FROM THE PRESIDENT

Welcome to Kendall College of Art and Design of Ferris State University (KCAD). This is a community where designers, artists, historians, makers, and problem solvers come together to develop, explore, and move their potential forward.

With more than 90 years of experience we empower designers and artists to understand and harness their ability to create and innovate to transform the world. During your time at KCAD you will experience immersive learning opportunities that transcend the walls of the classroom, leading you to a broader and deeper understanding of your particular discipline and how it connects to the world. Our expert faculty have strong connections in their fields of study and foster a comprehensive network of support for students, nurturing individual development.

This catalog will serve as your reference guide as you pursue your educational goals at KCAD. Within its pages, you will find important information about KCAD’s campus, academic policies and procedures, as well as program guides. If you have any questions after reviewing this catalog, please do not hesitate to ask KCAD’s Academic Advisor or your program faculty.

I look forward to meeting you soon and celebrating your achievements and successes at KCAD!

All good things,

Tara McCrackin
President
Kendall College of Art and Design
of Ferris State University

INTRODUCTION

HISTORY
Kendall College of Art and Design of Ferris State University (KCAD) was founded in 1928 through a generous endowment provided by Helen M. Kendall as a memorial to her husband, David Wolcott Kendall, known as the Dean of American Furniture Designers. Helen Kendall envisioned a school whose graduates would be leaders in the world of art and design. Throughout KCAD’s illustrious history, the college has graduated thousands of successful alumni, undergone program and campus innovation and expansion, and achieved national and international recognition, all of which reflect the ongoing fulfillment of that original vision as well as a bright future.

In 2000, the Board of Trustees of KCAD finalized a merger with Ferris State University, creating a union that offers students the educational opportunities and strengths of each institution. At the heart of both institutions is a commitment to preparing graduates to pursue professional careers and a dedication to educational excellence and innovation coupled with practical application.

In the fall of 2013, KCAD finalized a merger with Urban Institute for Contemporary Arts (UICA) that enables both organizations to reach a wider audience through enhanced opportunities for joint exhibitions and additional programming.

KCAD remains committed to preparing students for leadership in the design, art history, and the visual arts; provides innovative, collaborative education that fosters intellectual growth and individual creativity; and promotes the ethical and civic responsibilities of designers and artists, locally and globally.

KCAD MISSION
As a college within Ferris State University, Kendall College of Art and Design prepares students for leadership in design, the visual arts, and art history; provides innovative, collaborative education that fosters intellectual growth and individual creativity; and promotes the ethical and civic responsibilities of artists and designers, locally and globally.

FERRIS MISSION
Ferris State University prepares students for successful careers, responsible citizenship, and lifelong learning. Through its many partnerships and its career-oriented, broad-based education, Ferris serves our rapidly changing global economy and society.

KCAD VISION
As an innovator in art and design education, KCAD will cultivate a student-centered learning community that fuels the economy and transforms culture with creative leaders and critical thinkers applying global perspectives.

KCAD VALUES
Student-Centeredness
Diversity and Inclusion
Academic Excellence
Collaboration
Sustainability

EQUAL OPPORTUNITY POLICY
KCAD is committed to the principle of equal opportunity in education and employment. It is the policy of the university to prohibit unlawful discrimination in connection with any aspect of educational programs or opportunities, services to the public, or employment, on the basis of race, color, religion or creed, national origin, sex, age, marital status, veteran or military status, height, weight, protected disability, or any other characteristic prohibited by applicable State or federal laws or regulations. In addition, although not mandated by law, it is the policy of the university to prohibit discrimination in education and employment on the basis of sexual orientation.

NON-DISCRIMINATION POLICY
This Policy on Non-Discrimination is designed to express the university’s intent and commitment to comply with the requirements of state and federal non-discrimination laws. This policy and all other policies and procedures of the university shall be interpreted and applied co-extensively with such laws. This Policy shall not be interpreted as creating any legally enforceable rights, contractual or otherwise, that are greater than those existing under applicable non-discrimination laws. The prohibition against discrimination on the basis of sexual orientation does not apply to the university’s relationships with outside organizations, including the federal government, the military, ROTC, and private employers. Nothing contained in this policy shall be construed as prohibiting the university from applying bona fide occupational qualifications.

The university reaffirms its policy of administering all of its educational programs, and related support services and benefits,
in a manner that does not discriminate with respect to a student or prospective student in any way that violates the university’s Policy on Non-Discrimination. The university is committed to providing education relevant to a changing society to all students who have the motivation to succeed and the ability to benefit from the opportunity and have been admitted to the university. A practice of affirmative recruitment and retention of members of under-represented or disadvantaged populations supports this policy of opportunity and accessibility. This policy applies to each and every phase of educational programs, services and benefits, including recruitment, applications, admissions, enrollment, counseling and guidance, financial assistance, degree requirements, athletics, student life and other activities.

The university reaffirms its policy of providing social, cultural and other services, consistent with its mission, in a manner that does not discriminate with respect to members of the public in any way that violates the university’s Policy on Non-Discrimination. This policy applies to each and every phase of all services to the public conducted by the university, or by university-sanctioned organizations, or at facilities under the control of the university.

**ACCREDITATION**

As part of Ferris State University, Kendall College of Art and Design is accredited by:

**THE HIGHER LEARNING COMMISSION OF THE NORTH CENTRAL ASSOCIATION OF COLLEGES AND SCHOOLS**

230 South LaSalle Street, Suite 7-500
Chicago, IL 60604-1413
800.621.7440

Kendall College of Art and Design of Ferris State University is an accredited institutional member of:

**THE NATIONAL ASSOCIATION OF SCHOOLS OF ART AND DESIGN**

11250 Roger Bacon Drive, Suite 21
Reston, VA 22090
703.437.0700

Kendall College of Art and Design of Ferris State University’s Interior Design program is accredited by:

**THE COUNCIL FOR INTERIOR DESIGN ACCREDITATION**

206 Grandville SW
Grand Rapids, MI 49503-2822
616.458.0400

Kendall College of Art and Design of Ferris State University’s Master of Architecture Program has been granted initial accreditation by:

**THE NATIONAL ARCHITECTURAL ACCREDITING BOARD**

735 New York Ave NW
Washington, DC 20006
202.783.2007

Kendall College of Art and Design of Ferris State University is authorized under the laws of the State of Michigan to grant:

**Bachelor of Fine Arts in:**

- Art Education *(K12 Art Education Certification optional) (through 2022)*
- Collaborative Design
- Digital Art and Design
- Drawing
- Fashion Studies
- Furniture Design
- Graphic Design
- Illustration
- Industrial Design
- Interior Design

ADMISSIONS

At KCAD, we balance form with function. Passion with motivation. Quality with quantity. We fiercely protect time for brainstorming and inspiration, and know when to buckle down. We ask the hard questions, like “How?” and “Why?” knowing there’s a world of possibility inside each one.

From interior design to printmaking, every design and visual art practice involves aspects of both creative inspiration and focused problem solving. KCAD helps equip you for both. It’s the balance that can transform artful curiosity into a marketable skill set—and from there, a career. That’s why, at KCAD, we give structure to inspiration and the creative process. We’ll teach you how to create your best work, and then we’ll teach you how to build your career.

So, if design and art are calling you, let us help you answer. For complete details visit the KCAD website at kcad.edu/admissions.

HOW TO CONNECT

VIRTUAL VISIT
The choice of a college is an important decision. A virtual visit to a college can be a valuable step in that process. KCAD encourages all potential students, their families, friends, and other interested parties to explore KCAD’s campus. To begin your exploration go to kcad.edu/visit.

HOW TO APPLY
The academic year at KCAD consists of fall, spring, and summer semesters. Students should apply for admission at least 30-days prior to the beginning of the semester in which enrollment is planned.

Students from another country should apply at least four months in advance of planned enrollment. Students who are accepted must submit a $150 tuition deposit to guarantee enrollment. This deposit is applied directly to tuition and is non-refundable.

For complete details on application requirements for all admission types and to apply, visit the KCAD website at kcad.edu/admissions.

WHAT TO EXPECT UPON ACCEPTANCE

ORIENTATION
Before the start of fall, spring, and summer semesters new students participate in orientation. This event provides an opportunity for students to meet KCAD faculty and staff, receive important information about transitioning to KCAD, and have questions answered. If you have questions regarding future orientation dates, times or any other information, contact the office of Student Engagement at 616.259.1156.

MENTOR PROGRAM
To support new students in their efforts to achieve academic success KCAD teams them with sophomore, junior, and senior students, who serve as positive role models. Opportunities are provided for students and mentors to meet throughout the semester. Together the mentors and mentees talk through topics that have been developed by the office of Student Success. There are also group events [social and educational] that bring all students in the program together. The educational events focus on important topics that are presented by faculty and staff.

Any in-coming new student (transfer or first-time in any college) is required to participate as a mentee, and will be matched with a mentor. KCAD requires students who are accepted on academic probation to participate in this program.

This program serves as an integral part of the college to promote the improvement of academic success, persistence, and successful graduation of student participants. For more information on this and other student resources please visit kcad.edu/life/support-resources/.

www.kcad.edu/admissions
ACADEMIC ADVISING
At KCAD, advising means supporting students at every step of their education, from the moment they decide to apply to the day they earn their degree. As their journey unfolds, student will be empowered to take ownership of their experience by collaborating with Admissions Counselors, the college’s Academic Advisor, and their assigned Program Advisor to co-design an academic path that will position them to reach their creative and career goals.

MEET YOUR ADVISORS
Admissions Counselors are students’ first support system at KCAD. In fact, many students may have even applied because of them. Potential students meet with an Admissions Counselor who will guide them through each stage of the application process, including how to secure financial aid and apply for scholarships. An Admissions Counselor will also go through a student’s portfolio of creative work with them to learn more about where their strengths and interests lie and help connect them to the program of study that fits them best.

The Academic Advisor is a professional academic advisor who advises all KCAD undergraduate majors. Regardless of what program of study a student enters, the Academic Advisor will help them translate their interests, abilities, and goals into an academic plan that works for them and their future. That means personalized guidance in choosing which courses to take and when to take them; building a convenient class schedule; taking advantage of internships, study away experiences, and other opportunities; seeking additional help from other support systems at KCAD and in the community at-large (where appropriate); and understanding KCAD’s institutional policies and requirements.

A student’s Program Advisor is a KCAD faculty member from their program who acts as a steward of their future, helping them shape a path through the program that takes them from where they are to where they want to go. That means personalized career advice and guidance in choosing electives, internships, and other experiences that meet students’ unique creative and career goals as well as program-specific requirements. And when obstacles to success pop up, their Program Advisor will be there to help students find solutions that make sense for their situation.

ADVISING LEARNING OUTCOMES
Just as all KCAD courses have learning outcomes, so does academic advising. Through working with their advisors, students will:

- Understand the curricular requirements, academic standards, and key academic milestones of their chosen program of study
- Understand KCAD’s academic policies and procedures
- Be made aware of campus resources, programs, and support systems that will help them succeed
- Take responsibility for making decisions that impact their academic success
- Develop an educational plan and regularly assess their progress toward completing their degree

MAKING THE MOST OF ADVISING
Students should think of advising as a team effort between them and their advisors. Like any group project, students will have individual responsibilities they need to live up to if they want their team to succeed:

- Always be mindful of academic and career goals
- Regularly schedule (and follow through with) advising appointments
- Arrive to advising sessions prepared and ready to actively participate
- Ask questions when further understanding is desired
- Keep the KCAD Academic Calendar handy to stay on top of registration dates and other key deadlines
- Understand the academic policies in the College Catalog
- Stay on top of emails sent to @ferris.edu student email account

ADVISING FOR NEWLY-ACCEPTED STUDENTS
Once a student has been accepted to KCAD and has chosen a program of study, an Admissions Counselor will work with them to set their schedule for their first semester and get them registered for classes. After a student has been enrolled and arrives on campus, they’ll be connected to the Academic Advisor and their Program Advisor for future advising needs.
FIRST-YEAR ADVISING
During a student’s first year at KCAD, they’re encouraged to meet with the Academic Advisor and their Program Advisor at any time. However, students are required to meet with either advisor during their first semester to make a plan for the following semester. If a student misses this required meeting, they’ll be unable to register for classes.

ADVISING APPOINTMENTS
To schedule an advising appointment students should visit kcad.ferris.edu/current-students/activities-resource-center/advising. These sessions can be held Monday through Friday, and are typically 30 minutes long. In response to the health concerns associated with COVID-19 advising sessions are being held virtually until further notice.

ADVISING APPOINTMENT ETIQUETTE
If a student needs to cancel a scheduled advising appointment, they must notify their advisor as soon as possible so that the scheduled time slot can be made available to another student. Students are expected to arrive on time for their scheduled advising appointments. In turn, students can trust that their advisors will always show them the same courtesy and respect.

PREPARING FOR AN ADVISING APPOINTMENT
Before any scheduled or walk-in advising appointment, students should do the following to make sure they get the most out of the experience:

- Review their Program Plan
- Prepare a list of questions to guide the conversation
- Review the requirements of their major and KCAD’s General Education requirements
- Ask a faculty or staff member for assistance if they’re having trouble with any of the above steps

TRACKING TIME TO GRADUATION
The Academic Advisor will document students’ progress toward graduation with a Study Plan that includes all of the courses they’ve completed, the semester in which the classes were taken, and the grades that were earned. At a minimum, a student’s Study Plan will be updated annually.

EARLY ALERT OUTREACH
KCAD believes that consistent early warning from faculty is the best way to keep our students on track to succeed. If by the third week of a semester a student is noticeably absent from class, or falling behind in other ways, the Academic Advisor and the student’s Program Advisor will work with them to understand their issues and give them the help and support they need.

ACADEMIC WARNING
A student will receive an academic warning if his or her current semester GPA falls below a 2.0. Any student who receives an academic warning cannot enroll for more than 14 credit hours without receiving permission from the Academic Advisor.

ACADEMIC PROBATION
A student will be placed on academic probation whenever any one of the following conditions happens:

- The student’s cumulative GPA falls below a 2.0 based on a 4.0 scale
- The student’s semester GPA for two consecutive semesters is less than 2.0 based on a 4.0 scale
- The student is on semester trial as a new student

Any student who is on academic probation cannot enroll for more than 14 credit hours without receiving permission from his or her advisor. The temporary grade of “I” will not prevent a student from being placed on probation. Grades of “I” are not figured into the GPA.

ACADEMIC DISMISSAL
A student may be academically dismissed whenever any one of the following conditions is met:

- The student fails in 50% or more of the student’s credit hours in any semester
- The Dean of Academic Affairs determines at the end of a probationary semester that academic performance does not warrant continuation
APPEALS FROM ACADEMIC DISMISSAL
A student who is dismissed from KCAD for academic reasons, but who believes there are extenuating circumstances that warrant consideration, may appeal the dismissal in writing to the Dean of Academic Affairs who the final appeal rests with.

READMISSION AFTER DISMISSAL FOR ACADEMIC REASONS
A student who has been dismissed for academic reasons may apply for readmission to the college. In order to receive re-admittance consideration, a student must reapply via the online application process. In addition, the student must submit an appeal letter to the Dean of Academic Affairs indicating why the college should consider re-admittance including a statement addressing what measures a student has taken to ensure academic progress. A student will have to sit out one semester, excluding summer semester, prior to reapplying.

ACADEMIC RECOGNITION

PRESIDENT’S LIST
Full-time students who achieve a semester GPA of 3.75-4.00 are placed on the President’s List.

DEAN’S LIST
Full-time students who achieve a semester GPA of 3.50-3.74 are placed on the Dean’s List.

ACADEMIC RECORDS
The Academic Records Office at KCAD is responsible for information regarding registration, academic records, transfer credit, transcripts, academic forms, and degree/graduation requirements.

CLASS STANDING
The class standing for all undergraduate students at KCAD is based on the following criteria:

<table>
<thead>
<tr>
<th>Class standing</th>
<th>Credit hours earned</th>
</tr>
</thead>
<tbody>
<tr>
<td>Freshman</td>
<td>0 to under 26</td>
</tr>
<tr>
<td>Sophomore</td>
<td>26 to under 56</td>
</tr>
<tr>
<td>Junior</td>
<td>56 to under 86</td>
</tr>
<tr>
<td>Senior</td>
<td>86 or more credit hours passed</td>
</tr>
</tbody>
</table>

CONDITION OF ENROLLMENT
As a condition of enrollment, students and/or parents/guardians of minor students consent to the following usage rights, for purposes which may include, but are not limited to: display, educational assessment, accreditation, archiving, and publicity/promotions for the college. The college reserves the right to edit materials as needed for best use in context without specific written permission.

1. Use of any works produced by students while attending KCAD.
2. Use of photographs, video, audio or other recordings of any artworks, designs or other coursework produced while a student at KCAD.
3. Use of photographic, video, audio, written or other recordings/documentation in college or KCAD sponsored/affiliated classes or activities, on or off campus, while a student at KCAD. Usage may be in any medium.

Materials may be used without further notification, compensation or credit, though whenever possible, credit will be included for students enrolled in a KCAD degree program. Materials produced by or for KCAD are the sole property of KCAD.

All other copy and reproduction rights to original artwork, designs or coursework remain the sole property of the student. KCAD students may request that their name and other public information be kept confidential through a written request to the Academic Records Office.

ENROLLMENT CERTIFICATION
The university can certify a student’s enrollment status for only the current term or for past enrollment semesters. Student enrollment status is based upon the number of semester credit hours for which a student is currently registered. Full-time enrollment comprises 12 or more semester credit hours. Requests for current semester enrollment verification will be processed once the second week for that semester has ended. Requests for enrollment certification should be submitted in writing to the Academic Records Office by the student. Any required forms should be completely filled out and signed by the student. A minimum of one week should be allowed for processing, plus time for mail delivery.
ACADEMIC POLICIES AND PROCEDURES

ENROLLMENT STATUS
An undergraduate student enrolled in twelve or more hours of credit per semester is considered to be a full-time student at KCAD. An undergraduate student enrolled in less than twelve hours of credit per semester is considered to be a part-time student at KCAD.

Full-time status for a student in a master's degree program requires a minimum of nine hours of credit per semester.

COURSE LOAD
A student who wishes to enroll in 18 credit hours in a semester must have the approval of their program chairperson and the Dean of Academic Affairs.

REGISTRATION
Students register for KCAD courses directly with KCAD. Schedules are online and information regarding registration is available at the Student Services desk. A student must be properly registered in order to receive credit for a course. Registration is complete only when the student has made payment arrangements for all required tuition and fees. The college reserves the right to cancel the registration of any student who has not made proper payment arrangements.

STUDENT ADDRESS
Students are required to report in writing to the Academic Records Office their off-campus, local address, and telephone number as well as any changes to their local, permanent, and billing addresses and telephone numbers.

TRANSCRIPTS

Official Transcript
A transcript of credit is a complete and faithful copy of a student’s college academic record. In accordance with the Family Educational Rights and Privacy Act of 1974, as amended, transcripts are issued upon the written request of the student to the Academic Records Office or online through Ferris State University and the National Clearing House. Requests for official transcripts made to the Academic Records Office must be made in writing. Only original, signed, written requests by the student will be accepted by the Academic Records Office. Telephone and facsimile requests cannot be accepted. Allow for a minimum of two working days for processing plus time for mail delivery. There is a fee for each official transcript, payable at the time of request. Official transcripts bear the signature and seal of the college and are sent only to other colleges, universities, prospective employers, etc. Students may request an unofficial copy for their own use. The university will not issue transcripts for anyone with outstanding account balances or obligations. Note, for transcripts from previous educational institutions attended, the student should contact each institution directly.

Unofficial Transcript
Unofficial copies of a student’s academic record or academic information contained therein may be issued to those faculty and administrative officers of the university who have a legitimate interest in the material and a need to know.

WITHDRAWAL FROM A COURSE
Once the semester begins, a student may withdraw from a course and receive a grade of “W” through the ninth week of the fall and spring semesters, as indicated in the Schedule of Classes, or the equivalent time period if the class meets on a different schedule (i.e., a double-paced summer semester course). After that date, a grade of “W” may be given for a justifiable reason. Late withdrawal from a class without justifiable reason results in a “WF” grade. “WF” has a grade point value of 0.0 and is used when computing the GPA. Neglecting to drop a class through the KCAD Academic Records Office results in an “F” grade.

Medical Withdrawal
A student may initiate a Medical Withdrawal from the university by contacting the KCAD Academic Records Office. A Medical Withdrawal results in a student being withdrawn from all classes for either a part of a term/session or full semester. Medical Withdrawals will result in the grade of “MW”.

If a Medical Withdrawal is initiated after the end of a semester, or if a student is attempting to change an Academic Withdrawal to a Medical Withdrawal, all required forms and medical documentation must be submitted to the Birkam Health Center no later than January 1 of the following year for Fall Semester, June 1 of the same year for Spring Semester, or September 1 of the same year for Summer Semester.

Grades awarded for part of a term/session courses completed on or before the effective Medical Withdrawal date will remain
as assigned and credit will be given for those courses. Examples would be courses in session A, or session B. Within the part of term/session, the Medical Withdrawal is effective when the student is/was no longer able to attend classes due to documented medical reasons. Upon receipt of all required documentation as described in the Medical Withdrawal packet, specifically, the Request to Withdraw from Ferris State University for Health Reasons form and the required documentation, the Birkam Health center will submit a Medical Withdrawal to the KCAD Academic Records Office.

Students who receive a Medical Withdrawal effective fall or spring semester, and wish to return to the university, must reapply for admission and financial aid. The Birkam Health Center will place a “Medical Hold” on the student’s record, preventing the student from registering for future semesters, until the hold is cleared by the Birkam Health Center as explained in the Medical Withdrawal packet (specifically, the student needs to fill out the Request to Lift Registration Hold after a Medical Withdrawal form and provide the required documentation). Summer semester Medical Withdrawals may or may not affect a student’s fall class schedule or financial aid as the student is not required to reapply for admission.

The withdrawal process is the responsibility of the student and will be initiated by the KCAD Academic Records Office. The Dean of Student Success will review exceptions to all withdrawal policies. To remain in compliance with federal regulations, the university may change withdrawal policies without prior notification.

Withdrawal Due to Active Duty
Students called to active duty must complete a withdrawal form and submit it to the Dean of Academic Affairs with a copy of the military orders. Based on the Dean of Academic Affairs, determination, a class withdrawal, which assigns a grade of “W” in the class will be processed. A letter will be mailed to the student with approval or denial of the Withdrawal Due to Active Duty Active Duty Requests must be submitted within 30 calendar days of the last day of the semester.

WITHDRAWING FROM THE UNIVERSITY
Beginning the first day of the term, if a student decides to process a total withdrawal from the university (stop attending all classes), they must complete an Academic Withdrawal Form, located at the Student Services Office. If you stop attending classes, but do not officially withdraw from the university, grades of “F” will be recorded in all courses. Students receiving disciplinary suspension or dismissal from the university will receive a grade of “AW” (Administrative Withdrawal) that equates to a “W” grade prior to the last day to process a partial withdrawal from the university or an “AWF” grade that equates to a “F” grade after such date. A student formerly enrolled at KCAD must file a readmit application if an interruption in enrollment has occurred. An interruption in enrollment occurs whenever a student withdraws from the university or fails to enroll for a succeeding term, not including summer term. Admission consideration of a re-entering student’s academic standing is based on all courses attempted at KCAD and at other colleges and universities attended. An applicant must meet the same academic requirements expected of new applicants.

A reduction in course load (a class withdrawal) after the fourth day of classes is not a basis for a refund. After the fourth day of the term a student may withdraw from a course and receive a “W” grade within the established time period. After that time period, without justifiable reasons or neglecting to withdraw from the class through the Academic Records Office, results in a “F” grade.

All students who wish to leave the university during a semester must formally withdraw. A formal withdrawal is when students provide official notification to the Academic Records Office of their intent to withdraw. Simply not paying for classes or not attending does not constitute a formal withdrawal.

Student Initiates Academic Withdrawal
An academic withdrawal will be initiated when a student makes notice of the intent to withdraw to the Academic Records Office. The contact date of student notification will be the academic withdrawal date; however, the Academic Records Office may choose to use the last documented date of attendance at an academically related activity if it more accurately reflects the student’s withdrawal. Students who officially withdraw on or after the first day of the semester, up to and including the fourth calendar day, or the approved last drop day of the semester for the course[s], will have no transcript record for that semester. After these time frames, the statement “Withdrew (Student Action)” will appear on the transcript and will result in a grade[s] of “W” or “WF”.

The grade of “W” is issued when a student contacts the Academic Records Office prior to the last day to process a partial withdrawal from the university. The grade of “WF” is issued when student
contact occurs after the last day to process a partial withdrawal from the university. A “W” grade is not computed in a student’s cumulative GPA; however, a “WF” grade has a grade point value of 0.00 and is used when computing the GPA. Tuition and financial aid will be adjusted according to current university policies.

**Student Fails To Provide Withdrawal Notice**
Prior to the end of a semester, if any office within the university becomes aware that a student is not attending a scheduled class on a repetitive basis, they must notify the Academic Records Office. If, by due process, determination is made by the Academic Records Office that a student has ceased attendance in all classes during the semester and failed to provide notice of his or her intent to withdraw, the Academic Records Office will initiate an academic withdrawal. The Academic Records Office may choose to use the last documented date of attendance at an academically related activity if it more accurately reflects the student’s withdrawal. Students who are officially withdrawn on or after the first day of the semester, up to and including the fourth calendar day, or the approved last ‘drop day’ of the semester for the course(s), will have no transcript record for that semester. After these time frames, the statement “Academic Withdrawal (University Action)” will appear on the transcript and will result in a grade(s) of “W” or “WF”. The grade a student will receive will be dependent upon the academic withdrawal date. A “W” grade is not computed in a student’s cumulative GPA; however, a “WF” grade has a grade point value of 0.00 and is used when computing the GPA. Tuition and financial aid will be adjusted according to current university policies.

