Kendall College of Art and Design began in 1928 through a generous endowment provided by Helen M. Kendall as a memorial to her husband, David Wolcott Kendall, known as the Dean of American Furniture Designers. Helen Kendall envisioned a school whose graduates would be leaders in the world of art and design, and throughout its history, Kendall College of Art and Design has prepared generations of students for careers as professional artists and designers. In addition, Kendall College of Art and Design is an active partner with the community, annually providing more than 2,000 children and adults with the opportunity to pursue courses in art and design through one of the richest and most varied continuing studies programs in the United States.

In 1996, the Board of Trustees of Kendall College of Art and Design voted to merge Kendall with Ferris State University, a process that was completed in December 2000. Founded in 1884 as Ferris Industrial School, Ferris State University is dedicated to providing an education that prepares its students for professional careers. Ferris State also seeks, through its educational programs, applied research and expertise, to support and strengthen the economy of Michigan and the nation.

Each institution shares a dedication to educational excellence and innovation coupled with practical application. As partners, the two institutions will build upon and expand the unique educational opportunities they offer in world-class programs in art, design, and technology.

At the same time, the procedures reflect the need to be concerned about the individual student involved in a particular case. Additionally, the Code shall apply to a student’s conduct even if the student withdraws from school while a disciplinary matter is pending. The Dean of the College of Kendall College of Art and Design of Ferris State
Disciplinary Procedures for Personal Misconduct

1. Applicability of Procedures
Disciplinary proceedings for acts of personal misconduct are governed by the following procedures. Disciplinary proceedings for an act of personal misconduct that is committed simultaneously with an act of academic misconduct are governed by the following unless the Dean of the College of Kendall College of Art and Design of Ferris State University agrees otherwise. The disciplinary procedures in this section do not govern proceedings involving the University’s use of “holds” to collect money from students.

2. Initiation of Proceedings
A report that a student has committed an act of personal misconduct may be filed by any person. A report that a student has committed an act of personal misconduct must be submitted in writing to the Dean of the College of Kendall College of Art and Design of Ferris State University or appropriate designees. After reviewing a complaint, the Dean of the College of Kendall College of Art and Design of Ferris State University has the discretion to decide whether disciplinary proceedings should be instituted. If the Dean of the College decides to initiate proceedings, the case will be assigned to a hearing committee. A student may request that the case be, or not be, assigned to a specific hearing committee, with the understanding the Dean of the College has complete discretion over the eventual assignment. Due process will be afforded to all University students when charged with violating University regulations or policies.

3. Notice
The Dean of the College of Kendall College of Art and Design of Ferris State University shall make arrangements for Disciplinary Hearings; thereafter, with notice to the student, the Dean of the College may dismiss the case. The Dean of the College shall send notice of the hearing to the student’s address as it then appears in the official records of the University to be delivered by U.S. postal service or campus mail, personally to the student, to the student’s Ferris email account or in a manner most likely to inform the student that a hearing date has been set and charges are pending. The University considers it a student’s responsibility to check their mail and Ferris email regularly and respond to disciplinary notification appropriately.

The notice shall inform the student of the following: 1) The opportunity to read all written reports regarding the circumstances and allegations of the case; 2) The opportunity to attend a hearing. A student’s hearing shall be scheduled minimally three business days after the date of the notice. For hearings scheduled with the hearing committee shall be scheduled minimally five business days after the date of notice. The opportunity to give a reaction to the reports and to offer any additional information that might help in the resolution of the case. The student is not required to answer any questions asked during the hearing; the choice to remain silent will not be taken as an admission of responsibility. The opportunity to review all information related to the case that may adversely affect the student and to ask questions related to this information. The opportunity to present witnesses who may substantiate information related to the incident. A list of witnesses must be submitted no later than one business day before the hearing. The hearing committee reserves the right to limit the number of witnesses based on the relevancy to the facts of the case. Character witnesses are generally considered irrelevant. The opportunity to have a support person present during the hearing; the support person may not participate in presenting the case, question witnesses, or make statements during the hearing. The student will receive written notification of the decision of the disciplinary meeting within ten (10) business days, barring unforeseen circumstances. The opportunity to submit an appeal, subject to the conditions of the appeal process, by the deadline date stated in the written outcome of the hearing. Conditions for an appeal are enumerated on pages 15-16 of this Code.

4. Disciplinary Hearing
A hearing shall be conducted before a hearing committee at the discretion of the Dean of the College of Kendall College of Art and Design of Ferris State University.

A University Committee on Discipline (UCD) hearing committee shall consist of three members, including one student, one faculty member, and one staff member, with the committee selecting either the faculty or staff member to preside as the committee chair. The UCD shall be selected by the Dean of the College from a hearing committee list containing names of at least five students, five faculty, and five staff members.

No UCD hearing shall be held unless all three members of the hearing committee are present. If any member of a hearing committee is unable to be present or should request to be excused from serving for any good cause, another committee member shall be selected from the hearing committee list. The decision of the UCD will serve as a recommendation to be approved by the Dean of the College.

The hearing committee’s presiding chair, in consultation with any other members, shall maintain necessary order and shall make all rulings necessary for the fair, orderly, and expeditious conduct of the hearing. The committee may
question all witnesses. When it appears necessary to avoid undue hardship, the committee may, at their discretion, grant a reasonable continuance of the hearing. At the hearing, the Dean of the College and the charged student may present and question witnesses, present other evidence, and question other witnesses. The student charged with a violation may respond to the charges but shall not be ordered to respond by the committee, nor shall failure to respond be considered an admission of responsibility. The burden of proving that the student has committed the violation(s) as charged shall be upon the University. The decision of the committee shall be based solely upon matters presented and introduced at the hearing and must be based upon a preponderance of the evidence. A committee decision shall be made by majority vote. The hearing committee shall make a finding as to whether the student has committed only the violation(s) as charged. If the hearing committee finds that the student has committed the violation(s), the committee shall, after review of any disciplinary record the student may have, require one or a combination of the disciplinary sanctions enumerated under this code. Within ten (10) University business days after the conclusion of the hearing, the Dean of the College of Kendall College of Art and Design of Ferris State University shall render a written decision of the hearing and outline any sanctions imposed. If the student fails to attend the hearing after proper notification by the Dean of the College, the hearing will proceed and a decision may be made in his or her absence. Or if the charged student withdraws from the institution prior to the adjudication of his/her case and the former student chooses not to appear, the hearing will proceed and a decision may be made in his or her absence. A representative may not appear in lieu of the charged student. When an extension of time appears necessary to avoid undue hardship, the committee may extend the time to enable a student to respond to an accusation or prepare a response.

5. Victim’s Rights
Kendall College of Art and Design of Ferris State University has policies set up to preserve the rights of victims of violent crimes involved in disciplinary process. The University has established the following victim’s rights:

a. The right of the victim to have a support person accompany him/her throughout disciplinary proceedings. A support person will not represent the victim nor will he/her speak during a hearing. A support person may not act as legal counsel.

b. The right of the victim to choose to be visually screened from the accused during the hearing process.

c. The right of the victim to determine his/her level of involvement in the hearing process. The victim may be present during the hearing process and participate in questioning the charged student and witnesses. The victim may choose instead to be only involved as any other witness, in which case, the victim may submit a list of questions prior to the hearing. If they are deemed relevant by the hearing officer or committee chair, the questions will be asked during the hearing.

d. The right not to have irrelevant past conduct discussed during the hearing.

e. The right to make a “victim impact statement” to be submitted in writing at the time of the hearing. The impact statement will be considered by the hearing body only if the student is determined to be “in violation” of University policy.

f. The right to be informed of the ultimate outcome of the hearing within constraints established under applicable confidentiality statutes. After the accused has been notified of the initial decision, the victim will also be notified as soon as practical. The victim will also be apprised that the accused may appeal the initial decision.

g. The right to review all evidence that is to be admitted during the hearing process. Evidence will be available consistently both to the victim and the accused.

h. The right not to be discouraged from proceeding with appropriate adjudication channels.

i. The right to be treated with dignity.

6. Sanctions
The Dean of the College of Kendall College of Art and Design of Ferris State University is authorized to impose any one or a combination of the following sanctions for acts of misconduct. The University may impose other sanctions singularly or in combination with any of those listed below. The University recognizes two kinds of sanctions: administration (inactive) and educational, and they are often combined in an effort to hold students accountable while also providing resources to aid in a student’s success.

a. Administration Sanctions
Administrative Warning
Administrative Warning is an official warning informing a student that he/she has been found in violation of the University policy and that he/she should understand that further violations could result in further sanctions. With an Administrative Warning, a student should have a clear understanding of the University’s expectations for his/her future behavior.

Disciplinary Probation Level I
Disciplinary Probation Level I is a period of observation and review. Probation is intended to convey to the student that his/her conduct is unacceptable by University Standards. Disciplinary Probation Level I will result in the student being on Probation for the remainder of the semester up to an additional academic year. Probation may involve the loss of specified privileges.

Disciplinary Probation Level II
Disciplinary Probation Level II is the highest administrative sanction a student may be issued and still actively attend the University. Disciplinary Probation Level II will result in a minimum of one academic year on Probation up to the duration of the student’s academic career. Further violation of University policies at any point during the probationary period will be viewed not only as a violation based upon the act itself, but also as a violation of the Probation. This shall result in further action up to, and including, suspension or dismissal from the University.

**Suspension**
A student may be prohibited from participating in all aspects of University life for a specified period of time, usually a semester or a full academic year. When a student is suspended from the University, the suspension applied to all campuses of the University and prohibits that student from entering the grounds of all University campuses. When the term of the suspension has ended, the student may apply for readmission. Should a student choose to reapply and be readmitted to the University, the student would be placed on Disciplinary Probation for the remainder of his/her academic career at the University.

**Dismissal**
A student may be dismissed from the University permanently. When a student is dismissed from the University, the dismissal applies to all campuses. Furthermore, the student may not petition the University for readmission.

Please note: For those individuals who are either suspended or dismissed from Kendall College of Art and Design of Ferris State University, an AW (Administrative Withdrawal) will be placed on the student’s transcript if the suspension or dismissal is effective prior to the deadline for withdrawal from classes published by the University. This means that no grades A through F will be issued for that semester in which the student was suspended or dismissed. If the suspension or dismissal is effective after the deadline for withdrawal an AWF (Administration Withdraw Fail) will be assigned in the same manner as other students who withdraw after the deadline. That is, after the Withdrawal deadline, a suspended or dismissed student would receive a grade of F for the semester in which they were suspended or dismissed.

