 611, students explore the relationship between architecture, culture, and urban form through the design of a site-specific architectural intervention.
Prerequisites: KGAR 542

KGAR 613  Practice Seminar: Critical Practice of the Profession  3 Credits
Students investigate the role of design, collaboration, project delivery, client relationships and ethical behavior in building and maintaining a sustainable professional practice.
Prerequisites: Completion of the second-year course of study

KGAR 621  Thesis Preparatory Seminar  3 Credits
The student focuses on independent design research, analysis, and critical readings, and develops a written thesis proposal to solve an original, architecturally relevant problem.
Prerequisites: KGAR 612

KGAR 622  Studio VI: Thesis  6 Credits
Each student defines and presents an unsolved, architecturally relevant problem and develops, proposes and defends a solution through design research, thinking and communication.
Prerequisites: KGAR 612, KGAR 621

KGAR 623  Thesis Proseminar  3 Credits
The student focuses on thesis development with emphasis placed on continued research, written, diagrammatic, and oral communication, and peer review.
Prerequisites: KGAR 621

MASTER OF ART EDUCATION

KGED 505  Introductory Art Education Master’s Seminar  2 Credits
Prepares students to begin the research and studio portions of their thesis paper or project. Provides instruction in the APA style of writing, research strategies, information access and retrieval, literature evaluation and thesis topic refinement.
Prerequisites: Bachelor’s Degree, K-12 Art Education Certification, Admittance to the MAE program

KGED 510  Aesthetics Education  2 Credits
Advanced analysis of art that explores the definition of and criteria for contemporary and historical art. Builds advanced critical assessment skills.
Prerequisites: Bachelor’s Degree, K-12 Art Education Certification, Admittance to the MAE program

KGED 515  Graduate Studio Methods in Art Education  3 Credits
Exploration of advanced teaching strategies and methods for the purpose of expanding and invigorating personal artistic expression and classroom practice.
Prerequisites: Bachelor’s Degree, K-12 Art Education Certification, Admittance to the MAE program

KGED 520  Art Trends and Art Education  3 Credits
Explores the current issues within the world of art and art education. Determines how these affect pedagogy and policy in art education.
Prerequisites: Bachelor’s Degree, K-12 Art Education Certification, Admittance to the MAE program

KGED 605  Graduate Studio Capstone  5 Credits
Students demonstrate mastery level synthesis of the coursework they have completed by conducting an independent inquiry culminating in a studio thesis project. All studio projects have a required written component.
Prerequisites: Bachelor’s Degree, K-12 Art Education Certification, Admittance to the MAE program

KGED 694  Graduate Topics in Education: Student Supervision  1 to 3 Credits
Supervise and mentor a student teacher as they complete their directed teaching practicum.
Prerequisites: Tenured public school teacher, Bachelor’s degree, K-12 Art Education Certification
KGED 695  Special Topics in Professional Development for K-12 Master Teachers  1 Credit
Professional development course for K-12 art educators, generic special topics.
Prerequisites: Program Approval

KGED 503  Special Topics  3 Credits
A topical course that allows the program to respond to students' interest in a particular area, or that meets the expressed need or capacity related to a particular topic.

KGDE 520  Design and Culture  3 Credits
This course will provide a forum for students to research, discuss, and critically assess the impact of the design process on culture, and to the subsequent affect culture has had in propelling design innovation. Students will research key models for shifting the relationship of design to the community including integrated systems, the importance of understanding multiple points of view, the responsibility of design to the human experience, and the role of collaborative strategies and methodologies on design practice.

KGDE 555  Research Methods  3 to 6 Credits
This course will focus on diverse methodological approaches and research processes that will lead to the development of an appropriate research question for the capstone project.

KGDE 665  Capstone/Field Research  6 Credits
This course will provide a forum for the completion of the master’s capstone project, which is comprised of either research of original documents and source material, field research and/or the application of methods learned in the Research and Methods seminar to a topic of design culture. The capstone requirement is designed to encourage and require the integration of all course work and the creation of a contribution to the field of Design. Capstone work must be of professional quality and exhibit mastery of the knowledge and skills gained in this program.

Successful completion of the capstone is required for graduation from the program.