Students have the option to appeal, in writing, their assigned academic withdrawal grade. It is the student’s responsibility to provide official documentation verifying the lack of their attendance. As an enclosure, attendance documentation must be included with the written appeal statement and submitted to the Academic Records Office within 30 days of the last day of classes for the given semester. Appeals failing to meet the prescribed timelines will be reviewed by the Dean of Academic Affairs on a case-by-case basis.

**Student Fails to Initiate Academic Withdrawal Due to Circumstances Beyond Their Control**
If the Dean of Academic Affairs determines that a student did not begin the formal withdrawal process due to illness, accident, grievous personal loss, or other circumstances beyond the student’s control, the withdrawal date will be determined by the Dean of Academic Affairs based on the documented circumstances. The student’s academic record will be treated the same as if they officially withdrew.

**Student Fails to Earn a Passing Grade In Any of Their Classes**
At the end of each semester, the Dean of Academic Affairs will identify students receiving Federal Title IV aid (i.e., Pell Grant, Supplemental Education Opportunity Grant, Direct Loans) who have not received any passing grades for the semester, but did not officially withdraw. Within 30 days from the end of the semester, an unofficial withdrawal will be processed and the unofficial withdrawal date will be the date at which 50% of the semester is completed. Students will be notified in writing of the unofficial withdrawal and will be allowed to appeal the determination within the indicated deadline. Future class schedules may be canceled. The student will have “WF” grades for any classes from which they were not previously dropped or withdrawn. A “WF” grade has a grade point value of 0.00 and is used when computing the GPA.

**Canceling an Academic Withdrawal**
Within one week from the original withdrawal notification, the student must submit to the Dean of Academic Affairs written correspondence of his or her intent to remain enrolled. If the student subsequently withdraws after canceling the withdrawal notification, the academic withdrawal date is the date the student first provided to the university; however, the Dean of Academic Affairs may choose to document a last date of attendance based on an academically related activity.

**Notice to Students**
Students who completely withdraw from all classes in a semester and then wish to return to the university may need to reapply for admission after a break in enrollment, not including summer. When reapplying, a student may need to contact the Financial Aid Office to request reinstatement of his or her financial aid. Summer withdrawals will not affect a student’s fall class schedule and the student is not required to reapply for admission.

To remain in compliance with Federal Title IV regulations, the university may change withdrawal policies without prior notification.
ACADEMIC POLICIES AND PROCEDURES

COURSE INFORMATION
Each professor determines the requirements for the successful completion of a given course. The professor will inform the student in writing of these requirements, and the grading policies, within the first week of class.

AUDITING A COURSE (NO CREDIT)
Students are permitted to register for courses, space permitting, on an audit (no credit) basis during the first four days of the semester. Where course capacity is limited, students taking the course for credit will have registration priority over audit students.

ATTENDANCE
At the beginning of each semester, professors inform students about their expectations regarding class attendance.

Absences for Temporary Active Military Service
See page 25 under Veterans.

CREDIT HOUR CALCULATIONS
Courses offered at KCAD are typically 3 credit hour courses. A 3 credit hour General Education or Art History course meets for 3 contact hours each week of the semester. A 3 credit hour Studio course meets for 6 contact hours each week of the semester. A contact hour is calculated as 1 credit equals 50 minutes. Any course meeting beyond two hours in length includes a 10 - minute break. A semester includes 15 weeks of class meetings.

Expectations for student time on course work is that for General Education or Art History courses each hour of course time requires an additional 2 hours of work outside of class meeting time. For Studio courses each hour of class time requires an additional hour outside of class.

GRADING SYSTEM
The following grading system and grade point values are used for all courses at KCAD:

- Letter grade: A (4.0), A- (3.7), B+ (3.3), B (3),
  B- (2.7), C+ (2.3), C (2), C- (1.7), D+ (1.3), D (1.0),
  D- (0.7), and F (0.0).
- Other grade types not considered in computation of GPA: Grades of CR (Credit), NC (No Credit), AU (Audit), I (Incomplete), IP (In Progress), W (Withdrawal), and AW (Administrative Withdrawal).

- Grades of WF (Withdrawal Failing) or AWF (Administrative Withdrawal Failing) are computed as a grade point value of 0.0.

At the end of each term, faculty members are required to submit final course grades. Students may access their grades by using MyFSU.

Mid-Term Grades
At mid-term (fall and spring terms only), faculty assign mid-term grades to all students. Mid-term grades are available through MyFSU the ninth week of fall or spring term.

Grade Grievances
The assignment of grades is a faculty responsibility and only in exceptional circumstances is an original grade subject to change. If a student disagrees with an assigned grade, the student has recourse to seek resolution of that disagreement. The student has the burden of demonstrating the erroneousness of the original grade. An appeal for a grade change must be initiated no later than two weeks following the issuance of the grade.

1. To begin the process, the student must seek to resolve the dispute by discussing the grade with the instructor. This discussion must take place within two weeks of the issuance of the grade. In those circumstances in which the student can provide reasons that preclude such a discussion taking place, the grade appeal process begins with Step 2.

2. If the disagreement cannot be resolved through Step 1, the student shall provide the Dean of Academic Affairs with a written statement setting forth the justification for the requested change in grade, together with a copy of the course syllabus and work completed by the student in the course. This written statement must be submitted no later than one week following the meeting with the instructor.

3. The Dean of Academic Affairs will provide the instructor with a copy of the student’s written statement and ask that the instructor respond in writing within two weeks.

4. If unresolved the Dean of Academic Affairs will recommend that a Faculty Grievance Committee be convened. The Dean of Academic Affairs will name a committee of three faculty members. This committee shall function as an impartial body to gather information and to clarify issues.

5. Facilitated by the Dean of Academic Affairs, this committee will review the student’s work and the written statements of both the student and the instructor. At the committee’s
ACADEMIC POLICIES AND PROCEDURES

discretion, the members may seek a meeting with the student and the instructor.

6. After carefully and confidentially weighing the issues, the committee will submit its recommendation to the Dean of Academic Affairs, who, in turn, will inform the student and the faculty member of the committee’s decision.

Incomplete Grades
Receiving a grade of incomplete (I) in a course indicates that a student has successfully completed a major portion of the course requirements, and should not re-register for the course. The grade of “I” is a temporary designation that is assigned for illness, injury, birth of a child, death of a family member, jury duty, or other necessary absences, generally beyond the control of the student, which prevents the student from completing the course requirements. Completion of at least 75% of course work at passing levels is required before an (I) grade is assigned.

The instructor must file the Incomplete Grade Form with the Dean of Academic Affairs authorizing a grade of incomplete along with the requirements for completing the course. The student must make arrangements with the professor to complete all required work by the close of the following term, excluding summer. Instructors may require students to sign an agreement stipulating assignments and deadlines that must be met. Once the student completes the course requirements the professor must submit a grade change through MyFSU for approval and processing.

Incomplete grades that are not made up within the following term, excluding summer term, are changed to the grade of “F”, unless written authorization for a time extension from the instructor is received by the Dean of Academic Affairs. No time extensions will be given beyond one year after the close of the semester in which the “I” was received.

REPEAT A COURSE
A student may repeat a course previously taken up to three times. For exceptions to this limitation a student may appeal to the chairperson of the program offering the course. Credit is given for a course only once, even though it can be repeated up to three times.

The grade received the last time the course is taken, excluding I, W, CR or NC, is the only grade used in computing the cumulative GPA.

Repeated courses may count towards enrollment status and Title IV funds may be awarded to a student who is repeating a previously passed course in a term-based program (for the first-time only, i.e. one repetition per class).

THE RIGHT TO CHANGES
The university reserves the right to cancel courses without sufficient registration, to close enrollment in courses that are filled, and to modify course offerings, programs, and/or degree requirements when necessary. Every effort will be made to announce such changes promptly.

OTHER OPTIONS FOR EARNING CREDIT

Internships
KCAD’s Internship Program provides an opportunity for current students to receive credit for a work experience related to their program of study. To be eligible the student must carry a 3.00 GPA, be in junior or senior standing and have an open elective credit. Students may receive up to 9 credits depending on the number of hours worked, faculty approval, and upon completion of internship requirements. Students seeking internship opportunities must work with their respective program chairperson, to start the application process.

Independent Study
An independent study opportunity to pursue special topics or projects beyond the classroom setting, or a special problem in a classroom setting, may be available under the direction of a professor, with the approval of the program chairperson, and the Dean of Academic Affairs. A minimum 3.00 GPA and junior or senior standing are required. Forms for requesting approval are available online and from the Student Services Office.

Study Away
KCAD faculty lead study away programs that range in length from one to four weeks during the academic year. The study away programs have led KCAD groups to both domestic and international destinations. Typically, the programs offer two or three courses of intense study. KCAD study away programs may be eligible for financial aid. Students must meet with the Financial Aid Specialist to discuss their budget for a study away program. Past faculty led study away locations include England, France, Germany, Greece, Ireland, Italy, Nicaragua, Scotland, Spain and Sweden to name a few. Students can also consider full semester
ACADEMIC POLICIES AND PROCEDURES

or full academic year study away options. If you are interested in study away, see the Director of Student Engagement in the Activities and Resource Center. Students must be in good standing in order to participate in a study away program.

A student that is required to leave a study away program early, due to a violation of the Code of Student Community Standards, will be responsible for the costs and may be in jeopardy of not receiving credit for the course(s) associated with the study away program.

Study at Another Institution
To guarantee that course work taken at another institution will be transferred and applied to KCAD B.F.A. or B.S. requirements, a student must have prior written permission from the Dean of Academic Affairs. For the work to apply to the program of study, prior written approval of the program chairperson is required.

Studio classes are transferred only after a portfolio presentation and approval. In addition, the Transfer Credit policy is also in effect for current KCAD students.

All Michigan institutions of higher education honor attendance from students in good standing who are currently enrolled at other Michigan colleges and universities. If a student attends as a “guest” student, after having completed the appropriate form at the home Academic Records Office, the normal application process for that institution (including application form and fee) will be bypassed. Official transcripts are required for all course work that the student wishes to have evaluated for transfer.

DISABILITY GUIDELINES OVERVIEW
Section 504 of the Rehabilitation Act of 1973 states that: “No otherwise qualified person with a disability in the United States...shall, solely by reason of...disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.”

Title II of the Americans with Disabilities Act (ADA) addresses the right of access to public services by individuals with disabilities. According to the ADA Handbook [U.S. Department of Justice, 1991], the purpose of Title II is to “prohibit discrimination on the basis of handicap in all services, programs, and activities provided or made available by local or state governments and their affiliate agencies”, regardless of whether they receive federal funding. Title II of the ADA addresses the right of access to public services by individuals with disabilities. According to the ADA Handbook (U.S. Department of Justice, 1991), the purpose of Title II is to “prohibit discrimination on the basis of handicap in all services, programs, and activities provided or made available by local or state governments and their affiliate agencies”, regardless of whether they receive federal funding.

Title II of the ADA protects individuals with disabilities from being denied the opportunity of participating in post-secondary educational activities. However, it does not require universities to accept or accommodate everyone who has disabilities. Under the ADA, college applicants with disabilities must first satisfy the standards required by the university or college for all students and be able to perform the “essential course activities” with or without “reasonable accommodations”.

SELF-IDENTIFICATION OF DISABILITY
Opportunity for self-identification as a person with a documented disability is available beginning with the initial application, during the enrollment period or at any time while attending KCAD. Each person must contact the Counseling and Disability Services Office to discuss eligibility and documentation requirements needed in order to arrange for reasonable accommodations.

Requests for Reasonable Accommodations
Students must register with the Counseling and Disability Services Office in order to make an accommodation request. Students will need to engage in a dialogue regarding their disability as experienced in the learning environment. Accommodation requests need to be made each semester while attending KCAD. Accommodation requests are reviewed by the Director of Counseling and Disability Services. Students have the option to appeal an accommodation decision by putting a request in writing to the Dean of Student Success.

REPORTING DISCRIMINATION AGAINST PERSONS WITH DISABILITIES
KCAD of Ferris State University is an Equal Opportunity / Affirmative Action employer. Under applicable laws, including Title IX, the Education Amendments of 1972 and the Rehabilitation Act of 1973, the university does not discriminate on the basis of sex, race, physical or mental handicap or other prohibited matters in employment, educational programs or admissions.
If you believe that a violation or potential violation of these state or federal non-discrimination laws has occurred, is occurring, or will occur, please notify the following:

Equal Opportunity Office within the Office of the General Counsel
McKessy House, Ferris State University
120 East Cedar Street
Big Rapids MI 49307-2202, (231) 591-2152

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)
The Family Educational Rights and Privacy Act (FERPA) of 1974, as Amended, protects the privacy of student education records. It gives students the right to inspect and review the student’s education records; the right to request amendment(s) to records they believe to be inaccurate, misleading or in violation of the student’s privacy rights under FERPA; the right to provide written consent before university disclosures of personally identifiable information from the student’s education records; and the right to file a complaint with the U.S. Department of Education concerning alleged failures by Ferris State University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-5901.

Institutions may not disclose information about students nor permit inspection of their records without their permission unless such action is covered by certain exceptions as stipulated in the Act. In order to release academic or financial information to a parent, guardian, spouse, etc. you will need to fill out an “Authorization to Disclose Information” form. Students can access this form through the Academic Records Office or visit: kcad.edu/current-students/student-services/registrar/.

FREEDOM OF INFORMATION ACT (FOIA)
In accordance with the Michigan Freedom of Information Act, as amended (“FOIA”), the university takes appropriate action to implement the provisions of the FOIA to the extent that the FOIA is applicable to this university.

CERTAIN PROVISIONS OF THE FOIA
The FOIA provides that a public body may make reasonable rules necessary to protect its public records and to prevent excessive and unreasonable interference with the discharge of its functions, and that a public body establish and publish procedures for calculation of the cost for providing copies of public records under the FOIA.

RESPONSIBILITY OF THE UNIVERSITY
The President, or their designee, shall have the following responsibilities with respect to the FOIA:

1. The President is hereby vested with authority to make reasonable rules necessary to protect the public records of the university and to prevent excessive and unreasonable interference with the discharge of the functions of the university in the administration of the FOIA.

2. The President is vested with authority to establish and publish procedures for calculation of the costs of providing copies of public records under the FOIA, and to do all other things that may be necessary or appropriate to implement the FOIA to the extent that the FOIA is applicable to the university.

3. The President, or his/her designee, is given responsibility for denials under the Act.

4. The President, or his/her designee, is given responsibility for receiving and acting upon appeals from a final determination to deny all or a portion of a request under the FOIA. The President is vested with authority to establish and publish procedures, as needed, governing the receipt and acting upon of such appeals. In a case where the final determination to deny all or a portion of a request under the FOIA was made by a designee of the President, an appeal from that determination shall be acted upon either by the President or by a designee other than the designee who made the determination which is the subject of the appeal.
ACADEMIC POLICIES AND PROCEDURES

GRADUATION REQUIREMENTS

BACHELOR OF FINE ARTS
1. Complete a minimum of 120 semester credit hours of studio, art history, and general education course work.
2. Complete a minimum of 30 semester credit hours (normally the last two semesters), in residence at KCAD.
3. Complete all foundation, Art History, and General Education requirements.
4. Complete a major program of study (at least half of these credits must be completed in residence at KCAD). Please refer to the individual majors’ course requirements and sequencing in this catalog.
5. Earn a cumulative GPA of at least 2.00 in courses taken at KCAD; earn a minimum GPA of 2.25 in major studio core courses (electives exempted).
6. Complete and file an “Application for Degree” with the Academic Records Office. It is the student’s responsibility to inform the Academic Records Office in writing of any change in expected graduation date.
7. Submit a digital image that is representative of the student’s work to become part of the college archive.
8. Be in good standing with the university.

BACHELOR OF SCIENCE
1. Complete a minimum of 120 semester credit hours of Art History, studio, and General Education course work.
2. Complete a minimum of 30 semester credit hours (normally the last two semesters), in residence at KCAD.
3. Complete all foundation, studio, and General Education requirements.
4. Complete all Art History requirements (at least half of these credits must be completed in residence at KCAD).
5. Earn a cumulative GPA of at least 2.00 in courses taken at KCAD; earn a minimum GPA of 2.25 in major studio core courses (electives exempted).
6. Complete and file an “Application for Degree” with the Academic Records Office. It is the student’s responsibility to inform the Academic Records Office in writing of any change in expected graduation date.
7. Submit a digital image that is representative of the student’s work to become part of the college archive.
8. Be in good standing with the university.

MASTER OF ARCHITECTURE
1. Successful completion of all of the required coursework for the 2- or 3-year MArch, including KGAR 623, Thesis Studio.
2. A non-credit professional practice internship in an architectural firm is required. Internships must be pre-approved by the program director.
3. Earn a cumulative GPA of at least 3.00 in courses taken at KCAD.
4. Complete and file an “Application for Degree” with the Academic Records Office. It is the student’s responsibility to inform the Academic Records Office in writing of any change in expected graduation date.
5. Submit a digital image that is representative of the student’s work to become part of the college archive.
6. Be in good standing with the university.

MASTER OF ARTS IN DESIGN
1. Completion of 30 credit hours.
2. Completion of all required courses as noted in program plan.
3. Completion of capstone project.
4. Complete and file an “Application for Degree” with the Academic Records Office. It is the student’s responsibility to inform the Academic Records Office in writing of any change in expected graduation date.
5. Submit a digital image that is representative of the student’s work to become part of the college archive.
6. Be in good standing with the university.

MASTER OF ARTS IN VISUAL AND CRITICAL STUDIES
1. Completion of 30 credit hours.
2. Completion of all required courses as noted in program plan.
3. Completion of thesis project (20,000–40,000 word count)
4. Pass final thesis review including oral defense and submission of final thesis project.
5. Submission of a professional level thesis project in digital format for publication on the Ferris library archive.
6. Earn a cumulative GPA of at least 3.00 in courses taken at KCAD.
7. Complete and file an “Application for Degree” with the Academic Records Office. It is the student’s responsibility to inform the Academic Records Office in writing of any change in expected graduation date.
8. Submit a digital image that is representative of the student’s work to become part of the college archive.
9. Be in good standing with the university.
MASTER OF FINE ARTS
1. Complete 60 credit hours.
2. Completion of 18 graduate studio credits and 15 graduate thesis credits.
3. Completion of 9 graduate fine arts seminar credits.
4. Completion of 9 art history seminar credits.
5. Completion of 9 graduate electives.
6. Pass first year MFA review (near completion of approximately 30 credits), including oral presentation, and submission of five-page artist’s statement.
7. Pass final review, including oral defense, and submission of final ten-page artist’s statement.
8. Submission of digital portfolio documenting all thesis work and final ten-page artist’s statement.
9. Installation of a professional level exhibition of graduate thesis work.
10. Earn a cumulative GPA of at least 3.00 in courses taken at KCAD.
11. Complete and file an “Application for Degree” with the Academic Records Office. It is the student’s responsibility to inform the Academic Records Office in writing of any change in expected graduation date.
12. Submit a digital image that is representative of the student’s work to become part of the college archive.
13. Be in good standing with the university.

APPLICATION DEADLINES
- 2020 December graduation - Friday April 17, 2020
- 2021 Spring & Summer graduation - Friday, October 30, 2020
- 2021 December graduation - Friday, April 16, 2021

SECOND BACHELOR’S DEGREE
Candidates for a second baccalaureate degree, whether the first degree was earned at KCAD or another accredited institution, must complete a minimum of 30 semester credit hours in residence at KCAD. All course requirements for the B.F.A. or B.S. degree must be fulfilled.

IMPORTANT GRADUATION INFORMATION
Diploma and Degree-granting Dates
Degrees are granted and diplomas are issued to KCAD degree candidates in May, August, and December. The annual commencement ceremony is held in May. Students completing their coursework at the end of summer semester may participate in the commencement exercises just prior to or following that summer semester. Students are provided with a graduation booklet detailing all of the necessary information and requirements for participating in commencement. This booklet is distributed in early March.

Please see the academic calendar for graduation application deadlines.

Annual Student Exhibition
The exhibition is held during the week preceding the May commencement ceremony. The KCAD campus is transformed into exhibition spaces, displaying graduate, and undergraduate work from all programs of study. The event is open to the public.

Graduation with Honors
The KCAD B.F.A. or B.S. degree is awarded “with Honors” when a student has earned a cumulative GPA of 3.50 or higher once grades for their final semester are calculated. Actual GPA and honors are determined once the degree is completed and final grades are computed. Transfer students must have earned at least 30 semester credit hours in residency prior to their final semester for honors consideration. The honors recognition is indicated on the diploma and official transcript.

Excellence Awards
One student from each of KCAD’s undergraduate degree programs and the General Education program are recognized for superior achievement by the college and their program faculty. Excellence Award winners are recognized during graduation and participate in a special exhibition in The FED Galleries @ KCAD.

Highest Honor-Valedictorian
One student is chosen from each year’s graduating class to receive the highest academic honor, represented by the receipt of a Bachelor’s Hood. Selection is based on academic achievement, on earning the majority or all 120 credits at KCAD, on the recommendation of the student’s program faculty, on community service to the college, and on leadership qualities.
PROGRAM INFORMATION

CHANGING PROGRAMS
KCAD students may elect to change from one academic program to another within KCAD by contacting the Academic Advisor. Students wishing to change to a program offered at Ferris State University must meet with the Dean’s Office at Ferris State University that offers the new program in order to determine whether or not the student is eligible to make the change and the semester the change goes into effect. Eligibility for admission to a new academic program is based primarily on the following criteria: academic credit earned; cumulative GPA; and the availability of space (quota) in the program.

If the student meets the requirements for acceptance into the new program at KCAD, a change of academic program form must be completed and processed by the Academic Advisor. Once admitted to the new program, the student must meet all course requirements needed in order to graduate from the program.

SELECTING A PROGRAM MINOR
A minor is an option available to students. Within KCAD, a minor generally consists of courses totaling 15 semester credit hours in a single discipline. One course from the student’s major may be used in the minor. The specific courses for each major are listed after each major program plan in this catalog, or are available in the Student Services Office. A student must declare the minor with the Academic Advisor in writing. An academic minor may only be awarded upon completion of a baccalaureate degree.

GENERAL EDUCATION PATHWAYS
Pathways is the name of KCAD’s model for general education courses. It’s based on the understanding that the most successful artists, designers, art historians, and art educators are those who stay broadly and endlessly interested in the world around them. That’s why KCAD’s Pathways model gives you the freedom to pursue an education that sparks your curiosity and stimulates your creativity. Wherever your exploration leads, you’ll emerge as a critical and analytical thinker who can both adapt to change and chart new, creative paths forward.

THE IMPORTANCE OF ART HISTORY
Art History is important to every artist’s education. Cultural, political, religious, and social events have always inspired and influenced the artist. Studies in the history of art help reconfirm both the artist’s relationship with the past and his or her responsibility to the present. These courses will help students develop a critical eye and a deeper understanding of aesthetics. Upper-level courses, beyond the required first year survey, encourage the student to explore specific areas of interest, history of photography, fashion, modernism, Native American or Eastern art. Seminars on specific topics, from feminist criticism to postmodernism, can further expand the student’s knowledge of the world of art.

STUDENT CONDUCT
The Ferris State University Code of Student Community Standards is comprised of principles and policies on Student Rights, Student Dignity, Non-Academic and Academic Misconduct, Victims’ Rights, Alcohol and Other Drug Policies, Disciplinary Procedures, and other principles and procedures.

As a member of the KCAD community, students are expected to respect and value the rights of others, support the academic environment and encourage the proper use of all campus facilities. Students are expected to observe national, state and local laws as well as university rules, regulations and policies. However, in developing The Code of Student Community Standards, the university wishes to reaffirm its traditional support of freedom of speech, freedom of inquiry, and freedom to dissent.

KCAD works collaboratively with Ferris State University to provide a safe, educational and ethical community where respect, responsibility, accountability, dignity, diversity and fundamental fairness are valued. Please visit kcad.edu/current-students/student-conduct/ to access The Code of Student Community Standards.

THIRD PARTY AND ANONYMOUS REPORTING
The university expects that community members who have information related to conduct that may violate university policies administered under this procedure, will report that information in a timely and thorough manner, regardless of their involvement or source of knowledge related to circumstances alleged. Complaints received by the third-parties who have no involvement in the alleged discriminatory conduct shall be investigated as outlined in these procedures.

Anonymity may be requested by individuals filing complaints
or otherwise notifying the university of concern for conduct in violation of university policy. In some cases, the anonymity of the complainant or other individual(s) who notify the university of conduct alleged to violate university policy may be maintained to ensure the safety, non-retaliation, and well-being of those involved or others in the university community. Due process may however require notice to the respondent of the source(s) of allegations made. While the university maintains sole discretion to determine when proceeding with an anonymous or confidential complaint is in the best interest of the university community, survivors of sexual misconduct should know that every effort will be made to honor requests for confidentiality and ensure privacy except in instances where there is an imminent threat of further harm or danger to the university community for which they have a duty to warn university administration and/or law enforcement authorities.