Disciplinary sanctions do not become final until the opportunity to appeal has passed. Students who choose to appeal suspension or dismissal decisions may continue to go to class and engage in customary University activities (unless otherwise stipulated) until an appeal decision is made.

**b. Educational Sanctions**

**Alcohol On-line Education**
Alcohol On-Line Education is an alcohol education program that encourages students to look at their every day choices regarding alcohol use. This exercise is for first time offenders who have violated University alcohol policy or for students that have made poor choices while intoxicated. The goal of this experience is to share with students the risks involved in misuse of alcohol, and assist students in gathering information to make more informed choices about their habits. There is a $100 programming fee for this on-line experience.

**Community Service**
The student may have the opportunity to choose the type of service he/she would like to perform and have the opportunity to work with staff at the Activities Resource Center to find service opportunities that are meaningful to them.

**Individual Assessment/Counseling**
A student may be sanctioned to visit with Kendall College of Art and Design College Counselor for an individual assessment and/or counseling. Sometimes conduct issues arise because students are experiencing difficulty in their lives. The College Counselor can assist students in addressing these issues to help minimize the chances of future behavioral issues. These situations are handled confidentially.

**Marijuana 101**
Marijuana 101 is an online drug education course. This program discusses marijuana’s effects on the brain, health issues, school and job performance, and the consequences and realities of using marijuana. This intervention course includes a self-assessment and acts as a first response for a marijuana violation. There is a $100 programming fee for this experience.

**Mediation**
Mediation is an opportunity to peacefully and appropriately resolve differences with another individual or individuals through the assistance of a trained, unbiased, third-party facilitator. A student or student organization(s) may be encouraged or required to attend mediation in lieu of formal adjudication or as a result of formal adjudication.

**Parental Notification**
A letter may be sent home to the parents or guardians of any student found in violation of an alcohol or drug violation. The intent of this letter is to ensure that the student, parent, and institution are able to work in partnership regarding individual student success. The parental notification letter informs the parent or guardian that a student’s relationship with the University is tenuous and may be severed if the student’s behavior is not altered.

**Restitution** – A student may be required to pay the costs for the replacement or repair of any property damaged by the student.

7. **Appeal**
The student may appeal the outcome of the hearing by filing a notice of appeal. **Only the student may submit an appeal on their behalf. Appeals submitted by any other party will not be considered.** Appeals for outcomes of
suspension or dismissal are reviewed by the Dean of the College of Kendall College of Art and Design of Ferris State University. All appeals should be directed to the Dean.

The notice of appeal must be in writing by the appeal deadline date stated in the written outcome of the hearing. **Appeals must meet one of the following criteria:**

Failure by the Dean of the College of Kendall College of Art and Design of Ferris State University or hearing committee to afford the student due process, or a procedural error in the hearing which may have been substantial enough to change the case outcome; and/or the discovery of substantive new evidence that was unknown to the charged student at the time of the hearing that could have a significant effect on the case outcome; the severity of the sanction (ONLY in cases that result in suspension or dismissal from the University).

**Note: Simply not wanting to be sanctioned or disagreeing with the sanction is not grounds for an appeal.**

Appeals by a student from a decision of the Dean of the College or a decision resulting from the committee hearing shall be heard by the President of Kendall College of Art and Design of Ferris State University or his/her designee.

Upon review of the written appeal material, the President of Kendall College of Art and Design or his/her designee may recommend one of the following options for the approval by the Dean of the College of Kendall College of Art and Design of Ferris State University or designee:

If the grounds for appeal have been sufficiently satisfied and the appeal is accepted, one of the following will occur: the case shall be remanded back to the Dean of the College or hearing committee with specific instructions to correct a procedural error and reconsider the case; or the case shall be remanded back to the Dean of the College for a new hearing before a new hearing committee. The sanction may be modified.

If the grounds for appeal have not been sufficiently satisfied, the original decision shall remain.

In unique circumstances, there may be times in which an appellate officer and/or board, in conjunction with the Dean of the College, may adjust or amend a sanction outcome.

Each student shall be limited to one appeal and shall not be entitled to appeal her/his case from one appellate officer to another.

If a student has submitted an appeal, he/she may continue to go to class and engage in customary University activities (unless otherwise stipulated) until an appeal decision is made.

**8. Interim Suspension**

**a.** The Dean of the College of Kendall College of Art and Design of Ferris State University or his/her designee may act immediately without following the hearing procedures established by the University and impose an interim suspension if it is determined that the student’s or organization’s continued presence on the campus constitutes a serious threat to self, other people, or property.

**b.** A student who is issued an interim suspension and excluded from the University shall be required to leave the property of the University immediately and shall be notified that he or she will thereafter be treated as a trespasser if he or she returns to university property without proper authorization. Within twenty-four hours after the student is excluded, a written notice must be sent to the student by regular mail informing the student of the following:

i. That the student has been issued an interim suspension from the University;

ii. That the student has been excluded from being on University property;

iii. That the student will be considered a trespasser if he or she returns to University property without proper authorization;

iv. The reasons for the interim suspension from the University and the exclusion from University property; and

v. That the Dean of the College will be initiating disciplinary action against the student.

**c.** The Dean of the College shall initiate disciplinary proceedings against a student who has been issued an interim suspension and excluded from the University.

i. The student shall thereafter be permitted to enter the University campus only for the limited purpose of participating in the disciplinary proceedings conducted under this section.

ii. The Dean of the College may require that the student be escorted to and from the disciplinary proceedings by members of the Public Safety.

iii. Every attempt will be made to act expeditiously with the disciplinary proceedings.

**d.** Within fourteen (14) business days after a student has been notified of the interim suspension and exclusion from University property, the student may request an interim suspension review hearing to determine whether the interim suspension should continue or whether the student should be reinstated and allowed to return to University property.

i. The request must be submitted in writing to the Dean of the College of Kendall College of Art and Design of Ferris State University or his/her designee.

ii. The Dean of the College or his/her designee shall select a committee as provided by University policy.

iii. The committee shall hold a review hearing within seven (7) business days after being selected by the Dean of the College or his/her designee.

iv. The committee will review the information upon which the summary action was based and recommend any further action.

v. The student is entitled to a support person of his or her choice at his or her own expense, but such support person may not act as legal counsel.

vi. The student shall be permitted to enter the University campus for the limited purpose of this hearing in accordance with the provisions in this code.
vii. The committee will make a decision by the end of the hearing and notify the student and the Dean of the College or his/her designee concerning the recommendation.
viii. The committee may affirm the original decision and advise the student that the interim suspension and temporary exclusion will continue until the student is notified otherwise in the course of subsequent disciplinary proceedings, or the committee may recommend that the student be reinstated pending the conduct proceedings.
ix. The Dean of the College or his/her designee will consider the recommendation of the hearing committee but is not bound by the recommendation. The Dean of the College or his/her designee shall thereafter notify the student that the student is reinstated or that the interim suspension and temporary exclusion are to be continued pending the outcome of the disciplinary proceedings.

9. Responses to Mental Health Crisis
The University must respond to challenges created by mental health crises promptly and with compassion. The University may respond in a variety of ways, as necessary, when a student exhibits behaviors resembling or indicating a psychological emergency and/or an inability to appropriately manage their own behaviors effectively. University staff will assess the student’s overall safety and ability to reasonably manage his/her community experience and academic progress. This assessment will include consideration of any negative impact created for the community in which the student lives.

Kendall College of Art and Design of Ferris State University provides the services of a full-time Director of Counseling and Disability Services, without charge, to all students. All consultations are confidential and allow more personal discussions than may be possible with faculty and staff. Students seeking more extensive therapy are referred to other community resources. Appointments can be made on a need basis by stopping by the Activities and Resource Center, or by leaving a confidential voice mail message for a return call from the Counselor at 616.451.2787.ext.1136.

Topics often addressed during counseling sessions include interpersonal relationships, dating issues, family concerns, stress management, sexuality, assertiveness, substance abuse, depression, and decision making. Some students “just want to talk,” while others are experiencing distressing personal situations.

Due to the confidentiality of the client-counselor relationship, counseling records are maintained separately from academic records and are solely for the counselor’s use. Except in certain cases specified by Michigan law, counseling and psychological information may be released only when authorized by the student. If a student is a danger to him/herself or others, or cannot care for his/her own needs, a family member or a psychological facility may be contacted so that the student can receive appropriate care. In these instances, the counselor will involve the student in the decision-making process as much as possible.

The student may be referred to the Dean of the College of Kendall College of Art and Design of Ferris State University to participate in the standard administrative hearing process where deemed appropriate. There may be instances where the student and the University will be best served by employing alternative mechanisms. These include any combination of the following:
The student may be required to adhere to a behavioral contract.
The student may be referred for counseling with criteria for future behavior stipulated in a behavioral contract.
In some circumstances, it may be necessary for the student to move to a new environment either in another residential area or off-campus. A parent or guardian may be contacted regarding the identified behaviors and participate in the development of a plan of assistance for resolving these issues. An Interim Suspension may be imposed until the student’s health circumstances and/or behavioral issues can be properly addressed and resolved.

An Interim Suspension may be implemented if the Dean of the College or designee determines that a student may be suffering from a mental health crisis, and the student’s behavior poses a current or imminent danger in any of the following ways:
Potential physical harm to the student or others;
Causing significant property damage;
Directly and substantially impeding the lawful activities of others; and/or
Creating an environment that severely compromises an individual’s ability to be an appropriate student and/or campus community member.

A student who is subject to an Interim Suspension shall be notified in writing of the reasons for his/her Interim Suspension. The notification shall include the procedures related to future due process. It may also contain the terms and conditions for consideration for readmission to the University, if appropriate. Students who have received an Interim Suspension for mental health crisis or other health and safety reasons may be required to participate in the normal adjudication process depending on the circumstances of his/her case.
In all circumstances involving imminent danger or the possibility thereof, the University reserves the right to attempt to contact the student’s parents(s) and/or other individuals who have been identified as potentially able to respond to and/or assist in resolving an emergency or crisis involving the student.

The Dean of the College of Kendall and the Program Chairperson will review the circumstances with the professor and the student. If the violation is disputed, the Grade Grievance Procedure will be followed. IV. Administrative Policies

A. Student Dignity and Harassment Policy

Statement of Principles
Kendall College of Art and Design of Ferris State University expects all students and employees to conduct themselves with dignity and respect for students, employees and others. It is each individual's responsibility to behave in a civil manner and to make responsible choices about the manner in which they conduct themselves. Harassment of any kind is not acceptable at the University. The University does not condone or allow harassment of others, whether engaged in by students, employees, supervisors or administrators, or by vendors or others doing business with the University. Harassment is the creation of a hostile or intimidating environment in which verbal or physical conduct, because of its severity or persistence, is likely to significantly interfere with an individual's work or education, or adversely affect a person's living conditions.