MASTER OF ARTS IN DESIGN

KGVC 511  Introduction to Visual Studies  3 Credits
This course will introduce students to the writing of key scholars associated with the emergent field of Visual Studies. Additionally, this course will also include material from cognitive science on the mechanics of sight, theories of “mind” and perception.
Prerequisites: Graduate level standing or permission of the instructor

KGVC 512  Cultural Criticism: History, Theory and Practice  3 Credits
The course will require students to read and discuss key texts that formulate different approaches to critiquing visual culture in the modern and contemporary periods (c. 1850 to the present). The course will require students to complete critical reviews and research projects.
Prerequisites: Graduate level standing or permission of the instructor

KGVC 513  Research and Methods  3 to 6 Credits
This course will focus on diverse methodological approaches and research processes that will lead to the development of an appropriate research question for the master’s thesis. The course will be organized as a seminar in which students will discuss important texts and peer-review fellow students’ writing. Additional time outside class will be devoted to research.
Prerequisites: Graduate level standing or permission of the instructor

KGVC 520  Semiotics, Post-structuralism, and Deconstruction  3 Credits
This course will focus on an in depth examination of those strategic points at which social practice, theory, and the practice of art intersect. Students will read from key theoretical texts on Post-structuralism and Deconstruction including the writings of such seminal thinkers as Jacques Derrida, Michel Foucault, Julia Kristeva, and others.
Prerequisites: Graduate level standing or permission of the instructor
KGVC 521  Representation of the Other  3 Credits
Students will be introduced to current theory critically framing our understanding of the representation of others including gender, race, ethnicity, class, criminality and social deviance, sexual orientation and identity, disability and embodiment, Posthumanism and the animal, and notions of radical otherness.
Prerequisites: Graduate level standing or permission of the instructor

KGVC 522  Metaphysics and Representation  3 Credits
Drawing on historic foundations and contemporary work in metaphysics and philosophy of science, this course will explore the relationships between metaphysics which concerns the nature and description of an Ultimate Reality, and representation of that which lies beyond human sensual knowing.
Prerequisites: Graduate level standing or permission of the instructor

KGVC 523  Paris and the Visual Culture of Modernity  3 Credits
The course will analyze the centrality of the city of Paris from the 1860s to the 1960s in diverse interpretations of modernity. Course readings will include critical texts by Charles Baudelaire, Walter Benjamin, Henri Lefebvre and Guy Debord.
Prerequisites: Graduate level standing or permission of the instructor

KGVC 524  Biomedical Imaging and Identity  3 Credits
This course will study the impact of historically shifting technology, media, and effects of biomedical imaging on notions of identity, personhood, illness, etc., including imagery culled from medical texts identifying pathological body function and the indexing of symptoms to more recent narrative medical practices.
Prerequisites: Graduate level standing or permission of the instructor

KGVC 526  Ethics and Visual Representation  3 Credits
This course examines the strategic points at which the philosophical branches of Aesthetics and Ethics intersect. Given the proliferation of images and objects circulating throughout our contemporary world, just how does representation shape our moral and ethical views and conversely, how have our moral and ethical views impacted representation?
Prerequisites: Graduate level standing or permission of the instructor

KGVC 527  The Sequenced Image: Theory and Practice  3 Credits
This course will examine the history, theory, and current practices in sequential imaging in media such as comics, painting, animation, interactive technology, games, and film. Students will critically analyze sequential arts’ relationship with time, space, and semiotics along with other theories of visual narratives.
Prerequisites: Graduate level standing or permission of the instructor

KGVC 528  Ethics and Visual Representation  3 Credits
This course examines the strategic points at which the philosophical branches of Aesthetics and Ethics intersect. Given the proliferation of images and objects circulating throughout our contemporary world, just how does representation shape our moral and ethical views and conversely, how have our moral and ethical views impacted representation?
Prerequisites: Graduate level standing or permission of the instructor

KGVC 611  New Media Literacy  3 Credits
This course will examine the constantly changing and expanding new media and technology and how they influence the way we behave, think and live. By analyzing new media including social technology, the course will examine critical theory in relation to the moving image, imaging technology, the impact of social media and the globally instantaneous dissemination of image and ideas.
Prerequisites: Graduate level standing or permission of the instructor

KGVC 612  Writing Practicum  6 Credits
This course will provide a forum for the writing and completion of the Master’s Thesis, which is comprised of either research of original documents and course material and/or the application of methods learned in the Research and Methods seminar to a topic of visual culture. The course will be organized as a seminar in which students (under the supervision of Visual and Critical Studies faculty) will present and peer review their research. Additional time outside class will be devoted to the completion of the thesis (20,000-40,000 words in length).
Prerequisites: Research and Methods
MASTER OF FINE ARTS

KGHA 500  **Special Problems: Graduate Art History**  3 Credits
A special problems course is an opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available through the Student Services Office.
Prerequisites: Postgraduate standing, faculty approval

KGHA 503  **Graduate Seminar in Art History**  3 to 9 Credits
A seminar dealing with select topics in art history, theory, and/or criticism.
Prerequisites: Postgraduate standing; faculty approval

KGHA 507  **Graduate Historiography**  3 Credits
A seminar that critically examines the history of art history from its origins in Classical Greece to the present.
Prerequisites: Postgraduate standing, faculty approval

KGHA 517  **Graduate Contemporary Art**  3 Credits
An in-depth study of fine art and theory from 1960 to the present.
Prerequisites: Postgraduate standing, faculty approval