V: APPENDICES

The purpose of the following is to clarify the basic differences between the KCAD student disciplinary system and the court system. Like all college disciplinary systems, the university uses a different “standard of evidence” than is required by the criminal court systems. Additionally, the purposes of the systems are very different. For example: In the criminal court systems the standard of evidence is generally “beyond a reasonable doubt”. In the college disciplinary systems, the standard of evidence is “preponderance of the evidence”. In other words, it is “more likely than not” that a student violated the student code of conduct?

Both systems must ensure that proper “due process” is followed. The two systems run independently of each other. The student disciplinary system cannot put students in jail and has no relation to the criminal court system. Colleges do have the legal right and responsibility to determine if their students are responsible for violating their student code of conduct, regardless of what the court system does or does not do. The student disciplinary system is intended to be an educational and remedial process, while the criminal court systems are often punitive.

TITLE IX

Ferris State University (“University”) is deeply committed to providing and maintaining a healthy learning and working environment for all students, staff, faculty, and other members of the University’s community, free of discrimination and all forms of sexual and gender-based discrimination, harassment, and violence. Such acts corrupt the integrity of the educational process, are contrary to the mission and values of the University, and are against University policy.

Consistent with the University’s Non-Discrimination Notice and the U.S. Department of Education’s implementing regulations for Title IX of the Education Amendments of 1972 (“Title IX”) (see 34 C.F.R. § 106 et seq.), the University prohibits Sexual Harassment that occurs within its education programs and activities. As further defined herein, Sexual Harassment includes Quid Pro Quo Sexual Harassment, Hostile Environment Sexual Harassment, Sexual Assault, Domestic Violence, Dating Violence, and Stalking.

Administrators, faculty member, staff, students, contractors, guests, and other members of the University community who commit Sexual Harassment are subject to the full range of University discipline including verbal reprimand; written reprimand; mandatory training, coaching, or counseling; mandatory monitoring; partial or full probation; partial or full suspension; fines; permanent separation from the institution (i.e., termination or dismissal); physical restriction from University property; cancellation of contracts; and any combination of the same.

The University will provide persons who have experienced Sexual Harassment ongoing remedies as reasonably necessary to restore or preserve access to the University’s education programs and activities.

Individuals who believe that they have been the victim of conduct prohibited by the university’s policy on non-discrimination and/or its employee and student dignity policy or who believe that they have witnessed or otherwise have information about conduct in violation of those university policies should promptly report complaints to the university.

- Complaints are filed with the Dean of Student Success (Title IX Deputy Coordinator at KCAD), 17 Fountain NW, Grand Rapids, MI 49503, 616.259.1113 or the Title IX Coordinator at FSU Big Rapids, University Center 129A, 805 Campus Dr., Big Rapids, MI 49307, (231) 591-2088.
- For confidential reporting and additional support, students have the option of connecting with KCAD’s Personal Counseling Center.
Many Ferris State University employees are considered Responsible Employees. Under Title IX, these individuals are obligated to report to the Title IX Coordinator if they know or, in the application of reasonable care, should know of an instance of sexual misconduct.

**VETERANS**

When applying for admission and at the beginning of each semester, students who are eligible for veterans benefits should complete and submit a Request for VA Certification form from the department of Veterans Affairs at Ferris State University (Big Rapids campus). The veteran is required to notify the university’s department of Veterans Affairs if there are any changes in enrollment, including drop/adds, and withdrawals (official or unofficial).

If the veteran is receiving veterans benefits, a 2.00 cumulative grade point average (GPA) must be maintained. Failure to maintain a 2.00 GPA will result in the veteran being placed on academic probation. If at the end of the next semester, the GPA is not raised to 2.00 or above, the veteran will no longer be certified for veterans benefits from the U.S. Department of Veterans Affairs and may be academically dismissed. The U.S. Department of Veterans Affairs will be notified of the veteran’s failure to have academic probation removed and of any academic dismissal.

Any Veteran receiving a failing grade (F) for a course must report to KCAD’s Dean of Academic Affairs, in writing, the last date of attendance in that course for which the failing grade was issued within ten calendar days from the end of that course.

Failure to report the last date of attendance in writing will result in the university informing the U.S. Department of Veterans Affairs that the last date of attendance was the first class meeting for the course for which the failing grade was issued. This could result in an overpayment situation for the veteran on veterans benefits.

The educational records of students receiving veterans benefits may be provided to authorized state and federal personnel with a legitimate educational interest, without prior consent from the student concerned. For additional information concerning veterans benefits, please contact the universities department of Veterans Affairs or your regional Veterans Affairs office.

KCAD will make reasonable accommodations for students who are absent from the university when called to temporary active military service. It is the responsibility of the student to notify the faculty in writing as soon as the temporary assignment has been received. Upon formal notification, the faculty will excuse the student from the class for the temporary active military service (not to exceed 12 consecutive calendar days of classes) and allow the student to make up all class work including missed exams, and presentations; however, the student is responsible for completion of all missed work within a reasonable amount of time as determined by the faculty. If the class requires class participation during the time missed, the student’s participation grade will be averaged only for the class periods excluding the temporary active military service.

If a student disagrees with the faculty member’s determination, the student may make a written appeal to the Dean of Academic Affairs. The decision of the Dean of Academic Affairs is final.

Students that need to miss more than 12 consecutive calendar days of classes may need to consider a military withdrawal.

A 100% refund of tuition and fees will be processed for all students called to active duty in the various branches of the United States military or State National Guard. A refund will only be processed for registered courses in which credit has not been received.

For more information please visit ferris.edu/HTMLS/Admission/financialaid/veterans/.
FINANCIAL AID

APPLYING FOR FINANCIAL AID
In order to be considered for financial aid, students must first complete the Free Application for Federal Student Aid (FAFSA). Students can file the FAFSA online at studentaid.gov/h/apply-for-aid/fafsa. Filing online will take 7-10 days for processing versus 4-6 weeks with the paper submission. Students should make sure they use the federal school code number of 002260 (for Ferris State University). A student should file the FAFSA as soon after October 1 of each year when a student is considering attending college for the following academic year.

The FSA ID
The Federal Student Aid ID (FSA ID) must be used to log in to certain U.S. Department of Education websites including the FAFSA. The FSA ID confirms the identity when people access their financial aid information and electronically sign the FAFSA. Students and parents/guardians can create a FSA ID at fsaid.ed.gov/npas/index.htm

Verification
Approximately 30% of all FAFSA's that are submitted to the federal processor are randomly selected for a process called verification. Students will be notified and instructed by Ferris State University on what they need to supply for documentation. Generally, this consists of a verification worksheet and the use of IRS Data Retrieval system or submission of IRS tax return transcripts.

FINANCIAL AID AWARD NOTICE
Once the Financial Aid Office has received a student’s processed FAFSA information and the student has completed the verification process (if selected), an award notice will be made. The electronic award notice will state the amount and type of financial aid the student is eligible to receive for the designated semesters. Students must accept/decline their awards electronically through MyFSU. Financial aid awards are based upon full-time enrollment. If students enroll less than full-time, certain grant, loan, and scholarship funds may be reduced on the fourth class day of each semester.

PAYMENT OF FINANCIAL AID
After students have completed all paperwork required by the Financial Aid Office, their financial aid will be credited to their student account after the drop/add period has expired for each semester.

Work-study awards do not automatically credit to student’s accounts. Students will receive a paycheck bi-weekly for actual hours worked.

Students are responsible for paying what financial aid does not cover. If a student’s financial aid exceeds the amount they owe the university, a refund will be available to the student after classes have begun. Dates of refunds are posted on KCAD’s website, kcad.edu

DIRECT LOAN PROGRAM
KCAD participates in the Direct Lending Program, which means that the college works directly with the United States Department of Education for lending students federal loans. The award notice students receive from the Financial Aid Office will indicate the maximum amount of federal loans the student is eligible to receive. Students will need to accept, decline, or reduce the loan amount offered. Students are strongly encouraged to borrow only what is necessary to cover educational costs in order to minimize loan indebtedness.

A student who is a first-time Direct Loan borrower, must complete and sign a Master Promissory Note and complete Entrance Counseling at studentaid.gov before any loan funds can be credited to their account.

SATISFACTORY ACADEMIC PROGRESS
To remain eligible to receive financial aid at KCAD, a student must make satisfactory academic progress in the following areas:

- Cumulative GPA – each undergrad student must maintain a minimum GPA of 2.00 and each graduate student a minimum GPA of 3.00 to be eligible for further funding.
- Students must complete at least 67% of their cumulative total attempted hours.
- A bachelors degree must be earned within 180 attempted credit hours. A graduate degree attempted credit hours will vary depending on program. Please see kcad.edu/admissions/funding-your-education/satisfactory-academic-progress/

Students will be monitored once a year at the end of the spring semester.
STUDENT BUSINESS AFFAIRS POLICIES AND PROCEDURES

Financial Aid counselors are available on a walk in basis between 8:30 a.m. and 4:30 p.m. – appointments are recommended. Visit kcad.edu/admissions/funding-your-education/ for more information.

SCHOLARSHIP OPPORTUNITIES
Students can help to fund their education through a variety of scholarships available to KCAD students. Please note scholarship deadlines and criteria do vary. Visit kcad.edu/scholarships for more information.

TUITION AND FEES
Visit kcad.edu/admissions/funding-your-education/tuition-expenses/ for KCAD’s current tuition and fee rates as well as information on payment plans.

FINES
Fines may be incurred by students for the following:
- Late Payment Penalty of 2% of the Unpaid Balance [assessed if payment is made after the payment deadline]
- IT Lost/Damaged Hardware Fine [varies by circumstance]
- Library Lost or Delinquent Fine
- Lost Student ID Fine

REFUND POLICIES
The college follows two policies when determining refunds:
1. Total Withdrawal Tuition Refund Policy
2. Federal Financial Aid Refund Policy mandated by Federal Title IV Regulations

The first policy deals with crediting charges to a student’s account depending on the point that the student withdrew in a semester. The latter policy deals with the returning of federal financial aid to the Title IV Programs. Both policies are explained below, in addition to procedures for returning funds to non-federal financial aid programs.

Total Withdrawal Tuition Refund Policy
Refunds, or credits to a student’s account, are made in cases of total withdrawal from the university. A reduction in course load, for example withdrawal from one class, after the 4th day of classes is not a basis for a refund. All tuition charges and financial aid credits are used in calculating student refunds. The number of class days used to determine the percentage point of the semester will vary with each semester. Students who are judicially suspended or dismissed will not receive refunds for tuition and fees.

Percentage of Refund for Total Withdrawal Within a Semester
- 0% or before the first day of the semester
- First day through fourth day of the semester
- Fifth day through 25% of the semester
- 26% through 50% of the semester
- 51% of the semester and after

Example: Days in the semester: 76, Date of withdrawal: 15th class day, 15/76 = 20% of semester. Student is eligible for 50% reduction in tuition charges

Refund Due Withdrawal from Extenuating Circumstances
In the event that a student withdraws from one or more classes because of a serious illness or other extenuating circumstances, the student may request a financial refund. The student must submit a letter in writing explaining the extenuating circumstances along with documentation which substantiates the circumstance to Registrar’s Office. The letter and documentation will be submitted to the Dean of Academic Affairs for a determination (see Withdrawing from the University section under Academic Policies and Procedures).

If a refund is granted, it will be prorated based on the percent of the semester completed. Only one appeal per student will be accepted during academic attendance at the college. Requests must be received within 30 calendar days after a course withdrawal or total withdrawal is submitted.

Refund Due to Withdrawal from Active Military Duty
The term “active military duty” means active duty in the various branches of the United States military or State National Guard. A refund will be processed for only those registered courses in which credit has not been received [see Withdrawing from the University section under Academic Policies and Procedures].

Upon receiving approval of withdrawal due to active military duty, the college will process a refund based on the criteria in this policy. All charges, such as emergency loans, library, etc. will be deducted in calculating the refund amount.
Refund will be made payable to the student in the same proportion as payments were received to liquidate the charges. Amounts that have been provided by financial aid awards for tuition and fees are not refundable. However, such amounts will be returned to the respective financial aid account.

This policy is not applicable to students who voluntarily enlist in the various branches of the military or the State National Guard. The Dean of Academic Affairs along with the Dean of Student Success or his/her designee must approve exceptions to this policy.

**Federal Financial Aid Refund Policy**
Federal financial aid funds will be reduced according to Federal Title IV Regulations. The reduction will be in direct proportion, beginning with federal loans, to the length of time a student remains enrolled, up to 60% of the enrollment period. Federal Financial Aid (Title IV) consists of the following: Pell Grant, SEOG, William D. Ford Direct Subsidized and Unsubsidized Loans, William D. Ford Direct Parent Loan for Undergraduate Students (PLUS), and Iraq/Afghanistan Service Grants. Federal Work Study is not included when figuring withdrawal refunds. The number of calendar days used to determine the percentage of unearned federal aid will vary with each semester.

For example a student withdraws on the 63rd calendar day. One semester is equal to 110 calendar days.

The students total cost to attend was: $2,000
The students total financial aid was: -$1,000
The student made a personal contribution of: -$1,000
The balance due is: $0

This student has earned 57% of their federal aid (63/110). Therefore, this student has not earned 43% of their federal aid and it must be returned to the Title IV Programs.

The amount returned is $430 ($1,000 X 43% = $430).
KCAD will return this amount to the Federal Aid Title IV Program and as a result the student will have a balance of $430.00 on their student account that must be paid.

**REFUND PROCESS**

**Federal and Non-Federal Financial Aid**
Students who have federal financial aid funds and other types of financial aid will receive a credit according to the Tuition Refund Policy. Federal financial aid funds will be paid back first according to the aforementioned Federal Financial Aid Refund Policy. If there is still a credit on a student’s account, the amount of the credit will then be used to return funds to the remaining financial aid programs until the credit has been reduced to zero.

**Non-Federal Financial Aid**
Students who have financial aid other than federal financial aid funds will receive a credit according to the Tuition Refund Policy. The amount of the credit on the student’s account will then be used to return funds to the remaining financial aid programs until the credit has been reduced to zero.

**Non-Financial Aid**
For the non-financial aid student, the student’s account will be credited according to the Tuition Refund Policy and the credit on the account will be refunded directly to the student.

The refund schedule may change without notice to comply with Federal Regulations.
SAFETY AND SECURITY POLICIES AND PROCEDURES

CLERY ACT COMPLIANCE POLICY
KCAD is committed to campus security and safety and recognizes this as an important issue in postsecondary education. The U.S. Department of Education adopted the Crime Awareness and Campus Security Act of 1990, commonly referred to as the Clery Act, to provide students nationwide with a safe environment in which to learn and keeping students, parents and employees well informed about campus security.

In compliance with the Clery Act, KCAD’s Campus Crime Awareness – Safety Fire Report is published on a yearly basis. This report includes statistics for the previous three years concerning reported crimes that occurred on-campus; in certain off-campus buildings or properties owned or controlled by KCAD; and on the public property within, or immediately adjacent to and accessible from the KCAD campus. This report also includes Hate Crime reporting and Fire Statistics reporting. Visit kcad.edu/safety-and-security/policies/ to view a copy of this report.

EMERGENCY MANAGEMENT LEADERSHIP TEAM (EMLT)
The EMLT is composed of leadership from across KCAD, with representation from staff and faculty. During emergency situations, EMLT is the central team responsible for information sharing with the KCAD, FSU, and UICA community, as well as for determining and implementing a coordinated response strategy. KCAD EMLT members meet regularly throughout the year to develop and practice the implementation of emergency plans, including disaster response and evacuation through annually scheduled drills that test emergency procedural operations.

SECURITY
The college utilizes the services of a security company with extensive experience serving higher education institutions in Michigan. All uniformed security officers carry radios, have CPR and AED training, and have been trained in the emergency response protocol.

SECURITY OFFICER PHONE NUMBERS:
- KCAD 17 Fountain St. NW Security: 616-430-1794
- KCAD Woodbridge N. Ferris Building Security: 616-350-3820
- KCAD Master of Architecture Studio Security: 616-430-1794

EMERGENCIES
In the event of a life-threatening emergency, call 911. If you are unsure, call 911. It is best to let the first responders evaluate the situation. If you or someone is available to notify the Security Officer in the building where the event is located, please call the security phone number as provided.

If there is a non-life threatening emergency but you need help, call the Security Officer in the building where the event is located for assistance. The Security Officer will dispatch the Emergency Management Leadership Team and will assess the situation and provide an appropriate response.

EMERGENCY PREPARATION
Take time to familiarize yourself with the emergency procedures at KCAD. Evacuation routes, location of AED and fire extinguishers, security officer phone numbers and protocol for emergencies are posted in each classroom. For individuals who may have difficulty evacuating the building independently during an emergency you are encouraged to contact the Counseling and Disability Services Office at the start of each semester so an emergency evacuation plan can be discussed and shared with emergency responders.

EMERGENCY TEXT ALERTS
KCAD faculty, staff, and students are strongly encouraged to sign up to receive official emergency text alerts so they are the first to know about time-sensitive campus safety issues and closings due to weather or other disruptions. To sign up, visit MyFSU and click on the link in the “Sign up for Text Alerts” channel.

Those who enroll should take note of the following:
- Enrollment is voluntary, but strongly encouraged
- Restricted use for immediate notification to students, faculty and staff
- Short Message Service (SMS) text messaging must be enabled on your cell phone account to receive text messages
- You are responsible for any text message charges that may be incurred from enrolling in this service
- Information provided is kept confidential and won’t be used for any other purpose
SAFETY AND SECURITY POLICIES AND PROCEDURES

WEATHER RELATED CLOSURE
Weather related closures will be communicated with students via the following channels:

- kcad.edu
- ferris.edu email
- Emergency Text Alert (students must sign up to receive)
- Local TV and social media channels

FIRE
If you are the first to notice a fire, pull the closest fire alarm, exit the building and call 911. When you are able, contact the Security Officer of the building where the event is located to provide them with information about the incident. When you hear an alarm, evacuate the building immediately. Follow instructions from the Emergency Management Leadership Team.

TORNADO
In the event of tornado warning students, faculty, and staff should follow the following procedures when on campus:

- Quickly and safely move to the lowest level of the building.
- Make sure to avoid areas with glass walls or windows. Follow instructions from the Emergency Management Leadership Team.
- Wait for an all clear before leaving the building or returning to another area of the building.

The city sirens are tested on the first Friday of each month at noon during tornado season.

FIRST AID KITS AND AUTOMATED EXTERNAL DEFIBRILLATORS
First Aid Kits are located throughout the 17 Fountain St. NW Building and the Woodbridge N. Ferris Building. See the emergency evacuation route on the back of each classroom door to locate the nearest First Aid Kit or Automated External Defibrillators (AED). AEDs are located at the 17 Fountain St. NW Building Atrium, the 4th floor west elevator, and the 7th floor west elevator. In the Woodbridge N. Ferris Building, AEDs are located on the 1st floor and the 3rd floor.

Please visit kcad.edu/safety-and-security/ for more information.

ASSUMPTION OF RISK, CONSENT, AND RELEASE
All students acknowledge opportunities throughout the school year to participate in a variety of extracurricular activities and events not required as part of the student academic curriculum, including, but not limited to: educational, recreational, and social activities and programs that occur on or off campus property; consumption and/or participating in the distribution or selling of food and beverages by students, student organizations, and/or non-university individuals; and travel to and from and participation in events conferences, and other activities on and off campus.

As a student, you recognize that your participation in such extracurricular activities may involve physical exertion and/or actions or omissions which could cause or result in injuries and/or health problems; contact with a variety of individuals, including non-university persons; risk of loss or damage to property; inconvenience and discomfort; exposure to circumstances and presence in locations with no supervision or protection; and other risks inherent in the particular activity or event in which you may be participating.

In consideration of being permitted to utilize these facilities and equipment, and to participate in the activities and events available to our students, you understand the above risks may occur; you assume all risks inherent in and which from your participation in travel, activity, and connected activities and other consequences or events that occur in conjunction with such extracurricular activities or events.

To the fullest extent permitted on behalf of you and your heirs, assigns and all other, by law, you knowingly and intentionally release and waive any and all claims of whatsoever kind of nature against Kendall College of Art and Design of Ferris State University, its Board of Trustees, President, officers, and employees, advisors, agents, and representatives which may arise out of your participation in those activities and events, including but not limited to acts, omissions, or negligence of other students, advisors, and other individuals or organizations except for the University’s gross negligence or willful and wanton misconduct.

You further agree to be responsible for your own safety, well-being, and conduct, and that neither Kendall College of Art and Design of Ferris State University, its Board, President, officers, employees, agents, or representatives will be liable or responsible if you suffer
bodily injury, property damage, personal injury, death, and/or other
 damages or losses, except if caused by their gross negligence or
 willful misconduct.

You also understand and agree you are solely responsible and
 assume all risk for damage or loss or theft of personal belongings
 (equipment, cameras, keys, jewelry, clothes, etc.) brought with
 you when participating in and traveling to and from such activities
 or events. Kendall College of Art and Design of Ferris State
 University is not responsible for these personal items and they are
 not covered by Kendall College of Art and Design of Ferris State
 University’s insurance coverage.

You also authorize being taken to a medical facility for treatment
 in the event of an emergency, and consent to emergency medical
 treatment being administered to you in the event you are unable
 (or your parent or guardian, if applicable, cannot be reached) to
 authorize treatment.

You recognize that you may appear in photographs, video
 tapes, recordings, motion pictures, and other records of the
 extracurricular activities or events in which you participate, and
 you consent to Kendall College of Art and Design of Ferris State
 University using, at its discretion, such photographs, video tapes,
 motion pictures, recordings, and other recordings in which you
 may appear, unless you inform the photographer that you do not
 wish to be filmed. You also understand that Kendall College of
 Art and Design of Ferris State University cannot control filming
 between students.
KCAD’s Art History program offers a critical academic investigation into both the history of art and the history of design with an added option of focused studio experiences. Students develop a deep understanding of creativity as a cultural and social force, learning to analyze scholarship and write with insight and clarity. They emerge from the program ready to pursue a wide variety of careers and prepared to place art and design in a cross-cultural, global framework.

COLLABORATIVE DESIGN

KCAD’s Collaborative Design program transforms curious individuals into “specialized generalists” capable of identifying, facilitating, and communicating design solutions across a broad range of professional applications, both independently and as part of a team. Students will develop strong communication skills, an intimate awareness of how design impacts sustainability and the economy, and an acute understanding of the range and purpose of multiple design disciplines, making them invaluable change agents who can leverage the power of design to meet the evolving needs of businesses and nonprofit organizations.

COLLABORATIVE DESIGN – MINOR

Minors are defined by a combination of five (5) of the major studio courses. The specific courses to be determined on an individual basis with the program chair.
## BACHELOR OF FINE ARTS

### DIGITAL ART AND DESIGN – ENTERTAINMENT ARTS FOCUS

Digital Art and Design graduates will be innovative artists and designers, well prepared to create rich media experiences that combine imaging, animation, sound and interactivity. With substantial flexibility in the degree of specialization/generalization built into the curriculum, students will be able to develop portfolios in one or more of these professional media markets: Digital Imaging, 2D Animation, 3D Animation, Motion Graphics, Interactive Design.

The Digital Art and Design program is designed to provide opportunities that are cross-platform and user-experience driven. They blend self-directed learning with hands-on instruction by experienced professionals. Projects and studio work may be centered around public service content, while allowing the freedom of creative expression that is necessary for every artist and designer to find their own voice.

DIGITAL ART AND DESIGN – MINOR

Minors are defined by a combination of five [5] of the major studio courses. The specific courses to be determined on an individual basis with the program chair.
## DRAWING

KCAD's Drawing program nurtures dynamic and diverse explorations of traditional and alternative drawing techniques, materials, and processes, culminating in a cohesive portfolio of mindful, personally significant creative work that contributes to larger dialogues both within and outside of the discipline. Through active participation in both the observable and imagined world, students sharpen critical thinking and creative problem solving skills and develop a heightened awareness of the union of technical, formal and conceptual components.

**Course** | **Credit**

Any five (5) of the following: KCDR 222, KCDR 323, KCDR 324, KCDR 233, KCDR 303, KCDR 334, KCDR 420, KCDR 430 or KCDR 460.
FASHION STUDIES

The Fashion Studies program in KCAD’s Pamella Roland DeVos School of Fashion empowers students to pursue careers in the fashion industry through immersive experiences that cultivate critical thinking and design skills while broadening their understanding of fashion retailing, sustainability, and presentation. Collaborative projects enable students to refine ideas, processes, and people skills in real-world settings, while the program’s culminating senior capstone show allows students to discover and express their own identity as designers. An opportunity to experience New York Fashion week and option to spend a year studying at the Fashion Institute of Technology in New York City connect students to the heart of the American fashion industry.

KCFS 210 | Fashion Design/Construction I
KCFS 220 | Fashion Design/Construction II
KCFS 310 | Fashion Design/Construction III
KCFS 320 | Fashion Design/Construction IV
FURNITURE DESIGN

KCAD’s Furniture Design program empowers creative, technically-inclined problem solvers to envision original designs that balance aesthetics, function, and user need. Students in one of the oldest and most renowned programs in the country benefit from a rich continuing legacy of design leadership and industry interaction, gaining multifaceted exposure to both traditional and cutting-edge materials and process as they develop a deep understanding of how ideas evolve from design to manufacturing to marketing.