To assist with the understanding of what harassment is, this Code of Community Standards contains specific definitions of two of the more prevalent types of harassment -- racial harassment and sexual harassment.

Definition of Racial Harassment
Racial harassment includes any conduct, physical or verbal, that victimizes or stigmatizes an individual on the basis of race, ethnicity, ancestry, or national origin. Such behavior could involve any of the following: the use of physical force or violence to restrict the freedom of action or movement of another person or to endanger the health or safety of another person; physical or verbal conduct, intentional or otherwise, that has the purpose or effect of (or explicitly or implicitly threatens) interference with an individual's personal safety, academic efforts, employment, or participation in University-sponsored activities; or the conduct has the effect of unreasonably interfering with an individual's work or academic performance or creating an intimidating, hostile, or offensive working, learning or living environment.

Definition of Sexual Harassment
Based on the definition contained in the Equal Employment Opportunity Commission guidelines, adapted to include educational environments, sexual harassment is defined as unwelcome sexual advances, requests for sexual favors or other verbal or physical conduct of a sexual nature when: submission to such conduct is made either explicitly or implicitly, a term or condition of an individual's employment or academic advancement; submission to, or rejection of, such conduct by an individual is used as a factor in employment or academic decisions affecting such individuals; or such conduct has the purpose or effect of substantially interfering with an individual's work or academic performance or creating an intimidating, hostile, or offensive working, living or academic environment.

While sexual harassment most often takes place in situations of power differential between the persons involved, sexual harassment may also occur between persons of the same status (e.g., student-to-student). The person exhibiting sexually harassing conduct need not realize or intend the conduct to be offensive for the conduct to constitute sexual harassment.

Other Types of Harassment
The attributes of racial harassment described above are also the attributes of most other types of harassment. Harassment may be based upon a person's status that is protected by law (e.g., religion, veteran status, handicap, etc.) or may be based on some other reason not specifically covered by law. In any event, harassment of any type is not acceptable at the University.

Harassment Concerns
Any person who believes that he or she has been subjected to harassment of any kind (sexual, racial or otherwise) should approach the individual whom he or she believes responsible. He or she should identify the specific behavior, explain that he or she considers the behavior to be offensive and/or harassing, and ask the individual to stop the behavior. If assistance is needed to approach the individual, the Dean of the College of Kendall College of Art and Design of Ferris State University should be contacted.

If approaching the individual is not possible (e.g., the person who believes that he or she has been subjected to harassment is uncomfortable or uncertain as to how the situation should be handled or is concerned that the situation may become volatile), or if approaching the individual does not resolve the matter, it should then be reported immediately to the Dean of the College of Kendall College of Art and Design of Ferris State University. If, for some reason, the person who believes that he or she has been subjected to harassment is uncomfortable discussing the situation with this individual, the situation should be reported to any member of the University Administration. The circumstances surrounding the matter will be fully investigated, including the nature of the harassment and the context in which it occurred.
All reports of harassment and subsequent investigations will be kept as confidential as possible. Anyone found to have violated this policy will be subject to discipline up to and including suspension or dismissal. Discipline may include, but is not limited to, official reprimand, official apology, sensitivity training, and/or other disciplinary action including dismissal. Likewise, because intentionally false accusations of harassment can have serious effects on innocent people, anyone found to have intentionally falsely accused another person of violating this policy will be subject to discipline, up to and including discharge or dismissal.

B. Consensual Relationships Between University Employees and Students

Consensual relationships of an amorous or sexual nature, that might be appropriate in other circumstances, are deemed inappropriate when they occur between an employee of the University and a student for whom he or she has a professional responsibility. For example, such a relationship would be inappropriate between a faculty member, administrator, supervisor, advisor, or coach and a student for whom he or she has professional responsibility. Even when both parties have consented to the development of such a relationship, the relationship can raise serious concerns about the validity of consent, conflicts of interest, and unfair treatment for others and may result in serious consequences. Employees and students of the University are expected to make responsible choices.

It is the policy of the University that any University employee who has professional responsibility for students shall not assume or maintain professional responsibility for any student with whom the University employee has engaged in an amorous or sexual relationship. Whether the relationship predated the assumption of professional responsibility or arose out of the professional association, the University employee shall immediately disclose the relationship to the relevant unit administrator. The administrator shall immediately arrange a meeting of the parties to the relationship to discuss alternative oversight of the student, and to attempt to reach cooperative agreement on changes that will move professional responsibility for the student to another University employee. If no agreement is reached, the administrator shall determine and direct the best method to deal with the situation.

C. Sexual Assault Policy

Kendall College of Art and Design of Ferris State University does not tolerate sexual assault in any form, including what is often labeled "acquaintance rape" or "date rape". Student and Employee Dignity Policies demand all University community members to act with dignity and treat each other with respect. Sexual assault is a violation of the dignity and respect policies, as well as other policies and criminal law, and the University will strongly pursue disciplinary action and sanctions against all employee and student perpetrators, up to and including termination of employment or dismissal from the University. Mediation is not an appropriate method of resolution for sexual assault complaints.

Definition of Sexual Assault

If physical sexual contact occurs and there is a lack of consent (or a person is not able to consent) or force is involved, a sexual assault most likely has occurred. Lack of consent is a crucial factor. Where force, threat of force, or coercion is involved, the victim has not consented. Furthermore, persons under the influence of drugs or alcohol may lose their ability to consent and persons of insufficient age and mental capacity also may not legally consent. While use of alcohol or drugs may render the victim of sexual assault legally unable to consent, use of alcohol or drugs by the perpetrator does not diminish the perpetrator's personal responsibility or exposure to disciplinary sanctions.

The Law

Sexual assault is a violation of Michigan criminal law and may result in criminal charges and sanctions being pursued against the perpetrator in addition to University disciplinary procedures and sanctions.

The Crime Awareness and Campus Security Act, renamed the Jeanne Clery Act in 1998, among other things, requires Universities to disclose campus related crime statistics and to draft, publish and enforce a policy regarding the institution's campus sexual assault programs, including procedures to follow when a sex offense occurs. The University publishes annually a Campus Crime Awareness brochure, as required by the law, which is widely distributed among the University community and is available on request.

Reporting

When a sexual assault has occurred, it is essential for the safety and well being of the University community, that the incident be reported immediately to the proper authorities. The Vice President for Administration and Finance of Kendall College of Art and Design of Ferris State University has been designated as "Reporting Official" for sexual assaults at Kendall College of Art and Design. The Reporting Official is designated to receive sexual assault reports. The Reporting Official will inform victims of the importance of reporting the incident to the police and will assist victims who elect to report with contacting the proper authorities. The Reporting Official will also take steps to provide support services to the victim and preserve evidence of the assault.
In the event the victim is reluctant to report, the Reporting Official shall report the matter to the local law enforcement officials. Local law enforcement officials should also be contacted when the assault occurs off campus.

The Vice President for Administration and Finance of Kendall College of Art and Design of Ferris State University takes every report of sexual assault seriously. The assault report will actively be investigated and made available to the victim a variety of services located both at Ferris and in the community. It is the goal of the Vice President for Administration and Finance of Kendall College of Art and Design of Ferris State University to treat victims with courtesy, sensitivity, understanding and professionalism.

Victims who wish to speak to someone who is not required to report are encouraged to find confidential counseling available on campus through the College Counselor. Upon the victim's request, the Counselor may report the sexual assault as a crime statistic without identifying the victim.

The Vice President of Administration and Finance of Kendall College of Art and Design of Ferris State University shall make arrangements, to the best of his/her ability, to receive reports from all local law enforcement agencies regarding campus related sexual assaults.

**Victim’s Rights**

Kendall College of Art and Design of Ferris State University has policies set up to preserve the rights of victims of sexual assaults and other crimes involved in disciplinary process. The University has established the following victim’s rights:

a. The right of the victim to have a support person accompany him/her throughout disciplinary proceedings. A support person will not represent the victim nor will he/her speak during a hearing. A support person may not act as legal counsel.

b. The right of the victim to choose to be visually screened from the accused during the hearing process.

c. The right of the victim to determine his/her level of involvement in the hearing process. The victim may be present during the hearing process and participate in questioning the charged student and witnesses. The victim may choose instead to be only involved as any other witness, in which case, the victim may submit a list of questions prior to the hearing. If they are deemed relevant by the hearing officer or committee chair, the questions will be asked during the hearing.

d. The right not to have irrelevant past conduct discussed during the hearing.

e. The right to make a “victim impact statement” to be submitted in writing at the time of the hearing. The impact statement will be considered by the hearing body only if the student is determined to be “in violation” of University policy.

f. The right to be informed of the ultimate outcome of the hearing within constraints established under applicable confidentiality statutes. After the accused has been notified of the initial decision, the victim will also be notified as soon as practical. The victim will also be apprised that the accused may appeal the initial decision.

g. The right to review all evidence that is to be admitted during the hearing process. Evidence will be available consistently both to the victim and the accused.

h. The right not to be discouraged from proceeding with appropriate adjudication channels.

i. The right to be treated with dignity.

j. The right to present relevant witnesses and other evidence.

k. The right to have the case adjudicated promptly and equitably.

l. The right to appeal the outcome of the original hearing. The appeal process is available consistently to the victim and the accused student.

**Sexual Harassment**

Under Title IX sexual assault is considered to be a form of sexual harassment. The University Board of Trustees' Employee and Student Dignity Policies address the proper procedures for dealing with sexual harassment of, or by an employee or a student, which harassment does not rise to the level of sexual harassment. Sexual harassment that does rise to the level of sexual assault should be dealt with as required in this policy. Sexual assault and sexual harassment are not tolerated by the University, and violators are subject to discipline up to and including dismissal or discharge.

**Informational Resources**

The Reporting Official will have access to useful information for sexual assault victims, including a description of options, services, and rights to which student victims are entitled. See the following lists for the telephone numbers of important contacts.

D. Kendall College of Art and Design of Ferris State University Policy on Alcohol and Drugs and Statement Supporting Drug-Free Schools and Communities

Statement of Purpose
This policy is designed to communicate a comprehensive approach to dealing with issues related to alcohol and other drugs. The policy will assist all members of the Ferris State University community, as it provides an educational context for these issues, identifies resources available, and enunciates specific policies that relate directly to faculty, staff, and students.