KGFA 502  **Graduate Internship**  3 Credits
KCAD offers students the opportunity to receive elective credit for supervised, professional work experience related to the student’s major and approved by the program chair. Internships are graded on a pass/fail basis only; a maximum of nine credit hours of internship credit may count toward the degree. Interested students should contact the Career Services Office.
Prerequisites: Postgraduate standing, faculty approval

KGFA 505  **Graduate Seminar**  3 to 9 Credits
Fine Art Seminars are non-media specific courses that address ideas, issues or practical information, which is of value to all Fine Art graduate students, irrespective of their media interests. A variety of Fine Art seminars are available providing theoretical, practical, educational and professional information, experience and expertise.
Prerequisites: Postgraduate standing, faculty approval
Prerequisites: Teaching Seminar: completion of 3 credits of KG 521 (of student’s discipline)

KGDR 500  **Special Problems: Graduate Drawing**  3 Credits
A special problems course is an opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available through the Student Services Office.
Prerequisites: Postgraduate standing, faculty approval

KGDR 511  **Graduate Figure Drawing**  3 Credits
Emphasizes graduate level, individually motivated studio activity with the human figure as primary subject matter. The course will encourage initiation, development and refinement of work with the human figure as a vehicle for personal expression. Compositional and spatial problems will be emphasized in relation to conceptual interests.
Prerequisites: Graduate or Post-Baccalaureate standing

KGDR 521  **Graduate Drawing Studio**  3 to 18 Credits
Emphasis within the graduate drawing studio will be placed upon the eventual development of a cohesive body of work that demonstrates increasing technical and material mastery. Students will be expected to research and incorporate themes, motifs and ideas of personal or conceptual significance into the production of their drawings. Students will clearly articulate the conceptual and material choices motivating their work by producing a five-page research oriented artist statement that will be presented at their first year graduate review.
Prerequisites: Postgraduate standing, faculty approval
COURSE DESCRIPTIONS

KGDR 599 Independent Study: Graduate Drawing 3 Credits
An independent study course is an opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available through the Student Services Office.
Prerequisites: Postgraduate standing, faculty approval

KGDR 660 Graduate Drawing Thesis 3 to 15 Credits
Graduate drawing thesis provides preparation for the Master of Fine Arts exhibition. Emphasis within the drawing thesis course work will be placed upon the continued development of a cohesive body of work that demonstrates technical and material mastery. Students will be expected to demonstrate a high degree of sophistication in the research and incorporation into their drawings of themes, motifs and ideas of personal or conceptual significance. Students will clearly articulate the conceptual and material choices motivating their work by producing a ten-page research oriented artist statement, and presenting a final oral overview of their achievements to a formal M.F.A. candidate review panel.
Prerequisites: Postgraduate standing; faculty approval; KGDR 521 (18 credits)

KGPA 500 Special Problems: Graduate Painting 3 Credits
A special problems course is an opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available through the Student Services Office.
Prerequisites: Postgraduate standing, faculty approval

KGPA 510 Graduate Figure Painting 3 Credits
Offers graduate level instruction in painting the human figure. The course will review issues endemic to the figure; however, special emphasis will be put on individual artistic direction. Compositional and spatial problems will be examined as well as content related issues. Class work should reflect the depth and complexity indicative of graduate study.
Prerequisites: Postgraduate standing, faculty approval

KGPA 520 Graduate Landscape Painting 3 Credits
Offers graduate level instruction on the creative potential of the landscape genre. Classes will emphasize personal artistic direction. Representational and abstract approaches to the landscape will be explored using a variety of media including oil and water-based media. The course will be divided between on-site and studio work. Class work should reflect the depth and complexity indicative of graduate study.
Prerequisites: Postgraduate standing, faculty approval

KGPA 521 Graduate Painting Studio 3 to 18 Credits
Emphasis will be placed upon the development of a cohesive body of work that demonstrates increasing technical and material mastery. Students will be expected to research and incorporate themes, motifs and ideas of personal or conceptual significance into the production of their paintings. Students will clearly articulate the conceptual and material choices motivating their work by producing a five-page research oriented artist statement.
Prerequisites: Postgraduate standing, faculty approval

KGPA 530 Graduate Encaustic Painting 3 Credits
The course will examine the techniques and processes of the encaustic medium including brushwork, intarsia, carving, drawing, photo transfer, and wax collage. A brief history of the medium will be presented along with instruction in making pigmented wax, wax glaze, and wax brush cleaner. As a graduate level course, students will be expected to work on a more advanced level by integrating the encaustic process into their own body of advanced work.
Prerequisites: Postgraduate standing, faculty approval
KGPA 535  **Graduate Abstract Painting**  3 Credits  
Offers graduate level instruction in various forms of painterly abstraction with a special emphasis on the combination of traditional and non-traditional materials and processes. Non-objective/formalist painting issues will be developed in conjunction with the student’s individual artistic direction. Class work should reflect the depth and complexity indicative of graduate study.  
Prerequisites: Postgraduate standing; faculty approval