FURNITURE DESIGN – MINOR

A minor consists of five chosen courses with the Furniture Design program. In order to determine the appropriate courses for each student and to assist in navigating through prerequisites, the courses need to be determined with and approved by the program chair.
**BACHELOR OF FINE ARTS**

**GRAPHIC DESIGN**

KCAD’s Graphic Design program creates an integrative learning environment where traditional design fundamentals evolve into powerful tools for communication, problem-solving, and creative strategizing. Students develop a personal voice as they learn to convey powerfully engaging messages across a wide variety of established and emerging media, ultimately becoming leaders and culture creators who understand and embrace the social and environmental responsibility of their work.

Four (3) Electives 9

**GRAPHIC DESIGN – MINOR**

A minor consists of five (5) chosen courses within the Graphic Design program. In order to determine the appropriate courses for each student and to assist in navigating through prerequisites, the courses need to be determined with and approved by the program chair.

- KCDM 318 Web Design II 3
- KCGD 402 GD Internship (Junior Standing) 3
- KCGD 412 Advanced Advertising 3
ILLUSTRATION

KCAD’s Illustration program equips visual thinkers with a universal language that bridges cultural, social, and generational gaps. Through intensive engagement with a wide variety of techniques and styles, students establish a heightened understanding of conceptual development and the creative process, becoming aesthetically grounded and professionally versatile illustrators who are proficient in both traditional and emerging media.

BACHELOR OF FINE ARTS

INDUSTRIAL DESIGN

KCAD’s Industrial Design program immerses students in the professional practice of designing product experiences for a wide range of industries, including office furniture, healthcare, consumer electronics, and footwear. Students apply a user-centered creative problem solving process that blends design research, human factors, visual storytelling, entrepreneurial thinking and foundational design skills such as sketching, CAD, digital rendering, and prototype development. Through this process, they learn to tailor the aesthetic details and interactive components of a product to its end user, creating meaningful design solutions that improve the quality of life.

INTERIOR DESIGN

With an emphasis on place making and human-centered design, KCAD’s Interior Design program empowers students to use design thinking and creative problem solving to explore the functionality, aesthetic appeal, sustainability, and user experience of interior environments. Students are immersed in a studio culture with a broad range of project typologies as they engage critically with both local and global design challenges. Through their experience at KCAD, students expand their understanding of the ethical and environmental implications of design. Collaborative and individual learning experience allow students to gain the ability to analyze and respond innovatively to the social, physical, and psychological impacts of interior spaces.

Five (5) Electives

**INTERIOR DESIGN – MINOR**

Minors are defined by a combination of five (5) of the major studio courses. The specific courses to be determined on an individual basis with the program chair.
# Medical Illustration

KCAD’s Medical Illustration program is a unique pathway toward a high-demand career with the potential to change lives, improve health, and enhance medical education and health care around the world. Through a blend of focused artistic instruction and scientific exploration, students learn to transform complex information into compelling visual communication, and emerge from this pre-professional program prepared for graduate or professional level study.

METALS AND JEWELRY DESIGN

KCAD’s Allesee Metals and Jewelry Design Program fosters original contemporary creative practice in one of the world’s oldest artistic mediums. Converging the historical context of jewelry making and metal work with focused technical training in a variety of traditional and contemporary materials and processes, the program prepares students for a wide variety of careers in the commercial and fine art jewelry fields.

METALS AND JEWELRY DESIGN – MINOR

Minors are defined by a combination of five (5) of the major studio courses. The specific courses to be determined on an individual basis with the program chair.
PAINTING

KCAD’s Painting program offers complete immersion in the medium’s rich history and vast expressive possibilities. Increasingly advanced technical instruction and experimentation in the studio is augmented by seminar classes that foster critical reflection and research into contemporary theory, ensuring that students move beyond mastery of basic techniques and traditional genres and into a style and voice that is uniquely their own.

PHOTOGRAPHY

KCAD’s Photography program merges fine art and commercial approaches to create a dynamic learning environment that inspires students to pursue expressive possibilities through a thoughtful balance of concept and technique. Access to both traditional and state of the art equipment and facilities enables a robust exploration of analog, digital, and hybrid tools and processes, positioning students to succeed in a wide variety of photography careers.

PHOTOGRAPHY – MINOR

BACHELOR OF FINE ARTS

PRINTMAKING

KCAD’s printmaking program infuses the ancient art of printmaking with a diverse modern perspective, integrating traditional processes with contemporary studio practices to promote a fertile environment for exploration, experimentation, critical thinking, and conceptual development. Students investigate multiple approaches to art-making as they develop a unique voice and strengthen their understanding of the social, historical, and cultural contexts in which they create and exhibit.

SCULPTURE AND FUNCTIONAL ART

KCAD’s Sculpture and Functional Art program fuses traditional sculptural techniques with rapidly evolving trans-disciplinary approaches to facilitate creative spatial problem solving and deep exploration of the space between fine art and everyday aesthetic objects. Students work with metal, wood, clay, plastic, and mixed and multi-media forms to investigate and express original ideas, becoming versatile makers and innovators who transcend perceived boundaries to discover new and dynamic approaches to shaping space and engaging senses.

GRADUATE PROGRAMS OF STUDY

MASTER OF ARCHITECTURE

KCAD’s Master of Architecture program graduates design professionals who will have a lasting positive impact on their own communities and the world at-large. Our students are engaged in a deep exploration of architecture that dissolves boundaries between bodies of knowledge and invites connections between design and technology, community engagement and professional practice, and history and critical theory. With a balance of research, integrative design, and practice, as well as a strong focus on design leadership, place-making, and real-world experience, the innovative curriculum enables rigorous seminar and studio courses to be closely integrated. The KCAD MArch is a highly personalized program that meets students where they are, empowering them to cultivate their own personal practice of architecture.

GRADUATE PROGRAMS OF STUDY

MASTER OF ARTS IN DESIGN

The Masters of Arts in Design program fosters creativity, innovation, responsibility, and intellectual growth by preparing its graduates to meet the challenges pursuant to a successful career within the professional design world. Through collaborative experiences and theory-driven coursework, students broaden their understanding of the impact of design on culture and community, thereby promoting responsible leadership, and emphasizing ethical engagement and social implications of design practice. The Masters of Arts in Design program at KCAD is a residency program that builds a studio culture that engages students in experiential, collaborative learning and invites students to develop a broader understanding of design and its impact on culture and community.

MASTER OF ARTS IN VISUAL AND CRITICAL STUDIES

It is widely recognized that the developing field of visual and critical studies functions as one of the most challenging and sophisticated sites for suturing complex cross-disciplinary experimentation and scholarly research. The key objective of this program will be to enable students to critically unpack visual information and meaningfully situate research within a broader epistemological horizon. Students will engage in a theory-driven, integrative, experimental course of study exploring the strategic points at which cultural context, material conditions, critical theory and the visual intersect. Students of Visual and Critical Studies will learn to write about visual culture in a scholarly manner suitable for publishing in peer-reviewed journals, synthesize and apply multiple qualitative research methods and concepts to the study of visual culture, and gain mastery in critical theory and analysis.

This program is appropriate for those students who may be interested in pursuing a PhD in visual studies, critical studies, museum studies, or as a dual degree option earned concurrently or consecutively with the MFA. The program also provides students with an opportunity to gain mastery in an additional focus area. It is widely accepted that we currently must negotiate an increasingly complex world of visual information. Students from the fields of fine art, design, library or information science, anthropology, sociology, political science, cultural studies, etc. may find the addition of a certificate or MA in Visual and Critical Studies advantageous to advancing the development of their research, practice and career.

GRADUATE PROGRAMS OF STUDY

MASTER OF FINE ARTS

KCAD’s Master of Fine Arts program is a transformative studio intensive experience focused on nurturing individual artistic development in one of four disciplines - drawing, painting, photography, or printmaking - in a stimulating and supportive environment. In the studio, students explore personally significant content ranging from representational to intermedia to non-objective forms of expression. Rigorous critical engagement with contemporary art and critical theory fosters sustained dialogues about the role of artistic practice in the world at-large. Students emerge ready to succeed as professional artists.

MASTER OF FINE ARTS DRAWING

The M.F.A. in Drawing is committed to both the conceptual and technical education of the professional artist, providing a balance between intensive studio experience and critical, theoretical, and historical inquiry. Students are encouraged to explore and experiment, ultimately taking primary responsibility for the direction and focus of their work. Studio work in the graduate drawing program may cover a broad spectrum of subjects and techniques, ranging from work that is traditional in its approach to work that challenges and expands the very definition of drawing, including mixed media, installation, new media and other interdisciplinary approaches. In addition to the studio experience, course work in art history and critical theory provides students with a stimulating environment in which to examine the relationship between art and culture and to cultivate intellectual and aesthetic development. While critiques and studio discussions in drawing include concern for technical and formal issues, the primary critical emphasis is on content and conceptual strength, including the aesthetic dimension of the work, the cultural and historical context of the work, and awareness of relevant philosophical and theoretical issues.

MASTER OF FINE ARTS PAINTING

The mission of the Graduate Painting program at Kendall College of Art and Design is to produce students who are able to demonstrate technical, material, and conceptual mastery in the execution of their work, while also providing opportunities for experimentation. The painting program fosters creativity, innovation, responsibility, and intellectual growth in preparing students to meet the challenges pursuant to a successful career within higher education or the broader art community. A diverse painting faculty is available to students for formal, technical and critical insight. Students are introduced within the program to the growing repository of art related theory through challenging fine art and art history seminars, addressing such issues as the “ethics of visual representation”, “politics and art” and “Post Structural” theory. Additionally, students have access to courses regarding the more practical aspects of being an artist including a seminar on teaching techniques and methodology, and a course dealing with the professional practices of the art world.

GRADUATE PROGRAMS OF STUDY

MASTER OF FINE ARTS PHOTOGRAPHY

The M.F.A. in Photography guides students in the development of their work through skill enhancement, informed dialogue about art theory, and the study of the history of art and media. Graduate studio and thesis courses focus on the production of a sophisticated body of lens-based artwork with the guidance of faculty and peers in the program. Graduate seminars examine the relationship between art and culture and support the intellectual and conceptual development of the student’s studio practice. Art history seminars are small group discussion-centered studies focused on a changing variety of topics. The student’s graduate experience is enhanced by their choice of elective classes that support and enhance the student’s art making. The capstone experience of the program is the M.F.A. Thesis Exhibition—a conceptually sophisticated and unified body of work that is supported by an extensive thesis paper. Successful completion of the program enables the student to seek careers in education, museum or gallery work, or as a professional artist.

MASTER OF FINE ARTS PRINTMAKING

The M.F.A. in Printmaking encourages students to translate their philosophical and personal concepts into visual form. The program balances intense studio experience with theoretical dialogue and the in-depth study of art history. Classes serve as a forum where ideas and technical aspects of student work are developed and critiqued. The printmaking studio courses link traditional methods with new technologies. Contemporary non-toxic processes, as well as digitally and photographically derived imagery, can be used with woodcut, linocut, lithography, silkscreen, and intaglio printmaking. Mixed media prints, as well as monoprints, collographs, and artists’ books, can result in installation or three-dimensional objects. Concept development is addressed throughout the course of study, culminating in a cohesive body of work that is conceptually and aesthetically strong.

CERTIFICATE PROGRAMS

CERTIFICATE IN DESIGN AND INNOVATION MANAGEMENT

Taken as a stand-alone certificate or in conjunction with Ferris State University's MBA degree, KCAD’s Certificate in Design and Innovation Management equips professionals to leverage design thinking as a change agent that enhances the organizational effectiveness of any business, in any industry. Through a blend of individual and collaborative learning experiences, students develop a comprehensive understanding of the ways in which the method, measure, and language of design drive the practice of business and the process of innovation, and emerge as leaders capable of building a thriving culture of innovation within organizations.

ART EDUCATION

KCED 203  Special Topics in Art Education  3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need or capacity to office a particular topic.
Prerequisite: None

KCED 206  K-12 Art Technology  3 Credits
Use an application of educational technology and computers as instructional tools in the K-12 art classroom. Emphasis on how to use technology to better facilitate classroom tasks and how to teach using the computer as an artistic medium.
Prerequisites: Sophomore Standing

KCED 240  K-12 Art Education History  3 Credits
Explores the concepts of how artistic learning occurs and how those concepts are reflected in past and current art education pedagogical practices.
Prerequisites: None

KCED 301  School, Work & Society for the Art Educator  3 Credits
This course is an introduction to the basic components of K-12 art education in America, considering the structure, function, and purpose of education broadly and the arts in education. The course features how schools determine financing, policy, and priority. It takes a critical look at the changing role of education, legal issues, and professional organizations within the educational system with an emphasis on community connections and art education advocacy.
Prerequisite: Pass the Art Education Portfolio Review. Good standing in the AE Program

KCED 325  Art Education Studio Methods  3 Credits
This studio course analyzes the artistic process and breaks it down into age appropriate components for the purpose of teaching and the creation of classroom visual aids.
Prerequisites: Contact advisor about the current prerequisites

KCED 330  K-12 Instructional Planning and Delivery in Art  4 Credits
Explores instructional design theory and practice in art. Emphasis is placed on using instructional analysis procedures for course design, unit design, classroom management, instructional planning and delivery.
Prerequisites: Contact advisor about the current prerequisites

KCED 399  Independent Study in Art Education  1 to 3 Credits
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. Forms for requesting approval are available online and from Student Services.
Prerequisites: Cumulative GPA of 3.0 or better, Junior/ Senior standing

KCED 400  Special Problems in Art Education  3 Credits
An opportunity to pursue an art education course in a classroom setting made available to the student during the same time as another art education course is being offered under the direction, and with the approval, of the professor. The forms for requesting approval are available online and from Student Services.

KCED 402  Internship in Art Education  1 to 9 Credits
KCAD offers students the opportunity to receive elective credit for supervised, professional work experience related to the student’s major and approved by the program chair. Internships are graded on a pass/fail basis only; a maximum of nine credit hours of internship credit may count toward the degree. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: Cumulative GPA of 3.0 or better, Junior/ Senior standing

<tr>
<td>KCAH 212</td>
<td><strong>Design History II: 18th Century to 21st Century</strong></td>
<td>3</td>
<td>A survey of Design History from the eighteenth century to the present emphasizing development in architecture, interiors, furniture, decorative, product design and fine arts.</td>
<td>KCAH 111, KCAH 112, KCHU 120</td>
</tr>
<tr>
<td>KCAH 213</td>
<td><strong>Native Art of the Americas</strong></td>
<td>3</td>
<td>A survey of the art and architecture of the Americas from Ancient times and the Colonial Period to the present. The material will be addressed geographically and chronologically considering style, symbolism, and function, and applying a socio-cultural methodology.</td>
<td>KCAH 111, KCAH 112, KCHU 120</td>
</tr>
<tr>
<td>KCAH 214</td>
<td><strong>History of Graphic Design</strong></td>
<td>3</td>
<td>A survey of important developments in the history of graphic design from the invention of alphabets to the digital age.</td>
<td>KCAH 111, KCAH 112, KCHU 120</td>
</tr>
<tr>
<td>KCAH 216</td>
<td><strong>Asian Art</strong></td>
<td>3</td>
<td>A survey of the art of India, Southeast Asia, China, and Japan from Neolithic times to the present.</td>
<td>KCAH 111, KCAH 112, KCHU 120</td>
</tr>
<tr>
<td>KCAH 217</td>
<td><strong>African Art</strong></td>
<td>3</td>
<td>A survey of the art and material culture of Sub-Saharan Africa from prehistory to the present.</td>
<td>KCAH 111, KCAH 112, KCHU 120</td>
</tr>
<tr>
<td>KCAH 220</td>
<td><strong>Art in the United States: Colonial America to 1900</strong></td>
<td>3</td>
<td>A survey of the major events and various social, cultural, and political influences on the arts produced in the United States from the Colonial period to 1900.</td>
<td>KCAH 111, KCAH 112, KCHU 120</td>
</tr>
<tr>
<td>KCAH 303</td>
<td><strong>Special Topics in Art History</strong></td>
<td>1 - 3</td>
<td>An advanced level class dealing with select topics in Art History.</td>

</tr>
</tbody>
</table>
KCAH 311  Modern Art and Modernism  3 Credits
An examination of the concept of Modernism and how it is expressed in Western art and architecture from the mid-19th century to the mid-20th century. [Students who have earned FSU credit for ARTH 310, History of Twentieth Century Art, may not use credit earned in KCAH 311.]
Prerequisites: KCAH 111, KCAH 112, KCHU 120

KCAH 312  Architecture and Architects  3 Credits
A critical study of selected periods and architects from the global history of architecture. Topics may include the role and influence of the architect, philosophies of architecture, and forms of public, sacred and domestic spaces.
Prerequisites: KCAH 111, KCAH 112, KCHU 120

KCAH 315  History of Fashion  3 Credits
A study of male and female fashion as an art form, related to the fine arts and reflective of the changing cultural aesthetic values of Western history.
Prerequisites: KCAH 111, KCAH 112, KCHU 120

KCAH 316  History of Photography  3 Credits
A study of photography as both a fine art and as documentary; at issue will be photography’s relationship to other arts, its impact on modern culture, and the impact of modern culture upon it.
Prerequisites: KCAH 111, KCAH 112, KCHU 120

KCAH 317  Contemporary Art  3 Credits
An in-depth study of fine art and theory from 1960 to the present.
Prerequisites: KCAH 111, KCAH 112, KCHU 120

KCAH 318  History of Illustration  3 Credits
Select topics on the history of illustration across cultures and time periods.
Prerequisites: KCAH 111, KCAH 112, KCHU 120

KCAH 319  American Art and Design: Whistler to Warhol  3 Credits
This course will explore the development and intersection of art and design in American art from the 1870s through the 1970s, and will trace historical processes of modernization from industrialization to the rise of mass media.
Prerequisites: KCAH 111, KCAH 112, KCHU 120

KCAH 321  Art of Islam  3 Credits
A critical examination of the arts and architecture of Islamic cultures with emphasis on the development of style, techniques, and motifs in art from Spain, North Africa, Central Asia and India.
Prerequisites: KCAH 111, KCAH 112, KCHU 120

KCAH 322  History of Architecture in the United States  3 Credits
An examination of architectural traditions in the United States, including the diverse cultural influences and regions encompassing its history from prehistory to the present.
Prerequisites: KCAH 112, KCHU 120

KCAH 323  African-American Art  3 Credits
A critical examination of African-American art from the 18th century to the present.
Prerequisites: KCAH 112, KCHU 120

KCAH 399  Independent Study in Art History  1 to 3 Credits
An advanced independent study dealing with select topics in Art History, theory, and/or criticism. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: 3.0 G.P.A., junior/senior standing

KCAH 400  Special Problems in Art History  3 Credits
An opportunity to pursue an art history course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: 3.0 G.P.A., junior/senior standing
COURSE DESCRIPTIONS

KCAH 402  Internship in Art History  1 to 9 Credits
KCAD offers students the opportunity to receive elective credit for supervised, professional work experience related to the student’s major and approved by the program chair. Internships are graded on a pass/fail basis only; a maximum of nine credit hours of internship credit may count toward the degree. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: 3.0 G.P.A., junior/senior standing

KCAH 403  Seminar in Art History  1 to 3 Credits
A seminar dealing with select topics in art history, theory, and/or criticism.
Prerequisites: KCAH 111, KCAH 112, KCHU 120, junior/senior standing, any 200-300 level AH course, junior/senior standing

KCAH 407  Historiography  3 Credits
A seminar that critically examines the history of art history from its origins in Classical Greece to the present.
Prerequisites: KCAH 111, KCAH 112, KCHU 120, junior/senior standing
COLLABORATIVE DESIGN

**KCDC 120 Introduction to Design** 3 Credits
Students will be exposed to the full range of Design disciplines, their history of development, how they interact, differ, converge and lead to change in accommodating new needs. Students will explore Design principles and processes, including product innovation and development, sustainability, form and function, and discover how Design is an asset to the economy and works with business.
*Prerequisite: None*

**KCDC 203 Special Topics in Collaborative Design** 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need or capacity to offer a particular topic.
*Prerequisites: None*

**KCDC 215 Sustainability and Design** 3 Credits
An introductory course focused on the issues of sustainability, the environmental, social and economic strategies for design. Discussions will include the impact of sustainability on the future of design and design services, and the opportunities and basis for new markets to meet changing needs.
*Prerequisites: KCDC 120*

**KCDC 216 Dialogue and Personality** 3 Credits
An interactive and facilitated experience through dialogue and creative expression exploring a range of topics, providing students an exposure to what is dialogue, asking questions, meaningful conversation with those of varying views/opinions. Students will explore impacts of communication on design of professionals, process, and project success. Collaborative-based projects will explore applications of discussions.
*Prerequisites: None*

**KCDC 303 Special Topics in Collaborative Design** 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need or capacity to offer a particular topic.
*Prerequisites: None*

**KCDC 311 User-Centered Design** 3 Credits
From a combination of perceptual psychology and ethnographic research, the student will explore the underlying elements of how we perceive, react and relate to the designed world. The student will consider the physiological and learned behaviors that shape our interactions with the built environment with an emphasis on experiential and emotional design.
*Prerequisites: KCDC 120*

**KCDC 321 Visual Literacy: Seeing** 3 Credits
Explore the ways we perceive, react, understand and judge our physical and emotional environments. Students will gain an increased awareness and understanding of visual acuity. Inspire students to consider ‘seeing’ as a method for understanding, gaining new perspectives and problem solving.
*Prerequisites: None, KCHU 340 encouraged or concurrent*

**KCDC 399 Independent Study in Collaborative Design** 3 Credits
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. Forms for requesting approval are available online and from the Student Services Office.
*Prerequisites: Cumulative GPA of 3.0 or better, Junior/Senior standing*

**KCDC 400 Special Problems in Collaborative Design** 3 Credits
An opportunity to pursue a collaborative design course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available online and from the Student Services Office.
*Prerequisites: 3.0 G.P.A., junior/senior standing*
COURSE DESCRIPTIONS

KCDC 402  Internship in Collaborative Design  1 to 9 Credits
KCAD offers students the opportunity to receive elective credit for supervised, professional work experience related to the student’s major and approved by the program chair. Internships are graded on a pass/fail basis only; a maximum of nine credit hours of internship credit may count toward the degree. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: 3.0 G.P.A., junior/senior standing

KCDC 403  Seminar in Collaborative Design  3 Credits
Seminar dealing with special interests in Collaborative Design.
Prerequisites: Upper-level students

KCDC 430  Design Thinking: Strategies and Tactics  3 Credits
Explores the design process and application common to all disciplines as related to business, organizational, and built environments. Using textbooks and case studies this course looks at right and left brain thinking, heuristic thinking, and how we approach different problems. The course will use organizational techniques for gaining systemic insights into complex situations and problems.
Prerequisites: KCHU 121, KCDC 120, KCDC 311

KCDC 431  Service Design  3 Credits
Investigates the differences in design needs for a range of environments, products, and communications that provide services; health care, food service, financial, insurances, governmental, and more. Looks at understanding the unique set of constraints and opportunities related to the service industries.
Prerequisites: KCDC 120, KCDC 311

KCDC 440  Organizational Structures  3 Credits
An overview of the different forms of business and organizational structures; profit and non-profit, services, manufacturing, governmental, private, and public partnerships. An exploration of the differences and similarities, their operational methodologies and relationships to design. Discussion of how design innovation impacts business and economic development strategies.
Prerequisites: KCDS 405

KCDC 460  Collaborative Design Capstone  3 Credits
Capstone project, determined in conference with the faculty advisor is to apply the concepts and competencies learned in the Collaborative Design Program. The student will engage in an immersive experience/study of a specific area related to culture and societal needs, and present the work in both presentation and thesis formats. Portfolio presentation, (or predetermined equivalent) development, and documentation of the quality and scope of the student’s work. Effective oral, visual, and written communications is expected.
Prerequisites: KCDC 430, KCDC 440, approval of advisor
COURSE DESCRIPTIONS

DESIGN STUDIES

KCDS 110  Digital Foundation  3 Credits
An introduction to the computer as a design tool using the industry standards in page layout, digital illustration, and photo manipulation software, the Adobe Creative Suite. File transport (PDF) and font management software will also be introduced.
Prerequisites: None

KCDS 203  Special Topics in Design Studies  1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.
Prerequisites: None

KCDS 303  Special Topics in Design Studies  1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.
Prerequisites: None

KCDS 315  Collaborative Projects  3 Credits
An interdisciplinary experience providing an applied learning opportunity. Through an engagement with organizations, students will be introduced to all aspects of the project design process, with a focus to ‘whole systems design thinking’.
Prerequisites: KCDC 120 or equivalent, KCDC 216 preferred

KCDS 400  Special Problems in Design Studies  3 Credits
An opportunity to pursue a design studies course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: 3.0 G.P.A., junior/senior standing

KCDS 403  Seminar in Design Studies  1 to 3 Credits
Explores the design process—including ideas, products, and facilities—from concept to implementation by introducing students to the contract furniture market and other showrooms and sites and by introducing students to award-winning designers in an environment in which students share “hands-on” experience of how designers develop ideas and products which are prototyped and brought to market.
Prerequisites: Sophomore status

KCDS 405  The Business Side of Design  3 Credits
The “A” side of design focuses on the creative skills inherent to every design discipline. The “B” side focuses on the “business” aspects necessary in creating a sustainable professional practice. This course explores the fundamentals of promotion, business development and fiscal responsibility necessary to maintaining viable organizations; whether in the form of sole practitioner or incorporated business entities. Understanding the roles of marketing executives, strategic planners, account services and production personnel as players working together with designers on the final creative deliverable is the key to entering the professional market and differentiate the Individual as a “strategic design thinker”.
Prerequisites: Junior or Senior standing
COURSE DESCRIPTIONS