The foundations for this policy reflect the University’s core values:
- Collaboration: the University contributes to the advancement of society by building partnerships with students, alumni, business and industry, government bodies, accrediting agencies, and the communities the University serves.
- Diversity: by providing a campus which is supportive safe, and welcoming, the University embraces a diversity of ideas, beliefs, and cultures.
- Ethical Community: the University recognizes the inherent dignity of each member of the University community and treats everyone with respect. Our actions are guided by fairness, honesty, and integrity. Excellence: committed to innovation and creativity, the University strives to produce the highest quality outcomes in all its endeavors.
- Learning: the University values education that is career-oriented, balances theory and practice, develops critical thinking, emphasizes active learning, and fosters responsibility and the desire for the lifelong pursuit of knowledge.
- Opportunity: the University, with a focus on developing career skills and knowledge, provides opportunities for civic engagement, leadership development, advancement, and success.

Commitment and Values
By fulfilling these commitments, the University is teaching these values. However, values cannot be taught in the abstract; they must be lived in the concrete world of the everyday tasks at the University. Therefore, every member of the University community must be committed to:
- Behave Ethically – to be honest, forthright, loyal, trustworthy, and compassionate
- Act Civilly – to treat everyone with respect and courtesy; to resolve disputes openly and without rancor
- Be Productive – to fully engage each person’s intelligence, talents, and energy in fulfilling the mission and achieving the goals of the University
- Be responsible – to be accountable for individual performance and behavior.

Applicability of this Policy on Alcohol and Other Drugs
This Policy on Alcohol and Other Drugs pertains to all activities on University property. This policy also pertains to off-campus, University-sponsored activities and to off-campus activities (social or otherwise) sponsored by students, organizations or individuals associated with the University.

Kendall College of Art and Design of Ferris State University, like all other institutes of higher education, supports the Drug Free Schools and Community Act Amendments of 1989. This legislation promotes the adoption and implementation of a program to prevent the abuse of alcohol and illicit use of alcohol and other drugs by employees and students.

Materials are available in the College Counselor’s office. It is important to be aware of legal consequences and University sanctions indicated by violations of local, state and federal laws and University policies and procedures.

Health Concerns and Health Risks
Any individual choosing to abuse alcohol or illicitly use alcohol and other drugs needs to be more aware that there may be a wide variety of health risks associated with this behavior. Chemical dependency, or addiction to alcohol and other drugs, is a chronic progressive illness that, if untreated, can be fatal.

Long term effects of alcohol abuse or alcoholism may include liver damage, especially cirrhosis (scarring of the liver); heart disease, including congestive heart failure; ulcers and gastritis; malnutrition; cancer of the mouth, esophagus or stomach; brain damage and possible psychosis; and fetal alcohol effect and fetal alcohol syndrome in infants of drinking mothers.

Use of other illicit drugs may pose some of the following hazards:
- Cocaine results in changes in blood pressure, hear and breathing rates, severe weight loss and liver damage, and it may cause seizures, coma and possibly death.
- Marijuana can effect coordination, short-term memory, visual tracking and heart rate. Regular use can produce reproductive system changes, damage to the respiratory system (lungs) and the immune system.
- Depressants in large doses can cause altered perception, blurred speech and a staggering gait. Very large doses can cause respiratory depression, coma and possibly death. In combination with alcohol, another depressant, these effects can be intensified and this multiplies the risk.
- Hallucinogens, like phencyclidine (PCP) can produce a range of effects that include slowed time and body movement, worsened muscular coordination and dulled senses. Speech can be blocked and often incoherent. Violent PCP episodes
may result in self-inflicted injury. Increasing use may produce persistent memory problems and speech difficulties, depression, anxiety and violent behavior. Large doses may result in convulsions, coma, hart and lung failure and possible stroke.

Narcotics (codeine, heroin, and a variety of prescription medications) will produce an initial feeling of euphoria followed by drowsiness, nausea and vomiting, constricted (shrinking) pupils, watery eyes and itching. Overdose may produce slow and shallow breathing, clammy skin, convulsions, coma, and possible death. Due to frequent use of needles with this class of drugs, infectious diseases, including AIDS are a major concern.

Inhalants, volatile breathable substances, which are abused by sniffing or inhaling, may interfere diversely with breathing or produce irregular heartbeats that can lead to heart failure and death. Long-term use has resulted in bone marrow damage, drastic weight loss, impairment of vision and memory, and the ability to think clearly.

It is not necessary to become addicted to or dependent upon any of these drugs to experience a wide variety of personal and/or family problems. “Harmful involvement” with any of the drugs mentioned here may show up in a number of different ways. Use of alcohol and/or the other drugs may result in poor judgment; poor coordination; lessened concentration; slower reaction times; impaired eyesight; slips and falls; self-induced burns due to fire; injuries from improper use of hazardous materials, tools or shop machinery on the job or in class; and motor vehicle crashes. In addition, personal motivation and productivity may decline. Quality of work and cooperation with others may also be jeopardized.

The impact of alcohol abuse and illicit alcohol and other drug use is also seen in both family and social circles. Continued use and abuse often times may increase problems in existing dysfunctional family/social systems or may give rise to the development of dysfunctional family/social systems impacting on significant others, spouses, children, parents, and friends. Friendships and work relationships may suffer and personal relationships, including marriages, very often become strained to the point of separation or divorce. The incidence of alcohol and other drug use involved in car crashes, violent and petty crime, and domestic violence and sexual assault is well documented and very high.

It is important to note that while we as individuals may not be personally affected by the behaviors and consequences noted above, each of us at one time during our lives will probably have to deal with a friend, family member, or co-worker who is struggling with his or her use/abuse of alcohol and/or other drugs. It is therefore important for all of us to know how we can access available resources in our community.

As a community, we encourage individual members to reach their full potential as persons and citizens, unencumbered by destructive or counterproductive patterns of behavior.

**Alcohol and Other Drug Helping Resources**

Counseling services, individual and/or group, provided to students by our College Counselor are completely confidential and are provided at no charge. Off-campus service provider fees can vary and payment arrangements, many times, can be flexible from a sliding fee scale for those with little or no ability to pay, to fees for those with health insurance coverage. Employees and students with insurance should be advised that all health insurance policies written in Michigan are required by state law to provide at least some coverage for alcohol and other drug services. See also the list of Medical and Counseling Assistance in this document.

**Drug Free Workplace Policy**

Consistent with State and Federal Law, Kendall College of Art and Design of Ferris State University will maintain a workplace free from the unlawful manufacturing, distribution, dispensation, possession or use of a controlled substance, as defined under the Controlled Substances Act, 21 U.S.C. 812, as may be amended from time to time. The unlawful manufacture, distribution, dispensation, possession or use of drugs or narcotics is prohibited on any property under the control of and governed by the Board of Trustees of Ferris State University, and at any site where work is performed by individuals on behalf of Ferris State University. The Kendall College of Art and Design of Ferris State University Student Community Standards Administrative Policies and Procedures include specific sections related to alcohol and other drug use or abuse.

Pursuant to applicable University procedures governing employee discipline, any employee involved in the unauthorized use, sale, manufacturing, dispensing or possession of legal or illegal drugs or narcotics on University premises or work sites, or working under the influence of such substances, will be subject to disciplinary action up to and including dismissal.

The employee must notify the University of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction. Failure to provide such notice will subject the employee to dismissal. The employee shall notify his/her immediate supervisor who will report the incident to the Vice President of Administration and Finance of Kendall College of Art and Design of Ferris State University.
The College supports programs aimed at the prevention of substance abuse by College employees. Leaves of absences to obtain treatment may be obtained under the sick leave or medical leave provisions.

The President of Kendall College of Art and Design of Ferris State University is authorized and directed to immediately implement this policy and otherwise take such action as may be required to comply with the Drug Free Workplace Act of 1988 and Administrative Rules issued pursuant to the Act.

This policy applies to all Kendall College of Art and Design employees, including but not limited to: faculty, staff and student employees.

**Student Policies and University Sanctions**

**Individual Students**
Consistent with State and Federal Law, the University prohibits the unlawful manufacture, distribution, dispensation, possession or use of alcohol and other drugs. The University also places limitations on the use and possession of alcohol on campus, above and beyond legal standards. Individual students who are found in violation of University policies, guidelines, or expectations with regard to alcohol and other drugs are subject to discipline, pursuant to established University procedures.

**Student Groups**
A violation of University policies, guidelines or expectations can result in both individual and group discipline, pursuant to established University procedures.

**University Sanctions**
Kendall College of Art and Design of Ferris State University will impose sanctions on employees and students (consistent with local, state and federal law, and within applicable collective bargaining agreements) for violations of the standards of conduct, as expressed in any University regulations. Sanctions resulting from employee or student violations of these standards of conduct will result in disciplinary action up to and including termination for employees and dismissal for students. In addition, for both employees and students, the sanctions may include referral to appropriate authorities for prosecution of violations of stated policies.

Student sanctions in the Kendall College of Art and Design of Ferris State University Student Community Standards Administrative Policies and Procedures specifically include official reprimands, behavioral contracts, disciplinary probation, suspension from the University, or dismissal from the University without opportunity to enroll in the future. In addition, these include the opportunity for other sanctions to be imposed, such as the requirement of reimbursement for damages, loss of special privileges or participation in campus provided educational programs.

The University considers involvement in the student disciplinary process to be part of a student’s learning experience. Through a system of progressive discipline, it is anticipated that a student will realize the importance of functioning within the University’s policies, procedures and regulations. Though every case involving the violation of University policies or procedures is considered on the basis of the merits in that case, there are some categories of violations for which the anticipated sanction would be suspension or dismissal from the University. Such serious infractions include, but are not limited to, the distribution of alcohol to minors, distribution of illegal drugs or the use, possession, or distribution of alcohol or illegal drugs that result in a serious safety or health matter for any member of the campus or local community.

**Policy Distribution**
This Policy on Alcohol and Other Drugs shall be distributed to students through the Student Handbook and through the Kendall College of Art and Design web site (www.kcad.edu) in the on-line college catalog.

**E. Freedom on the Campus and Uniform Regulations of Campus Activity/Facility Use**

**Statement of Principles**
Kendall College of Art and Design of Ferris State University recognizes, endorses, and abides by the principles of free speech that flow from the First Amendment to the United States Constitution. Protected speech cannot be completely suppressed solely because of the audiences' approval or disapproval of its content. Yet, there is no absolute right to assemble or to make or hear a speech, at any time or place regardless of the circumstances, content of speech, purpose of assembly, or probable consequences of such meeting or speech. In addition, the First Amendment will not protect expression where reasonable content-neutral University rules and regulations have not been followed.