KGPA 550  **Graduate Concept Development in Painting**  3 Credits  
Offers graduate level instruction in the development of concepts within the context of the painting medium. Graduate students will be encouraged to explore contemporary theories and strategies in conjunction with their personal artistic direction. The course will also review traditional and mixed media approaches to painting with special emphasis on the relationship of form to content. The student will also be required to write an artist statement. Class work should reflect the depth and complexity indicative of graduate study.  
Prerequisites: Postgraduate standing; faculty approval

KGPA 599  **Independent Study: Graduate Painting**  3 Credits  
An independent study course is an opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available through the Student Services Office.  
Prerequisites: Postgraduate standing; faculty approval

KGPA 660  **Graduate Painting Thesis**  3 to 15 Credits  
Graduate painting thesis provides preparation for the Master of Fine Arts exhibition. Emphasis with the painting thesis will be placed upon the continued development of a cohesive body of work that demonstrates technical and material mastery. Students will be expected to demonstrate a high degree of sophistication in the research and incorporation into their paintings of themes, motifs and ideas of personal or conceptual significance. Students will clearly articulate the conceptual and material choices motivating their work by producing a ten-page research oriented artist statement, and presenting a final oral overview of their achievements to a formal M.F.A. candidate review panel.  
Prerequisites: Postgraduate standing, faculty approval, completion of 18 credits of graduate painting studio

KGPH 500  **Special Problems: Graduate Photography**  3 Credits  
A special problems course is an opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available through the Student Services Office.  
Prerequisites: Postgraduate standing, faculty approval

KGPH 521  **Graduate Photography Studio**  3 to 18 Credits  
Emphasizes individually motivated studio work in photography that may include black and white and color printing, artificial lighting, large format camera use, and non-silver or digital imaging along with the focused development of conceptual concerns.  
Prerequisites: Postgraduate standing; faculty approval

KGPH 599  **Independent Study: Graduate Photography**  3 Credits  
An independent study course is an opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available through the Student Services Office.
KGPH 660  Graduate Photography Thesis  3 to 15 Credits
Continues the preparation for the Master of Fine Arts exhibition, thesis statement, and final presentation.
Prerequisites: Postgraduate standing; faculty approval; 18 credits of Graduate Photography Studio.

KGPR 500  Special Problems: Graduate Printmaking  3 Credits
A special problems course is an opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available through the Student Services Office.
Prerequisites: Postgraduate standing, faculty approval

KGPR 521  Graduate Printmaking Studio  3 to 18 Credits
Emphasis within graduate printmaking studio will be placed upon the eventual development of an accomplished cohesive body of work that demonstrates increasing technical and material mastery. Students will be expected to research and incorporate themes, motifs and ideas of personal or conceptual significance into the production of their prints. Students will clearly articulate the conceptual and material choices motivating their work by producing a five-page research oriented artist statement that will be presented at their first year graduate review.
Prerequisites: Postgraduate standing, faculty approval

KGPR 599  Independent Study: Graduate Printmaking  3 Credits
An independent study course is an opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available through the Student Services Office.

KGPR 660  Graduate Printmaking Thesis  3 to 15 Credits
Graduate Printmaking Thesis provides preparation for the Master of Fine Arts exhibition. Emphasis within the printmaking thesis course work will be placed upon the continued development of an accomplished cohesive body of work that demonstrates technical and material mastery appropriate to the student’s needs. Students will be expected to demonstrate a high degree of sophistication in the research and incorporation into their prints of themes, motifs and ideas of personal or conceptual significance. Students will clearly articulate the conceptual and material choices motivating their work by producing a ten-page research oriented artist statement, and presenting a final oral overview of their achievements to a formal M.F.A. candidate review panel.
Prerequisites: Postgraduate standing; faculty approval; KGPR 521 (18 credits)
CERTIFICATE IN DESIGN AND INNOVATION MANAGEMENT

KDES 650  Design and Innovation Process Management  3 Credits
The concept of Design and Innovation Process Management is developed through the interrelationships between the organizational systems of organizational learning, financial process, and customer systems and those of research, analysis, synthesis, and implementation as related to product/problem formulation.

KDES 651  Design Communication Management  3 Credits
The concept of Design Communication Management is developed by examining communication systems within design and innovation processes that involve research, analysis, synthesis, and implementation as related to product/problem formulation and their interrelationships with the organizational systems of organizational learning, financial, process, and customer systems.
Prerequisites: KDES 650

KDES 750  Sustainable Design and Systems Management  3 Credits