DIGITAL ART AND DESIGN

KCDM 203  Special Topics in Digital Media  1 to 3 Credits
A topical course that allows the program to respond to students' interest in a particular area, or other expressed need, or capacity to offer a particular topic.
Prerequisites: None

KCDM 231  Sound Design  3 Credits
Students will learn to create audio for multimedia design and entertainment arts.
Prerequisites: None

KCDM 232  Introduction to Digital 3D  3 Credits
Students will learn to create three-dimensional objects and environments for a variety of media and entertainment applications. Course content may be delivered on location or by mixed delivery (partially online). The type of class will be identified in the attributes column in the MyFSU course listing.
Prerequisites: None

KCDM 235  Interactive Multimedia Design I  3 Credits
Students will learn to create functional interactive multimedia works.
Prerequisites: Sophomore standing

KCDM 241  Digital Imaging I  3 Credits
Students will be introduced to digital drawing, coloring, compositing and image manipulation techniques for both print and digital delivery systems.
Prerequisites: None

KCDM 243  Digital Imaging II  3 Credits
Students will apply advanced techniques for digital drawing, coloring, compositing, and image manipulation for print and digital delivery systems.
Prerequisites: KCDM 241

KCDM 250  Digital Character Drawing  3 Credits
Students will learn digital drawing techniques and apply them to both human and animal character stylizations, using methods and techniques that are relevant to visual development for entertainment media.
Prerequisites: KCFN 133 or KCDS 142

KCDM 294  Animation Processes  3 Credits
Students will learn the animation pipeline for both character animation and motion design.
Prerequisites: Sophomore standing

KCDM 303  Special Topics in Digital Media  1 to 3 Credits
A topical course that allows the program to respond to students' interest in a particular area, or other expressed need, or capacity to offer a particular topic.
Prerequisites: None

KCDM 312  Comic Media Design  3 Credits
Students will create comics for print or digital delivery, using traditional and digital imaging techniques.
Prerequisites: KCDM 241 or KCGD 112

KCDM 317  Web Design I  3 Credits
Students will create and test functional interactive works for delivery via the web.
Prerequisites: Sophomore Standing

KCDM 319  Web Design II  3 Credits
Students will create and test functional interactive works that include multimedia, for delivery via the Web.
Prerequisites: KCDM 317

KCDM 321  Concept Art  3 Credits
Students will apply visual development processes to character, prop, and background art for the entertainment industry.
Prerequisites: KCDM 241

KCDM 323  2D Character Design  3 Credits
Students will learn both the technical and stylistic methods of character design for a variety of media and entertainment applications.
Prerequisites: KCDM 241

KCDM 331  Applied Music and Sound  3 Credits
Students will design music and sound for integration into multimedia design and entertainment arts.
Prerequisites: Junior Standing
KCDM 332  Concept and Production Design  3 Credits
Students will apply digital character and environment design to develop concepts for films, games, animations or physical products.
Prerequisites: KCDM 241

KCDM 333  3D Character Design  3 Credits
Students will learn digital 3D character design, sculpting, and organic modeling for entertainment art.
Prerequisites: KCDM 232

KCDM 334  Storyboard Art  3 Credits
In this course students apply storyboard and film language to create storyboards for a variety of industries, using visual development techniques.
Prerequisites: Sophomore Standing

KCDM 337  2D Character Animation  3 Credits
Students will learn traditional animation movement fundamentals and apply them utilizing digital processes to create 2D, character-based animation involving full motion with synchronized voice.
Prerequisites: KCDM 243

KCDM 345  Video  3 Credits
Students will learn the design and technical process of shooting video and digital editing and apply these techniques to their major area of study.
Prerequisites: KCFN 133 or KCFN 133

KCDM 355  3D Game Art I  3 Credits
Students will create 3D objects and environments for a variety of entertainment art. Course content may be delivered on location or by mixed delivery (partially online). The type of class will be identified in the attributes column in the MyFSU course listing.
Prerequisites: KCDM 232

KCDM 356  3D Game Art II  3 Credits
Students will apply advanced techniques to create 3D game art assets for digital and/or physical games. Course content may be delivered on location or by mixed delivery (partially online). The type of class will be identified in the attributes column in the MyFSU course listing.
Prerequisites: KCDM 355

KCDM 365  Motion Design  3 Credits
Students will create animated graphic design related to their major area of study.
Prerequisites: KCDM 294 or KCGD 220

KCDM 380  3D Motion Design  3 Credits
Students will integrate digital 2D and 3D techniques to create motion graphics related to their major area of study. Students will create 3D assets, animation and compositing for digital multimedia.
Prerequisites: KCDM 365

KCDM 399  Independent Study to Digital Media  1 to 3 Credits
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCDM 400  Special Problems in Digital Media  3 Credits
An opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: 3.0 GPA., junior/senior standing

KCDM 402  Internship in Digital Media  1 to 9 Credits
KCAD offers students the opportunity to receive elective credit for supervised, professional work experience related to the student’s major and approved by the program chair. Internships are graded on a pass/fail basis only; a maximum of nine credit hours of internship credit may count toward the degree. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCDM 403  Seminar in Digital Media  3 Credits
Seminar dealing with special interests in Digital Media.
Prerequisites: Upper-level students
KCDM 405  Interaction Design  3 Credits
This cross-disciplinary course will invite students from a variety of the college’s programs to collaborate on a user-experience design problem in the realm where digital and physical meet.
Prerequisites: None

KCDM 420  Professional Studio I  3 Credits
Students will conceptualize and produce, in a team environment, an innovative multimedia project.
Prerequisites: Junior Standing

KCDM 421  Professional Studio II  3 Credits
A continuation of Professional Studio I; students will conceptualize and produce, in a team environment, an innovative multimedia project.
Prerequisites: Junior Standing

KCDM 466  Digital Art and Design Thesis I  3 Credits
Students will create a self-designed imaging, animation, video or interactive project that demonstrates their aesthetic voice as well as their technical skills.
Prerequisites: Senior Standing

KCDM 467  Digital Art and Design Thesis II  3 Credits
Students will create a self-designed project that demonstrates their aesthetic voice as well as their technical skills.
Prerequisites: Senior Standing

KCDM 468  Professional Practices  3 Credits
Students will create a self-promotional digital campaign that targets job seeking and freelancing opportunities.
Prerequisites: Senior Standing
COURSE DESCRIPTIONS

DRAWING

KCDR 203  Special Topics in Drawing  1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.
Prerequisites: None

KCDR 221  Figure Drawing I  3 Credits
This course focuses on gesture drawing, rapid visualization skills, movement and expressive content, composition, structure, skeletal anatomy, and engaging in critiques.
Prerequisites: KCFN 133 or KCDS 142

KCDR 222  Figure Drawing II  3 Credits
This develops concepts introduced in Figure Drawing I with additional emphasis on the development of volume and mass through structural application of line and value; heads, hands, and feet; figure in environments; anatomical focus on musculature; and engaging in critique.
Prerequisites: KCDR 221

KCDR 233  Drawing Materials and Processes  3 Credits
Emphasizes independent problem solving, refinement of technical skills, and the development of conceptualization processes. Examines contemporary issues, artists and the significance of content.
Prerequisites: KCFN 134, KCDR 221

KCDR 303  Special Topics in Drawing  1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.
Prerequisites: None

KCDR 323  Figure Drawing III  3 Credits
Explores the figure within increasingly complex and spatial compositions and emphasizes thorough treatment of both positive and negative space. The figure is studied as both a form in space and a vehicle of expression. The use of color in relation to the figure is introduced primarily through chalk pastels.
Prerequisites: KCDR 222

KCDR 324  Figure Drawing IV  3 Credits
Encourages the development and definition of personal connections with the figure. Increased emphasis on individual artistic interpretation of form, space, color, and conceptual development.
Prerequisites: KCDR 323

KCDR 334  Studio Drawing I  3 Credits
An advanced level, self-directed investigation of drawing. Conceptual development is emphasized along with refinement of technical and formal skills toward the creation of a cohesive body of work. Incorporation of mixed media elements is encouraged for those students who wish to expand the boundaries of traditional drawing media and processes.
Prerequisites: KCDR 233

KCDR 399  Independent Study in Drawing  1 to 3 Credits
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCDR 400  Special Problems in Drawing  3 Credits
An opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: 3.0 GPA., junior/senior standing

KCDR 402  Internship in Drawing  1 to 9 Credits
KCAD offers students the opportunity to receive elective credit for supervised, professional work experience related to the student’s major and approved by the program chair. Internships are graded on a pass/fail basis only; a maximum of nine credit hours of internship credit may count toward the degree. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: 3.0 GPA, junior/senior standing
KCDR 403  Seminar in Drawing  3 Credits  
Seminar dealing with special interests in Drawing. 
Prerequisites: Upper-level students

KCDR 420  Studio Drawing II  3 Credits  
A further investigation of Studio Drawing I concerns with continued emphasis on self-direction, conceptual strength, development of a cohesive body of work, and potential for the incorporation of mixed media or non-traditional drawing media and techniques.  
Prerequisites: KCDR 334

KCDR 421  Figure Drawing V  3 Credits  
Emphasizes individually motivated studio activity with the human figure as primary subject matter. Students initiate, develop, and refine work with the human figure as a vehicle of personal expression. A cohesive body of work will be produced.  
Prerequisites: KCDR 324 or KCIL 324 completed with minimum grade of 3.0

KCDR 430  Drawing Thesis I  3 Credits  
Focuses on the creation of a unified body of work in drawing in preparation for the BFA Thesis Exhibition. Emphasizes cohesiveness of technical, formal, and conceptual concerns. Includes both individual and group critiques.  
Prerequisites: KCDR 420, Senior standing or program consent

KCDR 460  Drawing Thesis II  3 Credits  
Emphasizes continued responsibility for the creation of a unified body of work in drawing in preparation for the BFA Thesis Exhibition. Emphasizes technical, formal, and conceptual continuity. Includes both individual and group critiques. The student is required to install a thesis exhibition and present an artist’s statement to complete the BFA in Drawing.  
Prerequisites: KCFA 310, KCDR 430
FASHION STUDIES

KCFS 120  Introduction to Fashion Studies  3 Credits
This is an introduction to the language, materials, trends and processes of the fashion industry from an integrated perspective. This course includes research techniques, concept development, flats/illustration component, studio production and presentation.
Prerequisites:  KCFN 133 or KCDS 142

KCFS 210  Fashion Design/Construction I  3 Credits
This course provides a solid foundation in fashion concept, design, and garment construction. The course includes development of basic pattern blocks, introduction to draping techniques, and finishing methods.
Prerequisite:  KCFS 120

KCFS 211  Fashion Illustration I  3 Credits
Students will study the illustration of contemporary fashions, designs and accessories as well as research the work of fashion illustrators. Course work will include practical techniques, flat development and fashion illustration along with experimentation with various media.
Prerequisite:  KCFS 120

KCFS 220  Fashion Design/Construction II  3 Credits
This course continues development of fashion concept, design and garment construction. It reinforces core competency in pattern-making, draping and construction techniques.
Prerequisite:  KCFS 210

KCFS 310  Fashion Design/Construction III  3 Credits
Integrates design and construction skills to thematic fashion design problems. Emphasis will be placed on students developing and articulating their personal design aesthetic and voice.
Prerequisite:  KCFS 220

KCFS 312  Fashion Illustration II  3 Credits
Students will advance their illustration skills and use software to recreate the illustration process using digital components.
Prerequisite:  KCFS 211

KCFS 320  Fashion Design/Construction IV  3 Credits
An advanced course in fashion design, construction and presentation culminating in the creation and presentation of a fashion collection and portfolio.
Prerequisite:  KCFS 310

KCFS 321  Textiles & Materials for Fashion Studies  3 Credits
This course is designed to take an intensive look at all textile and material applications for apparel and accessories. It will focus on the visual, tactile manufacturing and performance aspects of each textile for consideration in product end use.
Prerequisite:  KCFS 120

KCFS 322  Garments for Action & Function  3 Credits
This course integrates design and construction skills placing a special focus on functional design problems. Emphasis will be placed on the application of fabric and construction for garments used in action or with specific performance needs.
Prerequisite:  KCFS 310

KCFS 323  Sustainable Fashion  3 Credits
This course integrates design and construction skills placing a special focus on sustainability in garment production. Emphasis will be placed on the application of fabric and construction for garments utilizing reduce, reuse, and recycle principles in creating a sustainable apparel line.
Prerequisite:  KCFS 320

KCFS 324  Innovative Techniques in Apparel Design  3 Credits
This course integrates design and construction skills placing a special focus on innovative techniques in apparel design. Emphasis will be placed on specialized fabric applications and construction for garments utilizing technology.
Prerequisite:  KCFS 320
KCFS 325  Fashion Research Experience 3 Credits
A study trip for junior students to include museum visits, fashion design house visits, textile/yarn manufacturers, meeting industry and educational professionals and experiencing the fashion industry.
Prerequisite: KCFS 220, junior standing

KCFS 330  Fashion Illustration III 3 Credits
Students will continue development of their fashion illustration skills. Course work will include development of a unique set of figures and continue exploration with various media to create comprehensive and cohesive collections.
Prerequisite: KCFS 211, 312

KCFS 420  Fashion Collection/Capstone 3 Credits
This course integrates design and construction skills to thematic fashion design problems. Emphasis will be placed on student developing and articulating their personal design aesthetic and voice.
Prerequisite: KCFS 320

KCFS 421  Retail Buying 3 Credits
This course is an introduction to retail buying and its opportunities for the purposes of career planning and preparation. It includes an understanding of the retail industry structure, decision making for retail and the development and implementation of promotional strategies and sales forecasting.
Prerequisite: KCFS 220

KCFS 422  Fashion Show Production 3 Credits
Students will use skills learned in this class to produce a professional fashion show.
Prerequisite: KCFS 220

KCFS 426  Professional Practice in Fashion Studies 3 Credits
This is a capstone course that explores the responsibilities, ethics, and evaluation of a professional in fashion studies. It includes resource identification, information retrieval, development of professional representation and communication with established industry professionals to create a resource network.
Prerequisite: KCFS 320
COURSE DESCRIPTIONS

FINE ARTS

KCFA 310  Professional Practices  3 Credits
This course is designed to guide students through the career-oriented aspects of working as a fine artist. Course work will include information on applying for grants and exhibitions, documenting artwork, compiling a resume and applying for graduate school.
Prerequisites: Junior Standing

KCFA 405  Seminar in Fine Arts  3 Credits
Students will be introduced to the work of contemporary scholars whose work has had an impact upon the contemporary art horizon.
Prerequisites: Junior/senior standing

KCFA 406  Introduction to Post Structuralism  3 Credits
This course focuses on an in-depth examination of those strategic points at which social practice, theory, and the practice of art intersect. Students will read from key Postmodernist/Poststructuralist theoretical texts.
Prerequisites: Junior/Senior Standing

KCFA 410  Student Gallery: Internship  3 Credits
Focuses on the practical and curatorial management issues associated with gallery and museum work. Utilizing the student managed exhibition space, students will be responsible for exhibition planning, program assessment, promotional materials, and maintenance.
Prerequisites: Junior/senior standing
FOUNDATION, FIRST YEAR EXPERIENCE

KCFN 113 Color: Apply 3 Credits
This course will introduce both analog and digital color theory and application. Course work will concentrate on the interactions of color and its resulting perceptual effect on form and value. The application of color combinations in relation to a variety of different color schemes and applied color will be used throughout the semester.

KCFN 115 Design: Text 3 Credits
This course introduces students to images, text, color, layout and hierarchy of information to develop visual communication techniques. Fundamentals of typeface, letterforms, and spacing are introduced and practiced. Design work is documented through journaling and photography with an introduction to manually adjustable digital (DSLR) camera use and lighting.

KCFN 116 Design: Image 3 Credits
This course introduces the concept of design, problem statements, problem solving and multiple iterations of design solutions using a variety of hand and digital tools. Design work is documented through journaling and photography with an introduction to manually adjustable digital (DSLR) camera use and lighting.

KCFN 117 Making: Object 3 Credits
In this course students will explore elements, principles, and aesthetic concepts integral to three-dimensional design and object making. Relationships between concept, process, materials, tools and technical skills will be addressed in this studio-based inquiry.

KCFN 118 Making: Product 3 Credits
This course is an introduction to materials, tools, and techniques used to fabricate physical representations of product concepts often seen in the industrial, furniture, product, and life-style design profession. Students will create models to scale and practice fabrication and finishing techniques.

KCFN 133 Drawing: Learn 3 Credits
This course is an introduction to sketching, drawing as observation, and conceptualization through eye-hand coordination. Methods include freehand drawing using fundamental perspective principles and quick-sketch techniques. An emphasis will be placed on linear construction with concern for accurate proportion in addition to accurate use of value, light, and shadow. This course will employ the use of live models (clothed and/or nude) to study scale, proportion, and composition.

KCFN 134 Drawing: Practice 3 Credits
This course focuses on the further refinement of the concepts, processes, and techniques introduced in Drawing: Learn. An emphasis will be place on spatial studies of objects and the figure (clothed and/or nude). The course includes the exploration of freehand perspective, color investigation, sequential study and idea development.

Prerequisites: KCFN 133
COURSE DESCRIPTIONS

FURNITURE DESIGN

KCFD 120  Introduction to Furniture Design  3 Credits
Introduces students to the visual skills and
communication methods used in the furniture design
profession.
Prerequisites: None

KCFD 203  Special Topics in Furniture Design  1 to 3 Credits
A topical course that allows the program to respond
to students' interest in a particular area, or other
expressed need, or capacity to offer a particular topic.

KCFD 234  Ornaments  3 Credits
Analysis and study of historical furniture
ornamentation, including: veneers and bench
work, profile turnings, profile moldings, carving and
embossing, and decorative hardware. Materials
and manufacture of these elements are studied,
researched, and detailed. The utilization of these
elements and the recognition of typical style
applications and their appropriate representations are
emphasized.
Prerequisites: KCFD 120, KCDS 142

KCFD 241  Detailing I  3 Credits
Introduction to the fundamental tools, techniques and
language of drafting and furniture detailing. Emphasis
will be placed on accuracy and application of drafting
techniques expressed in full-size detail layout, notation,
lettering and dimensioning as tools of communication.
Prerequisites: None

KCFD 242  Chair Detailing  3 Credits
An in-depth study of the principles of detailing hard-
seating goods. Includes the examination of differing
forms, structures, materials, and manufacturing
capabilities.
Prerequisites: KCFD 241

KCFD 260  Furniture Rendering  3 Credits
This course will introduce students to rendering
methods currently practiced within the furniture design
profession including, quick sketching, hand and digital
rendering techniques.
Prerequisites: KCFD 120, KCDS 142

KCFD 303  Special Topics in Furniture Design  1 to 3 Credits
A topical course that allows the program to respond
to students' interest in a particular area, or other
expressed need, or capacity to offer a particular topic.

KCFD 311  Furniture Design I  3 Credits
The study of furniture design through researching
proportion, scale, and typical style elements.
Students will prepare furniture designs for residential
products including tables, casegoods, and seating.
Development of product presentation abilities.
Prerequisites: KCAH 212, KCFD 234, KCFD 260

KCFD 312  Furniture Design II  3 Credits
The study of furniture product design with an emphasis
on the development of product groups and collections.
Includes extensive research into styling, element
utilization, and product adaptation as well as product
presentation.
Prerequisites: KCFD 311, KCAH 211

KCFD 315  Soft-Seating Design  3 Credits
An in-depth exposure to the design and detailing of
upholstered seating goods.
Prerequisites: KCFD 241, KCFD 311, KCFD 342

KCFD 342  Detailing II  3 Credits
This course introduces students to practical problem-
solving methods for furniture design and construction
using the furniture detail. The details are drawn from
assigned archetypes and using AutoCAD.
Prerequisites: KCFD 241

KCFD 365  Design Development I  3 Credits
This course introduces students to the designing
and detailing of furniture product with an emphasis
on current styling and functional trends, and using
AutoCAD to execute the details of the product as
applied to current manufacturing capabilities.
Prerequisites: KCFD 312, KCFD 342
COURSE DESCRIPTIONS

KCFD 399  Independent Study in Furniture Design  1 to 3 Credits
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCFD 400  Special Problems in Furniture Design  3 Credits
An opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: 3.0 G.P.A., junior/senior standing

KCFD 402  Internship in Furniture Design  1 to 9 Credits
KCAD offers students the opportunity to receive elective credit for supervised, professional work experience related to the student’s major and approved by the program chair. Internships are graded on a pass/fail basis only; a maximum of nine credit hours of internship credit may count toward the degree. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCFD 403  Seminar in Furniture Design  1 to 3 Credits
Seminar dealing with special interests in furniture design.
Prerequisites: Upper-level students

KCFD 406  Industry Trends and Practices  3 Credits
Investigation and study of current trends in business practices and business models to evaluate their impact on the profession of Furniture Design.
Prerequisites: KCHU 320, KCFD 311

KCFD 413  Original Design  3 Credits
Design of original furniture products through the effective use of functional considerations, and production methods. Students will demonstrate product development through both 2-D and 3-D and/or CAD techniques. Product presentation, both verbal and visual, will approach professional standards. Course may be repeated.
Prerequisites: KCFD 312, KCFD 365

KCFD 444  Design Development II  3 Credits
This course introduces students to advanced detailing at the professional level utilizing traditional tools and CAD. Students will present critical analysis of their details as related to commercial requirements, line comprehension, knowledge of materials and hardware, continuity of view, and applicability to specific manufacturing methods.
Prerequisites: KCFD 36

KCFD 460  Furniture Design Capstone  3 Credits
Capstone project, determined in conference with the faculty advisor is to utilize all of the skills learned in the Furniture Design major. The student is expected to define a design problem and resolve it through the use of sketches, detail drawings, and models or prototypes (optional).
Prerequisites: KCFD 365, KCFD 413
COURSE DESCRIPTIONS

GENERAL EDUCATION

HUMANITIES

KCHU 120  Writing  3 Credits
This course focuses on using writing to develop ideas, hone critical thinking skills, and express ideas clearly and appropriately according to audience and purpose. Students write in a variety of modes and spend a portion of the semester engaging in scholarly research. Students also develop their public speaking skills.
Prerequisites: None

KCHU 121  Oral Rhetoric  3 Credits
Presents concepts and develops oral and rhetorical skills appropriate for formal presentations, with emphasis on prepared, extemporaneous, and impromptu speaking. (Students who have earned credit for COMM 121, Fundamentals of Public Speaking, may not use credit earned in KCHU 121 to meet graduation requirements.)
Prerequisites: None

KCHU 203  Special Topics in Humanities  1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCHU 227  Introduction to World Religions  3 Credits
This course will focus on the world’s major religious traditions through a critical examination of their origins, spiritual teachers, religious beliefs, rituals, and practices. (Students who have earned credit for RELG 326 Western Religions may not use credit earned in KCHU 227 to meet graduation requirements.)
Prerequisites: KCHU 228, KCSS 229

KCHU 228  Introduction to Philosophy  3 Credits
This course is an inquiry into the nature and power of philosophy to transform the way we experience the world around us and understand our place within it. Through a selection of readings representing various philosophical traditions and perspectives, critical discussion, and writing, students will examine some of the great questions that have intrigued philosophers from antiquity to present.
Prerequisites: KCHU 120

KCHU 255  Introduction to Narrative Studies  3 Credits
This course provides a core understanding of effective storytelling. It examines the ways in which storytellers—both past and present—craft, organize, and convey ideas to successfully impact audiences, doing so through both inquiry into established narratives, as well as students’ own experiments with narrative forms.
Prerequisites: KCHU 120

KCHU 303  Special Topics in Humanities  1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCHU 310  World Literature  3 Credits
This course closely examines selected literature from various world cultures, with an emphasis on non-Western authors and works.
Prerequisites: KCHU 228, KCHU 255, KCSS 229

KCHU 322  Creative Writing  3 Credits
This course emphasizes the basic elements of craft in short fiction while introducing students to the writing workshop. (Students who have earned credit in ENGL 322, Creative Writing, may not use credit earned in KCHU 322 to meet graduation requirements.)
Prerequisites: KCHU 255

KCHU 323  Aesthetics  3 Credits
This course explores the philosophical nature of beauty, art, and taste.
Prerequisites: KCHU 228, KCAH 112 or program consent
KCHU 324  Mythology  3 Credits
This course examines world myths from ancient
civilization to the present, including their individual
and comparative values, their impact on knowledge
and culture, and a reassessment of them in our
contemporary world.
Prerequisites: KCHU 228, KCHU 255, KCSS 229

KCHU 325  Bible as Literature  3 Credits
Focuses on a thematic study of the Bible, its
literary genres and styles, and its influence on the
culture of Western civilization, and its inspiration
for other works of art.
Prerequisites: KCHU 120

KCHU 330  Genre Studies  3 Credits
This course considers the development of a particular
genre (to be specified from short fiction, non-fiction
prose, drama, and poetry) and its specific terminology.
May be taken more than once.
Prerequisites: KCHU 255

KCHU 340  Visual Rhetoric  3 Credits
This course focuses on the analysis of numerous
forms of visual discourse, including their rhetorical
effectiveness, impact on audiences, and social/cultural influences.
Prerequisites: KCHU 228, KCHU 255, KCSS 229

KCHU 350  Religion Studies  3 Credits
This course will introduce students to the beliefs,
traditions, and important figures of a major world
religion, as well as how these elements affect the
lives of its followers. The course will also explore the
intellectual, social, and ethical issues that have defined
the faith both historically and in our modern world.
Prerequisite: KCHU 228, KCSS 229