**Rights Reserved to the University**
Kendall College of Art and Design of Ferris State University reserves the right to deny permission to University organizations or units and/or community groups that may wish to sponsor lecturers, entertainers, groups, or exhibitions that may be in conflict with the University's policies or local ordinances. The Vice President for Administration and Finance of Kendall College of Art and Design of Ferris State University shall be responsible for administering policies
and procedures to regulate campus activities and to control the use of University facilities in order to, amongst other legitimate purposes, maintain order on campus, avoid disruption of the educational mission, promote an educational atmosphere, and promote safety and security. Such policy shall be issued by the Vice President for Administration and Finance of Kendall College of Art and Design of Ferris State University and approved by the President of Kendall College of Art and Design.

All events and activities that may be sponsored on the University campus must be pre-registered with the Vice President for Administration and Finance of Kendall College of Art and Design of Ferris State University; and the Administration will determine if the activity or event is appropriate and in the best interests of the University. The sponsoring organization, unit, or community group is responsible to provide adequate provision for the health, safety and welfare of the general public. If the sponsoring agency fails to insure the proper behavior and conduct of its audiences, the sponsoring agency may be subject to penalty or discipline where applicable, if damages or mishap occur during the course of its sponsored activity. The University must insist on proper conduct and proper use of its facilities in accordance with University policy.

Uniform Regulation of Campus Activity and Facility Use
Kendall College of Art and Design of Ferris State University regulates and controls the use of its facilities in order to, amongst other legitimate purposes, maintain order on campus, avoid disruption of the educational mission, promote an educational atmosphere, and promote safety and security. Consistent with these purposes and the requirements of the First Amendment, campus activity and facility use are subject to the following requirements and limitations:

1. The University may place reasonable time, place and manner restrictions on campus activity/facility use to the extent the restrictions are not based on the content of the presentation, are narrowly tailored to serve a significant institutional interest, and leave open ample alternative channels of communication. Such restrictions may relate to advance notice, security, parking, advertising, indemnification, insurance, health and safety, as well as other areas.

2. A request for a campus activity/facility use may be denied by the University, after proper inquiry, where the activity/event will constitute a clear and present danger to the University's orderly operation because of the speaker's advocacy of such actions as: the violent overthrow of the government of the United States, the State of Michigan, or any political subdivision thereof; the willful damage to or destruction of, or seizure and subversion of, the University's buildings or other property; the forcible disruption or impairment of, or interference with, the University's regularly-scheduled classes or other educational functions; the physical harm, coercion, intimidation, or other invasion of lawful rights, of the University's officials, faculty members, or students; or other campus disorders of a violent nature.

For purposes of this subpart, "advocacy" means preparing the group addressed for imminent action and steering it to such action, as opposed to the abstract espousal of the moral propriety of a course of action by resort to force; and there must be not only advocacy to action but also a reasonable apprehension of imminent danger to the essential functions and purpose of the University.

3. Expression that does not constitute protected speech is not protected by the First Amendment and may be regulated or suppressed. Where it is patently clear, after investigation, that the activity/event will result in such unprotected expression, the University may restrict or exclude the event. Such unprotected expression includes the following (these are terms of art that must be applied according to the definitions established by the United States Supreme Court):

- Defamation: Oral or written falsehoods communicated to third parties that would harm the reputation of another;
- Fighting Words: Insulting or fighting words - those which by their very utterance inflict injury or tend to incite an immediate breach of the peace;
- Obscenity: The material in question is patently offensive, appeals to prurient interests, and taken as a whole, lacks serious literary, artistic, political or scientific value.

4. When a request for a campus activity or facility use is denied by the University, the sponsoring organization will be given notification of the reason(s) for the denial. Any aggrieved sponsoring organization may appeal the denial in writing within five (5) working days to the Vice President for Administration and Finance of Kendall College of Art and Design of Ferris State University, or his or her designee, will provide an informal hearing within three (3) working days of the filing of the appeal. No later than five (5) working days after the filing or after the hearing, whichever is later, the Vice President for Administration and Finance of Kendall College of Art and Design of Ferris State University will decide the appeal and notify the sponsoring organization of his or her decision and the reason(s) for that decision. The decision of the Vice President for Administration and Finance of Kendall College of Art and Design of Ferris State University is final.

Prohibition of Certain Conduct by Campus Speakers
A speaker must not urge the audience to take action which is prohibited by the rules of the University or which is illegal under federal or Michigan law. Advocating or urging the modification of the government of the United States or of the
State of Michigan by violence or sabotage is specifically prohibited. It is the responsibility of the sponsoring student organization to inform speakers of these prohibitions.

**Sponsorship of Campus Speaker**
Sponsorship of a campus speaker must be by a student organization that has been recognized under the general regulations approved by the appropriate University authorities.

**Responsibilities of the Sponsoring Organization**
For purposes of preserving a record of all such public meetings and of coordinating them with the calendar of other activities taking place on University property, the sponsoring organization must (a) make all arrangements for reservation of space with the appropriate University officials, and (b) complete a form to be furnished by the appropriate University office indicating, among other things, the subject to be discussed, the name of all speakers and the time and place of the meeting, and the form is to be certified by the signature of a faculty advisor. All rules for administration of requests from recognized student organizations must conform to the requirements of this subpart. It shall be the responsibility of the institutional officer under whom the program is administered to certify that all appropriate steps have been taken before the event is officially scheduled.

**F. Clery Act Compliance Policy**
Kendall College of Art and Design of Ferris State University [Kendall] is committed to campus security and safety and recognizes this as an important issue in postsecondary education. Individuals and Organizations Designated to Report Clery Act Crimes

The Kendall campus community, including students, employees, contractors, guests and invitees, should report criminal incidents, accidents, and other emergencies that occur on campus or on any off-campus building or property, by dialing 911 to reach an emergency dispatcher or to the Kendall Administration or its designee by dialing (616) 451-2787. In addition to reporting a sexual assault incident by dialing 911 to reach an emergency dispatcher or to the Kendall Administration or its designee by dialing (616) 451-2787, individuals may report sexual assaults to individuals who have been designated as “Reporting Officials”. Reporting Officials are identified in Business Policy Letter 2001:05 Sexual Assault Policy at http://www.ferris.edu/htmls/administration/buspolletter/bpl0105.htm and the Code of Student Community Standards at http://www.ferris.edu/htmls/administration/StudentAffairs/Studenthandbook/

Kendall encourages anyone who is the victim or witness to any crime to promptly report the incident to the Kendall Administration or its designee. Because public safety reports are public records under state law, Kendall cannot hold reports of crime in confidence.

Confidential reports of crime may be made to the Professional Counselor by calling (616) 451-2787, ext. 1136. The confidential information will be used to investigate the reported criminal or suspicious activity and to make the campus community a safer place to live, work and receive an education. Confidential reports of crime may be used for the purposes of inclusion in the annual disclosure of crime statistics.

Security and Access to Campus Facilities

Kendall will be open to students, parents, employees, contractors, guests, and invitees during normal business hours. During non-business hours, access to the Kendall facilities is by key if issued.
Kendall employees are responsible for maintaining the security of Kendall-owned property. Employees are required to unlock/lock the doors that he/she has responsibility for upon the beginning and completion of the workday or class. Business Policy Letter 2006/02 Key Policy [http://www.ferris.edu/htmls/administration/buspolletter/BPL0602.pdf](http://www.ferris.edu/htmls/administration/buspolletter/BPL0602.pdf). Some off-campus facilities and/or parking lots may have business hours, which may vary at different times of the day (e.g. The Lofts @ 5 Lyon, the Grandville Studio Space, City of Grand Rapids Dash-7 & 9 parking lots, Ellis parking lot and UICA). In these cases, the facilities will be secured according to schedules developed by the company/agency/college responsible for the facility.

Light Surveys are made periodically by the Kendall Physical Plant Staff and defective lights are reported on a regular basis to the Director of Physical Plant, who takes corrective action as soon as possible. The Kendall Physical Plant staff also continuously review campus lighting needs and responds to concerns expressed by campus community members regarding deficient lighting. Lighting concerns can be directed to the Director of the Physical Plant Office at (616) 451-2787.

**CAMPUS LAW ENFORCEMENT**

**Working Relationship with State and Local Police Agencies and Authority to Arrest Individuals**

Kendall College of Art and Design of Ferris State University has an established relationship with the Grand Rapids Police Department. Kendall receives timely warning announcements for any incident that falls within the boundaries of our campus and non-campus property locations. The Grand Rapids Police Investigators work closely with Kendall Administration when incidents arise that require joint investigative efforts, resources, crime related reports and exchanges of information, as deemed necessary. There is no written memorandum of understanding (MOU) between the Grand Rapids Police Department and Kendall.

**Reporting Crimes to the Kendall Administration**

The Kendall campus community, including students, employees, contractors, guests and invitees are encouraged to report criminal incidents, accidents, and other emergencies to the Kendall Administration or its designee in an accurate and timely manner. Victims of crimes are encouraged to report the incident to the Kendall Administration or its designee as soon as they are aware of an incident taking place. Any retaliatory, threatening, intimidating, coercing or discriminatory action against any individual with respect to the implementation of any provision of the Clery Act is strictly prohibited.

Individuals are encouraged to immediately report criminal incidents, accidents, and other emergencies on the Kendall campus or on any off-campus building or property by dialing 911, or by calling Kendall at (616) 451-2787. To report a non-emergency security or public safety related matter, call Kendall at (616) 451-2787. To report an off campus non-emergency security or public safety related matter, dial the Grand Rapids Central Dispatch at (616) 456-3400 or Kent County Sheriff’s Dispatch at (616) 632-6100.

In response to a call, Kendall will take the required action, asking the victim to file an incident report or by requesting assistance from the Grand Rapids Police Department. If assistance is required from the Grand Rapids Police Department or the Kent County Sheriff’s Department, Kendall will contact the appropriate unit.

Crimes should be reported to Kendall to ensure inclusion in the annual crime statistics report and to aid in providing timely warning notices to the community, when appropriate.

**Professional Counselors**

As a result of the negotiated rule making process which followed the 1998 amendments to 20 U.C.S. Section 1092(f), clarification was given to those considered to be campus security authorities. Professional Counselors, when acting as such, are not considered to be a campus security authority and are not required to report crimes for inclusion into the annual disclosure of crime statistics. As a matter of policy, the Professional Counselor encourages, if and when the counselor deems it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics.

The rule making committee defines Professional Counselors as an employee of an institution who’s official responsibilities include psychological counseling for members of the institution's community and who is functioning within the scope of his or her license or certification.

**CAMPUS SECURITY PROGRAMS**
Employees and students are informed of campus security procedures and practices at new employee/student orientation and at specially requested presentations (department/class presentation request, etc.). Annual fire and/or severe weather drills are executed on a semester basis, in conjunction with the Grand Rapids Fire Department.

G. Notification of Rights Under The Family Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student’s education records within 45 days of the day the University receives a request for access. Students should submit to the registrar, head of the academic program, or other appropriate official, written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes is inaccurate or misleading or otherwise in violation of the student’s privacy rights under FERPA. Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write to the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the University decides not to amend the record as requested by the student, the University will notify the student in writing of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before the University disclosures of personally identifiable information from the student’s education records, except to the extent that FERPA authorizes disclosure without consent. The University discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. IV: Appendices
The purpose of the following is to clarify the basic differences between the Kendall College of Art and Design of Ferris State University student disciplinary system and the court system. Like all college disciplinary systems, the University uses a different “standard of evidence” than is required by the criminal court systems. Additionally, the purposes of the systems are very different. For example: In the criminal court systems the standard of evidence is generally “beyond a reasonable doubt”. In the college disciplinary systems, the standard of evidence is “preponderance of the evidence”. In other words, is it “more likely than not” that a student violated the student code of conduct? Both systems must ensure that proper “due process” is followed. The two systems run independently of each other. The student disciplinary system cannot put students in jail and has no relation to the criminal court system. Colleges do have the legal right and responsibility to determine if their students are responsible for violating their student code of conduct, regardless of what the court system does or does not do. The student disciplinary system is intended to be an educational and remedial process, while the criminal court systems are often punitive.

Registration Procedures and Academic Policies

Academic Advising
Each major will have an advising session during the lunch hour during the week prior to registration. Watch for posters and emails regarding the days. Also every student has an academic advisor assigned to them and can be found under “MyFSU” (see below).

The proper selection of courses is important for every student. Therefore, you are encouraged to meet with your academic advisor prior to registration each term. As part of the advising process, you may be required to have your class schedule approved before you are eligible to register. Once approved, you may register for classes on your day according to how many credits you have earned or any day thereafter via the Internet.
Assigned Registration Information
The first day that registration is open is reserved for graduate students and seniors (86+ hours completed), the second day, Juniors (56-85), the third day, Sophomores (26-55) and the fourth day, Freshman (25 or less completed). Readmit/New students register on the fifth day. Dates for early registration are assigned according to hours earned prior to the beginning of the current semester. The completed hours are the same as those showing on your transcript. Registration continues on the Internet until the first day of classes.

Once classes start, courses cannot be dropped online. Students must call the Registrar's Office or come in the Student Services Office and add or drop a course before the drop/add deadline.

Internet Registration
Access Student and Financial Aid from http://www.ferris.edu. On the homepage, click on the “My FSU” option and follow instructions. After clicking “My FSU”: You will be asked for your User Name and Password. Instructions for obtaining your User Name and Password are on the homepage.

When you enter the portal, click on the MyACADEMICS tab and select Registration. Click on the option you want: Look up and add classes (by subject or course, you can see which sections are still open); add or drop classes (enter a CRN# of classes to add or drop); and view and print your schedule graphically.

Once you have completed and printed your schedule, you should log out by clicking the “logout” lock in the upper right corner of the page.

Tips for Registration
It is strongly encouraged if you are a current student that you schedule for classes on your assigned date during registration week to be successful in getting the classes you want.

Each class section has a distinct CRN number and the courses are found under “Look Up Classes” in “MyFSU”.

Do not try to register prior to your assigned day. The registration system is programmed to prevent students from registering early during assigned days. Also, if you have a hold, i.e. financial or advising, the system will not allow you to register until the hold/s are released by the area that placed the hold.

If the system tells you that either your student number or your personal access code is invalid, you should contact Student and Administrative Technical Services (SATS) at 231-591-5858 for assistance.

You cannot register for classes requiring a department permit (PDP) or an override for a closed section. You will need to receive written permission from the appropriate department for these classes. Once you have approval, the department will give you a form to be processed at the Registrar’s Office.

To provide the greatest degree of scheduling flexibility, you should enter into the system courses that are offered with only a single or limited section before courses with multiple sections.

You are reminded of the importance of protecting your registration record. Keep both your student identification number and password confidential.

Users of the FSU registration system are expected to respect the right to privacy of each individual. A student’s User Name and Password are the property of that student and are to be used only by that student. Any misuse of the system may result in discipline, including but not limited to, termination of access of this system, suspension, dismissal, legal action, or other disciplinary action.

Registration Information
As you consider enrolling for classes, please review the following points:

1. Your registration may be denied because of your academic status at the University. Academic dismissal, not fulfilling required faculty advising, a disciplinary problem, money owed to the University, failure to return library books and/or other supplies could cause holds for registration.
2. If you are on academic probation, your enrollment will be restricted to a maximum of 13 credit hours. To take additional hours, you must receive the approval of your academic advisor.
3. If you have a scholarship, grant, rehabilitation grant, or other financial aid that is not administered by the University, you MUST CLEAR the account with the Financial Aid Office each semester to complete your enrollment. If not cleared, your class schedule may be canceled.
4. To complete the registration process, every student must sign a tuition payment plan or check on financial aid in the Financial Aid Office. Kendall reserves the right to cancel the registration of any student who has not made such arrangements once the semester has begun.

Drop/Add Period
Once classes begin, you may register or adjust your schedule during the first four business days of the semester. If you increase or decrease your charges during this period, a revised tuition payment plan will be completed, adjusting your tuition charges and monthly payment amounts.

Grades
Access Your Grades
Access Ferris’ homepage at http://www.ferris.edu. On the homepage, click on the “My FSU”, go to “My Academics” tab and follow instructions. Grades are available no later than two weeks after the semester ends.

Academic Policies and Procedures

Grading System
All credits offered in degree programs are expressed in semester hours. One semester hour of credit is granted for the successful completion of one hour per week of lecture, or two or more hours per week of studio work, for a period of fifteen weeks. At the end of each term, faculty members are required to submit final course grades. Students may access their grades by using MyFSU.

The following grading system and grade point values are used for all courses at Kendall College Art and Design of Ferris State University:
Letter Grade: A (4.0), A- (3.7), B+ (3.3), B (3), B- (2.7), C+ (2.3), C (2), C- (1.7), D+ (1.3), D (1), D- (0.7), F (0)

Grades of CR (Credit), NC (No Credit), AU (Audit), I (Incomplete), IP (In Progress), W (Withdrawal), and AW (Administrative Withdrawal) are not considered in computing grade point averages. Grades of WF (Withdrawal Failing) or AWF (Administrative Withdrawal Failing) are computed as a grade point value of (0.0).

Mid-Term Grades
At mid-term (fall and spring terms only), faculty assign mid-term grades to all students. Mid-term grades are available through MyFSU the ninth week of fall or spring term.

Grade Changes
The assignment of grades is a faculty responsibility and only in exceptional circumstances is an original grade subject to change. If a student disagrees with an assigned grade, the student has recourse to seek resolution of that disagreement. The student has the burden of demonstrating the erroneousness of the original grade. An appeal for a grade change must be initiated by no later than two weeks following the issuance of the grade.
1. To begin the process, the student must seek to resolve the dispute by discussing the grade with the instructor. This discussion must take place within two weeks of the issuance of the grade. In those circumstances in which the student can provide reasons that preclude such a discussion taking place, the grade appeal process begins with Step 2.
2. If the disagreement cannot be resolved through Step 1, the student shall provide the Registrar with a written statement setting forth the justification for the requested change in grade, together with a copy of the course syllabus and work he/she completed in the course. This written statement must be submitted by no later than one week following the meeting with the instructor.
3. The Registrar will provide the instructor with a copy of the student’s written statement and ask that the instructor respond in writing within two weeks.
4. The Registrar will recommend to the Dean of the College of Kendall College of Art and Design of Ferris State University that a faculty grievance committee be convened. The Dean of the College will name a committee of three faculty members. This committee shall function as an impartial body to gather information and to clarify issues.
5. Facilitated by the Registrar, this committee will review the student’s work and the written statements of both the student and the instructor. At the Committee’s discretion, the members may seek a meeting with the student and the instructor.
6. After carefully and confidentially weighing the issues, the Committee will submit its recommendation to the Registrar, who will forward the recommendation to the Dean of the College of Kendall College of Art and Design of Ferris State University, who, in turn, will inform the student and the faculty member of the committee’s decision.

Incomplete Grades
Receiving a grade of incomplete (I) in a course indicates that you have successfully completed a major portion of the course requirements, and you should not re-register for the course. The grade of "I" is a temporary designation that is
assigned for illness, injury, birth of a child, death of a family member, jury duty or other necessary absences, generally beyond the control of the student, which prevents you from completing the course requirements. Completion of at least 75% of course work at passing levels is required before an (I) grade is assigned.

The instructor must file the Incomplete Grade form with the Kendall Registrar’s Office authorizing a grade of incomplete along with the requirements for completing the course. The student must make arrangements with the professor to complete all required work by the close of the following term, excluding summer. Instructors may require students to sign an agreement stipulating assignments and deadlines that must be met. Once the student completes the course requirements the professor must submit a grade change form to the Kendall Registrar’s Office for approval and processing.

Incomplete grades that are not made up within the following term, excluding summer term, are changed to the grade of "F", unless written authorization for a time extension from the instructor is received by the Registrar’s Office. No time extensions will be given beyond one year after the close of the semester in which the “I” was received.

Auditing a Course (No Credit)
Students are permitted to register for courses, space permitting, on an audit (no credit) basis during the designated “Institutional Change Days” during the first four (4) days of the semester. Where course capacity is limited, students taking the course for credit will have registration priority over audit students.

Repeat a Course
A student may repeat a course previously taken up to three (3) times. For exceptions to this limitation a student may appeal to the Chairperson of the program offering the course. Credit is given for a course only once, even though it can be repeated up to three times. The grade received the last time the course is taken, excluding I, W, CR or NC, is the only grade used in computing the cumulative grade point average (GPA). You may count towards enrollment status and award Title IV funds to a student who is repeating, for the first time only (i.e. one repetition per class), a previously passed course in a term-based program.

Academic Probation
A student will be placed on academic probation whenever any one of the following conditions happens.
1. The student’s cumulative grade point average (GPA) falls below a 2.0 based on a 4.0 scale.
2. The student’s semester grade point average (GPA) for two consecutive semesters is less than 2.0 based on a 4.0 scale.
3. The student is on semester trial as a new student.
Any Student who is on academic probation cannot enroll for more than 14 credit hours without receiving permission from his or her advisor.