KCHU 360  Film Studies  3 to 9 Credits
This course introduces students to film analysis
and criticism, including formal elements, narrative
structures, and theory. Through study of the visual
texts, the filmmakers, and the cultural contexts
surrounding the films, the course will emphasize both
the interpretation and appreciation of cinematic works.
Prerequisite: KCHU 255

KCHU 399  Independent Study in Humanities  1 to 3 Credits
An opportunity to pursue special topics or projects
beyond the classroom setting, and is established under
the direction of a full-time faculty member, with the
approval of the program chairperson. The forms for
requesting approval are available online and from the
Student Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCHU 400  Special Problems in Humanities  3 Credits
An opportunity to pursue a course in a classroom
setting made available to the student during the same
time as another course is being offered under the
direction of the professor and with the signed approval
of the professor. The forms for requesting approval are
available online and from the Student Services Office.
Prerequisites: 3.0 G.P.A., junior/senior standing

KCHU 403  Seminar in Humanities  3 Credits
Seminar dealing with topics of special interest in the
humanities and especially intended for upper-division
students.
Prerequisites: KCAH 112, KCHU 120

KCHU 410  Major Authors  3 Credits
This course examines a single author’s works,
biography, criticism, and cultural legacy. May be taken
more than once.
Prerequisites: KCHU 255

KCHU 411  Literary Periods  3 Credits
This course considers the historical context, the literary
characteristics, popular themes, and any specific
terminology from one literary period. May be taken
more than once
Prerequisites: KCHU 255

KCHU 422  Fiction Workshop  3 Credits
Upper-level fiction writing course that builds on the
concepts and techniques of the introductory-level
creative writing course, with a greater emphasis on
stylistics and the close readings of colleagues’ works.
Prerequisites: KCHU 120, KCHU 322
KCHU 460  Capstone in Narrative Studies  3 Credits
This course synthesizes learning from students’ general education coursework—particularly from the Narrative Pathway courses—and, as appropriate, from their disciplinary studies. Students apply this learning to a written project of significant scope. In addition, self-reflection, self- and peer-assessment, critical analysis, and sharing of ideas are key components of the capstone experience.
Prerequisites: 3 Pathways courses in Narrative Studies

KCHU 461  Capstone in Philosophical Studies  3 Credits
This course synthesizes learning from students’ general education coursework—particularly from the Philosophy Pathway courses—and, as appropriate, from their disciplinary studies. Students apply this learning to a written project of significant scope. In addition, self-reflection, self- and peer-assessment, critical analysis, and sharing of ideas are key components of the capstone experience.
Prerequisites: 3 Pathways courses in Philosophical Studies

KCHU 460  Capstone in Narrative Studies  3 Credits
This course synthesizes learning from students’ general education coursework—particularly from the Narrative Pathway courses—and, as appropriate, from their disciplinary studies. Students apply this learning to a written project of significant scope. In addition, self-reflection, self- and peer-assessment, critical analysis, and sharing of ideas are key components of the capstone experience.
Prerequisites: 3 Pathways courses in Narrative Studies

KCHU 461  Capstone in Philosophical Studies  3 Credits
This course synthesizes learning from students’ general education coursework—particularly from the Philosophy Pathway courses—and, as appropriate, from their disciplinary studies. Students apply this learning to a written project of significant scope. In addition, self-reflection, self- and peer-assessment, critical analysis, and sharing of ideas are key components of the capstone experience.
Prerequisites: 3 Pathways courses in Philosophical Studies

KCSC 234  Conceptual Physics  3 Credits
An introductory survey of the major concepts and methodologies of physics.
Prerequisites: None

KCSC 240  Perspectives on Science  3 Credits
This course examines the nature of science and some of the major scientific ideas and issues affecting our culture. Students gain the knowledge and skills to analyze those issues in government, business, and economics that are argued using scientific ideas or analysis. In addition, students hone their writing, research, and public speaking skills.
Prerequisites: KCHU 120

KCSC 261  The Aesthetics of Geometry  3 Credits
Includes topics from plane and solid Euclidean geometry, mathematical properties of geometric shapes, theoretical geometry, basic trigonometry, arithmetic, and basic algebra (as needed to manipulate formula related to geometry).
Prerequisites: None

KCSC 270  Basic Materials  3 Credits
Through a review of material families, material processing, including material sustainability and innovation strategies, this course will place an emphasis on investigation, research and critical scientific thinking relative to the design brief and problem-solving strategies relative to materials. It will introduce testing methodologies and an introduction to the design brief and problem-solving strategies relative to material choices.
Prerequisites: None

KCSC 303  Special Topics in Science  1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

COURSE DESCRIPTIONS

KCSS 247  Political Science  3 Credits
This course examines political history, theory, current issues, and political structures.
Prerequisites:  KCSS 229

KCSS 303  Special Topics in Social Science  1 to 3 Credits
A topical course that allows the program to respond to students' interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCSS 342  Human Sexuality  3 Credits
This course examines the broad field of human sexuality, integrating five major dimensions of the subject: biological, psychosocial, cultural, behavioral and clinical. (Students who have earned FSU credit for SSCI 114, Human Sexuality, may not use credit earned in KCSS 342 to meet graduation requirements.)
Prerequisites:  KCSS 229

KCSS 355  Historical Eras  3 Credits
In this course, students will consider the social, political, and/or economic characteristics, popular themes, and concepts from a given historical period. The course may be taken more than once.
Prerequisite: KCSS 229

KCSS 365  Race Studies  3 Credits
This course examines the social construction of race in the United States, historically and culturally, analyzing how various institutions shape the changing definitions of race in relation to identity, difference, and power.
Prerequisite: KCSS 229

KCSS 375  Gender Studies  3 Credits
This course examines the social construction of gender in history and society. In order to understand gender, students will also explore other factors of identity such as race, class, sexuality, and disability.
Prerequisite: KCSS 229

KCSS 399  Independent Study in Social Science  1 to 3 Credits
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCSS 400  Special Problems in Social Science  3 Credits
An opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor with the signed approval of the professor. The forms for requesting approval are available online and from the Student Services Office.

KCSS 403  Seminar in Social Science  3 Credits
Topics of special interest in the social sciences; intended for upper-level students.
Prerequisites: Upper level students

KCSS 460  Capstone in Cultural Studies  3 Credits
This course synthesizes learning from students’ general education coursework—particularly from the Cultural and Social Studies Pathway courses—and, as appropriate, from their disciplinary studies. Students apply this learning to a written project of significant scope. In addition, self-reflection, self- and peer-assessment, critical analysis, and sharing of ideas are key components of the capstone experience.
Prerequisites: 3 Pathways courses in Cultural Studies
COURSE DESCRIPTIONS

GRAPHIC DESIGN

KCGD 120  Graphic Design Process  3 Credits
This course is an introduction to the principles, elements, and processes of the design and visual presentation of communication.
Prerequisites: KCFN 113, KCFN 115, KCFN 116

KCGD 203  Special Topics in Graphic Design  1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCGD 214  Typography I  3 Credits
This course is an introduction to the fundamental aspects of typography, including history, structure, form, and elemental application.
Prerequisites: KCFN 113

KCGD 220  Typography II  3 Credits
This course addresses complex communication problems that incorporate use of type and typographic systems as visual and expressive devices.
Prerequisites: KCGD 120, KCGD 214

KCGD 222  Graphic Design Narratives  3 Credits
This course focuses on the combined use of digital illustration and photo manipulation software in the creation of visual narratives.
Prerequisites: KCFN 113, KCFN 115, KCFN 116, KCGD 214

KCGD 240  Graphic Design Production and Management  3 Credits
This course focuses on the production and management processes used in the development of print and digital communications.
Prerequisites: KCFN 113, KCFN 115, KCFN 116

KCGD 303  Special Topics in Graphic Design  1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCGD 310  Concept and Strategy  3 Credits
This course focuses on concept and strategy as critical elements of the graphic design process.
Prerequisites: KCGD 222

KCGD 311  Principles of Branding  3 Credits
This course is an introduction to the principles of branding, focusing on the design of brand identity and brand experience.
Prerequisites: KCGD 222

KCGD 312  Advertising Design  3 Credits
This course focuses on the application of graphic design principles and marketing strategies through the use of advertising media for a defined audience to meet specific client needs.
Prerequisites: KCGD 310, KCGD 311

KCGD 313  Package Design  3 Credits
This course focuses on the study of graphic design principles and elements as they are applied to the design of three-dimensional packages.
Prerequisites: KCGD 220

KCGD 315  Publication Design  3 Credits
This course presents the conceptual development and design processes used in creating multi-page, content-rich publications.
Prerequisites: KCGD 220, KCGD 222, KCGD 310

KCGD 324  Typography III  3 Credits
This is an advanced course in typography emphasizing complex information design issues and the sociocultural role of typography.
Prerequisites: KCGD 220

KGGD 350  Contemporary Media Technologies  3 Credits
This course will present the concepts and issues related to image, text, audio, and video in contemporary technologies, applying the principles of user-centered design in the creation of immersive, interactive products and experiences.
Prerequisites: KCGD 240, KCGD 310
COURSE DESCRIPTIONS

KCGD 399 Independent Study in Graphic Design 1 to 3 Credits
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCGD 400 Special Problems in Graphic Design 3 Credits
An opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: 3.0 G.P.A., junior/senior standing

KCGD 402 Internship in Graphic Design 1 to 9 Credits
KCAD offers students the opportunity to receive elective credit for supervised, professional work experience related to the student’s major and approved by the program chair. Internships are graded on a pass/fail basis only; a maximum of nine credit hours of internship credit may count toward the degree. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: 3.0 G.P.A., junior/senior standing

KCGD 403 Seminar in Graphic Design 1 to 3 Credits
Seminar dealing with special interests in graphic design.
Prerequisites: Upper-level students

KCGD 412 Advanced Advertising 3 Credits
This is an advanced course in advertising in which students are expected to demonstrate a matching level of thinking, problem solving, strategy, and execution.
Prerequisites: KCGD 312

KCGD 450 Critical Practice I 3 Credits
Critical Practice I and Critical Practice II are a combined semester-long investigation of an identified social issue placing equal emphasis on research and form-making. The goal of Critical Practice I is to apply contextualized research, understand the components and relationships within a complex system, and create an innovative and relevant solution for social change.
Prerequisites: KCGD 311, KCGD 313, KCGD 350, Must be taken one semester prior to KCGD 461 and KCGD 411
Co-requisites: KCGD 462

KCGD 461 Portfolio Production 3 Credits
In this capstone course, students develop a portfolio of their work along with the job search components and strategies necessary for obtaining a position in the graphic design industry.
Prerequisites: KCGD 450, KCGD 462, final semester, senior year, must be taken in conjunction with KCGD 411

KCGD 462 Critical Practice II 3 Credits
Critical Practice I and Critical Practice II are a combined semester-long investigation of an identified social issue placing equal emphasis on research and form-making. The goal of Critical Practice II is to interrogate the process of research analysis through visual study, consider the relationship between content and context, and create an individualized multi-piece varied media thesis project.
Prerequisites: KCGD 311, KCGD 313, KCGD 350, must be taken one semester prior to KCGD 461 and KCGD 411
Co-requisites: KCGD 450
ILLUSTRATION

KCIL 120 Introduction to Illustration 3 Credits
A survey of contemporary and historical illustration techniques and movements. Career options will be covered, along with the fundamentals of composition and color, the application of media, and the basic elements of picture making.
Prerequisites: KCFN 116, KCDS 142

KCIL 203 Special Topics in Illustration 1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCIL 234 Illustration Techniques 3 Credits
Exploration of color media and processes within specific illustration assignments.
Prerequisites: KCIL 120

KCIL 242 Rendering 3 Credits
A drawing and painting course in super realism using various media.
Prerequisites: KCIL 234, KCPH 110

KCIL 243 Digital Illustration Painting I 3 Credits
Develops an entry level digital illustration painting experience using Adobe Photoshop. Utilizing basic Photoshop concepts, principles and tools applied to the sequential development of illustrations.
Prerequisites: KCIL 120

KCIL 244 Narrative Perspective 3 Credits
Specialized information required to create convincing environments real and imagined will be taught in this course with the narrative and sequencing of images being of particular focus. Mechanical and freehand methods will both be utilized.
Prerequisites: None

KCIL 252 Watercolor Techniques for the Illustrator 3 Credits
An in-depth study of watercolor techniques. This will include a study of transparent to opaque watercolor. Different styles of paper will be used from rough to hot press board.
Prerequisites: KCIL 120, KCIL 234

KCIL 291 Illustration Painting I 3 Credits
Painting illustrative subject matter using fundamental water-based painting techniques.
Prerequisites: KCFN 113, KCFN 134, KCIL 234

KCIL 303 Special Topics in Illustration 1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCIL 305 Illustration Professional Practices 3 Credits
Students will study current illustration markets, learn essential business practices and create the printed collateral necessary for doing business as an illustrator.
Prerequisites: KCIL 120, KCDM 241

KCIL 308 Alla Prima Painting 3 Credits
An advanced illustration oil painting course which emphasizes the alla prima method of paint application as it applies to illustration.
Prerequisites: KCIL 291

KCIL 310 Fantasy and Science Fiction Painting 3 Credits
The students will be given demonstrations in painting techniques. There will be in-class assignments, homework assignments including reading and writing storylines. The students will produce a one semester long project that extends from concept through completion of a contemporary illustration. This includes conception, reference building, thumbnails, roughs, and the completed piece. The student will learn the process of making and completing a contemporary fantasy illustration painted in oils.
Prerequisites: KCIL 291, KCIL 242

</tbody>
</table>
KCIL 443  Digital Illustration Painting II  3 Credits
An intermediate to advanced digital illustration painting experience using Adobe Photoshop. Applying cutting-edge Photoshop concepts and principles to the development of digitally based illustrations. The work created in this course should be portfolio quality.
Prerequisites: KCIL 243

KCIL 460  Illustration Portfolio  3 Credits
Preparation of a professional quality illustration portfolio based on individual style and market research.
Prerequisites: KCIL 335
COURSE DESCRIPTIONS

INDUSTRIAL DESIGN

KCIN 130  Industrial Design Graphics  3 Credits
This course addresses the application and role of graphic principles, tools and techniques in the industrial design process.
Prerequisites: KCDC 120, KCDS 110

KCIN 203  Special Topics in Industrial Design  1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCIN 213  Industrial Design I  3 Credits
An introduction to the application of the design process and problem-solving methodology through the design of simple products.
Prerequisites: KCDC 120

KCIN 214  Industrial Design II  3 Credits
An intermediate study of the design process and problem-solving methodology through the design of products.
Prerequisites: KCIN 213, KCIN 231, KCIN 360

KCIN 231  Visual Presentation I  3 Credits
An introduction to product sketching and presentation techniques used in the industrial design profession.
Prerequisites: None

KCIN 303  Special Topics in Industrial Design  1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCIN 315  Industrial Design III  3 Credits
An advanced study of the application of the design process and problem-solving methodology through the design of products.
Prerequisites: KCIN 214, KCIN 332

KCIN 316  Industrial Design IV  3 Credits
A comprehensive study of the application of the design process and problem-solving methodology through the design of complex products and systems.
Prerequisites: KCIN 332, KCIN 315

KCIN 332  Visual Presentation II  3 Credits
An intermediate study of product sketching, rendering and presentation techniques used for visually communicating ideas and product forms within the design process. The course will emphasize professional presentation formats and mediums.
Prerequisites: KCIN 231

KCIN 333  Visual Presentation III  3 Credits
An advanced study of product sketching, rendering and presentation techniques used for visually communicating ideas and product forms within the design process. The course will emphasize the development of the highest quality renderings using computer-based, manual rendering software with a tablet.
Prerequisites: KCIN 332

KCIN 340  Materials and Processes  3 Credits
An introduction to the materials and manufacturing processes typically explored in the design process. The course emphasizes the practice of choosing a material and process specification strategy based on product application criteria.
Prerequisites: KCDC 120
**COURSE DESCRIPTIONS**

**KCIN 351 Model Making II 3 Credits**
An advanced instruction on the application of materials, tools, and techniques used to fabricate physical representations of product concepts in the industrial design profession. The course will emphasize the use of prototyping to solve problems and evaluate design concepts in the design process.
*Prerequisites: KCFN 118, KCIN 360*

**KCIN 360 Digital Modeling I 3 Credits**
The creation, manipulation, and employment of three-dimensional, digital models in the industrial design process.
*Prerequisites: None*

**KCIN 362 Digital Modeling II 3 Credits**
Advanced computer-based modeling techniques and technologies with emphasis on complex surface and solids creation, digitizing physical objects to create digital models, and preparing digital models for rapid prototyping.
*Prerequisites: KCIN 360*

**KCIN 365 Research Methods 3 Credits**
This course will expose students to the various forms of research, analysis, sampling, focus groups, analytics with an emphasis on ethnographic research and the implications on the design process. This course will expose students to several methods of gathering and analyzing research information for the purposes of application in the design process. Research methodologies will include secondary internet research, primary observational research and user testing. A research plan will be developed and implemented for the purposes of creating and validating a strategy for a new product, service, brand or space.
*Prerequisites: KCDC 120, KCDS 110*

**KCIN 370 Footwear Design I 3 Credits**
Students will apply the design process and tools to develop product concepts specific to the footwear industry. Students will be exposed to fashion and lifestyle trending, as well as market strategy development for footwear products and brands. Students will work with experts in the footwear industry and learn to design products concepts using methodologies, tools and presentation techniques commonly used in the footwear industry. The course may be offered in a professional footwear design studio.
*Prerequisites: KCIN 214, KCIN 332*

**KCIN 379 Independent Study in Industrial Design 1 to 3 Credits**
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available online and from the Student Services Office.
*Prerequisites: 3.0 GPA, junior/senior standing*

**KCIN 400 Special Problems in Industrial Design 3 Credits**
An opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available online and from the Student Services Office.
*Prerequisites: 3.0 G.P.A., junior/senior standing*

**KCIN 402 Internship in Industrial Design 1 to 9 Credits**
KCAD offers students the opportunity to receive elective credit for supervised, professional work experience related to the student’s major and approved by the program chair. Internships are graded on a pass/fail basis only; a maximum of nine credit hours of internship credit may count toward the degree. The forms for requesting approval are available online and from the Student Services Office.
*Prerequisites: 3.0 GPA, junior/senior standing*
COURSE DESCRIPTIONS

KCIN 403    Seminar in Industrial Design    3 Credits
Seminar dealing with special interests in industrial design.
Prerequisites: Upper-level students

KCIN 440    Global Design    3 Credits
Students will apply the design process to develop a product concept for a global or specific geographical market outside of the United States.
Prerequisites: KCDC 311

KCIN 450    Entrepreneurial Design    3 Credits
Students will apply problem solving and design processes in the identification, strategic planning and validation of a new business. Students will apply research methods and tools to identify opportunities for a new business. The business will be based on an observed need in society and can include a product, service or brand. Students will learn to mix basic business principles and tools commonly used by start-up businesses, within a structured process to innovate and bring new ideas, products and/or services to market.
Prerequisites: KCIN 315, KCIN 365, KCDC 311

KCIN 460    Industrial Design Thesis I    3 Credits
An advanced application of the design process in a comprehensive product development project. Students will select and complete an instructor-approved project of choice over the course of two semesters. The first semester emphasizes the development of a project plan, product research, strategy building and concept development.
Prerequisites: Senior Status, KCIN 316

KCIN 461    Industrial Design Thesis II    3 Credits
An advanced application of the design process in a comprehensive product development project. Students complete the second semester of a two-semester project. The second semester emphasizes the development of the concept proposal into a feasible product design including mock-up fabrication, human factors evaluation, aesthetic development, 3D development (CAD), 3D visualization and prototyping.
Prerequisites: KCIN 460

KCIN 462    Industrial Design Portfolio    3 Credits
Individual preparation and presentation of a professional quality portfolio of work and resume; familiarization with the operating aspects of professional practice.
Prerequisites: Senior Status
COURSE DESCRIPTIONS

INTERIOR DESIGN

KCID 100  Drafting Basics  3 Credits
An introduction to basics of hand drafting. Introduces the tools and techniques of architectural drafting. Drafting skills are a communication tool to create and interpret architectural plans, elevations, and details. Prerequisites: None

KCID 125  Principles of Interior Design  3 Credits
This course is an introduction to the interior design process; interior products including finishes, furniture, and equipment; and the concepts of universal and sustainable design. The course includes knowledge of basic building construction, enhanced drafting skills, and advances the development of architectural drawing including millwork details. Prerequisites: KCID 100

KCID 130  Essentials of Interior Design  3 Credits
This course applies the interior design process to plan aesthetic and functional spaces for residential and contract interiors. Students will be introduced to the aesthetic, psychological, and physiological implications of color theory. Prerequisites: KCID 100, KCFN 133 or KCFN 133

KCID 203  Special Topics in Interior Design  1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCID 230  Residential Construction Design  3 Credits
This course is a continuation of the design process with projects focused on residential spaces, including multi-story structures. Basic building construction with an emphasis on drafting skills and architectural drawing are included. Prerequisites: KCID 125

KCID 235  Workplace Design  3 Credits
This course focuses on problem solving for commercial design, the study of proportional relationships and adjacencies, planning with office furniture systems, and an introduction to commercial building codes and computer aided drafting. Prerequisites: KCID 125

KCID 240  Architectural Materials  3 Credits
This course examines the characteristics of building materials and interior finishes focusing on the appropriate application and sustainability of finish materials. Prerequisites: KCID 125

KCID 250  Retail Design  3 Credits
This course introduces methods for defining problems and developing design solutions for retail space interiors. Prerequisites: KCID 130

KCID 255  Textiles and Furniture  3 Credits
This course examines the characteristics of textiles within interior environments, focusing on the appropriate application, performance, and sustainability of textiles. Prerequisites: KCID 130

KCID 300  Communication and Presentation  3 Credits
This course researches and analyzes the interior design marketplace and business practices. Prerequisites: KCID 235, KCID 250

KCID 303  Special Topics in Interior Design  1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCID 315  Interior Design Business Practices  3 Credits
This course addresses basic business structures and documentation methods with a focus on financial aspects of interior design. Prerequisites: KCID 230
KCID 325  Hospitality Design  3 Credits
This course emphasizes functional requirements and planning for hospitality settings through the development of both small- and large-scale projects.  
Prerequisites: KCID 250

KCID 350  Advanced Workplace Design  3 Credits
This course addresses problem solving for mid-size office projects including introduction of branded environments and the reinforcement of commercial building codes.  
Prerequisites: KCID 235

KCID 399  Independent Study in Interior Design  1 to 3 Credits
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available online and from the Student Services Office.  
Prerequisites: 3.0 GPA, junior/senior standing

KCID 400  Special Problems in Interior Design  3 Credits
An opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available online and from the Student Services Office.  
Prerequisites: 3.0 G.P.A., junior/senior standing

KCID 402  Internship in Interior Design  1 to 9 Credits
KCAD offers students the opportunity to receive elective credit for supervised, professional work experience related to the student's major and approved by the program chair. Internships are graded on a pass/fail basis only; a maximum of nine credit hours of internship credit may count toward the degree. The forms for requesting approval are available online and from the Student Services Office.  
Prerequisites: 3.0 GPA, junior/senior standing

KCID 403  Seminar in Interior Design  1 to 3 Credits
Seminar dealing with special interests in interior design.  
Prerequisites: Upper-level students

KCID 425  Commercial Interior Design  3 Credits
This course addresses advanced problem solving for more complex commercial projects that incorporate industry specific software. Students will use proxemics, anthropometrics, and ergonomics to focus on human-centered design. Students will consult with industry professionals on current trends and influences in the workplace design.  
Prerequisites: KCID 325

KCID 470  Emerging Market Design  3 Credits
In this course, students focus on conceptual problem solving for interactive multi-functional environments in emerging markets (e.g., healthcare, age-in-place, higher education, etc.). Solutions use evidence-based design research and psychology of built environments to arrive at design solutions. Students will consult with industry professionals on current trends and influences in emerging markets.  
Prerequisites: KCID 325, KCID 350

KCID 475  Global Issues in Interior Design  3 Credits
In this course, students will identify and research needs for the built environment and provide creative conceptual design solutions for a variety of problems in a broad global context. Solutions will address ecological, socio-economic, and cultural contexts.  
Prerequisites: KCID 350
COURSE DESCRIPTIONS

MEDICAL ILLUSTRATION

**KCMI 205 Medical Illustration Methods I** 3 Credits
Develops pen and ink skills and integrates traditional and digital media within the scope of monochromatic production. The goal will be to convey an aesthetically powerful illustration, which effectively provides a solution for a specific visual communication problem.
Prerequisites: KCIL 120

**KCMI 210** Head, Hands and Feet 3 Credits
Drawing the surface and structure of the head, hands and feet in a variety of different mediums, perspectives from direct observation.
Prerequisites: KCFN 134

**KCMI 305 Medical Illustration Methods II** 3 Credits
The student will focus on in-depth human and anatomical based concepts and subject matter, dealing specifically with body systems investigation and narrative concepts associated with body processes. The execution processes in this course will utilize both traditional and digital media.
Prerequisites: KCMI 205

**KCMI 340 Medical Illustration Digital Methods** 3 Credits
Prerequisites: KCIL 243

**KCMI 430 Medical Illustration Animation I** 3 Credits
Covers concepts as an introductory course to digital 3D organic and inorganic model construction, whereby the virtual models designed are rendered and composited for 2D illustration purposes to solve specific conceptual problems.
Prerequisites: KCFN 134