The temporary grade of "I" will not prevent a student from being placed on probation. Grades of "I" are not figured into the GPA.

Academic Warning
A student will receive an academic warning if his or her current semester GPA falls below a 2.0. Any student who receives an academic warning cannot enroll for more than 14 credit hours without receiving permission from his or her advisor.

Academic Dismissal
A student may be academically dismissed whenever any one of the following conditions is met:
1. The student fails in 50 percent (50%) or more of the student’s credit hours in any semester.
2. The Dean of the College of Kendall College of Art and Design determines at the end of a probationary semester that academic performance does not warrant continuation.

Appeals from Academic Dismissal
A student who is dismissed from Kendall College of Art and Design of Ferris State University for academic reasons, but who believes there are extenuating circumstances that warrant consideration, may appeal the dismissal in writing to the Kendall Registrar. Final appeal rests with the Dean of the College of Kendall College of Art and Design of Ferris State University.

Readmission after Dismissal for Academic Reasons
A student who has been dismissed for academic reasons may apply for readmission subject to the following: any student who is dismissed for academic reasons will not be readmitted to Kendall College of Art and Design of Ferris State University for at least one semester, excluding summer semester. A student must provide a written letter to the Registrar regarding readmission.
Academic Counseling and Advising Services
A student is assigned a faculty advisor within the program of the student's concentration when enrolled at Kendall College of Art and Design of Ferris State University. For advising in connection with problems related to educational planning, student skills, time planning and related areas, students consult their academic program faculty advisors. Faculty advisors should be considered as the first point of contact on all problems and they refer students to other staff members for specialized assistance whenever necessary.

Withdrawal from a Course
Once the semester begins, a student may withdraw from a course and receive a grade of "W" through the ninth week of the fall and winter semesters, as published in the Schedule of Classes, or the equivalent time period if the class meets on a different schedule (e.g., a double-paced summer semester course). After that date, a grade of "W" may be given for a justifiable reason. Late withdrawal from a class without justifiable reason results in a "WF" grade. WF has a grade point value of (0.0) and is used when computing the grade point average. Neglecting to drop a class through Kendall Registrar's Office results in an "F" grade.

Medical Withdrawal from a Course
When a Kendall College of Art and Design of Ferris State University student is unable to continue attending a class due to illness, injury, or mental health reasons, and needs to medically withdraw from a course after the withdrawal deadline, the student should seek a medical withdrawal through the Director of Counseling and Disability Services located in the Activities and Resource Center. If the withdrawal deadline has not passed, please follow the process outlined under Withdrawal from a Course. The student must provide a written letter explaining the circumstances surrounding the need for a medical withdrawal and submit documentation from an appropriate medical professional supporting the circumstances of the need for a medical withdrawal. Once this information has been received, the information will be submitted to the Dean of the College. Based on the recommendation of the Dean of the College, the Registrar may process a class withdrawal, which assigns a grade of "W" in the class. A letter will be mailed to the student with approval or denial of the medical withdrawal request. Medical Withdrawal requests must be submitted within 30 calendar days of the last day of the semester.

Withdrawing from the University
Beginning the first day of the term, if you decide to process a total withdrawal from the University (stop attending all classes), you must complete an academic withdrawal form, located at the Kendall Student Services Office. If you stop attending classes, but do not officially withdraw from the University, grades of "F" will be recorded in all courses. Students receiving disciplinary suspension or dismissal from the University will receive a grade of “AW” (Administrative Withdrawal) that equates to a “W” grade prior to the last day to process a partial withdrawal from the University or an “AWF” grade that equates to a “F” grade after such date.

A student formerly enrolled at Kendall must file a readmit application if an interruption in enrollment has occurred. An interruption in enrollment occurs whenever a student withdraws from the University or fails to enroll for a succeeding term, not including summer term. Admission consideration of a re-entering student’s academic standing is based on all courses attempted at the University and at other colleges and universities attended. An applicant must meet the same academic requirements expected of new applicants.

A reduction in course load (a class withdrawal) after the fourth (4) day of classes is not a basis for a refund. After the fourth day of the term a student may withdraw from a course and receive a "W" grade within the established time period. After that time period, without justifiable reasons or neglecting to withdraw from the class through the Registrar’s Office, results in a “F” grade.

Medical Withdrawal from the University
Official Medical Withdrawals from the University are initiated by contacting the Director of Counseling and Disability Services in the Activities and Resource Center. A Medical Withdrawal is a total withdrawal from all classes for the semester, not a partial reduction in a student's schedule. Medical Withdrawals will result in the grade of “W” assigned to all courses after the fourth (4th) calendar day, or the approved last 'drop day' of the semester for the course(s).

The student must provide a written letter to the Director of Counseling and Disability Services explaining the circumstances surrounding the need for a medical withdrawal and submit documentation from an appropriate medical professional substantiating the circumstances of the need for a medical withdrawal. Once this information has been received, the information will be submitted to the Dean of the College. Upon approval or denial of the request a decision letter will be mailed to the student.

Within the semester, the Medical Withdrawal is effective upon the date the student is/was no longer able to attend classes due to documented medical reasons. If a letter written by the student or medical documentation is not available at the
time the Medical Withdrawal is initiated, the student will be advised to process an Academic Withdrawal through the Registrar’s Office. The student must submit the required letter and medical documentation to the Director of Counseling and Disability Services within 14 calendar days of his or her Academic Withdrawal from the University to amend his or her withdrawal status to medical. Upon receipt of the required documentation, the Director of Counseling and Disability Services will submit the documentation to the Dean of the College. Upon approval of the Medical Withdrawal, the Director of Counseling and Disability Services will submit a Medical Withdrawal to the Registrar’s Office. Failure of compliance by the student will result in the Academic Withdrawal remaining in effect. Refer to the Academic Withdrawal policy for grade determination.

Medical Withdrawal requests must be submitted within 30 days of the last day of classes.

Students who receive a Medical Withdrawal effective fall or spring semester, and wish to return to the University, must reapply for admission and financial aid. Summer semester Medical Withdrawals will not affect a student's fall class schedule or financial aid; the student is not required to reapply for admission. The Director of Counseling and Disability Services may place a “Medical Hold” on the student's record, preventing the student from registering for future semesters, until the hold is cleared by the Director of Counseling and Disability Services.

The withdrawal process is the responsibility of the Registrar’s Office. The Dean of the College will review exceptions to all withdrawal policies. To remain in compliance with federal regulations, the University may change withdrawal policies without prior notification.

**Academic Withdrawal from the University**

**In compliance with Federal Title IV Regulations**

All students who wish to leave the University during a semester must formally withdraw. A formal withdrawal is when students provide official notification to the Registrar’s Office of their intent to withdraw. Simply not paying for classes or not attending does not constitute a formal withdrawal.

**Student Initiates the Academic Withdrawal (During Semester)**

An Academic Withdrawal will be initiated when a student makes notice of the intent to withdraw to the Registrar’s Office. The contact date of student notification will be the Academic Withdrawal date; however, the Registrar’s Office may choose to use the last documented date of attendance at an academically related activity if it more accurately reflects the student’s withdrawal. Students who officially withdraw on or after the first day of the semester, up to and including the fourth (4th) calendar day, or the approved last drop day of the semester for the course(s), will have no transcript record for that semester. After these time frames, the statement “Withdraw (Student Action)” will appear on the transcript and will result in a grade(s) of “W” or “WF”.

The grade of “W” is issued when a student contacts the Registrar’s Office prior to the last day to process a partial withdrawal from the University. The grade of “WF” is issued when student contact occurs after the last day to process a partial withdrawal from the University. A “W” grade is not computed in a student’s cumulative grade point average (GPA); however, a “WF” grade has a grade point value of zero (0.00) and is used when computing the GPA. Tuition and financial aid will be adjusted according to current University policies.

**Student Fails To Provide Withdrawal Notice (During the Semester)**

Prior to the end of a semester, if any office within the University becomes aware that a student is not attending a scheduled class on a repetitive basis, they must notify the Registrar’s Office. If, by due process, determination is made by the Registrar’s Office that a student has ceased attendance in all classes during the semester and failed to provide notice of his or her intent to withdraw, the Registrar’s Office will initiate an Academic Withdrawal. The Registrar’s Office may choose to use the last documented date of attendance at an academically related activity if it more accurately reflects the student’s withdrawal. Students who are officially withdrawn on or after the first day of the semester, up to and including the fourth (4th) calendar day, or the approved last drop day of the semester for the course(s), will have no transcript record for that semester. After these time frames, the statement “Academic Withdrawal (University Action)” will appear on the transcript and will result in a grade(s) of “W” or “WF”. The grade a student will receive will be dependent upon the Academic Withdrawal date. A “W” grade is not computed in a student’s cumulative grade point average (GPA); however, a “WF” grade has a grade point value of zero (0.00) and is used when computing the GPA. Tuition and financial aid will be adjusted according to current university policies.
Students have the option to appeal, in writing, their assigned Academic Withdrawal grade. It is the student’s responsibility to provide official documentation verifying the lack of their attendance. As an enclosure, attendance documentation must be included with the written appeal statement and submitted to the Registrar’s Office within 30 days of the last day of classes for the given semester. Appeals failing to meet the prescribed time lines will be reviewed by the Dean of Student Success on a case-by-case basis.

**Student fails to formally withdraw from the University due to circumstances beyond student's control, such as illness or grievous personal injury (Unofficial Withdrawal):**

If the Registrar's Office determines that a student did not begin the formal withdrawal process due to illness, accident, grievous personal loss, or other circumstances beyond the student's control, the withdrawal date will be determined by Registrar's Office of the documented circumstances.

**Academic Record**
The student's academic record will be treated the same as if they officially withdrew.

**Student fails to earn a passing grade in any of their classes (Unofficial Withdrawal)**

At the end of each semester, the Registrar's Office will identify students receiving Federal Title IV aid (e.g., Pell Grant, Supplemental Education Opportunity Grant, Perkins Loan, Direct Loans) who have not received any passing grades for the semester, but did not officially withdraw. Within 30 days from the end of the semester, an unofficial withdrawal will be processed and the unofficial withdrawal date will be the date at which 50% of the semester is completed. Students will be notified in writing of the unofficial withdrawal and will be allowed to appeal the determination within the indicated deadline. Future class schedules may be cancelled.

**Academic Record**
The student will have “WF” grades for any classes from which they were not previously dropped or withdrawn. A “WF” grade has a grade point value of zero (0.0) and is used when computing the GPA.

**To Cancel an Academic Withdrawal**

Within one week from the original withdrawal notification, the student must submit to the Registrar's Office written correspondence of his or her intent to remain enrolled. If the student subsequently withdraws after canceling the withdrawal notification, the Academic Withdrawal date is the date the student first provided to the University; however, the Registrar's Office may choose to document a last date of attendance based on an academically related activity.

**Notice to Students:**
Students who completely withdraw from all classes in a semester and then wish to return to the University may need to reapply for admission after a break in enrollment, not including summer. When reapplying, a student may need to contact the Financial Aid Office to request reinstatement of his or her financial aid. Summer withdrawals will not affect a student's fall class schedule and the student is not required to reapply for admission.

To remain in compliance with federal Title IV regulations, the University may change withdrawal policies without prior notification.

**Alternative Means of Earning Credit**

**Internships**
The Kendall Internship Program provides an opportunity for current students to receive credit for a work experience related to their program of study. To be eligible the student must carry a 3.0 GPA, be in junior or senior standing and have an open elective credit. Students may receive up to 9 credits depending on the number of hours worked, faculty approval and upon completion of internship requirements. Make an appointment with the Office of Career and Professional Development for more information on receiving credit for your experience.

**Independent Study/Special Problems**
An independent study opportunity to pursue special topics or projects beyond the classroom setting, or a special problem in a classroom setting, may be available under the direction of a professor, with the approval of the program chairperson, and the Dean of the College. A minimum 3.00 GPA and junior/senior standing are required. The forms for requesting approval are available through the Registrar's Office.
Study Away
Each summer, various study away programs may be offered.

Study at Another Institution
To guarantee that course work taken at another institution will be transferred and applied to Kendall B.F.A. or B.S. requirements, a student must have prior written permission from the Registrar. For the work to apply to the program of study, prior written approval of the program coordinator and program chairperson is required.

Note: studio classes are transferred only after a portfolio presentation and approval. In addition, the Transfer Credit policy is also in effect for current Kendall students.

All Michigan institutions of higher education honor attendance from students in good standing who are currently enrolled at other Michigan colleges and universities. If a student attends as a "guest" student, after having completed the appropriate form at the home Registrar's Office, the normal application process for that institution (including application form and fee) will be bypassed. Official transcripts are required for all course work that the student wishes to have evaluated for transfer.

Student Business Affairs
(Financial Aid, Scholarships, Tuition and Fees)

Financial Aid Policies and Procedures

Applying for Financial Aid
In order to be considered for financial aid, you must first complete the Free Application for Federal Student Aid (FAFSA). You can file the FAFSA on the internet at http://www.fafsa.gov/. Filing via the Internet will take 7-10 days for processing versus 4-6 weeks with the paper submission. Make sure you use the correct federal school code number of 002260 (for Ferris State University). A student should file the FAFSA as soon after January 1 of each year when a student is considering attending college for the following academic year.

Special Note about PIN
A Personal Identification Number (PIN) serves as an electronic signature. A PIN is not necessary, but does reduce processing time. If you do not already have a PIN, immediately go online at www.pin.ed.gov to request a PIN for the student and parent(s).

Approximately 30% of all FAFSA’s that are submitted to the federal processor are randomly selected for a process called verification. You will be notified and instructed by Ferris State University on what you need to supply for documentation. Generally, this consists of a verification worksheet and the use of IRS Data Retrieval system or submission of IRS tax return transcripts.
Financial Aid Award Notice
Once the Financial Aid Office has received your processed FAFSA information and you have completed the verification process (if selected), an Award Notice will be made. The electronic Award Notice will state the amount and type of financial aid you are eligible to receive for the designated semesters(s). You must accept/decline your awards electronically through “MyFSU”. Financial aid awards are based upon full time enrollment. If you enroll less than full time, certain grant, loan and scholarship funds will be reduced on the fourth class day of each semester.

Payment of Financial Aid
After you have completed all paperwork required by the Financial Aid Office, your financial aid will be credited to your student account after the drop/add period has expired for each semester. (Note: Work-study awards do not automatically credit to student’s accounts. Students will receive a paycheck bi-weekly for actual hours worked). You are responsible for paying what financial aid does not cover. If your financial aid exceeds the amount you owe the University, a refund will be available to you after classes have begun. Dates of refunds are posted on the Kendall website at www.kcad.edu.

Direct Loan Program
Kendall College of Art and Design of Ferris State University participates in the Direct Lending Program, which means that we work directly with the United States Department of Education for lending students federal loans. The Award Notice you receive from the Financial Aid Office will indicate the maximum amount of federal loans you are eligible to receive. You will need to accept, decline or reduce the loan amount offered. Students are strongly encouraged to borrow only what is necessary to cover educational costs in order to minimize loan indebtedness.

If you are a first time Direct Loan borrower, you must complete and sign a Master Promissory Note and complete Entrance Counseling at www.studentloans.gov before any loan funds can be credited to your account.

**Tuition Refund Policy**
Kendall College of Art and Design of Ferris State University has two policies that must be followed when students withdraw from all classes. The two policies are the following: 1) Total Withdrawal Tuition Refund Policy and 2) Federal Financial Aid Refund Policy mandated by Federal Title IV Regulations. The first policy deals with crediting charges to students’ accounts depending on the point that students withdraw in a semester. The latter policy deals with the returning of federal financial aid to the Title IV Programs. Both policies are explained below, in addition to procedures for returning funds to non-federal financial aid programs.
Kendall College of Art and Design of Ferris State University’s Tuition Refund Policy

Refunds, or credits to students’ accounts, are made in cases of total withdrawal from the University. A reduction in course load, for example one class is dropped, after the 4th day of classes is not a basis for a refund. All tuition charges and financial aid credits are used in calculating student refunds. The number of class days used to determine the percentage point of the semester will vary with each semester. Students who are judicially suspended or dismissed will not receive refunds for tuition and fees.

Withdrawal Due to Extenuating Circumstances

In the event that a student withdraws from one or more classes because of a serious illness or other extenuating circumstances, the student may request a financial refund. The student must submit a letter in writing explaining the extenuating circumstances along with documentation which substantiates the circumstance to the Director of Counseling and Disability Services in the Activities and Resource Center. The letter and documentation will be submitted to the Dean of the College for a determination. If a refund is granted, it will be prorated based on the percent of the semester completed. Only one appeal per student will be accepted during academic attendance at Kendall College of Art and Design. Requests must be received within 30 calendar days after a course withdrawal or total withdrawal is submitted.

Refunds for Students called to Active Military Duty

1. The term “active military duty” means active duty in the various branches of the United States military or State National Guard.
2. A refund will be processed for only those registered courses in which credit has not been received.
3. Written verification (withdrawal form) must be completed by the student and submitted to the Kendall Student Business Affairs Office for a refund. A copy of the military orders must be attached to the withdrawal form to obtain a refund under this subpart.
4. Upon receiving the completed withdrawal form, the Business Office will process a refund based on the criteria in this policy. All charges, such as emergency loans, library, telephone, etc. will be deducted in calculating the refund amount.
5. Refund will be made payable to the student in the same proportion as payments were received to liquidate the charges.
6. Amounts that have been provided by financial aid awards for tuition and fees are not refundable. However, such amounts will be returned to the respective financial aid account.
7. This policy is not applicable to students who voluntarily enlist in the various branches of the military or the State National Guard.
8. The Vice President for Administration and Finance of Kendall College of Art and Design of Ferris State University or his/her designee must approve exceptions to this policy.
8. Upon discharge or termination of such period of active duty with the Armed Forces of the United States, re-enrollment rights will be granted to all such persons electing to continue their academic studies at Kendall College of Art and Design of Ferris State University.

Absences for Temporary Active Military Service

Kendall College of Art and Design of Ferris State University will make reasonable accommodations for students who are absent from the College when called to temporary active military service. It is the responsibility of the student to notify the faculty in writing as soon as the temporary assignment has been received. Upon formal notification, the faculty will excuse the student from the class for the temporary active military service (not to exceed 12 consecutive calendar days of classes) and allow the student to make up all class work including missed exams and presentations; however, the student is responsible for completion of all missed work within a reasonable time as determined by the faculty. If the class requires class participation during the time missed, the student’s participation grade will be averaged only for the class periods excluding the temporary active military service.
If a student disagrees with the faculty member’s determination, the student may make a written appeal to the Dean of the College. The decision of the Dean is final.

Students that need to miss more than 12 consecutive calendar days of classes may need to consider a military withdrawal.

**Federal Financial Aid Refund Policy**

Federal financial aid funds will be reduced according to Federal Title IV Regulations. The reduction will be in direct proportion, beginning with federal loans, to the length of time a student remains enrolled, up to 60% of the enrollment period. Federal Financial Aid (Title IV) consists of the following: Pell Grant, SEOG, Perkins Loan, William D. Ford Direct Subsidized and Unsubsidized Loans, William D. Ford Direct Parent Loan for Undergraduate Students (PLUS), and Iraq/Afghanistan Service Grants. Federal Work Study is not included when figuring withdrawal refunds. The number of calendar days used to determine the percentage of unearned federal aid will vary with each semester.

**Example:**

You withdraw on the 63rd calendar day.
One semester = 110 calendar days

Student has earned 57% of federal aid (63/110)
Student has not earned 43% of federal aid, therefore, it must be returned to the Title IV Programs. The amount returned is $430 ($1,000 X 43% = $430)

| Personal Payment:          | -$1,000|
| Federal Aid Returned:      | +$430  |
| Balance You Owe Kendall:   | $430*  |

*Be advised that if you process a total withdrawal, you could owe the University money.

**Refunding Federal and Non-Federal Financial Aid**

If you have federal financial aid funds and other types of financial aid, your account will be credited according to the Kendall College of Art and Design of Ferris State University’s Tuition Refund Policy. Federal financial aid funds will be paid back first according to the aforementioned Federal Financial Aid Refund Policy. If there is still a credit on your account, the amount of the credit will then be used to return funds to the remaining financial aid programs until the credit has been reduced to zero.

**Refunding Non-Federal Financial Aid**

If you have financial aid other than federal financial aid funds, your account will be credited according to the Kendall College of Art and Design of Ferris State University’s Tuition Refund Policy. The amount of the credit on your account will be refunded back to the financial aid programs. After the financial aid programs have been repaid and if there were personal payments by you, any credit remaining will be refunded to you.

**Refunding Non-Financial Aid**

For the non-financial aid student, your account will be credited according to the Kendall College of Art and Design of Ferris State University’s Tuition Refund Policy and the credit on the account will be refunded directly to you.

NOTE: The refund schedule may change without notice to comply with Federal Regulations.