**KCMI 435 Medical Illustration Animation II** 3 Credits
This advanced course serves as a platform to investigate and discover human and natural science 3D animation to educate and instruct the viewer.
Prerequisites: KCMI 430

**KCMI 440 Medical Illustration Digital Portfolio** 4 Credits
A capstone course focused on the creation of a professional, industry specific digital portfolio.
Prerequisites: KCMI 435

**KCMI 450 Medical Illustration Methods III** 3 Credits
Advanced studio in medical illustration with emphasis on accuracy and realistic development of representations of directed anatomical content utilizing traditional and digital media to express visual solutions.
Prerequisites: KCMI 305

**KCMI 460 Advanced Problems in Biomedical Art** 4 Credits
Advanced concepts and subject matter dealing specifically with medical, natural science subjects/topics, to serve as a basis for the development of a cohesive body of work. Exploration, research, and execution of thematic based work based on observation and visualization skills through diverse digital media in 2D and 3D. This course serves as a capstone to the Medical Illustration Program, the equivalent of 2 credits will be devoted to research/theme development and 3 credits will be devoted to development of the body of work.
Prerequisites: KCMI 450
COURSE DESCRIPTIONS

METALS AND JEWELRY DESIGN

KCMJ 120 Introduction to Metals/Jewelry Production 3 Credits
Students will be introduced to the basic materials and processes used in the production of handmade jewelry. Through objective samples and individual experimentation with forming and fabricating metals, students will translate the elements and principles of 3D design into original objects of adornment.
Prerequisites: None

KCMJ 121 Model Making and Casting for Jewelry 3 Credits
Students will learn to carve wax; resulting in models which can be burned out and cast using the lost wax method. Emphasis is placed on the ability to carve and model to specified dimensions. Original work will concentrate on the technical and aesthetic possibilities of casting for jewelry and other small metal objects.
Prerequisites: None

KCMJ 130 Hollow and Utilitarian Ware 3 Credits
Concentrates on the study of metal vessel ware and other traditionally utilitarian objects, both as a method of artistic expression, and as a basis for design. Sheet metal will be hammered, hydraulically pressed, and fabricated to form original hollow objects in sterling silver and base metals. Surface treatments and decoration (such as chasing and engraving) will be used to further enrich these hollow forms. Objects will also be formed by cold forging metal rod, and by reducing metal plate and bar using lathes and milling machines.
Prerequisites: None

KCMJ 203 Special Topics in Metals/Jewelry 3 Credits
A topical course on the introduction of a niche technique, the advanced study of a traditional or modern technique, and/or the exploration of a design category or theme. This course allows the Metals/ Jewelry Design program to respond to student interest in a particular area, industry-driven demand, or other expressed need or capacity to offer a particular topic.
Prerequisites: KCMJ 120

KCMJ 211 Metals/Jewelry Design I 3 Credits
Metals/Jewelry Design I, II and III courses combine cultural, individual, technical and aesthetic research to arrive at original and effective jewelry design solutions for commercial or custom problems. Students are required to design one or more jewels in response to a project brief that varies each semester. Design I reinforces basic design skills, introduces jewelry-specific design criteria, and allows students to effectively integrate process knowledge to generate convincing prototypes and production plans.
Prerequisites: KCDS 142, KCMJ 120, KCIN 231

KCMJ 230 Bench Topics in Commercial Metalwork 3 Credits
Introduces Metals/Jewelry Design majors with a hands-on survey of the jewelry industry through the work of the trade jeweler. A selection of bench techniques that build on basic skills will be introduced including repair, sizing, and precise fabrication. Concepts and processes introduced in other courses will be augmented to reflect professional production standards.
Prerequisites: KCMJ 120

KCMJ 231 Intermediate Metals/Jewelry Production 3 Credits
Intermediate instruction in the production of jewelry by hand. Projects will extend the fabrication foundation established in the introductory course, and proceed through a number of intermediate forming and fabrication processes such as chasing, repoussé, forging, raising, welding, and stone setting.
Prerequisites: KCMJ 120

KCMJ 303 Special Topics in Metals/Jewelry 3 Credits
A topical course on the introduction of a niche technique, the advanced study of a traditional or modern technique, and/or the exploration of a design category or theme. This course allows the Metals/ Jewelry Design program to respond to student interest in a particular area, industry-driven demand, or other expressed need or capacity to offer a particular topic.
Prerequisites: KCMJ 120
COURSE DESCRIPTIONS

**KCMJ 312 Metals/Jewelry Design II 3 Credits**
The Metals/Jewelry Design I, II and III courses combine cultural, individual, technical and aesthetic research to arrive at original and effective jewelry design solutions for commercial or custom problems. Students are required to design one or more jewels in response to a project brief that varies each semester. Design II reinforces jewelry design skills, introducing projects of increased technical sophistication with greater emphasis on market appropriate solutions.
Prerequisites: KCMJ 211

**KCMJ 321 Advanced Metals/Jewelry Production 3 Credits**
Advanced instruction in the production of jewelry by hand. Projects include basic repair, commercially quality samples as well as original composition and construction with an emphasis on precision craftsmanship.
Prerequisites: KCMJ 231

**KCMJ 330 Stone Setting 3 Credits**
Students will approach stones and their settings from the point of view of appropriate design, durability, and quality. Students may bezel, bead, flushset, channel, and/or prong set stones of various sizes and types. Layout preparation, layout technique, and finishing will be covered.
Prerequisites: KCMJ 320

**KCMJ 399 Independent Study Metals/Jewelry 1 to 3 Credits**
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

**KCMJ 400 Special Problems in Metals/Jewelry Design 3 Credits**
A topical course on the introduction of a niche technique, the advanced study of a traditional or modern technique, and/or the exploration of a design category or theme. This course allows the metals/jewelry design program to respond to student interest in a particular area, industry-driven demand, or other expressed need or capacity to offer a particular topic. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: KCMJ 120

**KCMJ 402 Internship in Metals/Jewelry Design 1 to 9 Credits**
Applies learned skills and principles in a work environment, while learning how a particular firm or industry operates.
Prerequisites: 3.0 G.P.A, Junior/Senior standing

**KCMJ 403 Seminar in Metals/Jewelry Design 1 to 3 Credits**
Seminar dealing with special interests in metals/jewelry design.
Prerequisites: Upper-level students

**KCMJ 420 Advanced CAD/CAM for Metals/Jewelry 3 Credits**
Advanced techniques and applications for use of the computer as a creative studio for jewelry design and production. Modeling skills will be enhanced to allow for more systematic approaches to design projects such as multiple stone settings, suites of related designs, and organic form generation. Photorealistic rendering techniques will be reinforced. Output technology selection and use will be reinforced by researching standard and emerging printing and machining systems.
Prerequisites: KCIN 360
KCMJ 441  **Portfolio**  3 Credits
Students will identify the major professional markets and issues that students will encounter in the field. Previous work will be utilized, enhanced, and augmented with targeted projects intended to showcase ideal skill sets. Portfolios will be developed for professional opportunities, including resumes, statements, and professional photographic quality documentation. These assets will be put into forms appropriate for various types of applications.
Prerequisites: KCMJ 312, Senior standing

KCMJ 461  **Metals/Jewelry Thesis**  3 Credits
Thesis leads students through the research, design, and execution of a unified body of work. After selecting a thesis topic, students will research related subjects, identify problems and opportunities, propose original solutions, refine design ideas and technical approaches, and produce work to show during KCAD’s Annual Student Exhibition.
Prerequisites: KCMJ 312, Senior standing
MUSEUM STUDIES

KCMS 346  Museum History and Theory  3 Credits
This class focuses on the ways in which museums shape the perception, critical reception, and fundamental understanding of art and artifacts, both historically and in the present day. It will look at the history of private and public art and artifact collections to trace the development of museums across time and locale. Recent developments in museum collecting and display from around the world will be considered.

Prerequisites: KCAH 112
PAINTING

KCPA 120  Introduction to Painting  3 Credits
The first course that deals exclusively with the medium of oil painting. Observation of nature and the depiction of solid three-dimensional form in illusionistic space are the central concerns. Emphasis is primarily on still life painting; some figure/portrait painting may be introduced. Also surveys Western painting and the traditional techniques pertaining to that history.
Prerequisites: KCFN 116, KCFN 113, KCFN 133

KCPA 203  Special Topics in Painting  3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCPA 210  Beginning Figure Painting  3 Credits
The course will act as an introduction to figure painting with special emphasis on anatomy, structure, proportion and measuring. Tonal and restrictive palettes will be used in conjunction with basic painting techniques.
Prerequisites: KCDR 221

KCPA 220  Landscape Painting  3 Credits
Emphasizes the light and color of the landscape in various weather conditions using oil and water-based paints.
Prerequisites: KCFN 134, KCPA 120

KCPA 235  Abstract Painting  3 Credits
Explores varying degrees of painterly abstraction. Non-objective/formalist painting issues will be investigated in conjunction with experimentation with mixed-media painting techniques. The course will start out with a structured series of projects but will eventually focus on the student’s individual artistic direction.
Prerequisites: KCPA 120

KCPA 236  Encaustic Painting  3 Credits
The course will examine the techniques and processes of the encaustic medium including brushwork, intarsia, carving, drawing and photo transfer, and wax collage. A brief history of the medium will be presented along with instruction in making pigmented wax, wax glaze and wax brush cleaner.
Prerequisites: KCPA 120

KCPA 250  Concept Development  3 Credits
Emphasizes the development of concepts within the context of traditional and non-traditional medium. Students will be encouraged to explore a range of strategies such as visual analogy, irony, appropriation, deconstruction, and narrative and allegorical approaches. The course will also introduce mixed media painting techniques as it relates to concept.
Prerequisites: KCPA 120 or department approval

KCPA 303  Special Topics in Painting  3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCPA 310  Intermediate Figure Painting  3 Credits
Reinforces the techniques learned in Beginner Figure Painting. Reviews life-drawing issues within the context of paint handling, its chemistry, rules of permanence, and color mixing with particular emphasis on the complexities of mixing flesh tones. In addition, familiarizes students with the history of figure painting in Western art.
Prerequisites: KCDR 221, KCPA 120, KCPA 210

KCPA 335  Watercolor I  3 Credits
An introductory course emphasizing the passage of the brush, the technical applications of color, and the particularities of the watercolor medium in working towards effective visual statements.
Prerequisites: KCFN 116, KCFN 113, KCFN 134 or departmental consent
**COURSE DESCRIPTIONS**

**KCPA 336 Watercolor II 3 Credits**
An advanced watercolor class emphasizing individual direction and conceptual development.  
*Prerequisites: KCPA 335*

**KCPA 350 Advanced Painting 3 Credits**
Focuses on independent studio work on the part of the student. Emphasis will be placed on student's ability to develop ideas, themes, and motifs of personal significance and the formal, technical skills to successfully execute their work. The course will also examine important theoretical and aesthetic issues related to art and will review major figures in contemporary painting.  
*Prerequisites: KCPA 235*

**KCPA 399 Independent Study in Painting 1 to 3 Credits**
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available online and from the Student Services Office.  
*Prerequisites: 3.0 GPA, junior/senior standing*

**KCPA 400 Special Problems in Painting 3 Credits**
An opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available online and from the Student Services Office.  
*Prerequisites: 3.0 G.P.A., junior/senior standing*

**KCPA 402 Internship in Painting 1 to 9 Credits**
KCAD offers students the opportunity to receive elective credit for supervised, professional work experience related to the student’s major and approved by the program chair. Internships are graded on a pass/fail basis only; a maximum of nine credit hours of internship credit may count toward the degree. The forms for requesting approval are available online and from the Student Services Office.  
*Prerequisites: 3.0 GPA, junior/senior standing*

**KCPA 403 Seminar in Painting 3 Credits**
Seminar dealing with special interests in painting.  
*Prerequisites: Upper-level students*

**KCPA 410 Advanced Figure Painting 3 Credits**
Examines issues related to painting the figure in an environment, the multi-figure composition, the figure in an architectural setting, the figure in the landscape, and other related problems. Begins with a classical emphasis; later, explores painterly and abstract approaches to the figure and the figure as a vehicle for creative expression.  
*Prerequisites: KCPA 310*

**KCPA 412 Content in Figure Painting 3 Credits**
The course will provide an opportunity to use the figure as a vehicle for content and expression. The figure in an environment and the multi-figure composition will be examined in conjunction with ideas, themes, and motifs.  
*Prerequisites: KCPA 410*

**KCPA 430 Painting Thesis I 3 Credits**
Focuses on the production of a unified body of work emphasizing conceptual development and creative decision-making. Includes individual and group critiques.  
*Prerequisites: Senior standing or departmental consent*

**KCPA 460 Painting Thesis II 3 Credits**
Emphasizes responsibility for the creation of a cohesive body of work that displays conceptual continuity and technical integrity. Includes individual and group critiques. The student is required to install a thesis exhibition to complete the BFA in fine arts.  
*Prerequisites: KCFA 310 and KCPA 430*
PHOTOGRAPHY

KCPH 110 Introduction to Photography for Non-Majors 3 Credits
An introduction to the fundamentals of photography using manually adjustable digital cameras (DSLR). This course includes digital camera use and basic image manipulation controls using Photoshop. Introductory lighting and reproduction skills are taught. The aesthetics of photography will be discussed in terms of its history, and artistic and technical advancements. Students must own or have use of a digital camera (prosumer grade or above; camera phones are not acceptable.) Students considering a minor in photography should take KCPH 120.

KCPH 120 Introduction to Photography 3 Credits
An introduction to the fundamentals of photography and 35mm adjustable camera operation. This course includes beginning black and white film development and darkroom printing, as well as an introduction to digital capture and basic image manipulation controls. The aesthetics of photography will be discussed in terms of its history, and artistic and technical advancements. (Students who have earned credit for VISC 212, Photography, may not use credit earned in KCPH 120 to meet graduation requirements.)

KCPH 220 Intermediate Photography 3 Credits
The refinement of black and white film exposure and darkroom techniques using the zone system. An introduction to studio and artificial lighting techniques as well as extensive work with manipulation of the photographic image. Subject matter and imagery will be emphasized, along with a continuation of the study of photographic history and aesthetics.
Prerequisites: KCPH 120

KCPH 225 Digital Image Processing 3 Credits
This course is an overview of advanced digital capture and image workflow with emphasis placed on editing camera RAW and DNG files, color management (including monitor calibration and the creation of custom paper profiles) and inkjet printing. Film scanning ranging from 35 mm to large format, DSLR camera control, and the use of streamlined applications such as Aperture and Adobe Lightroom will be discussed.
Prerequisite: KCDS 110 and KCPH 120

KCPH 230 Color Photography 3 Credits
An extensive exploration of color photography with an emphasis placed on archival inkjet printing. A study of color theory as it applies to light, film, digital output and the contemporary use of color by photographers. Content issues, as well as history, theory, and aesthetic approaches will be emphasized.
Prerequisites: KCPH 225

KCPH 240 Lighting for Photography 3 Credits
An introduction to the fundamentals of using and modifying both ambient and studio lighting. This course includes the use of both hot and cold studio lighting for digital and analog photography, including color balancing the light source to specific films. Lighting theory and the history of studio photography will also be discussed.
Prerequisites: KCPH 230

KCPH 303 Special Topics in Photography 3 Credits
Rotating topics in photography utilizing the specific skills and interest of the faculty, community professionals, and visiting artists. Topics may be subject oriented [such as landscape, portrait, documentary, or photojournalism], technique oriented [manipulated image, directorial mode, or alternative process], or issue oriented [visual semiotics, new topographies, etc.]
Prerequisites: KCPH 230
KCPH 310  Photo Seminar  3 Credits  
Reading, lecture, and discussion of classic and contemporary essays that outline the important areas of critical discourse in photography including philosophical and psychological theory.  
Prerequisites: Junior standing

KCPH 320  Large Format Techniques  3 Credits  
This course is an introduction to the techniques and aesthetics of medium and large format image making. View camera movements for perspective and image control, incident light metering techniques including the Zone System, sheet film processing, large format film scanning and traditional/digital output including advanced printing techniques will be emphasized. Medium format capture devices (including alternative equipment such as the Holga and pinhole cameras) will be covered.  
Prerequisites: KCPH 230

KCPH 340  Studio Photography  3 Credits  
Using medium and large format cameras in the photo studio, especially for perspective control. Exposure control using the zone system. Lighting, posing and staging techniques that are used in classic studio photography including still life, models, food, and fashion. An examination of these classic techniques as applied to fine art photography.  
Prerequisites: KCPH 240

KCPH 399  Independent Study in Photography  1 to 3 Credits  
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available online and from the Student Services Office.  
Prerequisites: 3.0 GPA, junior/senior standing

KCPH 400  Special Problems in Photography  3 Credits  
An opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available online and from the Student Services Office.  
Prerequisites: 3.0 G.P.A., junior/senior standing

KCPH 402  Internship in Photography  1 to 9 Credits  
KCAD offers students the opportunity to receive elective credit for supervised, professional work experience related to the student’s major and approved by the program chair. Internships are graded on a pass/fail basis only; a maximum of nine credit hours of internship credit may count toward the degree. The forms for requesting approval are available online and from the Student Services Office.  
Prerequisites: 3.0 GPA, junior/senior standing

KCPH 403  Seminar in Photography  3 Credits  
Seminar dealing with special interests in photography.  
Prerequisites: Upper-level students

KCPH 410  Professional Photographic Practices  3 Credits  
A range of practical, legal and ethical issues for the professional photographer including writing an artist’s statement, resumes, business promotional materials, marketing, small business practices, financial practices, and portfolio presentation. Emphasis will be placed on applying to juried shows and the production of a gallery exhibition.  
Prerequisites: Senior standing

KCPH 430  Photography Thesis I  3 Credits  
Emphasizes the production of a unified body of work emphasizing conceptual development and creative decision-making. Includes individual and group critiques.  
Prerequisites: Senior standing or department approval
KCPH 460  Photography Thesis II  3 Credits
Emphasizes responsibility for the creation of a cohesive body of work that displays conceptual continuity and technical integrity. Includes individual and group critiques. The student is required to install a thesis exhibition to complete the BFA degree in photography.
Prerequisites: KCPH 430
COURSE DESCRIPTIONS

PRINTMAKING

KCPR 203  Special Topics in Printmaking  3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCPR 205  Papermaking and Artists’ Books  3 Credits
The methods of simple hand papermaking utilizes printmaking processes (e.g., relief, intaglio, lithography) as a major source of visual imagery. Includes a brief history of papermaking and the art of books. An introduction for artists/designers who wish to explore the aesthetic possibilities and intimacy of the book format.
Prerequisites: KCFN 116, KCFN 113, KCFN 134

KCPR 208  Monotypes  3 Credits
Exploring the variety of methods of pulling single prints from a prepared plate by using pressure to transfer an image drawn or painted.
Prerequisites: None

KCPR 212  Screen-printing  3 Credits
An introductory level course that will explore printing with a screen to produce fine art prints known as serigraphs. Emphasizes technical skills and conceptual development.
Prerequisites: KCFN 116, KCFN 113, KCFN 133 or program consent

KCPR 213  Digital Printmaking  3 Credits
Integrates computer output with traditional printmaking techniques.
Prerequisites: KCFN 116, KCFN 113, KCFN 133 or program consent

KCPR 231  Introduction to Printmaking  3 Credits
An introductory course which explores some of the following media: monotype, relief, intaglio, or lithography. Students gain proficiency in printing, proofing, and editing.
Prerequisites: KCFN 116, KCFN 133, or program consent

KCPR 232  Printmaking II  3 Credits
Focuses on choice of the following either unique or in combination: monotype, relief, intaglio or lithography in monochromatic and color printing with introduction to limited digital processes. Emphasizes refining technical skills and conceptual development.
Prerequisites: KCPR 231

KCPR 235  Intaglio  3 Credits
A course that explores the following intaglio printmaking processes: dry point, line etching, aquatint, softground, mezzotint, multiple plate etching. Students gain proficiency in intaglio printing, proofing, and editioning.
Prerequisites: KCPR 231 or program consent

KCPR 236  Relief Printing  3 Credits
A course that fully explores the following relief printmaking processes: linocut, black and white woodcut, multi-block woodcut, color reduction woodcut, wood engraving. Students gain proficiency in relief printing, proofing, and editing.
Prerequisites: KCPR 231 or program consent

KCPR 237  Lithography  3 Credits
Explores lithography processes. Students gain proficiency in lithography printing, proofing, and editioning.
Prerequisites: KCPR 231 or program consent

KCPR 303  Special Topics in Printmaking  3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCPR 333  Printmaking III  3 Credits
Students focus on the following, either uniquely or in combination: relief, intaglio or digital processes. Emphasizes refining technical skills to develop personal approach to medium and conceptual development towards a cohesive body of work.
Prerequisites: KCPR 232
COURSE DESCRIPTIONS

KCPR 335  Advanced Printmaking  3 Credits
Students focus on the following, either uniquely or in combination: relief, intaglio, digital processes, or lithography. Focuses on the continuation of the development of a cohesive body of work with additional emphasis on quality printing, experimental printing, and content.
Prerequisites: KCPR 333

KCPR 399  Independent Study in Printmaking  1 to 3 Credits
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCPR 400  Special Problems in Printmaking  3 Credits
An opportunity to pursue a course in a printmaking classroom setting made available to the student during the same time as another printmaking course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCPR 402  Internship in Printmaking  1 to 9 Credits
KCAD offers students the opportunity to receive elective credit for supervised, professional work experience related to the student’s major and approved by the program chair. Internships are graded on a pass/fail basis only; a maximum of nine credit hours of internship credit may count toward the degree. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCPR 403  Seminar in Printmaking  3 Credits
Seminar dealing with special interests in printmaking.
Prerequisites: Upper-level students

KCPR 430  Printmaking Thesis I  3 Credits
Focuses on creation of a cohesive body of accomplished work that displays conceptual continuity, creative decision making, and technical integrity. Includes individual and group critiques. Preparation for thesis exhibition is emphasized.
Prerequisites: KCPR 335, Senior standing or program consent

KCPR 460  Printmaking Thesis II  3 Credits
Emphasizes responsibility for the creation of a cohesive body of accomplished work that displays conceptual continuity and technical integrity. Includes individual and group critiques. The student is required to install a thesis exhibition to complete the BFA in Printmaking.
Prerequisites: Senior standing or program consent
COURSE DESCRIPTIONS

SCULPTURE AND FUNCTIONAL ART

KCSF 203 Special Topics in Sculpture-Functional Art
1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCSF 211 3-D Design
To explore the elements, principles and aesthetic concepts integral to three-dimensional design and to consider relationships between concept, process, materials, tools and technical skills.
Prerequisites: None

KCSF 220 Ceramics I 3 Credits
Prerequisites: KCSF 111

KCSF 222 Ceramics II 3 Credits
A comprehensive investigation of the clay medium. Projects will explore the utilization of ceramic material to create works that are historically informed and relevant contemporarily within the ceramic field.
Prerequisites: KCSF 220

KCSF 241 Sculpture I 3 Credits
Introduction of media and techniques in the sculptural processes, including but not limited to: welding (gas, MIG, TIG), subtractive carving, additive/constructive and molding and casting. Builds upon concepts and vocabulary from 3-D Design.
Prerequisites: KCFN 116, KCSF 111, KCFN 133

KCSF 242 Sculpture II 3 Credits
A further exploration of three-dimensional form-making. Enables the student to develop artistic expression and a greater understanding of contemporary sculpture. Emphasis may include permanent/nonpermanent materials: clay, plaster, metal, wax, fabric, wood, stone, or found objects. Both additive and subtractive methods will be employed.
Prerequisites: KCSF 241, KCDR 221

KCSF 271 Functional Art I 3 Credits
Design and construction opportunities and challenges presented by the addition of function to fine art are addressed through intensive study of studio woodworking techniques. An emphasis will be placed upon artistic expression that coincides with archival construction methods.
Prerequisites: KCSF 111 or program consent

KCSF 272 Functional Art II 3 Credits
The basic design and construction skills acquired in Functional Art I are expanded upon as more complex processes and concepts are explored. Other materials and processes and their visual and physical interaction with woodworking are introduced.
Prerequisites: KCSF 271 or program consent

KCSF 273 Functional Art III 3 Credits
This course explores advanced woodworking techniques, including but not limited to: joinery, veneering, and finishing. Students will create works that demonstrate proficiency in these techniques and incorporate function into their design.
Prerequisites: KCSF 272 or program consent

KCSF 274 Functional Art IV 3 Credits
This course further develops woodworking skills and introduces additional materials and processes, such as metalworking and casting, to create works that integrate function and fine art.
Prerequisites: KCSF 273 or program consent

KCSF 303 Special Topics in Sculpture-Functional Art
1 to 3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or other expressed need, or capacity to offer a particular topic.

KCSF 304 Multimedia Time Arts 3 Credits
Exploration of individual interests in the various arts, incorporating time, movement, sound, light, and space. Students will create three-dimensional works in environmental, installation, site-specific and process sculpture, kinetic works and/or performance art.
Prerequisites: KCSF 111, Junior/senior standing and program consent

KCSF 343 Sculpture III 3 Credits
Individual work in various sculptural media to develop personal expression and refinement of technique. Students may select from various concepts, materials, and techniques explored in Sculpture I and II in order to begin a series of more personal, expressive sculptures. Additional media such as bronze casting or aluminum TIG welding as well as mixed-media or multi-media may be explored as time and facilities permit.
Prerequisites: KCSF 242
KCSF 344  Sculpture IV  3 Credits
Emphasizes the development of each student’s individual voice and vision. Students will be expected to work independently but with some supervision to gain control of their chosen sculptural media and to develop a personal aesthetic path that will lead them into their thesis year.
Prerequisites: KCSF 343, KCDR 221

KCSF 373  Functional Art III  3 Credits
A further extrapolation of Functional Art I and II in the form of a concentrated investigation of personal expression and function, culminating in unique objects. The course addresses the fine points of design with regard to a materials/skills foundation. Serial construction methods are encouraged to allow for an individual’s extrapolation of a singular investigation. Interdisciplinary and collaborative approaches are explored to broaden design sensibilities.
Prerequisites: KCSF 272 or program consent

KCSF 374  Functional Art IV  3 Credits
Individual advanced-level design and construction problems are addressed through group discussions and demonstrations, giving students exposure to a broad range of processes, techniques, and materials. Coursework places no emphasis on any singular material, but requires an understanding of the inherent physical and conceptual characteristics of various media.
Prerequisites: KCSF 373 or program consent

KCSF 399  Independent Study in Sculpture and Functional Art
1 - 3 Credits
An opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCSF 400  Special Problems in Sculpture and Functional Art  3 Credits
An opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: 3.0 G.P.A., junior/senior standing

KCSF 402  Internship in Sculpture and Functional Art  1 to 9 Credits
KCAD offers students the opportunity to receive elective credit for supervised, professional work experience related to the student’s major and approved by the program chair. Internships are graded on a pass/fail basis only; a maximum of nine credit hours of internship credit may count toward the degree. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: 3.0 GPA, junior/senior standing

KCSF 403  Seminar in Sculpture and Functional Art  3 Credits
Seminar dealing with special interests in sculpture and functional art.
Prerequisites: Upper-level students

KCSF 410  Professional Practices for Sculpture and Functional Art  3 Credits
Exposes students to the lives and practices of working professional artists in the fields of sculpture, functional art and studio furniture. Lectures and demonstrations will include topics such as insurance/legality, physical studio management, resume/CV writing, photo and digital portfolio documentation, artist statements, client relationships/commissions, marketing opportunities, safe studio practices and health issues, retail opportunities, exhibition opportunities, graduate programs, and teaching opportunities.
Prerequisites: Junior standing
COURSE DESCRIPTIONS

KCSF 430  Sculpture and Functional Art Thesis I  3 Credits
Emphasizes the production of a unified body of work
emphasizing conceptual development and creative
decision-making. Includes individual and group
critiques.
Prerequisites: Senior standing or department consent

KCSF 460  Sculpture and Functional Art Thesis II  3 Credits
Emphasizes responsibility for the creation of a
cohesive body of work that displays conceptual
continuity and technical integrity. Includes individual
and group critiques. The student is required to install a
thesis exhibition of complete the BFA in fine arts.
Prerequisites: KCSF 410, KCSF 430
COURSE DESCRIPTIONS

MASTER OF ARCHITECTURE

KGAR 503 Special Topics in Architecture 3 Credits
A topical course that allows the program to respond to students' interest in a particular area, or other expressed need, or capacity to offer a particular topic. Prerequisites: Second-year standing in program (first year for MArch students), or permission of program.

KGAR 511 Immersion I: Seeing Architecture 6 Credits
Through direct observation, students learn to see at different scales (material, structure, infrastructure, cityscape), engage architectural communication, product and practice, and draw relationships to precedents. Prerequisites: Admission to the MArch Program or permission of the program.

KGAR 512 Studio I: Principles and Processes: Objects 6 Credits
Working from Immersion I's lessons and observations, students design, draw and make at full scale to solve a small but open-ended body/space problem. Prerequisites: KGAR 511 Corequisite: KGAR 513

KGAR 513 Seminar I: Design Communication I 3 Credits
Students investigate architectural communication conventions, and develop the habit of manifesting ideas in 2D and 3D form for testing, developing and communicating. Prerequisites: KGAR 511 Corequisite: KGAR 512

KGAR 521 Immersion II: How Things Work 6 Credits
Students develop conceptual understanding of how things work: materials/methods, structures/systems, societies/cultures, forces of nature and our historical responses. Prerequisites: Completion of the first semester of the first-year program or its equivalent.

KGAR 522 Studio II: Making and Meaning: Systems 6 Credits
Working from Immersion II's lessons, students apply design thinking and critical thinking to a structure/building/site problem that encompasses context and human social experience. Prerequisites: KGAR 521 and KGAR 512 or equivalent Corequisite: KGAR 523

KGAR 523 Seminar II: Design Communication II 3 Credits
Focusing on emerging techniques, students become more familiar with new approaches to drawing and fabricating as they continue to practice the conventions of architectural communication. Prerequisites: KGAR 512 or equivalent Corequisite: KGAR 522

KGAR 531 Immersion III: Critique of Architecture 6 Credits
Students engage in diachronic, cross-contextual and critical histories of architecture and urbanism, and the rebuttal/response of 21st century architectural issues—technologies, resources, cultures, aesthetics, ethics, and leadership. Prerequisites: Second-year standing in program (first year for 2-year MArch students)

KGAR 532 Studio III: Site: Tectonics: Sustainability 6 Credits
Students engage in a tectonic, place-making exploration of design principles and processes, creating sustainable solutions that are responsive to site, ecology and program. Prerequisites: KGAR 531 and Second year standing in program

KGAR 541 Immersion IV: Building Systems Integration 6 Credits
Students explore the theory and practice of accessibility, life-safety, environmental, structural, and service systems, with emphasis on how they interact and collectively inform building design. Prerequisites: Completion of KGAR 551 or the equivalent undergraduate preparation
COURSE DESCRIPTIONS

KGAR 542  Studio IV: Systems Thinking for Sustainable Architecture  6 Credits
Students focus on integrated development and documentation of building design. A comprehensive, sustainable architectural project emerges, incorporating place, process, principles, technology, materials and systems.
Prerequisites: KGAR 541

KGAR 551  Summer Studio: Design and Building Science  3 to 6 Credits
Students explore through hands-on projects how materials work and go together, why buildings stand up, and how structural and environmental systems work together.
Prerequisites: Completion of first-year program or equivalent, plus evaluation of individual prior course work

KGAR 611  Immersion V: Critical Travel  6 Credits
Students engage place-making by studying off-campus, using design research to understand the interactions of social context, cultural diversity, and human behavior with the built environment.
Prerequisites: KGAR 542 or permission of the instructor

KGAR 612  Studio V: Urban Collective  6 Credits
Grounded in the research developed in KGAR 611, students explore the relationship between architecture, culture, and urban form through the design of a site-specific architectural intervention.
Prerequisites: KGAR 542

KGAR 613  Practice Seminar: Critical Practice of the Profession  3 Credits
Students investigate the role of design, collaboration, project delivery, client relationships and ethical behavior in building and maintaining a sustainable professional practice.
Prerequisites: Completion of the second-year course of study

KGAR 621  Thesis Preparatory Seminar  3 Credits
The student focuses on independent design research, analysis, and critical readings, and develops a written thesis proposal to solve an original, architecturally relevant problem.
Prerequisites: KGAR 612

KGAR 622  Studio VI: Thesis  6 Credits
Each student defines and presents an unsolved, architecturally relevant problem and develops, proposes and defends a solution through design research, thinking and communication.
Prerequisites: KGAR 612, KGAR 621
Corequisite: KGAR 623

KGAR 623  Thesis Proseminar  3 Credits
The student focuses on thesis development with emphasis placed on continued research, written, diagrammatic, and oral communication and peer review.
Prerequisites: KGAR 621
COURSE DESCRIPTIONS

MASTER OF ART EDUCATION

KGED 505  Introductory Art Education Master’s Seminar  2 Credits
Prepares students to begin the research and studio portions of their thesis paper or project. Provides instruction in the APA style of writing, research strategies, information access and retrieval, literature evaluation and thesis topic refinement.
Prerequisites: Bachelor’s Degree, K-12 Art Education Certification, Admittance to the MAE program

KGED 510  Aesthetics Education  2 Credits
Advanced analysis of art that explores the definition of and criteria for contemporary and historical art. Builds advanced critical assessment skills.
Prerequisites: Bachelor’s Degree, K-12 Art Education Certification, Admittance to the MAE program

KGED 515  Graduate Studio Methods in Art Education  3 Credits
Exploration of advanced teaching strategies and methods for the purpose of expanding and invigorating personal artistic expression and classroom practice.
Prerequisites: Bachelor’s Degree, K-12 Art Education Certification, Admittance to the MAE program

KGED 520  Art Trends and Art Education  3 Credits
Explores the current issues within the world of art and art education. Determines how these affect pedagogy and policy in art education.
Prerequisites: Bachelor’s Degree, K-12 Art Education Certification, Admittance to the MAE program

KGED 605  Graduate Studio Capstone  5 Credits
Students demonstrate mastery level synthesis of the coursework they have completed by conducting an independent inquiry culminating in a studio thesis project. All studio projects have a required written component.
Prerequisites: Bachelor’s Degree, K-12 Art Education Certification, Admittance to the MAE program

KGED 694  Graduate Topics in Education: Student Supervision  1 to 3 Credits
Supervise and mentor a student teacher as they complete their directed teaching practicum.
Prerequisites: Tenured public-school teacher, Bachelor’s degree, K-12 Art Education Certification

KGED 695  Special Topics in Professional Development for K-12 Master Teachers  1 Credit
Professional development course for K-12 art educators, generic special topics.
Prerequisites: Program Approval
COURSE DESCRIPTIONS

MASTER OF ARTS IN DESIGN

KGDE 503  Special Topics  3 Credits
A topical course that allows the program to respond to students’ interest in a particular area, or that meets the expressed need or capacity related to a particular topic.

KGDE 520  Design and Culture  3 Credits
This course will provide a forum for students to research, discuss, and critically assess the impact of the design process on culture, and to the subsequent affect culture has had in propelling design innovation. Students will research key models for shifting the relationship of design to the community including integrated systems, the importance of understanding multiple points of view, the responsibility of design to the human experience, and the role of collaborative strategies and methodologies on design practice.

Prerequisites: Graduate level or permission of the Instructor

KGDE 555  Research Methods  3 Credits
This course will focus on diverse methodological approaches and research processes that will lead to the development of an appropriate research question for the capstone project.

Prerequisites: Graduate level or permission of the Instructor

KGDE 665  Capstone/Field Research  6 Credits
This course will provide a forum for the completion of the master’s capstone project, which is comprised of either research of original documents and source material, field research and/or the application of methods learned in the Research and Methods seminar to a topic of design culture. The capstone requirement is designed to encourage and require the integration of all course work and the creation of a contribution to the field of Design. Capstone work must be of professional quality and exhibit mastery of the knowledge and skills gained in this program. Successful completion of the capstone is required for graduation from the program.

Prerequisites: Graduate level or permission of the Instructor
COURSE DESCRIPTIONS

MASTER OF ARTS IN VISUAL AND CRITICAL STUDIES

KGVC 511 Introduction to Visual Studies 3 Credits
This course will introduce students to the writing of key scholars associated with the emergent field of Visual Studies. Additionally, this course will also include material from cognitive science on the mechanics of sight, theories of "mind" and perception.
Prerequisites: Graduate level standing or permission of the instructor

KGVC 512 Cultural Criticism: History, Theory and Practice 3 Credits
The course will require students to read and discuss key texts that formulate different approaches to critiquing visual culture in the modern and contemporary periods (c. 1850 to the present). The course will require students to complete critical reviews and research projects.
Prerequisites: Graduate level standing or permission of the instructor

KGVC 513 Research and Methods 3 to 6 Credits
This course will focus on diverse methodological approaches and research processes that will lead to the development of an appropriate research question for the master’s thesis. The course will be organized as a seminar in which students will discuss important texts and peer-review fellow students’ writing. Additional time outside class will be devoted to research.
Prerequisites: Graduate level standing or permission of the instructor

KGVC 520 Semiotics, Post-structuralism, and Deconstruction 3 Credits
This course will focus on an in-depth examination of those strategic points at which social practice, theory, and the practice of art intersect. Students will read from key theoretical texts on Post-structuralism and Deconstruction including the writings of such seminal thinkers as Jacques Derrida, Michel Foucault, Julia Kristeva, and others.
Prerequisites: Graduate level standing or permission of the instructor

KGVC 521 Representation of the Other 3 Credits
Students will be introduced to current theory critically framing our understanding of the representation of others including gender, race, ethnicity, class, criminality and social deviance, sexual orientation and identity, disability and embodiment, Posthumanism and the animal, and notions of radical otherness.
Prerequisites: Graduate level standing or permission of the instructor

KGVC 522 Metaphysics and Representation 3 Credits
Drawing on historic foundations and contemporary work in metaphysics and philosophy of science, this course will explore the relationships between metaphysics which concerns the nature and description of an Ultimate Reality, and representation of that which lies beyond human sensual knowing.
Prerequisites: Graduate level standing or permission of the instructor

KGVC 523 Paris and the Visual Culture of Modernity 3 Credits
The course will analyze the centrality of the city of Paris from the 1860s to the 1960s in diverse interpretations of modernity. Course readings will include critical texts by Charles Baudelaire, Walter Benjamin, Henri Lefebvre and Guy Debord.
Prerequisites: Graduate level standing or permission of the instructor

KGVC 524 Biomedical Imaging and Identity 3 Credits
This course will study the impact of historically shifting technology, media, and effects of biomedical imaging on notions of identity, personhood, illness, etc., including imagery culled from medical texts identifying pathological body function and the indexing of symptoms to more recent narrative medical practices.
Prerequisites: Graduate level standing or permission of the instructor
COURSE DESCRIPTIONS

KGVC 526  Ethics and Visual Representation  3 Credits
This course examines the strategic points at which the philosophical branches of Aesthetics and Ethics intersect. Given the proliferation of images and objects circulating throughout our contemporary world, just how does representation shape our moral and ethical views and conversely, how have our moral and ethical views impacted representation?
Prerequisites: Graduate level standing or permission of the instructor

KGVC 527  The Sequenced Image: Theory and Practice  3 Credits
This course will examine the history, theory, and current practices in sequential imaging in media such as comics, painting, animation, interactive technology, games, and film. Students will critically analyze sequential arts’ relationship with time, space, and semiotics along with other theories of visual narratives.
Prerequisites: Graduate level standing or permission of the instructor

KGVC 611  New Media Literacy  3 Credits
This course will examine the constantly changing and expanding new media and technology and how they influence the way we behave, think and live. By analyzing new media including social technology, the course will examine critical theory in relation to the moving image, imaging technology, the impact of social media and the globally instantaneous dissemination of image and ideas.
Prerequisites: Graduate level standing or permission of the instructor

KGVC 612  Writing Practicum  3-6 Credits
This course will provide a forum for the writing and completion of the Master’s Thesis, which is comprised of either research of original documents and source material and/or the application of methods learned in the Research and Methods seminar to a topic of visual culture. The course will be organized as a seminar in which students (under the supervision of Visual and Critical Studies faculty) will present and peer review their research. Additional time outside class will be devoted to the completion of the thesis (20,000-40,000 words in length).
Prerequisites: Research and Methods
COURSE DESCRIPTIONS

MASTER OF FINE ARTS

KG AH 500 Special Problems: Graduate Art History 3 Credits
A special problems course is an opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: Postgraduate standing, faculty approval

KG AH 503 Graduate Seminar in Art History 1 to 3 Credits
A seminar dealing with select topics in art history, theory, and/or criticism.
Prerequisites: Postgraduate standing; faculty approval

KG AH 507 Graduate Historiography 3 Credits
A seminar that critically examines select topics in the intellectual and theoretical foundations of art history from its origins in Classical Greece to the present.
Prerequisites: Postgraduate standing, faculty approval

KG AH 517 Graduate Contemporary Art 3 Credits
An in-depth study of fine art and theory from 1960 to the present.
Prerequisites: Postgraduate standing, faculty approval

KG FA 502 Graduate Internship 3 Credits
KCAD offers students the opportunity to receive elective credit for supervised, professional work experience related to the student’s major and approved by the program chair. Internships are graded on a pass/fail basis only; a maximum of nine credit hours of internship credit may count toward the degree. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: Postgraduate standing, faculty approval

KG FA 505 Graduate Seminar 3 to 9 Credits
Fine Art Seminars are non-media specific courses that address ideas, issues or practical information, which is of value to all Fine Art graduate students, irrespective of their media interests. A variety of Fine Art seminars are available providing theoretical, practical, educational and professional information, experience and expertise.
Prerequisites: Postgraduate standing, faculty approval
Prerequisites: Teaching Seminar: completion of 3 credits of KG 521 (of student’s discipline)

KG DR 500 Special Problems: Graduate Drawing 3 Credits
A special problems course is an opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: Postgraduate standing, faculty approval

KG DR 511 Graduate Figure Drawing 3 Credits
Emphasizes graduate level, individually motivated studio activity with the human figure as primary subject matter. The course will encourage initiation, development and refinement of work with the human figure as a vehicle for personal expression. Compositional and spatial problems will be emphasized in relation to conceptual interests.
Prerequisites: Graduate or Post-Baccalaureate standing

KG DR 521 Graduate Drawing Studio 3 to 18 Credits
Emphasis within the graduate drawing studio will be placed upon the eventual development of a cohesive body of work that demonstrates increasing technical and material mastery. Students will be expected to research and incorporate themes, motifs and ideas of personal or conceptual significance into the production of their drawings. Students will clearly articulate the conceptual and material choices motivating their work by producing a five-page research-oriented artist statement that will be presented at their first-year graduate review.
Prerequisites: Postgraduate standing, faculty approval
COURSE DESCRIPTIONS

KGDR 599  Independent Study: Graduate Drawing  3 Credits
An independent study course is an opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: Postgraduate standing, faculty approval

KGDR 660  Graduate Drawing Thesis  3 to 15 Credits
Graduate drawing thesis provides preparation for the Master of Fine Arts exhibition. Emphasis within the drawing thesis course work will be placed upon the continued development of a cohesive body of work that demonstrates technical and material mastery. Students will be expected to demonstrate a high degree of sophistication in the research and incorporation into their drawings of themes, motifs and ideas of personal or conceptual significance. Students will clearly articulate the conceptual and material choices motivating their work by producing a ten-page research-oriented artist statement, and presenting a final oral overview of their achievements to a formal M.F.A. candidate review panel.
Prerequisites: Postgraduate standing, faculty approval; KGDR 521 (18 credits)

KGPA 500  Special Problems: Graduate Painting  3 Credits
A special problems course is an opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: Postgraduate standing, faculty approval

KGPA 510  Graduate Figure Painting  3 Credits
Offers graduate level instruction in painting the human figure. The course will review issues endemic to the figure; however, special emphasis will be put on individual artistic direction. Compositional and spatial problems will be examined as well as content related issues. Class work should reflect the depth and complexity indicative of graduate study.
Prerequisites: Postgraduate standing, faculty approval

KGPA 520  Graduate Landscape Painting  3 Credits
Offers graduate level instruction on the creative potential of the landscape genre. Classes will emphasize personal artistic direction. Representational and abstract approaches to the landscape will be explored using a variety of media including oil and water-based media. The course will be divided between on-site and studio work. Class work should reflect the depth and complexity indicative of graduate study.
Prerequisites: Postgraduate standing, faculty approval

KGPA 521  Graduate Painting Studio  3 to 18 Credits
Emphasis will be placed upon the development of a cohesive body of work that demonstrates increasing technical and material mastery. Students will be expected to research and incorporate themes, motifs and ideas of personal or conceptual significance into the production of their paintings. Students will clearly articulate the conceptual and material choices motivating their work by producing a five-page research-oriented artist statement.
Prerequisites: Postgraduate standing, faculty approval

KGPA 530  Graduate Encaustic Painting  3 Credits
The course will examine the techniques and processes of the encaustic medium including brushwork, intarsia, carving, drawing, photo transfer, and wax collage. A brief history of the medium will be presented along with instruction in making pigmented wax, wax glaze, and wax brush cleaner. As a graduate level course, students will be expected to work on a more advanced level by integrating the encaustic process into their own body of advanced work.
Prerequisites: Postgraduate standing, faculty approval

KGPA 535  Graduate Abstract Painting  3 Credits
Offers graduate level instruction in various forms of painterly abstraction with a special emphasis on the combination of traditional and non-traditional materials and processes. Non-objective/formalist painting issues will be developed in conjunction with the student’s individual artistic direction. Class work should reflect the depth and complexity indicative of graduate study.
Prerequisites: Postgraduate standing, faculty approval
COURSE DESCRIPTIONS

KGPA 550  Graduate Concept Development in Painting  3 Credits
Offers graduate level instruction in the development of concepts within the context of the painting medium. Graduate students will be encouraged to explore contemporary theories and strategies in conjunction with their personal artistic direction. The course will also review traditional and mixed media approaches to painting with special emphasis on the relationship of form to content. The student will also be required to write an artist statement. Class work should reflect the depth and complexity indicative of graduate study.
Prerequisites: Postgraduate standing; faculty approval

KGPA 599  Independent Study: Graduate Painting  3 Credits
An independent study course is an opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: Postgraduate standing; faculty approval

KGPA 660  Graduate Painting Thesis  3 to 15 Credits
Graduate painting thesis provides preparation for the Master of Fine Arts exhibition. Emphasis with the painting thesis will be placed upon the continued development of a cohesive body of work that demonstrates technical and material mastery. Students will be expected to demonstrate a high degree of sophistication in the research and incorporation into their paintings of themes, motifs and ideas of personal or conceptual significance. Students will clearly articulate the conceptual and material choices motivating their work by producing a ten-page research-oriented artist statement, and presenting a final oral overview of their achievements to a formal M.F.A. candidate review panel.
Prerequisites: Postgraduate standing, faculty approval, completion of 18 credits of graduate painting studio

KGPH 500  Special Problems: Graduate Photography  3 Credits
A special problems course is an opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: Postgraduate standing, faculty approval

KGPH 521  Graduate Photography Studio  3 to 18 Credits
Emphasizes individually motivated studio work in photography that may include black and white and color printing, artificial lighting, large format camera use, and non-silver or digital imaging along with the focused development of conceptual concerns.
Prerequisites: Postgraduate standing, faculty approval

KGPH 599  Independent Study: Graduate Photography  3 Credits
An independent study course is an opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available online and from the Student Services Office.

KGPH 660  Graduate Photography Thesis  3 to 15 Credits
Continues the preparation for the Master of Fine Arts exhibition, thesis statement, and final presentation.
Prerequisites: Postgraduate standing; faculty approval; 18 credits of Graduate Photography Studio.

KGPR 500  Special Problems: Graduate Printmaking  3 Credits
A special problems course is an opportunity to pursue a course in a classroom setting made available to the student during the same time as another course is being offered under the direction of the professor and with the signed approval of the professor. The forms for requesting approval are available online and from the Student Services Office.
Prerequisites: Postgraduate standing, faculty approval
KGPR 521 Graduate Printmaking Studio  3 to 18 Credits
Emphasis within graduate printmaking studio will be placed upon the eventual development of an accomplished cohesive body of work that demonstrates increasing technical and material mastery. Students will be expected to research and incorporate themes, motifs and ideas of personal or conceptual significance into the production of their prints. Students will clearly articulate the conceptual and material choices motivating their work by producing a five-page research-oriented artist statement that will be presented at their first-year graduate review.
Prerequisites: Postgraduate standing, faculty approval

KGPR 599 Independent Study: Graduate Printmaking  3 Credits
An independent study course is an opportunity to pursue special topics or projects beyond the classroom setting, and is established under the direction of a full-time faculty member, with the approval of the program chairperson. The forms for requesting approval are available online and from the Student Services Office.

KGPR 660 Graduate Printmaking Thesis  3 to 15 Credits
Graduate Printmaking Thesis provides preparation for the Master of Fine Arts exhibition. Emphasis within the printmaking thesis course work will be placed upon the continued development of an accomplished cohesive body of work that demonstrates technical and material mastery appropriate to the student’s needs. Students will be expected to demonstrate a high degree of sophistication in the research and incorporation into their prints of themes, motifs and ideas of personal or conceptual significance. Students will clearly articulate the conceptual and material choices motivating their work by producing a ten-page research-oriented artist statement, and presenting a final oral overview of their achievements to a formal M.F.A. candidate review panel.
Prerequisites: Postgraduate standing; faculty approval; KGPR 521 (18 credits)
CERTIFICATE IN DESIGN AND INNOVATION MANAGEMENT

KDES 650  Design and Innovation Process Management  
3 Credits
The concept of Design and Innovation Process Management is developed through the interrelationships between the organizational systems of organizational learning, financial process, and customer systems and those of research, analysis, synthesis, and implementation as related to product/problem formulation.

KDES 651  Design Communication Management  
3 Credits
The concept of Design Communication Management is developed by examining communication systems within design and innovation processes that involve research, analysis, synthesis, and implementation as related to product/problem formulation and their interrelationships with the organizational systems of organizational learning, financial, process, and customer systems.
Prerequisites: KDES 650

KDES 750  Sustainable Design and Systems Management  
3 Credits
The concept of Sustainable Design and Systems are developed through examining interrelationships with organizational learning, financial processes, and customer services. Sustainable organizations, product development systems, and processes involving research, analysis, synthesis, and implementation will be fully explored.
Prerequisites: KDES 650

KDES 751  Leadership by Design  
3 Credits
Leadership by Design is developed by exploring elements common to leaders and organizations in which innovation success is achieved through structuring the interrelationships between design processes, design communications, consumer-centric design thinking, and organization systems and using research, analysis, synthesis, and implementation to foster a creative culture throughout the organization.
Prerequisites: KDES 650
